PHARMACY TOPICS

by Eddy Hoenig

Hospital Discount WEST

Front L-R: Sonja Sewell, Launne Reid, Sue Miller.
Back L-R: Kathryn Striker, Eddy Hoenig, RPH

Men who use androgenic anabolic steroids-such as testosterone-may face a higher risk of early death and of experiencing more hospital admissions, according to a new Journal of Internal Medicine study.

Misuse of prescription opioids or benzodiazepines (such as Xanax) was associated with suicidal ideation in a study of U.S. older adults. In the International Journal of Geriatric Psychiatry study of 17,608 adults aged 50 years and older, past-year use (without misuse) of prescription opioids or benzodiazepines was not associated with past-year suicidal ideation. In contrast, past-year opioid misuse was associated with a 84 percent increased odds of past-year suicidal ideation, and past-year benzodiazepine misuse was associated with twofold increased odds, after controlling for various factors related to suicide in other work. While 2.2 percent of US older adults not engaged in either opioid or benzodiazepine misuse reported past-year suicidal ideation, the rate was 25.4 percent in those who misused both medication classes.

In a study of 15 patients affected by major depressive disorder and complaining of insomnia, initiating treatment with vortioxetine for their depressive symptoms led to significant improvements in subjective sleep quality and daytime sleepiness. The British Journal of Clinical Pharmacology findings may have important clinical implications because sleep problems affect an estimated 70 to 90 percent of patients with depression. Vortioxetine differs from selective serotonin reuptake inhibitors that are prescribed to treat depression because it has a multimodal effect on serotonin transport and reuptake.

Ryan-Bavar Creek Watershed 319 Funding Available

Cullman County Soil and Water Conservation District is pleased to announce the Ryan-Bavar Creek watershed has been approved through ADEM (Alabama Department of Environmental Management) for 319 cost share. Incentive payments for best management practices will be made to qualifying farmers that live in the project area. Examples of practices included fencing, heavy use areas, waste storage facility, watering facility, critical area improvement and pasture planting, etc. Natural Resource Conservation Service's Environmental Quality Incentive Program rules and regulations apply.

There will be a kick-off for interested persons meeting on November 8th at 10:00 am at Federer's Fertilizer located on County Road 222.

Those interested in signing up or have questions are encouraged to stop by our office located at 501 B 4th Street SW, Cullman AL or call Kathy Holmes with the Cullman County Soil and Water Conservation District at 256-734-1431 or email kholmes@cullmanswcd.com.

This project was partially funded by the Alabama Department of Environmental Management through a Clean Water Act Section 319(h) nonpoint source grant provided by the U.S. Environmental Protection Agency - Region 4.

meet

Ashley A. Ketchum, DO

Pediatrician

Cullman Regional welcomes Dr. Ketchum to the Cullman Regional Medical Staff. A graduate of Lincoln Memorial University — DeBusk College of Osteopathic Medicine in Harroage, TN, she completed her post-doctoral training at the University of South Florida. Dr. Ketchum will manage the health of children, including physical, behavioral and mental health issues. She joins the practice of Internal Medicine & Pediatrics of Cullman.

"I'm excited to bring our family to Cullman and to become a part of the community. I look forward to using the insight I have gained as a new parent to help me provide even better pediatric care to the children of the Cullman area."

Duck River Reservoir

The Cullman Utilities Board intends to lower the Duck River Reservoir substantially below full pool in connection with planned work and monitoring at the dam, and for these purposes we will attempt to maintain the reservoir at substantially lowered levels throughout the winter months. Due to these measures, we will be closing the reservoir for public access in the next few weeks.

We apologize for any inconvenience and will aggressively work through this to allow public access as soon as possible.

Cullman, AL 35058

Tuesday, November 5, 2019 Customer Appreciation Day

The Beef Industry is changing rapidly. In order to meet those changes we are changing our sale day to Tuesdays. We will begin selling on Tuesday starting November 5, 2019. We will continue to start our sale at 8:30 a.m. We feel this change is in the best interest of our producers.

We appreciate and thank you for your support over the past 65 years and look forward to serving our industry and producers in the future.

Thank you,
Hoagy Parrish, Callahan Parrish
