# LIFE EXPANDED

## Introducing the Next Generation of Care.

We're undergoing our largest expansion yet, implementing programmatic innovation to bring new possibilities for all who come to us for care. With 250,000 square feet of progressive design, we're not only building a better space for healing, we're defining the future of medicine in our community. Another reason your life is worth Penn Medicine.

See what's coming.

Instead of going home, a hospital discharge planner could ask you which rehabilitation facility you want to go to. You need a plan so you can stay in control.

With the newest equipment available and aggressive therapy plans tailored just for you, PowerBack Rehabilitation offers a full range of physical rehabilitation specialties in a fresh, modern setting.

# YOUR CHILD IS THE CENTER OF OUR WORLD

**We Care More.  
We Do More.**

No two children are the same. That's why EBS Children's Therapy offers a multidisciplinary approach to meet your child's unique needs. Children, adolescents, and young adults who struggle with feeding, communication, movement, self-help, learning, behavior, anxiety, and more trust EBS Children's Therapy to help them improve upon the skills they need to make life more meaningful. Whether your child is here for one service or a combination of services, our experienced therapists will tailor a plan that inspires your child to progress. We even coordinate with home and school teams to ensure carryover of skills, and ultimately, greater success for your child and family.
