2019 PRO-AG Outlook and Management Meetings

Historically, Pro-Ag has been offered to review important information for planning and decision-making in the coming year. Initially, ag lenders made up the primary registrants; but now, the audience includes ag suppliers and producers. Once harvest is completed for 2019, the focus will move to planning for 2020. Iowa State University Extension and Outreach offers valuable and updated information key to best-outcome 2020 operating decisions. The 2.5-hour forum will include expert campus reports on Iowa farm financials, and projected farm bill payments; trade negotiations, including a culturally-relevant and updated discussion concerning China negotiations; and the 2019-20 crop market outlook.

The 2019 Pro Ag Outlook Forum will be offered in both Sioux City and Spirit Lake. Choose your preferred location and time, and register accordingly.

ILCC Music Department Announces The 20th Annual Elizabethan Madrigal Feast

The Iowa Lakes Community College Music Department is proud to announce the 20th Annual Elizabethan Madrigal Feast. This year's festivities will be held at the Estherville Campus SERT Building on Saturday, December 7, with performances held at noon and 6:00pm.

The Elizabethan Madrigal Feast pays tribute to the Christmas Feast that was an annual custom in early England. This custom originated from the celebration of the New Year and was an extravagant display of rejoicing and toasting of the twelve days of Christmas.

The 20th Annual Elizabethan Madrigal Feast is a re-creation of some of the most important traditions like the procession of the boar's head, the jester's hijinks, strolling carolers, Wassail toasts, flaming pudding, and a special royal dessert. Renaissance costumes will be worn by the performers, and are optional for those attending as guests.

There will be a delicious five-course meal served with the opportunity to participate in some hilarious comedic entertainment and to listen to the beautiful sounds of the season.

Performers for this year's event include the Royal Iowa Lakes Chamber Choir, My Lady of the Lakers Handbell Ringers, The King's Brass Ensemble and Her Majesty's Recorder Consort.

Tickets are \$20 per person, with limited seating available. Reservations must be received in the Music Department and paid in full by Wednesday, November 13, via cash, check (payable to Iowa Lakes Music Department), or credit card. Credit card reservations may be made by phone or via email. No refunds will be issued after this date.

Start your holiday season off right by celebrating the gallantry, beauty, and simplicity of the true meaning of Christmas!

For more information or to reserve tickets, contact the Iowa Lakes Music Department at 712-362-8345 or rgewecke@iowalakes.edu.

3 Takes on Same Theme at PLAC

Different looks at a common problem will highlight the Iowa Films Night presentation at the Pearson Lakes Art Center in Okoboji on Thursday, November 5, in the Lauridsen Theater.

It begins with the award winning short "Say Hello to the Night", written and performed by Brandt Prescott of Sioux City, and shows a young man tortured by his inner voice after receiving a potentially life changing phone call.

The feature "Jack and Andi" introduces a stubborn guy and an angel sent to guide him in this drama/comedy starring Gary Ewing & Kristy Neidinger of Mason City, Iowa. Jack Scarrett has suffered a brain aneurism; Angel Second Class Andi is assigned to look after him but her unorthodox methods consistently backfire. After bending the rules one too many times, God questions Andi's ability to accomplish the task at hand. Long time actor and Forest City chiropractor Jim Brockhohn is the director.

The third undertaking has said Brockhohn in the role of a hapless brother trying to help down-and-out Murphy, a loser who has nothing to live for, end his troubles when he just just can't seem to catch a lucky break in the perfect comedy "Murphy's Law". It will be a night of entertainment and hilarity.

Iowa actors, producers, directors, subjects or locations are the attraction in the films shown on the first Thursday of each month. Movies begin at 6:30 p.m. and last approximately one and a half hours. A freewill offering is requested.

Join us, for a look through a camera lens at this place we call home.

Knights of Columbus Coats for Kids

The Iowa Great Lakes Knights of Columbus Council 5043 held its Coats for Kids campaign in the month of October. They accepted community donations of new hats, coats, mittens and snow pants to distribute to children at Spirit Lake Elementary School.

Children from Mrs. McCabe's class were happy to show off the cold weather gear, along with Ms. Thompson and Mr. Huebner, right, from Spirit Lake Elementary School; Jed Skogerboe and Paul Katzfey represented the local Knights of Columbus.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past year contributing more than \$18,000 to local community needs, including Hope Haven, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee. They also run the Tootsie Roll Drive for Persons with Intellectual Disabilities Labor Day weekend, and the Soup and Pie supper in the fall, benefiting local organizations.

The Knights of Columbus is an international Catholic family fraternal service organization with 1.9 million members in more than 16,000 local councils. Last year, Knights donated more than 76.7 million volunteer hours and \$185 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families and youth.

Okoboji All-State Audition Results

On Saturday, October 26, five instrumentalists and two vocalists auditioned for the prestige of being chosen for All-State Band, Orchestra or Choir. John Alexander (violin), Samuel Heikens (percussion), William Alexander (cello) were all selected. Extra congratulations to John Alexander as he has been selected for all 4 years, which is rare in our school's history and in the state. Avery Arrowood (flute), Martha Stein (alto saxophone), Lexi Duffy (vocal), and Haley Hallengren (vocal) also auditioned. Martha, Lexi, and Haley were all recalled but didn't make it. Great job to all these students in their hard work!

Veterans Program

The Clay County Heritage Center, along with Humanities Iowa and the Clay County Convention and Visitor's Bureau, will be hosting Our Veterans' Perspective program on Wednesday, November 6, at 6:00pm, at the VFW Building in Spencer.

Founder of The Iowa Veterans Perspective organization, Sara Maniscalco Robinson, will present about interviewing Veterans, their stories, and her own experiences as a National Guard member. This event is part of Clay County Heritage's 2019 Annual Meeting as well as their current exhibit, Conflict, Tension, and Prosperity: The Cold War Experience.

Not only will Ms. Maniscalco Robinson present on November 6th, she will also interview local Veterans as part of her Veterans Perspective project. Their stories will be stored in the Clay County Heritage Center Archives and on display starting in January 2020.

Clay County Heritage still seeks artifacts and information from local community members regarding the Cold War, specifically the Vietnam conflict, the Space Race, the Cuban Missile Crisis, and Desert Storm. These items loaned by community members will be on display for the second half of the Conflict, Tension, and Prosperity: The Cold War Experience exhibit from January - June 2020.

For more information about the Our Veterans' Perspective program or loaning Cold War artifacts, please contact the Clay County Heritage Center at 712-262-3304 or visit at 7 Grand Avenue in Spencer.

Activities to Honor Veterans

In honor of veterans throughout the region, Iowa Lakes Community College student leaders are organizing special events as Veteran's Day approaches. All events will take place on Veterans Day, Monday, November 11, 2019.

"All five campuses will be very involved in showing gratitude to our past and present veterans," said Kent Schmidt, Veterans Liaison and member of the college's veterans committee.

All campuses have decided to display 'Honor Trees.' Multi-colored ribbons are placed near the Honor Trees and signs next to the trees encouraging students, staff and faculty to tie various colored ribbons to the trees to recognize those who have served, as well as those currently serving in the U.S. military.

In Emmetsburg, students will have a ceremony at 11:00am in the Dining Services area, through Entrance 3. Maggie Jackson, Kyle Anderson, and Hannah Seil will sing the national anthem. Student veterans are welcome to attend a lunch following the event, paid for by the student senate. In addition, Emmetsburg student senators reach out to the community by donating money for a wreath to grace the Veteran's Memorial in downtown Emmetsburg and by taking donations for veterans to participate in the honor flights going to Washington DC.

Iowa Lakes students are encouraged to write essays regarding their favorite veteran or about what Veteran's Day means to them. Buena Vista University will award a book store gift card to the winner of the contest.

In Estherville, student senators are hosting a free meal over the lunch hour for Laker Veterans (students, faculty and staff). The meal will follow a recognition ceremony with patriotic music provided by the Iowa Lakes Music Department, slated for 12:30pm, in the atrium of the Estherville campus.

In Algona, students will sign "Thank you for your Service" printed cards to be handed out at the annual Hy-Vee Veterans Breakfast located at the Algona Hy-Vee.

In Spencer, student senators plan to have a patriotic balloon send-off along with a formal ceremony and the Spirit Lake campus will have a patriotic display that includes essays from students honoring veterans.

Master Gardeners Donation Garden

Dickinson County Master Gardeners were awarded an Iowa State Extension Mini-Grant to provide a donation garden to a local pantry this past growing season.

The grant funded the creation of the garden with Lakes Regional Healthcare providing the land space. Funds were utilized to provide plantings, fencing, containers, watering equipment and other materials to provide fresh produce to residents in Dickinson County. In total, 885 pounds of produce was provided to the Upper Des Moines pantry and produce cupboard at the Lakes Area Senior Citizens Center in Spirit Lake. Produce was delivered over an 11 week period weekly and was utilized immediately by many residents. Dickinson County Master Gardeners in collaboration with ISU Extension would like to thank Lakes Regional Healthcare and Camp Foster YMCA (who contributed 355 pounds from their garden once camp sessions were over). The Master Gardeners look forward to continuing the garden and are seeking volunteers who would like to assist during next year's growing season. Contact Theresa Golden at 712-332-8467 if you are interested.

The Most Wonderful Time of the Year

Our basketball season officially starts on Monday, November 18th so my weekly articles will become fewer and far between. There's not much to this week's column because we were on vacation up until Monday night in New York City, catching two NBA games and some NYC sites. You can look for articles when something big happens, like Iowa State actually winning a close football game against a Power 5 team, or Iowa putting up touchdowns against a solid defense, or the Vikings making the playoffs. Until then, everyone enjoy the best time of the year; you may think that's crazy with winter coming, but hey, it's almost basketball season!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

Well, here we go again. Did the Democrats not learn anything from the Republican fiasco when they tried to impeach President Clinton? When Adam Schiff and his fellow Democrats came out yesterday and said they really feel bad about this impeachment process, but it is something that just has to be done, is the biggest bunch of BS I have ever seen. They have been talking about impeaching President Trump since the day he was elected. They couldn't even wait until he was sworn in to talk about it. They continue to talk about Russian interference in the 2016 election. Was there Russian interference? Probably so. What they don't talk about is the fact that it happened on President Obama's watch. Somehow what Trump did with Ukraine is different than what Vice-President Biden did when he withheld money from Ukraine on behalf of his son. He even bragged about it. These Democrats are trying to change an election because they didn't get the outcome they wanted. That is not how things work in this country. The people decide with their vote and if they don't want Donald Trump as president they will vote him OUT! Do I like some of the things that President Trump does or says? No, but he is still President. Yes, I wish he would stop with the name calling and some of the twitter rants, he doesn't need to act like the high school bully. The thing is, everyone that voted for him knew exactly what they were getting, he didn't just start acting like this after he was elected. I can say that since he has been President, the stock market is at an all-time high, unemployment is at an all-time low. If you are not doing better financially since he has become President, it's your own fault. Just look at the help wanted section of our Lakes News Shopper, if you want a job in northwest Iowa they are there. These are good paying jobs, most starting at \$13 or more per hour. If you really think Bernie Sanders, Elizabeth Warren, Joe Biden or any of the other Democratic candidates are going to make things better in this country you are sadly mistaken. Anyone with a brain knows there is no way Medicare for all, free college tuition, this green new deal or any of these other fantasy policies the Democrats are promoting will ever work. Donald Trump may not be the best President we have ever had, he is certainly not the worst and he is definitely better than any of the current candidates out there. Yes, I plan to vote for President Donald Trump again in November of 2020.

OPBC Donation

Iowa Lakes Electric Cooperative recently made a generous donation to the Okoboji Pioneer Booster Club. Amy Howard, representing Iowa Lakes Electric Cooperative, presents a check to members of the Okoboji Volleyball Team. The Okoboji Pioneer Booster Club greatly appreciates this donation as it helps us fulfill our mission of "promoting leadership, encouraging teamwork, and cultivating a strong work ethic among our student athletes while building programs that represent our school proudly, encouraging enthusiasm, and fostering sportsmanship and support among our school and community." We are Proud to be ONE!

Bowling for Brayden Event a Success

The Kiwanis One Day Bowling for Brayden event held at Corner Lanes was a huge success, as \$2,968 was raised. Approximately 90 bowlers participated at the event, and many community members came out to support Brayden through purchasing items for the bake sale that was hosted by the SLMS Builder's Club and bidding on silent auction items hosted by the SLHS Key Club. A big shout out goes to The Lakes News Shopper and Dickinson County news for advertising this, as well as Kiwanis for promoting it. Thanks to Carol Baines and staff at the Corner Lanes for fabulous service and to Hibachi 88, Outrigger, and Custom Creations for their donations to the silent auction. This team effort will help offset the costs for Brayden Johnson's medical expenses. Gratitude by the family at the event was expressed and it was a morning to bring the community together.

License Plate Deadline

Dickinson County Treasurer Kris Rowley says, "Friday, November 8, 2019, is the deadline for customers to submit personalized license plate orders with the Iowa Department of Transportation in order to guarantee arrival for the holiday season. This includes the popular Blackout plates.

Rowley says personalized plates need to be ordered directly with Iowa DOT Vehicle Services at the following website to guarantee the November 8th order date: www.iowadot.gov/mvd/personalizedplates/home.aspx. According to the Iowa DOT, orders submitted by November 8 will be delivered to county treasurer offices by December 18 for pickup in time for Christmas.

Over 46,000 Blackout plates have been put into circulation on vehicles since their rollout on July 1, 2019, now surpassing the University of Iowa plate that has 30,088 plates in circulation as reported on 10/29/19 on KCCI in Des Moines.

Contact the Dickinson County Treasurer's Office for more information.

Veterans Day Program

The Lake Park American Legion Post #371, along with the Harris-Lake Park Community School, will be presenting a Veterans Day program at the Harris-Lake Park MS/HS Gymnasium at 1:00pm on November 11. The public is invited to join the school kids in honoring the Veterans of Lake Park and Harris communities. Rev. Dr. Emmanuel Naweji will be the keynote speaker.

U.S. Senate Hopeful to be Here Sunday

The Dickinson County Democrats invite lakes area residents to a "meet and greet" get together for Democratic candidate for the U.S. Senate, Theresa Greenfield. It will be held Sunday evening, November 10, from 7:00 - 8:00pm, at the Milford Community Center. There is no admission charge.

County Democratic Summer Sizzler chair, John Adams Sr., stated "we are excited to have Theresa Greenfield here Sunday, November 10. She gave a stirring speech at our Summer Sizzler in August and her campaign has gotten off to a strong start."

- Theresa outranked Senator Ernst in the third quarter of 2019, and previously announced that she has received contributions from supporters in all 99 of Iowa's counties.
- Theresa continues to earn endorsements from dozens of leading Iowa Democrats - including Congressman Dave Loebsack, Congresswoman Abby Finkenauer, and Christie Vilsack, as well as from unions representing thousands of Iowa workers.

We hope county residents will take the opportunity to meet her, and listen to her views on the issues facing Iowa and America."

All four of the Democrats vying for the party's nomination in the June 2020 primary for Senate have been invited to visit Dickinson County in the months ahead.

Smart Choice Health Insurance Learning Session November 12

With only a short time remaining to secure health insurance for the upcoming year, Iowa State University (ISU) Extension and Outreach is offering a free workshop to help individuals understand how to make smart choices when purchasing health care coverage. The workshop will be held from 5:30 to 7:30pm, on November 12, at the Milford Memorial Library Community Room.

Smart Choice Health Insurance is a health insurance literacy curriculum that provides research-based education to help consumers understand health insurance concepts and terms, evaluate their own health insurance needs, examine insurance plans and select a plan that fits their needs and budget.

"As individuals and families consider essential benefits, additional coverage and pre-existing conditions, they may feel overwhelmed by the choices," said Jan Monahan, Human Sciences Specialist in Family Finance with ISU Extension and Outreach. "This is true at any stage of life, whether the individual is turning 26 and leaving their family's health insurance plan or if he or she has had their own health insurance policy for years."

Through the Smart Choice Health Insurance workshop, attendees will:

- Understand the importance of networks and finding out which health providers participate in various plans;
- Find out whether financial assistance is available to reduce the cost of health insurance;
- Use a guide to identify their own health insurance needs and priorities;
- Be able to compare different plans available through the Health Insurance Marketplace; and
- Prepare to purchase health insurance coverage.

"This workshop will help people choose coverage that best fits their or their family's budget and health care needs, and then use that plan efficiently once enrolled," Monahan said.

Monahan shared that Senior Health Insurance Information Program (SHIIP) representatives will also be onsite to answer Medicare questions, and set up individual appointments to work one-on-one after the meeting, as/ if needed.

For more information about the Smart Choice Health Insurance workshop, contact the ISU Extension and Outreach Dickinson County office at 712-336-3488. The program is free and open to the public, with no pre-registration needed. It is being hosted in partnership by ISU Extension and Outreach and the Milford Memorial Library.

The Smart Choice Health Insurance Program is funded through 1311 grant funds from a U.S. Department of Health and Human Services grant.

The Humane Society of NW Iowa to Create a Surgery Suite

The Humane Society of Northwest Iowa has a unique opportunity to create a surgery suite on its premises in place of what for years was a final resting place of animals. The former crematorium room will now become the new surgery suite with a licensed veterinarian donating her services 1 day a month to help offset vet expenses, which are up to 40% of the HSNWIA monthly expenses.

"I am in the occupation of saving and helping abandoned animals, as well as promoting the ethical and humane treatment to ensure they go to the best homes possible," says Executive Director, Arin Miller-Kohn, "and full vetting as mandated by the state is a huge part of that." Full vetting means that all pets must be sterilized (spayed or neutered) and all vaccinations are up to date via state regulations before they can be adopted by the HSNWIA. This can take a huge toll on animal rescue budgets.

"We are lucky to have agreements in place with local vets, but the opportunity to turn a place of eternal rest into a place of life is huge and monumental", stated Board President Kara Rice. "It starts with someone gracious enough to donate their time and let us know what it will take to fulfill this dream."

"We've been graced with supporters who recognize the vision of this amazing opportunity, and have donors who have already donated \$10,000 to make it a reality."

However, until we can get the surgery suite up and running we are looking for donations to help with our current vet bills. Our monthly vet bills range from \$5,000 - \$8,000 a month. The majority of our vet bills are for spaying/neutering cats and dogs prior to adoption. For the month of October we still have a balance of \$7,000. Anyone gracious enough to donate can donate directly to the Dickinson County Vet Clinic or they can send/deliver monetary donations to the Humane Society of Northwest Iowa, 607 28th Street, Milford Iowa 51351.

The Humane Society of Northwest Iowa is a 501(c)3 non-profit animal shelter that proudly serves Dickinson, Clay, Emmet, Palo Alto, O'Brien and Osceola counties. Their mission is to promote responsible pet ownership by educating on the importance of spaying or neutering animals. They also promote the ethical and humane treatment of all animals, as well as provide care, housing, and rehabilitation for animals in need while they are at the shelter.

Don D. Goodenow, 91, of Spirit Lake, passed away on Monday, October 28, 2019, at Accura Healthcare of Spirit Lake. A gathering of remembrance was held Friday, November 1, 2019, at the First Presbyterian Church in Spirit Lake. The Schuchert-Lentz Funeral Home in Spirit Lake is assisted the family. Online condolences may be sent to www.spiritlakefuneralhome.com.

Don Duane Goodenow was born on the home farm southeast of Battle Creek, Iowa, April 14, 1928, the third son of Russell Humes Goodenow and Hazel Manson Goodenow.

He attended Maple # 8 country school across the road from their home just a few months after his 4th birthday, through eighth grade, and enjoyed telling people that he was the smartest kid in his class, omitting the fact that he was the only one in the class. Once he started high school in Battle Creek, he participated in baseball and basketball, school plays, and especially in all instrumental and vocal music activities. He graduated with the class of 1945, spent the next year farming with his dad, and then enrolled at Morningside College, where he attended for two years, excelling in music.

In 1949, he was married to Jean Babb. They lived for several years in the country schoolhouse where he had been a student for eight years, while he farmed with his dad. Their first child, Gail Jean, was born while they were there.

In 1953, they bought a farm in Blaine Township, northeast of Ida Grove. Don had a number of off-the-farm jobs during the thirteen years he farmed there. Among them were as soil technician for the U.S. Soil Conservation Department; as sales rep for Harvestore, Shorestation, and Citation Homes; manager of the King Theater in Ida Grove, and income tax work for a local attorney. He received recognition for development of the pond on the farm and for one of the first confinement hog setups in the area. Their five sons, Gregg, Grant, Gary, Gavin, and Guy were born while they lived on the Blaine Township farm.

In 1966 the family moved into Ida Grove, having bought the business they named The Four Seasons, a garden center and florist shop. The tree-moving service was added with the purchase of one of the first Vermeer tree spades in the area.

Don continued to be in demand as a singer, as he had been all through his high school and college years, singing in church choirs, weddings, funerals, and for many community events. He belonged to the Masonic Lodge of Battle Creek, and Alpha Tau Delta and Phi Mu Alpha fraternities. He served on the pastor-parish committee of the Ida Grove Methodist Church, as president of the IG Kiwanis Club, secretary of the Ida County Fair Board, member of the Ida Grove School Board and seven years as a member of the founding Western Iowa Tech Board.

Following a stroke in 1982, he was no longer able to sing, and the Four Seasons store was sold, but he was able to continue the tree-moving for a number of years, and took pride in seeing hundreds of wind-breaks and landscapes that he had helped to create throughout a several county area.

In 1989, when Jean retired from teaching, they moved to the Methodist Camp (later reorganized as Monarch Cove) near West Lake Okoboji, where they built the year-round home they designed, participating in the actual construction, using much of the material from an Ida County barn Don had dismantled. He served the Cove for nearly 20 years as "water commishner" as well as driving cars for Great Lakes Motors. He served on the staff-parish committee of the Spirit Lake Methodist Church. They later joined the Spirit Lake Presbyterian Church.

Don's parents and his brothers, Barry and Bruce preceded him in death. His children are his daughter Gail, in California; sons, Gregg (Janet) of Ida Grove; Grant (Janene) of Johnston, IA; Gavin (Martha) of Arvada, CO; Guy of Westminster, CO. His son, Gary, who died unexpectedly in July of 2018, and his wife, Nan, lived in Lafayette, CO.

Grandchildren are Arielle Alaska (Isaiah Palmer), Troy Weary (Lisa), Corey Goodenow (Nicole), Jenna (Nick Akin), Bethany (Kurt Weitt), Brent Goodenow (Teresa), Emma Goodenow, Chris Mullen, Sean McEwen, Melissa (Matt Lane), Ryan Goodenow, Austin Goodenow, Alexander Goodenow, and Zachary Goodenow. There are 17 great-grandchildren.

Don passed away on October 28 after a brief hospitalization, less than one month before their 70th wedding anniversary. Memorials will be directed to the First Presbyterian Church to help with costs for Radio and T.V. Broadcasts.

Obituaries

Paul Buckley, 97, of Sioux Falls, South Dakota, formerly of West Union and Okoboji, passed away on Friday, October 25, 2019, at Foundation Cottage in Sioux Falls. Private services for Paul will be held at a later date. Arrangements are under the direction of the Schuchert-Lentz Funeral Home in Spirit Lake. Online condolences may be sent to www.spiritlakefuneralhome.com.

Paul was born, February 9, 1922, to Robert Roy Buckley and Laura Coffman Buckley in Coon Rapids, Iowa. The youngest of their 3 children, he grew up on the family farm, and graduated from Coon Rapids High School in 1941.

Attending Iowa State University for one year he joined ROTC, and then enlisted in the Army Air Force in 1942 and received his flight training at Chico, CA, and Douglas, Arizona. Serving as the pilot of a Mitchell B-25 in the 12th AAF B-25 Group in the Mediterranean Theatre, 1st Lieutenant Paul Buckley was awarded the Distinguished Flying Cross for 'Extraordinary Achievement in Combat Aerial Flight', the Air Medal with 5 Oak Leaf Cluster for 'Heroism and Meritorious Achievement while participating in Aerial Flight', and the E.A.M.E ribbon with 4 Stars. In an interesting aside, flying commercially never appealed to him after his WWII service – he always preferred to drive to his destination.

Discharged from active military duty in July of 1945, he returned home to Iowa, and soon after enrolled at the University of Nebraska. While there he joined the Sigma Chi Fraternity and earned his Bachelor's Degree in Business and Public Administration. Following graduation, Paul joined with his cousin Ronald Kretzinger in a new business venture as distributors for Hy-Line Chickens, and with this partnership they both relocated to West Union, IA. While living in West Union, Paul was introduced to his future wife, Marilyn Moen – and they were married on October 10, 1948, in Des Moines, IA. In the early 1950's Paul and Ronnie amicably dissolved their business relationship and went their separate ways. He and Marilyn moved to California where he worked for Pillsbury Food Company, but preferring to raise their children in the midwest, they soon moved back to West Union. Paul joined Miracle Recreation Equipment Company, Grinnell, Iowa, as a sales representative, and quickly became one of the five outside original investors. Selling playground equipment to Municipalities and Park Districts became his life's work and passion – and it began simply with a 'Merry Go Round' mounted on a trailer pulled behind his car. He thoroughly enjoyed traveling through Iowa, northern Illinois and Indiana, convincing those he met as to why they needed this piece of equipment for all the local children. Later, when Miracle went 'Public', Paul was appointed to the Board of Directors and served in that capacity for many years.

Paul loved watching/attending college football and basketball games and was a great supporter of the Universities of Iowa, Nebraska, and Minnesota, with those 3 collegiate flags always flying beneath the American Flag on his dock at Lake Okoboji. He was a Mason, a member of the El Kahir Shrine in Cedar Rapids, and the Royal Order of Jesters. While he enjoyed fraternizing with fellow Shriners and Jesters, he also believed it a wonderful honor to support the Shriners' Hospitals for Children. He enjoyed the game of golf immensely, and played regularly 2 to 3 times a week. After Paul and Marilyn retired to Lake Okoboji in the early 1980's, they welcomed friends and family into their home for the yearly Iowa Husband and Wife Golf Tournament.

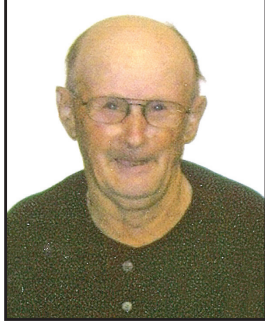

A loving father and husband, Paul will be very greatly missed by family and friends. He is survived by his 4 daughters: Judy (Mike) Schram, Paula (Ken) Schaefer, Melanie (Terry) Ellis, and Heidi (Ken) Ford; 7 grandchildren: Jon Schram, Jocelyn (Colbert) DeVille, Paul Colbert, Chelsea (Ellis) Herr, James Ellis, Maddy and Jack Ford; 7 great grandchildren: Hannah, Harleigh, and Preslie Deville, Jake, Annie and Johnny Schram, and Buckley Colbert.

He was preceded in death by his wife of 60 years, Marilyn, his parents Robert R. and Laura Buckley, a brother, Arnold, sister, Carolyn, a nephew, Nick Buckley and numerous cousins.

Those who so desire may make memorial donations to Shriners' Hospitals for Children at: <https://donate.lovetotherserve.org/campaign/Shriners-Hospitals-for-Children-R/c119312>

Educational Farm Bill Workshops

Iowa State University (ISU) Extension and Outreach is partnering with the USDA Farm Service Agency (FSA) to conduct 2018 Farm Bill workshops in Northwest Iowa throughout December.

Producers, agri-business personnel, landowners and other interested parties will have an opportunity to learn about the program election and enrollment process regarding the 2018 Farm Bill, as well as discuss farm stress management and financial decision-making. With seven meetings to be hosted in the region, individuals can select the date and location that works best for them.

"These meetings are designed to help

producers, landlords and other agri-business professionals with a discussion of farm operation strategies, including the 2018 Farm Bill election and enrollment process, the ARC/PLC analyzer tools that are available to them, and farm financial trends and stress management issues," said Gary Wright, Farm Business Management Specialist with ISU Extension and Outreach.

Local meetings will be held on the following dates/locations:

- Wednesday, December 4, 2:00 - 5:00pm - Iowa Lakes Community College Estherville Campus (300 South 18th Street, Estherville); Pre-register to

712-362-3434.

- Tuesday, December 10, 9:00am to noon - Hap Ketelsen Community Center (203 North Main Street, Evely); Pre-register to 712-262-2264.

Each meeting will last approximately 3 hours, and doors will open 30 minutes before the meeting begins. There is no fee to attend; however, pre-registrations are requested to better manage the availability of materials and resources. To pre-register, call the host-county ISU Extension and Outreach office.

For more information, contact Gary Wright at 712-223-1574 or gdwright@iastate.edu.

HILL AVENUE
CHIROPRACTIC

Being self-aware means to observe and listen to what your body is telling you. We all know when something isn't quite right inside. In your life: What are you observing? What can't you do today, that you were able to in the past? What would you like to do again? Our bodies are self-healing and self-regulating, the nerve system carries the message of regulation. If you are observing something abnormal, have your spine checked and adjusted. You will be surprised how it improves your life.

Art Opening at Midwest Modern

Deidre Rosenboom is back from her travels of South East Asia, South America and the South Pacific. She has learned a lot about life and especially her love for the Okoboji area and the people of heart who reside here. Even though she has a house in Ecuador and loves the tropical beach lifestyle, she truly feels there is no place like home and no place like Iowa. She is back to be with family and her close friends, while working a few hours at our area coffee shop, Rabab's in Spirit Lake. In Deidre's free time she is focused on creating art to share with the public in the creation of her hand

Painted bowls. Colorful bowls with her sense of design in each bowl. Every bowl is painted differently and yet by looking at it you can see they all come from Deidre. The bowls make great gift ideas or a fun purchase to add color to any of your tables.

Deidre was an owner of the Wine Bar and Art Gallery in Arnolds Park for seven years and it was here that her bowls had been introduced and became popular with many of her customers. These bowls are food safe and bring a lot of fun to anything that is served in them. She even had a few loyal customers who would come in and buy out her inventory to reserve their purchase of bowls for upcoming weddings and birthdays. "It brought a lot of fun into my life to see how much joy these bowls brought into people's homes. They just love them and I couldn't be more thankful for their support and interest in my work," Deidre says. Before she leaves to travel Morocco, Greece and Ecuador for a few winter months she invites you all out to celebrate the return of Deidre Bowls for an Art Opening at Midwest Modern.

We invite you to our open house for all for the art opening of Deidre Rosenboom's hand painted bowls. Thursday, November 21st, 5-8pm. Wine, cosmos martinis and light appetizers will be served. Come to get first dibs on the selection of these freshly painted bowls. Midwest Modern is exclusive to the sales and will ship! "We embrace the opportunities in socializing with our community and promoting local arts through the storefront of Midwest Modern," says Shannon Dunham, co-owner of Midwest Modern. It's places like these that make the community of Okoboji so special in the eyes of someone who has traveled and understands there is no place like the Iowa Great Lakes!

Opportunities missed?

If you recall hearing the voices behind the last six years of Cool Whip's TV commercials, or Amazon's Prime Day TV spots, which the members of *Ball In The House* both wrote and performed, you know more about the music of the five member Boston-based a cappella vocal band than we did before enjoying the band's performance Sunday afternoon in Windom. Friends in Redwood Falls gifted tickets for research director RD, the Old Professor, and Ms. Rambo to enjoy a curiously unknown quantity.

Of course it turned out well. *BITH* has been touring with nearly 200 engagements a year for the last two decades, with much of that through the Twin Cities-based Allied Concerts — which also had *The Barbary Coast Dixieland Show Band* on its roster for decades until the group recently disbanded. In addition to appearances on shows like *America's Got Talent*, *The Today Show*, and *The Daily Buzz*, the group's credits also include two recent years as headliners at the *China International Chorus Festival in Beijing*. How's that for international diplomacy?! Music is a common language.

BITH's two hour show in Windom spanned several music genres and decades, putting vocal harmonies to *This Little Light of Mine*, and *Swing Down Chariot*, followed by the music of Stevie Wonder, *The Flamingos*, *The Righteous Brothers*, and many more. *BITH* brought the crowd to its feet with applause several times. The most touching moment though, came when band member Montario Hall explained that he recently suffered a stroke that literally left him speechless — hence, unable to sing — and also paralyzed his right side. That wasn't really apparent until he mentioned it.

It took more than just guts and perseverance for Monty to be able to move, let alone sing — as he did very well Sunday. And, as RD was quick to point out, it is to the credit of his four band mates that they didn't just hire a replacement and continue down the road.

The show included musical several hundred people enjoyed — from a band that also displayed the kind of ethical behavior you don't often see in the entertainment business...

We need to note here that Sunday's show was part of Windom's concert series that started nearly 50 years ago. When the Sami Bedell Center for the Performing Arts Center was built over a decade ago in Spirit Lake, part of the plan was to provide a venue for a variety of road acts — not just small groups, but also plays and musical theatre. Millions of dollars later, that never developed as it was intended. There's no reason a membership-based concert association featuring the kind of music series that could bring *BITH* to the area shouldn't be a success on the campus of the Uofo. One of the venues at Arnolds Park, or at the Pearson Lakes Art Center — or even a high school auditorium — would be most suitable...

RAMBO-ling
BOB RAMBO

Spencer's Performing Arts Coalition (SPARC) is presenting the *Sons of the Pioneers*, Wednesday night, at 7:30, at the Spencer Community Theatre. *Sons...* is the group that was formed in 1934, by Leonard Slye, Bob Nolan, and Tim Spencer, popularizing music like *Tumbling Tumbleweeds*, *Cool Water*, and *Ghost Riders in the Sky*.

The Sopps... got a contract to make movies for Columbia Pictures before Slye moved to Republic Pictures on his own. There he became Roy Rogers, where the singers were soon reunited with him for several dozen movies and Roy's later television show...

BTW — Ryan Odor, executive director of Spencer's Arts on Grand (which is part of SPARC) will have a role in the Emmetsburg Main Street Community Theatre's production of *Little Shop of Horrors*. That's in addition to chaperoning the SCT's Audrey II (Twoey) on the road, to be part of the show in Emmetsburg. The MSC's production will open on November 15th for six shows across two weekends. We'll have more details next week...

Looking even further ahead, *Opry Christmas Jackson Style* is set for two shows, the afternoon and evening of Saturday, December 7th, with performances at 2:00 and 7:30. We understand there are still a few good seats available by calling for reservations at 507-847-3891, or 507-847-2009. This is the show that got its start at the SAMI Center, before there was no room for it on the SAMI schedule, and has since raised many thousands of dollars the Jackson County Kiwanians have used for their community projects directed mostly at programs benefiting children in Jackson County...

That same weekend will see the Iowa Lakes Community College music department's 20th annual Elizabethan Madrigal Feaste. There will be two seatings and performances, one at noon, and one at 6:00 that night.

The Feaste harkens back to the Christmas Feaste that was an annual custom in early England, and is a re-creation of some of the most important traditions with a five course meal, the procession of the boar's head, the jester's hijinks, strolling carolers, Wassail toasts, flaming pudding, and a special royal dessert. Renaissance costumes will be worn.

For more information, or to reserve tickets prior to November 13th, contact the Iowa Lakes Music Department at 712-362-8345 or rgewecke@iowalakes.edu

This week will see the full *Beyond Blue Band* at the Little Swan Lake Winery, Saturday, from 6-8:00; with the Mark Lair Band on the same stage, Sunday from 4-6:00...

Just as RD planned, we started November as a swingin' month, even without broadcasting the music of Benny Carter and his self-penned *Singin' in November*, which is the song of the month on Carter's *Aspects* album, recorded in Los Angeles for release in 1959.

Another Tuesday feature is *Love Your Red Hair Day*, calling for one of entertainment's rare red-heads, Danny Kaye, the beloved multi-talented entertainer famous not only for his red hair, but great acting, dancing and singing — and especially for his rapid-fire novelty songs. (See this week's final note, below)...

Today is also the day in 1956, that *The Nat 'King' Cole Show* made its debut on NBC Television. One of the songs Nat performed for the premiere was Irving Gordon's composition, *Unforgettable*, which in later years became his signature song, and was remixed as a postmortem duet with his daughter, Natalie...

Wednesday is Saxophone Day, honoring saxophone inventor Adolph Sax's 125th natal day. RD's music for the celebration is *Harlem Nocturne*, a song that has become a jazz standard. It was written in 1939 by Dick Rogers and Earle Hagen. Hagen is also credited with the themes for the Andy Griffith and Dick Van Dyke TV shows. A listing nearly as thick as an old New York City phone book would be necessary to document all the artists who have covered that song since an early recording was made by Ray Noble and his *Orchestra* in 1940. *The Edward Visser Band* recorded the tune as the theme for the *Mike Hammer* TV detective program; but *The Viscount's* charted the song in 1959, and 1966...

Alois Maxwell 'Al' Hirt was born in New Orleans on November 7, 1922. The trumpeter and bandleader's second LP for RCA Victor, *The Greatest Horn in the World*, recorded in 1962, contains covers of a few of the jazz standards of his time, including *Undecided*, *Stompin' at the Savoy*, and *Georgia on my Mind*...

November 8, 1928, is the day the musical *Treasure Girl* opened, featuring the music of George and Ira Gershwin. The best-known song in the production, *I've Got a Crush On You*, was most famously recorded by Frank Sinatra, in 1947. Following many others, Carol Sloane published her version in 1987, as did Tony Bennett and Diana Krall on their 2018 collaborative studio album, *Love is Here to Stay*...

And, finally, twisting things together as only RD can do, Sunday is Tongue Twister Day, which twists back to the aforementioned Danny Kaye, whose recording of *Tongue Twisters*, a song written by Adolph Green, Betty Comden, and Roger Edens, that appears on several albums, including *The Best of Danny Kaye*, which was released by MCA in 1982. 'Never heard Danny Kaye's *Tongue Twisters*? Check it out on YouTube...

Brooks Golf Management Agreement 2020

Dickinson County Conservation voted Wednesday to sign a 10-year agreement with Brooks Management LLC to run Brooks Golf in Okoboji.

The Dickinson County Conservation Board took ownership of Brooks Golf in March and signed a management agreement through 2019 with Brooks Management to run the course as the conservation board discussed the future of the course and the land management in general.

"Public comments were sought this summer, and the community expressed the desire that the area should remain a golf course," said Kiley Roth, community relations coordinator for the Dickinson County Conservation Board. "The conservation board voted to have the land remain a golf course, and proposals were sought from management companies."

A committee made of Dickinson County Conservation board members, staff and Dickinson County supervisors reviewed the submitted proposals and recommended that Brooks Management LLC be awarded the 10-year contract. The Dickinson County Conservation Board voted at a special meeting October 30 to sign an agreement with Brooks Management LLC, with a revised financial proposal.

"We were glad to see that we had multiple companies interested in the operation of Brooks Golf," said Lee Sorenson, Dickinson County Conservation executive director. "The scoring and ranking of the proposals really gave us a look at the variety of different aspects of the course. The conservation board feels that the best proposal rose to the top, and along with its years of experience of operating Brooks, Brooks Management is the right choice."

Dickinson County Conservation became owners of Brooks Golf in 2019 when an anonymous donation of \$3 million was given to the Conservation Foundation of Dickinson County -- the non-profit fundraising arm for the conservation board -- to purchase the course. The CFDC then gave possession of the 230 acres, including the pro shop, clubhouse restaurant and maintenance structures to the conservation board. Minerva's Restaurant and Arrowwood Resort & Conference Center are separate entities and not included in the transaction.

Part of the donation agreement was to place a conservation easement on the land to protect it from development in perpetuity, and the Dickinson County Conservation Board is working with the Iowa Natural Heritage Foundation on this easement, to be finalized at the conservation board's Nov. 13 regular meeting.

For more information on the Dickinson County Conservation Board, visit www.dickinsoncountyconservationboard.com or call 712-336-6352. To find out more about Brooks Golf, visit www.brooksgolf.com.

A total of 20 spots are available on a first-come, first-serve basis for the second annual Holiday Snowman decorating competition. For an entry fee of \$20, individuals, families or groups receive a 6-foot-tall plywood snowman shape to decorate.

The snow white canvasses can be painted and accessorized with mittens, hats or other clothing — but no glitter, glue, paste, nails, staples, etc., please.

Participants can pick up their snowmen starting Election Day — November 5 — by calling Lynnette Cook at 338-2380 or 330-0169. The decorated snowmen must be returned by noon Monday, November 25, to the St. Joseph Catholic Church parking lot. Please call first so the Milford Holiday Fantasy Committee can be present to receive and transport the finished entry.

The Holiday Snowman entries will be on display from Wednesday, November 27, to Thursday, December 5, in downtown Milford for voting. Be sure to make a special note of the numbered snowman you like best. Ballots may be cast at Milford Memorial Library during library hours.

First-place prize is \$125, second place is \$100 and third place is \$50. An honorable mention prize of \$25 will also be awarded.

Milford Holiday Fantasy weekend begins Friday, December 6, with a lighting of the street light decorations at 5:00pm. The Festival of Trees at Milford Library also takes place Friday night.

Traditional favorites including the soup-and-chili feed, library time with Mr. and Mrs. Claus as well as the Milford Commercial Club raffle and free holiday movie are highlights on Saturday, December 7.

The Milford Holiday Fantasy parade with free hot dogs and hot chocolate takes

place Saturday night, with another chance to meet Santa and Mrs. Claus during the tree-lighting ceremony at Old City Hall.

The Milford Commercial Club invites everyone to experience Milford and keep the community's merchants at the top of their shopping list this holiday season.

ISU Announces Scholarships Awarded to Students

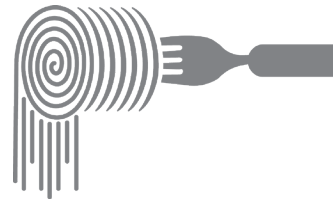

Iowa State University announces scholarships awarded by the College of Agriculture and Life Sciences and its academic units to undergraduate students for the 2019-20 academic year. Congratulations to the following area students:

Domanique Richardson and Alison Bueltel of Estherville; Benjamin McClain of Everly; Alli Harms, Blake Lineweaver and Maria Meyer of Milford; Katherine Raschand Evan Hansen of Spencer; Mikaela Gaskill of Spirit Lake.

The application for College of Agriculture and Life Sciences scholarships for the 2020-21 academic year is currently open. The priority deadline for students who will be new freshmen in the fall of 2020 is December 1, 2019. For new students that will be transferring in and for students who are currently enrolled, the deadline is March 2, 2020. All students apply for scholarships at <https://www.financialaid.iastate.edu/scholarships>.

Dance in Brewster, MN

Brewster Fun Time Dance will have a dance on November 9, at the Brewster Legion in Brewster, Minnesota, from 7:30-11:30. Music will be provided by Mark and Len Reunion. The dance open to everyone, and admission is only \$10 per person. There will be "mixers" to meet other dancers, and lots of snacks to enjoy. Make plans to attend, and bring your friends.

Pasta Of The Prairie Fundraiser

Iowa Lakes students from the Massage Therapy, Medical Assistant and Surgical Technology programs on the Spencer Campus are hosting a Pasta of the Prairie Fundraiser. This fundraiser will help support the Iowa Lakes Student Food Pantry on the Spencer Campus and to help defray travel costs for students to attend various conferences.

Students will be selling soups, salads and pasta dishes from Pasta of the Prairie for \$8 per item, with forty percent of the proceeds to be donated back to the program's fundraiser.

"We are excited to partner with Pasta of the Prairie for a fundraiser that has never been offered before! Student fundraising is crucial to some of the extracurricular learning opportunities offered to our students that are not covered by tuition," said Dana Grafft, Surgical Technology Program Coordinator. "Funds raised will allow our students to attend learning experiences off-campus, as well as exposure to professional networking opportunities that align with their major. We feel like this is a win-win for a newer, local company, as well as our students."

To order any Pasta of the Prairie items and support the Massage Therapy, Medical Assistant and Surgical Technology programs at Iowa Lakes, please visit <https://squareup.com/store/iowalakes>. Select DIRECT SHIP for \$5 to have your order delivered to your home.

For more information about the Pasta of the Prairie Fundraiser, please contact Dana Grafft at 712-580-8624 or dgraft@iowalakes.edu.

Produce Safety Alliance Course to be Held November 21

Iowa State University Extension and Outreach will host a Produce Safety Alliance Grower Training on November 21, from 9:00am to 5:00pm at the ISU Extension and Outreach Sioux County office in Orange City.

The training sessions are for fruit and vegetable growers and others interested in learning about produce safety, the Food Safety Modernization Act (FSMA) Produce Safety Rule, and Good Agricultural Practices (GAPs). This course is one way to satisfy the FSMA Produce Safety Rule requirement that "At least one supervisor or responsible party for your farm must have successfully completed food safety training at least equivalent to that received under standardized curriculum recognized as adequate by the Food and Drug Administration," outlined in §112.22(c).

The trainers will spend approximately seven hours of instruction time covering content contained in these eight modules: Introduction to Produce Safety; Worker Health, Hygiene, and Training; Soil Amendments; Wildlife, Domesticated Animals, and Land Use; Agricultural Water (Part I: Production Water; Part II: Postharvest Water); Postharvest Handling and Sanitation; and How to Develop a Farm Food Safety Plan.

In addition to learning about produce safety best practices, key parts of the FSMA Produce Safety Rule requirements are outlined within each module. Attending the course should help individuals gain a basic understanding of: microorganisms relevant to produce safety and where they may be found on the farm; how to identify microbial risks, practices that reduce risks, and how to begin implementing produce safety practices on the farm; parts of a farm food safety plan and how to begin writing one; and requirements in the FSMA Produce Safety Rule and how to meet them.

There will be time for questions and discussion, so participants should come prepared to share their experiences and ask produce safety questions.

The cost for the workshops is \$20 for Iowa residents and \$120 for out-of-state growers. Two growers from the same farm/company can attend for \$20, if they are willing to share a binder. Cost includes PSA manual, certificate of completion, and lunch.

To register online, go to the Safe Produce website (<https://www.safeproduce.cals.iastate.edu/events>) and click on the preferred training. To register and pay by check, email IowaFSMA@iastate.edu or call 515-294-6773, and a paper registration form will be sent to you.

Attendees are also eligible to receive a certificate from the Association of Food and Drug Officials (AFDO) that verifies they have completed the training course. To receive an AFDO certificate, a participant must be present for the entire training and submit the appropriate paperwork to their trainer at the end of the course.

This project is funded by the State and Territory Cooperative Agreement to Enhance Produce Safety in Preparation of Implementation of FDA's Rule: Standards for the Growing, Harvesting, Packing, and Holding of Produce for Human Consumption, through FDA grant 1U18FD005810-01 (CFDA #93.102-Food and Drug Administration Research).

The Iowa Great Lakes Knights of Columbus Council 5043 held its Coats for Kids campaign in the month of October. They accepted community donations of new hats, coats, mittens and snow pants to distribute to children at Spirit Lake Elementary School.

Children from Mrs. McCabe's class were happy to show off the cold weather gear, along with Ms. Thompson and Mr. Huebner, right, from Spirit Lake Elementary School; Jed Skogerboe and Paul Katzfey represented the local Knights of Columbus.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past year contributing more than \$18,000 to local community needs, including Hope Haven, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemp-

tion, Cherish House, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee. They also run the Tootsie Roll Drive for Persons with Intellectual Disabilities Labor Day weekend, and the Soup and Pie supper in the fall, benefiting local organizations.

The Knights of Columbus is an international Catholic family fraternal service organization with 1.9 million members in more than 16,000 local councils. Last year, Knights donated more than 76.7 million volunteer hours and \$185 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families and youth.

Abben Cancer Center Plans Technology Upgrade

Abben Cancer Center of Spencer Hospital is preparing a major technology upgrade for its radiation oncology services, which will provide greater treatment options for cancer care in the region.

"Since 1997, Abben Cancer Center has provided a broad spectrum of cancer care to our area. During those years, Spencer Hospital has striven to continually upgrade technology to offer patients optimal care," commented Bill Bumgarner, Spencer Hospital president. "This project is yet another commitment to further enhance cancer care services. It will entail upgrading radiation treatment technology with a new linear accelerator for radiation treatment and transitioning to a new electronic health record system at the cancer center."

The plan was approved by the Spencer Hospital Board of Trustees on Thursday. Estimated cost of the project is \$4 million and is anticipated to be completed in early August 2020.

"I'm looking forward to advancing state-of-the-art radiotherapy to patients at Abben Cancer Center using the new accelerator and software," remarked Brenda Tiefenthaler, vice president of patient care and informatics. "Our current technology enables us to care for most types and stages of cancers. Soon we will be able to provide enhanced radiotherapy techniques that will permit patients to be treated closer to home."

External beam radiation is administered by a linear accelerator. The accelerator currently in use was installed 10 years ago. Since that time, regular upgrades have been made. The new accelerator, the Elekta Versa HD, includes digital-based technology and numerous other enhanced features, including improved patient positioning and greater precision in targeting cancerous cells. This accelerator will be the most advanced in northern Iowa and will allow Abben to provide stereotactic radiotherapy.

"In addition to the equipment, the software upgrades are exciting for the enhanced capabilities they will add," commented radiation oncologist Dr. Michael Marks. "This is the most accurate dose calculation software available. The three-dimensional capabilities allow for real-time interaction during and after treatment

to fine-tune plans as needed."

Dr. Marks explained, "With this technology, not only is the image of the tumor captured at every angle as treatment is delivered, so is any movement within the body, including surrounding organs. This allows for a very high dose of radiation to be delivered to the target volume while protecting healthy tissue."

The new linear accelerator will enable Dr. Marks and Abben Cancer Center professionals to offer patients both stereotactic radiosurgery and stereotactic body radiation therapy. Both of these treatment options are used for highly precise radiation treatments which can be equivalent to surgery.

For greater integration with the new equipment's treatment planning software, Abben Cancer Center will transition to a new electronic medical record. The new medical record system is currently used by Avera Oncology, and will help ensure seamless care coordination between Abben and Avera when necessary.

Tiefenthaler explained the project will include some construction at the cancer center. Due to foresight years ago, work will entail minor renovation rather than new construction. "When the first linear acceleration was replaced in 2009, we made the decision to build a brand new, second vault," Tiefenthaler said. "This allowed us to continue treating patients throughout construction and allow patients to complete their radiation therapy on the system in which their treatment plan was created, as will be the case in the current transition. So, we currently have two large concrete, lead-lined vaults appropriate for performing radiation therapy."

She explained that the original vault, which is currently used as a resource room and overflow medical oncology treatment area, will be renovated to house the new accelerator. Once the new technology is in place and patients being treated on the current accelerator complete their therapy, the second vault will be transformed into a resource area.

Renovation in preparation for the new equipment is expected to begin this calendar year.

The Impact on Jackson County.

Scout Clean Energy would like to take this opportunity to thank the many citizens of Jackson County and local officials who have supported bringing wind energy to the county. The Scout team has over 60 years of experience and is backed by \$1 Billion in sponsor capital. Scout is excited about this investment and most importantly the economic impact this project will have for the county. The wind farm will generate \$1 million in sustainable tax revenue annually, over \$800,000 in annual payments to participating landowners, while creating over 300 temporary construction jobs.

Scout Clean Energy is committed to being part of the community and looks forward to working with the residents of Jackson County to ensure a quality, reliable, and safe renewable energy project is constructed. Stop by our local office or give us a call at (507) 849-7473.
