Our Heartfelt Thanks

The family of Richard "Mini" Brant would like to take this opportunity to thank everyone who attended Dick's celebration of life at Anastassia Events. The celebration, with all of our family and loved ones there sharing memories and enjoying each other's company, was amazing. The classic car burnouts, with a Bald Eagle flying overhead, were the perfect endings to a perfect day.

Thank you, as well, to the Nunda Fire Department, ambulance, and police department who attended. Nunda Fire Department did an outstanding job presenting Dad's 50 year plaque and pin. You all did a fantastic job paying tribute.

To Mike, Rose and staff at Anastassia Events - Thanks so much for hosting and providing us with some amazing food. Another job well done. Thank you to those who sent cards, food and donations. To those family members and friends, who have been there through thick and thin from the beginning of Dad's hospital stay, thank you so much for the love and support.

*Sincerely,
 The Family of Dick Brant*

Poppies for Livingston County Veterans

The Livingston County Veterans Service Agency, under the leadership of Director Jason Skinner, is celebrating the 100th Anniversary of November 11th in 2019 by honoring Livingston County Veterans with crochet poppies made by local volunteers. The 6,130 red poppies are being distributed at the Livingston County Veterans Service Agency and through various outreach efforts to honor the year-long celebration.

The Livingston County Veterans Service Agency would like to recognize Doris Marsh, an active member of multiple community organizations, for leading the volunteer efforts associated with the Livingston County Crochet Poppy Project. Over 50 volunteers came together to help create the crochet poppies through their generous donations of time and materials.

A heartfelt thank you goes out to the following volunteers who assisted with the Livingston County Crochet Poppy Project: Geneseo Kiwanis Club, Angelia Kenney, Cindy Welch, Nancy Frelove, Colleen Kingston, Lucy Cowley, Thomas Acomb, Aimee Campbell, Elke Phillips, Shirley McCullough, Lois Mann, Connie Mullikin, Dianne Acomb, Rod Wixtel, Alise Roundville, Dorothy Grant Fletcher, Linda Hopkins, Gene Scherline, Lori Fay, Charlie Becker, Sandy Shaffer, Jon Porter, Yong Sun Brown, Heather Proctor, Hildegard Turk, Bob Marsh, Ellie Lohowy, Linda Shea, Vicki Perks, Gene Moffat, Cynthia Priggi, Ariel Kirk, Jackie Abbott, Karen Smith, Paula Abraham, Caledonia Ladies' Auxiliary, Jackie Harter, Geneseo UMC Chuck Prayer Shawl Team, Carol Harter, Lucy Kelley, Debbie Harter, Kathy Lindsley, Joyce Welchler, Thomas Acomb, Valerie Griffing, Geradine Duzenbury, Doris Marsh, Carol Reis, Tammie Schwerzler, Livingston County TRIAD, Kim Dalheim, Garth Freeman, Mary Thompson, Emma Mancino, Pam Linfoot, Rita Curti, John Linfoot, Sandy Piridy, Sue Damon, Margo Noble, Nedra Smith, Dorothy Riviett, Claire VanDurme, Laurie Brown, Norbetha Brown, Bonnie Hughes, Marilyn Stuart, and Cindy Loy.

In Flanders Fields

By Lieutenant Colonel John McCrae

In Flanders Fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved, and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch, be yours to hold it high.

If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

**Thank you for supporting this most worthy
project to honor those who have served
our country with honor and sacrifice.**

Reminder: Legal Purchasing Age

for Tobacco to be Raised to 21 Statewide

On November 13, 2019, the legal age to buy tobacco, electronic cigarettes, and vaping devices will be raised to 21. Governor Cuomo signed this into law in July 2019. New York State is now one of 17 states to approve raising the age from 18 to 21.

This decision came after much debate and concern regarding the safety of children and teens. According to the Surgeon General, 88% of adult smokers start using tobacco before the age of 18 and 90% of the people who buy tobacco products for underage children are between 18 and 20. "This is an important law that will help protect our children from the leading cause of preventable death, initiated by tobacco use" states Jennifer Rodriguez, Public Health Director.

The Livingston County Department of Health will continue to be responsible for monitoring and enforcing age restrictions on tobacco sales through the ATUPA program. For questions regarding the Tobacco 21 law, please call 585-243-7280.

While the ATUPA program is vital to local tobacco prevention efforts, tobacco dependence treatment also known as smoking cessation for those who want to quit using tobacco products is available. Talk to your health care provider or call 1-866-NYQUITS or visit www.nysmokefree.com to learn more.

Livingston County Releases 2020 Tentative Budget

Geneseo, NY, November 5, 2019 — On October 31, 2019, Livingston County Administrator Ian Coyle unveiled the tentative budget for Fiscal Year 2020. A public budget hearing has been scheduled for November 20, 2019 as part of the regularly scheduled Board of Supervisors meeting.

According to Coyle, the 2020 budget goals have been met in their entirety. The goals, developed by the Livingston County Board of Supervisors and Administration, are to: (i) align the budget with the County's Strategic Plan, (ii) present a practical, responsible budget that delivers core County services in a cost-effective manner, (iii) comply with the tax cap, (iv) use conservative estimates, (v) fund the five-year Capital Improvement Plan as well as priority projects and programs, and (iv) maintain services and programs.

"The County is in good financial shape, and this financial plan builds on the operational, programmatic, and budgetary successes experienced over the past year," stated David LeFeber, Chairman of the Livingston County Board of Supervisors. "The tentative budget is structurally sound, balanced, and conservative in its estimates and forecasts."

Coyle recommends a balanced budget of over \$169 million that includes a tax rate of \$7.95 per \$1,000 of assessed property value. This represents an increase of 1.5% or 12 cents per \$1,000 of value.

As in previous years, sales tax - budgeted at \$32 million for 2020 - will continue to be the largest source of non-property tax revenue for the County. Potential impacts on the county sales tax revenue include two new impacts: (i) the expanded collection of sales tax on internet purchases, and (ii) the withholding of a portion of county sales tax to pay Aid and Incentives for Municipalities (AIM) to towns and villages, which has traditionally been paid for by the State. Other sources of revenue beyond sales tax include Federal and State aid as well as additional interest earnings. While the Governor recently signed into law a bill allowing the County to impose an increased mortgage recording tax rate, those revenues are not yet codified by Board action locally and, thus, were excluded from the tentative budget.

Capital improvements such as building renovations, software and hardware upgrades, emergency communications and interoperability upgrades, and adaptive reuse of existing space represent some large expense areas in the budget. Recent capital projects approved by the Board of Supervisors include the expansion of the Emergency Operations Center, the replacement of the Courthouse roof, improvements to Al Lorenz Park, work at the District Attorney's Office, and a reconfigured Government Center front entrance. Other growing budget expense areas are public safety - including marine, jail, and road patrol - and health and human services in areas such as the Department of Social Services, Emergency Medical Services, and Mental Health.

State mandates for Medicaid, State pensions, community colleges, probation, pre-kindergarten special education, and a multitude of social services programs continue to represent the largest single expense to the County. One area of concern for 2020 is State mandated criminal justice and bail reform and its spending impacts on the District Attorney's Office, Sheriff's Office and potentially Probation. Because there is no new State aid accompanying these mandates, local taxpayers will be directly impacted. Coyle said, "We were hit hard again by the State government with the fiscal impacts of criminal justice 'reform' and the absurdity and poor public policy of State aid to towns and villages now coming from the County budget versus the State budget - where it belongs. This is yet another example of Albany shifting State expenses to county governments."

Despite new pressures and challenges, fiscal and economic indicators - such as the unemployment rate and consumer confidence index - indicate that the County is in solid financial shape. Livingston County continues to be recognized for its leadership and pioneering innovation in local government and financial management:

- The County maintains a low fiscal stress score - measured by the State Comptroller's Office - which places it in the top tier of all counties in the State.
- It was recently presented with the Government Finance Officers Association (GFOA) Distinguished Budget Presentation Award for its Fiscal Year 2019 budget.
- Standard and Poor's (S&P), one of the nation's leading credit agencies for public bonds, recently re-affirmed the County's AA bond rating by stating, "The county has maintained a long history of strong budgetary performance, very strong budgetary performance, very strong budgetary flexibility, and very strong liquidity through its strong management with good policies and practices."
- The County was honored as the only county finalist in the National Civic League's 2019 All-America City/County competition.

GOD IS A GOOD, GOOD GOD

The nature, character and love of Father God are best demonstrated in the life of His Son, Jesus. Jesus healed, delivered and loved everyone who came to Him. He was doing the will of the One Who sent Him to earth (see John 6:38).

God has not changed. He is still the same. Father God continues to heal, deliver and love people. James 1:17 tells us that in Him, "every good and perfect gift is from above, and comes down from the Father of lights, with Whom there is no variation, or shadow of turning."

At Healing Rooms on the Genesee, our desire is to do the will of the Father God by ministering to the sick. Give us a call and we'll come pray for you.
