What Can Regenerative Medicine Do For You?

Are you considering knee, hip, shoulder, ankle, or wrist surgery or just having severe pain?

Regenerative Medicine - I had tennis elbow and had cortisone injections to help the pain - wrong - it burned half the elbow tissue and I went to the orthopedic surgeons and was told that it was inoperable and was prescribed an anti-inflammatory - I thought all hope was lost until I met Doc Kanan - been over a month since I had the stem cell injection and Cold K laser therapy and my elbow is like new no pain and I can actually lift things with my arm now - so happy would do it again if something else breaks down! The best!

Warren Swenson, Trinity Episcopal Church, Winchester, TN with interment following in Willow Mount Cemetery, Shelbyville, TN. Mr. Janey passed away November 5, 2019. William was born in Newport News, VA, to Ernest Howard Janey of Sewanee, TN, and Frances Elizabeth Knott Janey of Cowan, TN. William had a special connection to American Indian and Civil War history, caving, and researching old mills. He was renowned as a Master Miller, working in numerous mills over the years including Boiling Fork Mill, Ketner's Mill, Prater's Mill, and Falls Mill. He was famous for his skills in milling, and had been the subject of many articles in various books and magazines including the Smithsonian, National Geographic, Southern Living, and Better Homes and Gardens. They also worked with Duck River and the TVA to install electricity to the area. William was very proud of his pioneer heritage. In his youth he traveled the world with his Air Force father, living all over the continental United States and many foreign countries. His favorite was the Philippine Islands, where his sister, Rebecca, was born. William also enjoyed spending time with his friends hunting, horseback riding, and floating the rivers. His love, humor, hard work, adventurous spirit, and devotion to God was mighty. William was a 1972 graduate of Franklin County High School. He was a self taught artist and poet. Many of his paintings are

Meet... Lady

Lady has been at the TAS for a total of 1,825 days, about 5 years. Whenever Lady was younger her owners really didn't give her the human contact she needed. She has always been curious about humans and she does want human contact. Here recently she has really come out of her shell and has been a VERY good girl. Lady will now let people walk her, pet her, and even bathe her. She needs a family who understands that she still needs her space. Lady needs a family that is committed and will have time to work with her. Lady will require lots of patience but she will be worth every second of it.

The \$35.00 adoption fee is minimal when compared to the years of joy a pet can offer your family. Please visit the shelter to choose your pet. The shelter has an ongoing need for donations of dog food, collars, leashes, treats, stainless steel food bowls and monetary donations to provide medical care. We greatly appreciate all donations made to the shelter.
