This beautiful custom-built lake front home with its 2884 square feet on the main level features 5 bedrooms and 3 bathrooms. The master suite is loaded with his and her sinks, tile shower, soaking tub, and a large walk-in closet. Also, on the main level, a large open kitchen, dining room, and living room combine to create an open floor plan with lake views. A gas fireplace surrounded by built-in cabinets completes the living space. The kitchen boasts a large island with seating, granite countertops, a large walk-in pantry, and bamboo flooring. An open stairway leads to a 1012 square foot bonus room complete with wet bar, a full bath, and a large storage closet. The outdoor features of the house include an attached 2 1/2 car garage and an additional 24x32 detached garage for lake toys. Lakeside, a large concrete patio provides both covered outdoor seating as well as a built-in fire pit.

The home is built with high efficiency in mind in the heating & cooling systems, energy saving LED lighting throughout, and high-performance insulation. Tucked into an existing subdivision, the site offered its own challenges, but the result is a welcoming home offering peaceful family time plus plenty of room for entertaining in style.

FEATURES:

- Solid maple hardwood flooring throughout
- Custom designed kitchen features:
 - Semi-Custom cabinetry with glass front stackers & serving buffet area
 - All plywood cabinet boxes; full Extension/soft-close drawers, dove tail construction
 - Traditional crystal knobs & stainless cup pulls
 - Quartz countertop with natural marble backsplash; cast iron sink with vintage style faucet; LED under-cabinet lighting
 - Unique LED Hanging Crystal chandeliers & ceiling mount fixtures
 - Secluded master suite with large walk-in closet and master bath featuring marble-walled luxury shower, double vanity with marble top and uniquely patterned porcelain floor
- Formal dining room with custom-built wainscoting
- Music room with French door
- Living room with traditional styled gas fireplace & mantle/surround
- Sunroom behind sliding French doors off the family dining area
- Main floor laundry located off back entry mudroom
- Daylight basement with large family room, bath & home office/guest bedroom

This home was designed by its owner and offers a highly efficient use of reduced space. This 3-bedroom, 2-bath, 2 1/2 car garage home lacks nothing in functionality. The home features high-efficiency heating/cooling; an energy efficient tankless hot water supply; plus, energy saving LED lighting inside and out.

FEATURES:

- Luxury vinyl plank flooring throughout
- Custom designed kitchen features:
 - Painted white shaker cabinets & LED undercabinet lighting
- Quality laminate countertops for lasting versatility and cost-effective style
- Master suite with large walk-in closet and master bath offering deep 6ft. soaking tub & shower, double sink vanity with solid surface top
- Guest bath features linen storage, 5 ft tub/shower and vanity with solid marble top
- Cathedral ceiling in great room area accented with "modern/industrial" themed lighting
- Separate family room offers a space to comfortably entertain or watch movies as a family
- Secluded home office
- Large laundry room/mechanical room with entry to back yard

Custom Craftsman style single family home in Central Michigan designed and built by Konwinski Construction Inc. This home features an open concept overlooking a stunning waterfront view. Attention to detail and a cohesive design concept help to give this home a timeless feel. This home was framed by K & B Jones Builders, using Materials from DeWitt Lumber Company. The home was insulated and drywalled by R & R Drywall. The exterior of the home features a collection of lap siding, board and batten and cedar shakes, custom composite trim and roofing materials provided by Eikenhout, as well as a custom deck featuring composite decking and trims from DeWitt. The Homes interior features Custom Maple Floors installed by Custom Tile and Flooring, who also installed the floor and wall tile including the luxurious walk-in shower. The open concept floorplan accentuates a custom kitchen furnished by DeWitt. The home is kept comfortable by a forced air heating and cooling system designed and installed by Mt. Pleasant Heating and Cooling. The homes plumbing fixtures were all furnished and installed by Central Plumbing. Every detail of this home was carefully analyzed from the custom stained wood Doors by DeWitt, to the handcrafted shiplap ceiling and foyer bench all fabricated and installed by the talented carpenters of Konwinski Construction.
