## 3 Albion middle school students charged with conspiracy

Staff Reports Posted 8 November 2019 on [www.OrleansHub.com](http://www.OrleansHub.com)

**‘The campus is safe. This threat has been mitigated.’ – Albion Police Chief Roland Nenni**

ALBION – Three Albion students have been charged with felonies for conspiring to harm fellow classmates and staff at Carl I. Bergerson Middle School.

The students, whose names will not be released due to their youth, are all facing the charge of 2nd Degree Conspiracy, a class B felony. They are accused of conspiring to commit murder against at least one other student at the school.

Albion Police Chief Roland Nenni held a press conference on Nov. 8 at the Village of Albion offices to discuss the charges. He was joined by Orleans County District Attorney Joe Cardone, Albion School Superintendent Michael Bonnewell, Albion Mayor Eileen Banker, and several representatives from the New York State Police, the Orleans County Probation Department, and the Orleans County Department of Mental Health. "We averted a crisis in the Albion school," Nenni said. "The school is safe."

The students allegedly used Discord, a social media platform for gamers, to make grave physical threats to at least one other student. The threats spread to other social media platforms as the threads were shared, and Albion police were tipped off on Monday. Nenni said that the police immediately increased their presence at the school, and that the suspects were apprehended shortly thereafter.

Police seized various items that included legally-purchased firearms. Nenni gave no further details on the seized items, citing the ongoing investigation.

Conspiracy in the Second Degree is more serious than a simple threat. It implies that the parties involved have committed at least one overt act to conspire to commit a felony, in this case murder. Nenni said that the students had chosen a date to act out their plans. The charge carries a maximum sentence of 25 years in prison.

The students have been suspended from school, according to Bonnewell. They are not in police custody at this time, which is the usual case for minors. Cardone said the case has been referred to the Probation Department and Family Court, and that the students' families have been cooperating with the investigation.

Nenni credited the community for bringing the matter to the police's attention. He urged parents to continue to monitor their children's online activities, and he invited the public to continue to report unusual activity to the police so they can act quickly to avert threats. The district's Threat Assessment Team – with assistance from the Albion Police Department, Orleans County Mental Health Department, Orleans County District Attorney's Office and a specialist from the FBI – were able to act quickly to neutralize the situation.

## Lyndonville appoints first student rep to Board of Education

Press Release, Lyndonville Central School

LYNDONVILLE – The Lyndonville Board of Education approved the appointment of Sawyer Wilson, a senior at Lyndonville, to serve as its first student ex officio member during the October BOE meeting.

The voters approved a referendum in May authorizing the Board of Education to appoint a student to serve as an ex officio member. To be eligible for appointment, a student member must be a senior who has attended the district's high school for at least two years prior to the selection. In addition, the student must have student government experience and be approved by the superintendent.

Sawyer Wilson, a life-long resident of Lyndonville, has attended the school district since kindergarten. He has been a member of the student council for a few years and was elected president this fall.

"I have known Sawyer for eight years. He is a conscientious, hard-working student," said Jason Smith, the district superintendent. "I am confident he will be an asset to our Board of Education and will provide a true student perspective."

Wilson's first board meeting as an ex officio member is Nov. 12. Wilson will sit with the board members at all public meetings, will participate in all board hearings/meetings and will provide monthly reports.

As an ex officio member, he will not be allowed to attend executive sessions or receive any compensation. Wilson will serve as a non-voting member through June 2020.

The senior is excited about being the first student to sit on the LCSD Board of Education. "The Board does a lot that we (the students) don't see but we feel," Sawyer said. "I hope to help students appreciate and understand this. I would like to provide the student perspective to decisions that are being made."

Sawyer is the son of Darren and Wendy Wilson. He plans to apply to Geneseo and Nazareth Colleges and majoring in childhood education with a minor in political science or theatre.

**Computer Technology Students Get Up Close Look  
at Yahoo! Lockport Facility**

Students in the Orleans Career and Technical Education Center's Computer Technology class recently spent a day at Yahoo! in Lockport. Teacher Paul Herrmann and his class were able to tour the data centers and customer care centers. "The students got to explore the server rooms, switch rooms, shipping and receiving and of course how they heat and cool the building," says Mr. Herrmann. "Just a great experience for the Computer Technology students. They get a taste of Information Systems at its grandest scale."

Yahoo! has over a billion consumers and employs over 10,000 around the world. Student Seth Feigel says, "It was interesting to walk around the building and see how they operate everything. They have server rooms filled with racks. A really big shipping and receiving department with things coming in constantly. There were tons of parts." Asked what he wants to do when he graduates he said, "I want to work there!"

Classmate John Thomas says, "It was amazing! We learned a lot about the server rooms. We also learned a little bit of science too. How the heat from the servers go in and up and then they have the cold air come through to make sure that everything is not overheating and such. We saw where all the hardware is stored in the warehouse. They have trucks coming in every single day. There are a lot of boxes. The experience was awesome!"

## To the residents of Orleans County,

On behalf of Michael Mele, I would like to thank all of the voters that cast a vote of confidence and support for us on Election Day, November 5th, 2019. We would also like to thank the hundreds of people that worked so hard on the campaign of 2019. It took a tremendous amount of time, effort and dedication from our families, friends and supporters to accomplish this goal. Receiving nearly 80% of the votes cast, across party lines, sent a clear message of confidence in our team and our message. We look forward to facing this new challenge and serving the residents of Orleans County to the best of our ability. We will strive to make the Orleans County Sheriff's Office the best it can be. We are committed to serving and protecting the People of Orleans County while always keeping the taxpayers in mind.

*Sincerely,*

## VFW and American Legion in Medina honor Jim Freas

Photo by Tom Rivers | By Tom Rivers, Editor Posted 11

November 2019 on [www.OrleansHub.com](http://www.OrleansHub.com)

**‘He is the glue that keeps us all together’ – VFW commander Dan Anderson**

MEDINA – Leaders of two veterans’ organizations in Medina on Veterans Day presented awards to Jim Freas for his service to veterans. Freas, a Vietnam War veteran, is past commander of the VFW and Legion in Medina. He also is involved with the Marine Corps League based in Albion.

Pictured from left include Dan Anderson, VFW commander; Jim Freas; Glenn Whitmore, Commander of American Legion Post #204 in Medina; and Steve Johnson, vice commander of the Legion in Medina.

Freas, 80, is a past commander of both the VFW and American Legion in Medina. He also was county commander of the Legion for Orleans County. He served in the Marine Corps from 1956 to 1969 and did two tours of duty in Vietnam. After Vietnam, he joined the Army Reserve for 10 years.

Freas is in the Honor Guard and attends about 50 funerals for veterans each year. He helps contact veterans to make sure they have a presence at funerals for veterans. He also is the emcee of the annual Memorial Day observance at State Street Park and contacts the veterans’ organizations for their role in the event.

Dan Anderson, commander of the VFW, presented an award to James “Gunny” Freas for “meritorious and distinguished service” to the VFW Lincoln Post # 1483 and the VFW of the United States.

The American Legion in Medina presented Freas with a “certificate of appreciation” for his many years of dedication to the Legion and the country. The certificate was signed by Glenn Whitmore, Legion commander, and Steve Johnson, Legion vice commander.

Anderson of the VFW moved to Medina six years ago after 23 years in the military. He said Freas was the first one to welcome him to the community and the VFW. “He has done so much for the veterans around,” Anderson said about Freas. “If anyone has a question about the VFW or Legion, he knows the answer or will find out. He is the glue that keeps us all together. Jim seems to be everywhere.”

Freas said he enjoys the time with the veterans in the organizations. He praised the veterans for attending the funerals, often in rainy and cold weather. “We have a good bunch with a lot of dedicated guys,” he said. He welcomed more younger veterans to be part of the Honor Guard, which attends funerals and other functions.

Freas has attended all 12 Patriot Trips led by State Assemblyman Steve Hawley, where about 100 people go annually to see memorials to veterans in Washington, D.C. Freas helps as a guide and also raises money to cover some of the costs of the trip. He was asked why he is so involved in the many efforts. “I do it for the veterans,” he said.

• THIRD WEEK OF NOVEMBER •

ARIES – Mar 21/Apr 20

A bevy of ideas and tasks are bouncing  
around in your head this week, Aries. You  
may have to find a way to quiet your mind  
so you can focus on what needs to get done.

TAURUS – Apr 21/May 21

Taurus, a benefit to having so many close  
friends in your life is you always have a  
buddy you can call when you need someone  
to hear your side of the story.

GEMINI – May 22/Jun 21

Gemini, even after a big shakeup in your  
routine, it seems like things at work are  
more of the same. You may need to start  
looking for opportunities elsewhere for  
stimulation.

CANCER – Jun 22/Jul 22

Perfection only exists in your mind, Cancer.  
Change your views on how everything  
needs to be perfect to be successful and  
you will sleep a bit easier this week.

LEO – Jul 23/Aug 23

Leo, obstacles are a part of life. The way you  
approach them and your attitude can go a  
long way toward helping you work through  
difficult situations.

VIRGO – Aug 24/Sept 22

Your curiosity will pique this week  
when inspiration flows, Virgo. A new  
creative project could be on the horizon.  
Friends are supportive of your efforts.

LIBRA – Sept 23/Oct 23

People may be apt to judge you by the  
company you keep, Libra. However, once  
others get to know you, they will discover  
how you march to the beat of your own  
drummer.

SCORPIO – Oct 24/Nov 22

Scorpio, you may have an opportunity to  
enjoy some time to yourself this week.  
The alone time can be a great way to work  
through new ideas.

SAGITTARIUS – Nov 23/Dec 21

Don't let someone whose maturity level is  
beneath your own bother you, Sagittarius.  
Take the high road and others will notice  
and respect you for it.

CAPRICORN – Dec 22/Jan 20

You may have plenty of free time on your  
hands this week, Capricorn. If you do not  
want to fill it by being productive, then bask  
in your ability to kick back and relax.

AQUARIUS – Jan 21/Feb 18

Aquarius, even though you are full of vitality  
and ready to begin something new, this  
may not be the week for it. Hold off a little  
longer; the right time will present itself soon  
enough.

PISCES – Feb 19/Mar 20

This week serves as a starting point for new  
adventures in your life, Pisces. Keep your

Check out what people are saying about Bidleman Chevrolet in the Google Reviews...

Carol M, ★★★★★

We thoroughly enjoyed dealing with BIDLEMAN CHEVROLET BUICK GMC and Jason Cammelleri, that handled our deal. There was NO “double-speak” (is that something they teach in sales school?) giving us the run around, trying to cram things we don’t need into the deal, etc... We feel we got the best deal (and we had checked around and got the ‘double-speak’ I mentioned above). Bidleman treated us as family and it was a great feeling. We traveled from Rochester to Albion and feel the 45 minute drive was still worth it to be treated as great as we were. We’d recommend Bidleman to anyone looking for a great dealership and a great deal.
