Home remedies for joint pain can provide relief

Stiff, painful joints affect a vast number of people. According to the American College of Rheumatology, arthritis and other rheumatic diseases afflict roughly 23 percent of Americans, while Canadian Health Surveys indicate that nearly 17 percent of the Canadian adult population have arthritis. The number of people living with arthritis is expected to increase as the Baby Boomer generation continues to age.

Treatments for joint pain and stiffness range from medication to physical therapy. Finding the right regimen may take some effort, including some trial and error. For those looking for treatments they can try at home, consider these homespun remedies. (Note: Check with a physician to confirm the safety of alternative treatments before adding herbs to or modifying your existing medications.)

- **Exercise more.** Regular movement helps to maintain flexibility in the body's joints. Those with joint pain may shy away from exercise, but they could be doing themselves a disservice. Low-impact exercises, like swimming and water aerobics, can work out muscles and joints without adding extra stress. Walking can replace jogging or running, and yoga and pilates may be just the thing for deep stretching.
- **Lose weight.** Joint pain is often tied to obesity. Losing just a few pounds can ease up strain on certain joints, such as the hips, feet and knees. Shedding weight can improve mobility and decrease pain and potential future damage to joints. Exercise goes hand-in-hand with healthy eating to lose weight.
- **Consider hot and cold therapies.** Using a heating pad, hot shower or bath or an ice pack can work wonders on arthritis-related pains. Hot treatments will loosen up stiff joints, while cold therapy is best for acute pain relief. Do not apply hot and cold packs to the skin directly, as this can injure the skin. Wrap them in a towel first before application.
- **Include anti-inflammatory foods and beverages in your diet.** Explore the many different natural foods and herbs that are purported to reduce inflammation in the body. Ginger, turmeric, flaxseed, grape juice, and bromelain can alleviate inflammation and stiffness. Foods such as fatty fish and nuts high in omega-3 fatty acids also will help fight inflammation. Blueberries, garlic, celery, and kelp should be included in diets as well.
- **Go for a massage.** The Arthritis Foundation says regular massages can help reduce pain and stiffness and improve range of motion. The massage therapist should have experience working on people with arthritis. In addition, massages should be performed by licensed massage therapists.
- **Massage Therapists** are licensed healthcare professionals who have an understanding of Anatomy and Physiology, basic knowledge of mechanics and fundamentals of disease. Massage Therapists are also taught when massage is indicated or contraindicated for an individual with specific diseases or illnesses. Massage Therapists can care for your needs without a prescription or referral.
- **Increase magnesium intake.** Magnesium can alleviate pain and reduce inflammation. It is best ingested through dark, leafy greens but also can be taken in supplement form. Magnesium oil can be applied topically to sore joint areas.

Joint pain can impact daily life and make activities less enjoyable. Fortunately, there are plenty of ways that do not require harsh medications to loosen joints and combat pain.

Red Type: Clarification to the Living 50+ Magazine published on August 5, 2015 and additional information on massage therapy.

WISER, JANET ELAINE - 68, Shelbyville, TN. Funeral service, 2 p.m., Saturday, August 8 at First Church of the Nazarene in Tullahoma. Burial in Rose Hill Memorial Gardens. Mrs. Wisner passed away August 3, 2015. Mrs. Wisner, a native of Bryan, OH, was the daughter of the late Dale and Vivian Grimm Kintner. She was a registered nurse for 40 years, graduating in 1972 from Olivet Nazarene University with her degree in Nursing. She had a special love for people who were in the later years of life and worked in home health and nursing homes. On August 31, 1974, she married her loving husband of 41 years, Oral Dwight Wisner. Mrs. Wisner was never able to have children of her own, so she and her husband raised four children through foster care and adoption. Mrs. Wisner was a member of Mt. Hermon Church of the Nazarene and an ordained Deacon in the Church of the Nazarene. She loved to teach Sunday School and preschool children. In addition to her parents, she was preceded in death by sister, Patty. 931-454-9580 ANIMAL SHELTER

Meet Bonnie

from last week is still waiting for a great home.

This week at the City of Tullahoma Animal Shelter we have a yellow Labrador named Bonnie available for adoption. She entered our shelter as a stray and is approximately 2 years old. Bonnie loves water and would be a great lake partner! She is great with other dogs and children. She has had some vaccinations and will receive a free spay with a \$35 adoption fee provided by the Tullahoma Animal Shelter. Bonnie would love a forever home! We feel that Bonnie would make an excellent pet! Chico the Pomeranian/Chihuahua mix
