\$10,000 Scholarship Available For Local Seniors

The Central Alabama Community Foundation (CACF) has announced updates to the Fran Kay Schwaiger Scholarship which was created in honor of Cullman native Fran Kay Schwaiger Weiss.

Fran Kay Schwaiger Weiss was a graduate of Cullman High School and Vanderbilt University. As a scholarship recipient herself, she knew personally how the kindness of strangers can change one's life.

Before her passing, Fran said, "I graduated from Cullman High School in 1975 and received a full scholarship to Vanderbilt Engineering School, and this literally changed my life." Schwaiger continued, "Having an engineering degree, or any degree in STEM, opens so many doors of opportunity for a meaningful and well compensated career. After short stints at Procter & Gamble and the Memphis VA Hospital, I completed a very successful 31-year career as an industrial engineer at FedEx and was able to retire at 55 years old."

The Fran Kay Schwaiger Scholarship has been established for the benefit of graduating seniors of any public or private high school located in Cullman County. It

is the wish of the donor that the fund award two annual scholarships of \$10,000, plus approved renewals in the amount of \$10,000. The maximum total award to any individual will be \$40,000, over 4 years of study. Criteria for awarding the scholarships will be based on the following guidelines:

(1) Graduating senior of any public or private high school in Cullman County

(2) Demonstrated financial need (include copy of FAFSA with application)

(3) Minimum 3.0 GPA

(4) Planning to attend an accredited 4-year college or university

(5) Having shown aptitude and intending to pursue a course of study in Science, Technology, Engineering or Mathematics

(6) Essay required to the following prompt: "Please describe your interest in pursuing a career in Science, Technology, Engineering or Mathematics"

(7) Two letters of recommendation, at least one required from a teacher.

For any questions, please contact the Central Alabama Community Foundation at (334) 264-6223 or email Burton.Ward@cacfinfo.org.

*See store associate for complete offer details. Mail-in rebates are in the form of a Tire Pros Visa Prepaid Card. Offer valid only with qualified purchases made at participating Tire Pros locations in the forty-eight (48) contiguous continental U.S. and D.C. between November 4, 2019 and December 9, 2019. Void where prohibited by law. No rain checks. Consumer receives up to \$100 Prepaid Card for the purchase of four (4) new qualifying General Tire passenger or light truck tires. Consumer receives an additional \$50 rebate on the Visa Prepaid Card when the qualifying tire or service purchase of \$499 or more is made using a Tire Pros Credit Card (subject to credit approval). Valid with the original, dated, paid receipt from a participating Tire Pros retailer and a completed redemption form. Offer may not be combined with any other offer, discount, rebate, or promotion. Tires must be purchased in a single transaction. Offer not valid on purchases by wholesalers, dealers, fleets, fleet customers, or other commercial entities. Rebate form must be submitted online or postmarked by January 9, 2020. Please allow 6-8 weeks for delivery of your Visa Prepaid Card. If Visa Prepaid Card is not received, you must inquire no later than April 30, 2020 or all rights therein will expire. Requests from those with an invalid or undeliverable mailing address will be denied. Limit two (2) per household. Fraudulent submission and/or multiple requests could result in Federal prosecution under the U.S. Mail Fraud Statute (18 USC, sections 1341 and 1342). The Visa Prepaid Card is issued by MasterCard Member FDIC, pursuant to a license from Visa U.S.A. Inc. No cash access or recurring payments. Can be used everywhere Visa debit cards are accepted. Card valid for up to 6 months; unused funds will be forfeited at midnight EST the last day of the month of the valid thru date. Card terms and conditions apply; see MyPrepaidCenter.com/mastercard-visa-prepaid. Mastercard does not sponsor or endorse the optional Tire Pros Credit Card.

PHARMACY TOPICS

by *Rex Smith*
Hospital Discount CENTRAL

Pictured L-R: Vanessa Patton, Becky Cook, Becky Burks and Rex Smith, RPh

A Canadian clinical trial published in the New England Journal of Medicine provides the first approach for safely preventing blood clots (or venous thromboembolism) in people with cancer. About half of people newly diagnosed with a solid cancer could be candidates for the strategy, which involves a low dose of a direct oral anticoagulant called apixaban.

Research presented at the 2018 San Antonio Breast Cancer Symposium found that the drug oxybutynin helps to reduce the frequency and intensity of how flashes in women who are unable to take hormone replacement therapy, including breast cancer survivors. The drug is most commonly used to treat urinary incontinence.

Children and young adults without psychosis who are prescribed high-dose antipsychotic medications are at increased risk of unexpected death, according to a new study published in JAMA Psychiatry. Unexpected death includes deaths due to unintentional drug overdose or cardiovascular / metabolic causes. In 2010, an estimated 1.3 million individuals 24 years of age or younger filled 7 million prescriptions, primarily for behavioral symptoms (such as ADHD), depression or bipolar disorders. However, antipsychotics have potentially life-threatening effects, even in younger populations, and there are other medications for many of these conditions.

The U.S. Food and Drug Administration has approved Spravato (esketamine) nasal spray, in conjunction with an oral antidepressant, for the treatment of depression in adults who have tried other antidepressant medicines but have not benefitted from them (treatment-resistant depression).
