Public Safety is our #1 Priority at Elk River Public Utility District. To our friends in Coffee and Franklin Counties,

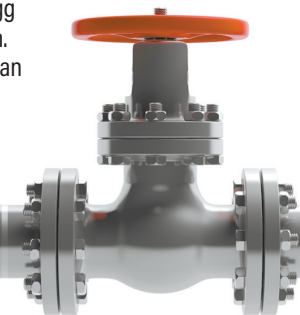

Elk River Public Utility District pipelines and facilities are designed, installed and maintained by knowledgeable professional personnel using materials, components, and procedures necessary to meet or exceed all applicable operational standards and safety regulations required for safe dependable operation.

Buried natural gas pipelines are installed within the community to provide natural gas service to residential and commercial customers.

Transportation of natural gas by pipeline is an extremely safe method of providing service to our customers. Our pipeline system is continuously surveyed, monitored, and patrolled to ensure system integrity and public safety. Odorant is added to the gas to make it readily detectable by smell. The scent of the odorant is similar to a sulfur or rotten egg smell. Unintentional release of gas due to damage from accidents, unauthorized digging, extreme weather or natural disaster can create a hazardous situation.

If you plan to do any excavation work, please contact the Tennessee One Call System 72 hours before work begins so that potential gas lines in the area can be located to prevent damage. Dial 811 to report your excavation work. This is a free call and service.

For additional information or concerns you may have, contact the Elk River Public District at 931-455-9311.

IF YOU SUSPECT A GAS LEAK

- Do not operate electrical switches or devices that would cause an ignition source.
- Leave the area of the suspected leak.
- Report the incident immediately from a safe location outside the area of the suspected leak to **ELK RIVER PUBLIC UTILITY DISTRICT at 931.455.9311 or Call 911**

Some indications of a natural gas leak are the smell of gas odor, blowing or hissing sound, dust blowing from the ground, dead vegetation, bubbling from the ground in wet areas, or flames if the gas has ignited. Elk River Public Utility District has 24 hour emergency dispatch and personnel available to respond in such an incident.

BINKLEY, RUTH PORTER - 93, Manchester, TN. In lieu of a funeral service, there will be a celebration of her wonderful life in the spring of next year. Mrs. Binkley passed away peacefully on November 29, 2019 at Bailey Manor, Manchester, TN. Ruth was raised by her mother and four loving brothers Kenneth, James, Charles, and Harry Porter who preceded her. Ruth was a woman of deep Christian faith, and a faithful and loving mother and grandmother to her five grandchildren and a great grandson. She embodied all aspects of Proverbs 31. Ruth also loved to travel, including trips to the Holy Land, Egypt, Greece, France and beaches in the US on both coasts. She raised and cared for many kinds of Hybrid Tea roses - some of which have survived for more than sixty years. In 1948, Ruth married Freeman Doyle Binkley and they moved to Tullahoma, TN in 1951, where they built a home on Lake Tullahoma. Both Ruth and Freeman worked in the early space program for Arnold Engineering Development Center and then the new University of Tennessee Space Institute. After her husband's death, Ruth continued to work at UTSI until her retirement in 1990. She was the first switchboard operator for the UTSI building and retired as administrative assistant to the Dean. Ruth was a member of Trinity Lutheran Church and First United Methodist Church in Tullahoma. Survivors include her daughter, Roxane Garrett (Robb) of Estill Springs, TN; son, Mark Binkley (Linda) of Cary, NC; grandchildren, Jocelyne Nylec (Tommy), Sarah Fedler (Steve), Jessica Binkley (Sarah), Joshua Binkley, Kyle Binkley; and great grandson, Freeman Nylec. Ruth has fought the good fight and has finished her race (2 Timothy 4:7). The family wishes to thank all of those who cared for her during her later years and who were special friends and visitors. In particular, the nurses and angelic staff of Tullahoma Life Care Center, Manchester Bailey Manor, and Avalon Hospice. Memorial donations may be made in her memory to an organization of choice. End the Year on a Healthy Note

Preventative care is the key to your overall health.

Now is the time to think about scheduling annual physicals and procedures to help keep you healthy. Many health insurance plans offer regular wellness exams and other age-specific preventable health screenings, like a mammogram or colonoscopy — at little or no cost to you. Make your health a priority before the year ends.
