On Thanksgiving Day, 477 people in our community received a turkey dinner with all the trimmings delivered to their doorstep through the Thanksgiving-2-Go outreach. This was only possible because of the very generous support of the many area churches, stores, and individuals who donated food, money, and time to the effort of blessing our community.

Special thanks to Wegmans of Geneseo, Nunda Shop-n-Save, Tops Market of Dansville and the Mount Morris Shopper for their generous contributions. We'd like to express a HUGE and heart-felt THANK YOU to all who took part in this fun and impacting outreach!

What a great team effort! It could not have happened without you! May God bless you this holiday season and always!

2/7/42 – 12/11/18

I can't believe it has been a year since we last saw you. We have tried to be brave but it is very hard. Your wife, children, grandchildren, great grandchildren, siblings, nephews, nieces and friends, all miss you very much. We talk about you often and we all remember the good times with you. They say time heals everything but we really are having a hard time with that as our hearts still hurt as bad today as a year ago. The only saving grace for all of us is that we know you are pain free now and that means everything to us. If only we could have one more day with you to laugh with you, talk with you and to hear one of your corny jokes, but that is not possible. But we do have memories and they are and always will be very special to us all. We also know that your spirit is with us and we are comforted with that, as we know you are looking out for us. We know that you are up there remodeling heaven and we know it is going to be beautiful. We all love you Tom and miss you very much.

~ Sadly missed by your family and friends ~

Winter Safety for Children

Mount Morris, NY, December 2019 – Winter is here and that means there will be freezing temperatures, snowstorms, icy roads, and slippery sidewalks. The winter weather comes with a variety of health and safety hazards. Protect your children during the winter months. Follow the tips below to keep your children safe from injury or illness:

1. Layer up! Bitter cold and snow can cause frostbite. Dress your child in several layers, and make sure their head, neck and hands are covered. Dress babies and young children in one more layer than an adult would wear.
2. Play it safe. Even when roads are closed to traffic, it's not safe to play or sled in the street. Visibility may be limited due to snow banks and ice on the roads.
3. Check in on warmth. Before kids head outside, tell them to come inside if they get wet or if they're cold. Then keep watching them and checking in. They may want to continue playing outside even if they are wet or cold.
4. Use sunscreen. Children and adults can still get sunburned in the winter. Sun can reflect off the snow, so apply sunscreen to exposed areas.
5. Use caution around fires. Wood-burning stoves, fireplaces and outdoor fire-pits are cozy but can present danger – especially to small children. Use caution and put up protective gates when possible. If you've lost power or heat and are alternative heating methods like kerosene or electric heaters, be sure smoke detectors and carbon monoxide detectors are working.
6. Get trained and equipped. Children should wear helmets when snowboarding, skiing, sledding or playing ice hockey. And to avoid injuries, teach children how to do the activity safely.
7. Prevent nosebleeds. If your child suffers from minor winter nosebleeds, use a cold-air humidifier in their room. Saline nose drops may keep their nose moist.
8. Keep them hydrated. In drier winter air, kids lose more water through their breath. Offer plenty of water, and try giving them warm drinks and soup for extra appeal.
9. Watch for danger signs. Signs of frostbite are pale, grey or blistered skin on the fingers, ears, nose, and toes. If you think your child has frostbite bring the child indoors and put the affected area in warm (not hot) water. Signs of hypothermia are shivering, slurred speech, and unusual clumsiness. If you think your child has hypothermia call 9-1-1 immediately. Sources: Save the Children, American Academy of Pediatrics, University of Michigan

For any questions regarding winter safety please contact the Livingston County Department of Health at 243-7299 or visit www.livingstoncounty.us/doh.htm.

- February 22** **HARRIET NEWELL AUSTIN : An Unconventional Life?** *JANE OAKES Historian*
Austin fought her entire life for women to have the freedom to choose their own career, have educational freedom, take charge of their own health, and dress for practicality, not fashion. She was one of the first women to earn an M.D. in Hydropathy, and was a major component in the success of the Our Home on the Hillside water cure in Dansville. Harriet Austin and Clara Barton became close friends and lifelong correspondents. Local interest, nationally influential in helping women gain freedoms we enjoy today.

Discover all of the exciting historic aircraft both flying and static, projects, exhibits, air show, special events, and programs waiting for you at the National Warplane Museum in Geneseo, New York. Learn what we do to preserve aviation history, the people who made it happen, and what you can do there.

Special attention will be paid to memorable celebrations in the Letchworth Park area, including the story of Portageville's Great Centennial Tornado.
- March 21** **LORDS OF THE RING** *ALEX PIERCE Historian*
We'll journey to middle New York to explore the majestic green canopy of the Genesee Valley through time. Discover the Hemlocks of Hemlock Lake, the Dansville Dog woods, the Big Trees of Geneseo, and the Canaseraga waters "among the Elms". You'll meet giants, dwarfs, ornamentals, some fruitful, some nutty, some straight, some crooked, not all are green, some will be seasoned, and some have needled their way into this amazing canopy overstory. Yes, discover these Genesee Valley TREES: witnesses to natural disaster, conflict, invasion, generations, with special meaning and diverse purpose found in the Genesee Valley.
- March 28** **FREEDOM + IMAGINATION = INNOVATION** *DIANE K. POTTER Author and Illustrator*

GOD IS A GOOD, GOOD GOD

The nature, character and love of Father God are best demonstrated in the life of His Son, Jesus. Jesus healed, delivered and loved everyone who came to Him. He was doing the will of the One Who sent Him to earth (see John 6:38).

God has not changed. He is still the same. Father God continues to heal, deliver and love people. James 1:17 tells us that in Him, "every good and perfect gift is from above, and comes down from the Father of lights, with Whom there is no variation, or shadow of turning."

At Healing Rooms on the Genesee, our desire is to do the will of Father God by ministering to the sick. Give us a call and we'll come pray for you.

We are a Christian based ministry located right here in Mount Morris.
