Your Hometown Paper by Hometown People!

So after winning the game, I decided to throw the ball into the crowd, like they do on the T.V. Apparently, it's unacceptable in bowling.

ARIES (March 21 to April 19) Make your holiday preparations one step at a time in order to avoid being overwhelmed and leaving things undone. That confusing family situation continues to work itself out.

TAURUS (April 20 to May 20) Ease this year's holiday money pressures by letting your thrifty side guide you as you look for those perfect gifts that typically reflect your good taste and love of beauty.

GEMINI (May 21 to June 20) You'll have a good handle on potential holiday problems if you delegate tasks to family members, friends or co-workers -- most of whom will be more than happy to help out.

CANCER (June 21 to July 22) Right now you are especially vulnerable to holiday scams that seek to take advantage of your generosity. Best advice: Check them out before you send out your checks.

LEO (July 23 to August 22) The upcoming holiday season gives the Big Cat much to purr about. Relationships grow stronger, and new opportunities loom on the horizon, just waiting to be pounced on.

VIRGO (August 23 to September 22) A changing situation brings conflicting advice about how to go forward with your holiday plans. Your best bet: Make the decision you feel most comfortable with.

LIBRA (September 23 to October 22) Holiday plans get back on track after some confusion about the direction you expected to take. A potentially troublesome money matter needs your immediate attention.

SCORPIO (October 23 to November 21) Your holiday preparations are on track. But you need to confront a personal situation while you can still keep it from overwhelming everything else.

SAGITTARIUS (November 22 to December 21) Tight financial matters ease a bit during this holiday season. But the sagacious Sagittarian is well-advised to keep a tight hold on the reins while shopping for gifts.

CAPRICORN (December 22 to January 19) Don't put off making decisions about this year's holiday celebrations, despite the negative comments you've been getting from several quarters. Do it NOW!

AQUARIUS (January 20 to February 18) The holidays will bring new friends and new opportunities. Meanwhile, be careful to use your energy wisely as you go about making holiday preparations.

PISCES (February 19 to March 20) There's good news coming from a most unlikely source. And it could turn out to be one of the best holiday gifts you have had in years. Remember to stay positive.

BORN THIS WEEK: You are respected for your honesty and loyalty. You make friends slowly -- but with rare exceptions, they're in your life forever.

2. When is a pie like a poet?
3. Why is a goose like an icicle?
4. When is a man like a pony?

ELECTROCARDIOGRAPHICALLY is the longest word we could find in our English Language Dictionary! We also found one word that can actually be made shorter by adding one syllable to it. Can you guess what this word is?

FIND THE SEVEN WORDS PUZZLE! In the word square at the right, we've removed six of the letters to spell out the word "TIRADE." See if you can replace these letters in the squares so that you'll have four three-letter words across and three four-letter words down. The time limit is 60 seconds.

Answers: (Across): (Down): Dear, era, all, rat.

PIEDMONT PETS

December 12, 2019
By Paulette Dean

The Christmas/Hanukkah season really is the "most wonderful time of the year," to quote a popular song. Families, individuals, groups, churches, and organizations hold donation drives for a variety of non-profits serving the needs of a community; thankfully, animals in shelters are also on Santa's list for help!

We are always in awe of the amount of food, toys, treats, blankets, and cleaning supplies that we receive. Sometimes, people apologize if they feel their contribution is a small one. In our minds, there is no such thing as a donation too small. They all come from hearts that are very big!

Last week, we attended the open house at the Institute's Decorating Trees for a Cause event. A group of 4-5 young boys were in attendance and spent a lot of time at our tree. It is a rather unusual one and received a lot of attention. One young boy reached into his pocket and took out his wallet. He looked at the coins in it and put five pennies in our collection bucket. His gift was so pure and I will always remember it.

The gifts the animals would put on a list for Santa, if they could, would be much simpler than the ones we humans write. Their list would include food, water, shelter, gentle hands, soft voices, and our gift of time to them.

In this kinder time of year, may we all reconsider what are the truly important things in our lives, and then reach out to others. Perhaps we could read what is surely on the animals' wish to Santa and then use that to ask for truly important things.

Windsor Chair

The Windsor chair was introduced in England in the late 17th century, and it was about 50 years later, around 1730, that the first American Windsor chairs were made in Philadelphia. The American makers created differ-

ent styles of Windsors. They all had a shaped wooden seat made of a single thick piece of wood, spindles used for a back and perhaps arms. There were splayed legs that were inserted into holes in the seat. The Windsor gradually changed into a captain's chair with no spindles and a low back. Windsors were made of several types of wood chosen for properties like strength for the legs, pliability for the top of the back, and easy carveability for the seat. Then they were painted a single dark color. If there is a hole in the seat, the chair probably was converted to a potty chair. Rocking chairs can be early chairs with added rockers or 18th century chairs made with original rockers. You can tell by the way they are attached. There are tips to telling the age

and origin of an authentic chair. An English chair will have a splat in the back and may use cabriole legs. It has a lower back than an American chair. Older American chair seats are about 18 inches from the floor; later ones are lower, about 16 to 17 inches. The number of spindles in the back is a good gauge of age: The more there are, the older the chair. Nine spindles is a very old chair. The chairs are named for the shape of the back. This is a birdcage Windsor with rockers that may have been added. It was made in the early 19th century in Massachusetts. The auction estimate at a James Julia sale was \$500 to \$700.

Q. I have an antique hand mirror made by the Unger Brothers. It is set in silver. The back is decorated with raised cupids in a water scene, but there are engraved initials of a previous owner that have been added. Do the initials lower the value?

A. Your American dresser mirror from the early 1900s is worth more than \$100. Added initials on silver do not seem to change the value. It might be fun to explain that the mirror belonged to a distant relative.

CITY NAMES DAVE COFFEY AS NEW FIRE CHIEF

City Manager Ken Larking announced today the selection of Dave Coffey to serve as fire chief. Coffey has more than 25 years of service with the fire department in Idaho Falls, Idaho, where he rose through the ranks to deputy fire chief of operations.

Coffey will assume his duties in Danville on Jan. 6.

"We are fortunate to have someone with Dave's knowledge and experience coming in to lead our very accomplished Fire Department and Emergency Communication Center," Larking said. "He is a proven leader and will be able to build on our success."

Coffey was chosen from a field of 54 applicants through national recruitment. The City hired Developmental Associates LLC in Chapel Hill, N.C., to coordinate the search. Community focus groups provided input. An assessment panel vetted finalists for the position. The panel included active and retired fire chiefs and department directors.

"My wife Michele and I are excited to soon call Danville home," Coffey said. "Serving the community of Idaho Falls for more than 25 years, I have been faced with many unique challenges that have prepared me to assume the role and responsibility as fire chief of Danville, Virginia. I look forward to the many new and rewarding relationships that I will develop over the coming years that will ensure the continued success of the Danville Fire Department."

He will succeed David Eagle, who retired in October after serving as fire chief for 12 years and as a firefighter in Danville for 25 years. Eagle has joined the City of Williamsburg as the fire chief.

Coffey was hired as a firefighter/emergency medical technician for the Idaho Falls Fire Department in 1994. He became a firefighter/paramedic in 1999, a fire captain in 2005, division chief of special operations in 2010, and deputy fire chief of operations in 2014.

He also served as a flight paramedic for Air Idaho Rescue from 2005 to 2010. He has a bachelor's degree in fire administration, holds the chief fire officer designation from the Center of Public Safety Excellence, and is a delegate for the Idaho Fire Chief's Association.

During his tenure, Coffey assisted in the preparation and administration of the department budget, managed equipment, supervised department staff, and provided oversight of day-to-day operations. He also supervised the state Hazardous Materials Response and Technical Response teams, provided oversight for the Fire Prevention Division and Swift Water Rescue Team, and served as an incident commander for Idaho's Region 3 All-Hazards Incident Management Team.

Before beginning his fire service, Coffey served in the U.S. Navy from 1984 to 1993 and was awarded the Navy Achievement Medal.

The Danville Fire Department has been serving the community since 1884. Today, 145 firefighters and staff work in seven stations across the city.

Dear Santa,

Please remind everyone that the SPCA of Pittsylvania County needs their support to continue its mission in our community.

Your loving friends,
Homeless Pets

All of us at SPCA of Pittsylvania County wish you and your family many blessings for this 2019 holiday season. We also want to take this opportunity to thank you all so very much for your support of our mission here in Pittsylvania County during the last 12 years.

In the first 10 months of 2019, our small group of volunteers assisted our county citizens by taking in 256 dogs and cats, all adopted or transferred to other rescue organizations for adoption. We trapped, neutered and returned 217 feral cats for citizens who care for feral cat colonies. We spayed 20 mother dogs, whose litters of puppies were turned in to us for care and adoption.

The SPCA is actively working to reduce overpopulation of puppies and kittens, which will ultimately reduce the number of animals coming into our county shelter. We, of course, also transport animals from the shelter and, when funds allow, we help with the cost of life-saving veterinary care for dogs and cats in our community. Our work is all done by volunteers who give freely of their time, but it takes more than our time. We get no assistance from the government or other agencies. We do receive some funding from animal welfare foundation grants and our fundraising activities, but we rely mostly on private donations from our community. When you make your holiday gift list, will you please include your tax-deductible donation to support our mission?

Mail donations to SPCA of Pittsylvania County, P. O. Box 936, Chatham, VA 24531 or make donation by credit card using the Pay Pal link on our website <http://spcaofpittsco.rescuegroups.org>

Thank you again for your support!

1. Name the song written about an actual murder that happened in a bar in 1895 in St. Louis.
2. Which 1964 hit includes the sound of a motorcycle?
3. Who released "Blueberry Hill" in 1956?
4. Which artist had a No. 1 hit with "Make Love Stay"?
5. Name the song that contains this lyric: "Now with passion in our eyes, There's no way we could disguise it."

Answers

1. "Stagger Lee," best known for the version by Lloyd Price in 1959. Billy Lyons was killed by Stag Lee Shelton when Lyons grabbed Shelton's hat during what was likely a business or political discussion.
2. "Leader of the Pack," by the girl group The Shangri-Las. The legend that the sound came from a motorcycle ridden into the studio is false.
3. Fats Domino. It was first heard, sung by Gene Autry, in the 1940 Western "The Singing Hill."
4. Dan Fogelberg, in 1983. It's thought Fogelberg was inspired by Tom Robbins' novel "Still Life With Woodpecker."
5. "(I've Had) The Time of My Life" was used in the soundtrack of "Dirty Dancing" in 1987, by Bill Medley and Jennifer Warnes. It was originally meant for Donna Summer, but she rejected the song because of the film title.

Holiday Eggnog

Rich, creamy -- and safe, because it starts with cooked eggs.

- 12 large eggs
- 1 1/4 cups sugar
- 1/2 teaspoon salt
- 2 quarts whole milk
- 1 cup dark rum (optional)
- 2 tablespoons vanilla extract
- 1 teaspoon ground nutmeg plus additional for sprinkling
- 1 cup heavy or whipping cream

1. In heavy 4-quart saucepan, with wire whisk, beat eggs, sugar and salt until blended. Gradually stir in 1 quart milk and cook over low heat, stirring constantly, until custard thickens and coats the back of a spoon well, about 25 minutes (mixture should be about 160 F, but do not boil or it will curdle).
2. Pour custard into large bowl; stir in rum, if using, vanilla extract, 1 teaspoon ground nutmeg and remaining 1 quart milk. Cover and refrigerate until well chilled, at least 3 hours.
3. In small bowl, with mixer at medium speed, beat heavy or whipping cream until soft peaks form. With wire whisk, gently fold whipped cream into custard mixture.
4. To serve, pour eggnog into chilled 5-quart punch bowl; sprinkle with nutmeg for garnish. Makes about 16 cups or 32 servings.

WING TUESDAYS BONELESS THURSDAYS

WINGS. BEER. SPORTS.

* Be sure to eat a hearty breakfast before heading out to the airport. Pack a piece or two of whole fruit or a portion of nuts for snacking, and bring an empty water bottle so that you can make it through airport security and fill the bottle when you are at the gate. Being hydrated and having healthy snacks will make your travel experience more pleasant.

* "Print a physical copy of your travel itinerary, including flight numbers. Stow a copy inside a secure spot in your luggage so that if it gets lost, you'll be easy to find. I like to put mine inside the zippered net bag that's attached to my suitcase." -- E.L. in Ohio

* Pack a hanging luggage scale. This is especially helpful at the holidays, when you may be both taking gifts to give and returning with gifts given to you.

* When planning a vacation or even a visit home for the holidays, it's important to manage everyone's expectations. Imagine Mom expects her grown kids to spend most of their time seeing extended family, while they are making plans to see childhood friends while in town. Have a chat with parents, siblings and extended family so that everyone has a good idea of what the plan is.

* "For large gatherings, borrow what you need from local friends and family. That includes chairs, servingware, place settings, silverware and linens! Most people are happy to help." -- R.R. in Alabama

* "We have a large family, and when we all get together at the holidays -- or anytime -- we share a screenshot of our itinerary in a group text as we make plans. This way, we can try to group up for pickups from the airport or car rentals." -- C.A. in Oregon
