SPEAK OUT

Dear "Speakout,"

**Keshequa Schools Bus Drivers -
Dedicated to Your Kids!**

The Keshequa drivers have been trying to get a new contract **for over a year**. The drivers have been working with an expired contract, and the district refuses to settle a fair contract with them. All we are asking for is the same health insurance benefits that **EVERY** other Keshequa employee enjoys! **Why should the drivers be treated with less respect than their dedicated colleagues?** It is well-known that the district cannot attract enough drivers or subs to fill the runs now and that we are losing our drivers to better pay and better benefits at other districts. **Is the district short changing the drivers so they can privatize the bus drivers? Do you want a stranger driving your students to school or the dedicated professionals who have been with the district for 10, 20 or even 30 years?!!!**

What can you do? Call 585-468-2900 or contact a Board of Education member: Todd Galton, Terry Lowell, Christy Crandall-Bean, Jill Burley, Jeff Bugman, Gary Nageldinger or Ken Weaver today and let them know you value our drivers and want to see them treated fairly at the bargaining table and the same as every other Keshequa employee!! **You can also show up at the next Board of Education meetings** at 7 PM on December 19th (Dalton); January 9th, or January 23rd (both in Nunda) and speak out in support of our drivers.

We need your support now to settle a fair contract!!!

President KCSBOA

Free Keyboard & Guitar Lessons For Children

From July 10 through August 12, 2019, the 19th Annual Keyboard Kamp was hosted at the Firehouse Youth Center on Murray Street in Mount Morris. Fourteen children took part and enjoyed five weeks of learning and growing in their musical abilities. Students would meet weekly for guitar lessons with Steve West and piano lessons with Geoff Clough.

During that same time, from July 9 through August 13, Geneseo also hosted their Annual Keyboard Kamp at the Good Will Store Community Room at 4119 Lakeville Road. Nineteen students also took part in the annual camp, enjoying guitar and piano lessons with Mr. West and Mr. Clough as well.

At the end of the five week Kamp, students from both camps jointly participated in the **Annual Eight to Eighty Concert Recital**. This year, the event was held on Tuesday, August 13th at Saint Timothy's Lutheran Church in Geneseo with more than 90 people in attendance.

At the recital, each student was able to perform one song on their chosen instrument, discuss why he or she chose that instrument, offer some tips for practicing and then speak about the joy they have in expressing themselves through their music.

Following the student portion, guest musician Miriam Shepard from Geneseo shared her musical history and abilities with the students on the ukelele.

While the recital location began at Morgan Estates, it now has moved to Saint Timothy's Church, providing more room. Our highest attendance to date was 150+ so this year saw a very good turnout.

A serendipity to Keyboard Kamp is that it continues throughout the school year with one-on-one mentoring with a SUNY college student and a child from kamp. Student volunteers are asked to give one 30 minute lesson once per week while they are on campus and according to their availability.

This aspect has produced amazing results, especially for the children who take the instruction to heart and apply themselves to learning by putting forth their effort in practicing. Along with this benefit, the families eventually feel like they have welcomed a new member to the family and the college student may feel like they have a home away from home. Volunteers are found each semester through the SUNY Volunteer Fair. We have had student teachers from all over...even Japan!

Mr. Clough follows up monthly with both parents and teachers to check on the progress of the students.

This year was the first year sponsorship donations were needed. The Kamp received overwhelming support from Geneseo and Mount Morris businesses, organizations and individuals. With next year being their 20th year, a few surprises are in store for the Keyboard Kampers. Kamps will continue in both Mount Morris and Geneseo and they would love to see your child at Kamp.

To donate to Keyboard Kamp or for more information about Keyboard Kamp, please call Geoff Clough at 721-6732.

We would like to extend our sincere thanks to all of our friends and relatives who sent cards and flowers at our time of bereavement for Grace, and all who came to pay their respects. A special thank you to Mary Ann Middleton for her donation of food and to Brandie Piraino for her donation of food and the amazing video she put together about Grace. We would also like to thank Martin Funeral Home for the expert services they provided us and Pastor Tom Allston for his invocation.

Livingston County Reproductive Health Center Location Update

~ The Center continues to provide high quality, confidential care to residents ~

Mount Morris, NY, December 17, 2019 – The Reproductive Health Center, a program of the Livingston County Department of Health, continues to provide vital services for adults and teens which includes birth control, pregnancy testing, annual exams, STI testing and rapid HIV testing. Since 1972, the Center has filled a unique niche in Livingston County by providing low or no cost reproductive health care to thousands of individuals in the community. The clinic also continues to provide comprehensive reproductive Health education to youth and adults in schools and the community.

Due to a change in funding, the Reproductive Health Center is closing the Avon clinic site as of December 31, 2019. The Mt. Morris and Dansville clinic sites will remain open and will continue to provide high quality, confidential services to area residents. The Center also will continue to provide services to SUNY Geneseo students at two locations on SUNY Geneseo campus.

For more information regarding services or educational presentations, please call the Livingston County Reproductive Health Center at 243-7540 or visit the website at www.livingstoncounty.us/RHC.

Jesus Came To Heal You!

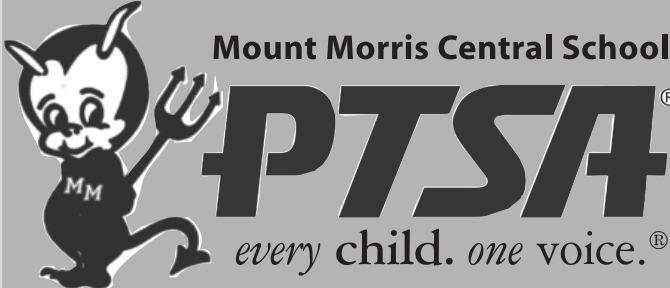

It's Christmas time. Time to celebrate the birth of Jesus. Did you ever ask yourself why He came to earth? The gospels (the story of His birth, life and death) all tell us why He came. What did He spend most of His time doing when He was here on earth? Two things: He brought peace to the spirits and souls of humans, and He brought physical healing to their bodies.

If you have a sickness in your body, Jesus came for you. He told His followers (Mark 16:18) to lay hands on the sick and the sick would recover.

Give us a call. We would love to pray for you and see Jesus bring healing into your life this Christmas.

Wisdom Teeth

Wisdom teeth are always the last teeth to typically erupt in the mouth. Although your teen's mouth may seem big enough to accommodate them, most often it is not. As soon as it is clear that the wisdom teeth, technically known as third molars, will not grow in normally, they should be removed. Early removal of the wisdom teeth lessens the risk that your teen will experience impacted or partial eruption, and the complications that often result.
