Regenerative Medicine - I had tennis elbow and had cortisone injections to help the pain - wrong - it burned half the elbow tissue and I went to the orthopedic surgeons and was told that it was inoperable and was prescribed an anti inflammatory - I thought all hope was lost - been over a month since I had the stem cell injection and Cold K laser therapy and my elbow is like new no pain and I can actually lift things with my arm now - so happy would do it again if something else breaks down! The best!

We've been serving communities throughout Tennessee for 40 years. With every new year, we set out to improve the print publication so you can make more connections. This year, we're making a major change to improve the color in your Exchange. Because of this printing change, some homes will get the Exchange on Thursdays.

BENEFIT TO YOU

This change also means there's a new deadline for placing word ads!
All words ads, either placed by phone or online, will run in that week's paper as long as the ad is submitted by 3:00 p.m. on Monday.

Thank you for letting us into your homes for the past four decades.

The front page of our first edition stated: "My purpose is to help you buy, sell, or trade wisely for whatever you want and need right here at home in Lincoln County". The community had no idea the Exchange would become a historic staple of Middle Tennessee's economy.

I've had issues with back pain ever since I can remember. I've tried to ignore the pain in my back. I wanted natural treatment rather than be put on harsh medications. I tried other things, but it didn't correct the cause of the pain. Since seeing Dr. Kanan I've regained feeling in my hands, my legs don't go numb, I've returned to yoga and my strength and flexibility are improving!

-Shalene S.

When I came to Dr. Kanan, I could barely walk. The pain was so severe it made me sick to my stomach! Dr. Kanan and his staff are true professionals. Dr. Kanan told me what was wrong with my back and the preventative measures I needed to take to fix it. Dr. Kanan and his staff took me from hardly walking to running and exercising again. My quality of life is much better!

-Health L.

I had trouble moving comfortably and breathing normally for about a year! Ever since my adjustments I feel like new! I now have full movement without pain and more energy throughout the day. I finally feel relaxed and calm again! I definitely recommend Dr. Kanan he helped me tremendously!
