Clare, the "City of Festivals" has festivals happening throughout the year. Visit the Amish Quilt Auction, Craft Show, and Flea Market the third weekend in May and the Friday and Saturday of the Labor Day holiday.

The town turns green for the annual 4-day Irish Festival in March, which is one of the city's most known and well-loved events.

The Summerfest Celebration provides old fashioned fun for all ages with children's games, a picnic in the park and fireworks over Shamrock Lake to end the day. During June and July the Summer Concert Series provides free musical entertainment in the City Park alongside the Clare Farm & Arts Market. The grand finale to summer events is the Old 27 Motor Tour Overnight Stop in downtown Clare and the Clare Brewfest, "A sampling of Michigan's finest craft beers."The beginning of the holiday season is celebrated in Clare with a *Christmas Celebration* each December.

At the center of Harrison is Budd Lake, a 175-acre allsports lake. Try your hand at catching one in the Annual

Budd Lake Fishing Derby held each June, usually on the Saturday of Father's Day weekend. Wilson State Park, on the shores of Budd Lake, is a favorite with campers.

Harrison offers a spectacular Fourth of July Celebration, with a parade, demolition derby and fireworks. The Clare County Fair has taken place in | Harrison every summer since 1883.

Experience the thrill of a world-class zip line tour at Snow Snake. Rocks and Valleys is Snow Snake's off-road park that has over 200 acres of hills, rocks, mud and a variety of COYNE OIL & PROPANE trails for different skill levels. In the winter enjoy skiing and tubing at Snow Snake.... great family fun!

Farwell's Lumberjack Festival on the last

weekend in July is a fun time for all ages will delight young and not so young alike.

WINTER CAR CARE & **DRIVING TIPS**

- Keep your equipment
 If you do venture out or are properly maintained and include a winter survival kit in your vehicle: an ice scraper, snow shovel and sand/salt.
- Clear snow and ice off your car - including windows, mirrors, lights, reflectors, hood, roof and
- Drive with your headlights on, and be sure to keep them clean to improve visibility.
- Avoid using cruise control in snowy or icy conditions.
- Know how to brake on slippery surfaces. Vehicles anti-lock brakes operate much differently have anti-lock brakes.
- unexpectedly caught in a snowstorm and encounter problems, stay in your car and wait for help. You can run the car heater to stay warm for 10 minutes every hour, but make sure your exhaust pipe is clear of snow. There is a danger carbon monoxide poisoning if snow blocks the pipe and enables the deadly gas to build up in your car. Open your window slightly to help prevent the buildup.
- Be cautious on bridges and overpasses as they are commonly the first areas to become icy.
- from those that do not Avoid passing snow plows and sand trucks.

COMPLEX SPINE SURGERY MADE SIMPLE

- Quicker Recovery
- Minimally Invasive
- 24 Hour Hospital Stay
- Innovative Technology

Timothy E. Spencer, D.O.

- Board Certified Neurosurgeon
- Doctor of Osteopathic Medicine, Kirksville College of Osteopathic Medicine, MO
- Fellowship in Neurovascular/Skull Base Surgery Neurosurgical Foundation, IL
- Chief of Neurosurgery, Brooke Army Medical Center, TX
- Neurological Surgery Residency, Ohio University

Why Dr. Spencer?

- Specializes and Focused on Minimally Invasive Spine Surgery
- Patients return to normal activities faster
- 99% of MIS patients only stay in the hospital for 24 hours or less
- Patients can be seen quickly
- Accepts most insurance plans
- Only surgeon in the area performing mostly MIS surgeries
- Comprehensive approach to treating spinal pathology
- Large town treatment with a hometown feel

Services Offered:

General Neurosurgical Care: Complex Spinal Surgery, Malformations, Tumors, Dislocations, Fractures, Degenerative Conditions, etc.

A comprehensive approach to surgical treatment - from minimally to maximally invasive.

Regenerative Medicine

The guiding philosophy is to always reserve invasive procedures as a last resort, but when they become necessary, to apply the procedure that is most suited for that patient's specific problem in order to enhance outcome.
