Genesee Valley Greenway Future Projects Public Presentation

February 8, 2020 • 1:00-3:00 pm
Mount Morris Central School
30 Bonadonna Avenue
Mount Morris, NY 14510

The Genesee Valley Greenway and its planning consultant Alta Planning + Design are hosting a public presentation to discuss the existing condition of the Greenways and listen to the community's ideas on how to improve the trail, increasing use and increasing the economic impact of the trail. Our project will ultimately propose a prioritized list of projects that the Greenway will use to implement improvements.

Please come out on Saturday, 2/8/2020 from 1:00 – 3:00 pm to discuss the Genesee Valley Greenway and your ideas for its future improvement and opportunities for it to be more integrated with your community to improve its economic impact. For further information call 585-493-3614 or write to Genesee Valley Greenway State Park, One Letchworth State Park, Castile, NY 14427.

The New York State Office of Parks, Recreation and Historic Preservation oversees more than 250 parks, historic sites, recreational trails, golf courses, boat launches and more, which are visited by 74 million people annually. A recent study found that New York State Parks generates \$5 billion in park and visitor spending, which supports nearly 54,000 jobs and over \$2.8 billion in additional state GDP. For more information on any of these recreation areas, call 518-474-0456 or visit www.parks.ny.gov, connect with us on Facebook, or follow on Instagram and Twitter.

RADON is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home. If you would like more information on radon or to request a radon test kit, please call 243-7280.

A Message from the Town of Mount Morris

As we begin the New Year 2020 I wanted to let each of you know how the Town ended 2019 and our plans for 2020. Again in 2019 we were able to stay under the NYS mandated cap and worked hard to maintain our fiscal health. The most recent NYS data available demonstrates that we consistently rank well below the state average for towns our size in such important areas as debt, expenditures, and property taxes.

2019 found us working diligently on our local solar project as well as initiatives to improve roads, water access, and housing. As an example we have submitted some Town properties for review by the Livingston County Land bank, with hopes of rehabilitation in 2020. Fire protection discussions continue. We are strongly behind the expansion of broadband to Town residents and have plans for road remediation during the summer. We continue to seek grant availability and are benefiting from many of the County-wide grants as well.

The Town Board (D. DiSalvo, D. Huff, N. Guzzardi, and C. Woodworth) and I encourage each of you to let us know your thoughts throughout the year as we continue to try and provide each Mount Morris resident with quality services at a cost we can all afford.

My door is always open.
Serving Always,
Charles J. DiPasquale
 Supervisor

Need Help Paying for Medicare?

The Medicare Savings Programs can help with Medicare costs, like your monthly Part B premiums and sometimes also Part A and Part B coinsurance and deductibles.

The Extra Help Program helps pay some of your Medicare Part D drug plan costs.

If your gross monthly income is less than \$1,581 for an individual or \$2,134 for a couple, you may be eligible for one or both of these programs. These figures are based on the 2019 federal poverty limits and are subject to change.

If you think you may be eligible, please contact NY Connects at the Livingston County Office for the Aging at 585.243.7520 for more information or to schedule an appointment for assistance with applying.

¿Necesita Ayuda para Pagar Su Medicare?

Los Programas de Ahorros de Medicare le pueden ayudar con los costos de Medicare, como, por ejemplo: sus primas mensuales de Parte B y a veces, hasta los deducibles y coaseguros de Parte A y Parte B.

El Programa de Ayuda Extra le ayuda a pagar algunos de sus costos del plan de medicamentos Medicare Parte D.

Si su ingreso mensual bruto es menos de \$1,581 si es un individuo, o \$2,134 si es una pareja, usted podría ser elegible para estos dos programas. Estas cifras están basadas en los límites federales de pobreza y están sujetos a cambios.

Si usted piensa que pudiera ser elegible, por favor comuníquese con NY Connects en la Oficina del Condado de Livingston para los Envejecientes al 585.243.7520 para mayor información, o para programar una cita para asistencia con la solicitud.

2020 ROC/FLX Craft Beverage Trail Passports

The Rochester/Finger Lakes Craft (ROC/FLX) Beverage Trail weaves through multiple counties - Monroe, Ontario, Wayne, and Livingston - and features over 35 wineries, breweries, brew pubs, distilleries, and hard cideries. As a contributor to the regional economy, the trail is a tourism-focused beverage destination that strives to boost visits to nearby attractions as well.

The ROC/FLX Craft Beverage Trail website features an interactive map of all craft beverage producers participating in the trail. To date, four Livingston County craft beverage producers have joined the trail.

Deer Run Winery*

3772 West Lake Road
Geneseo, NY 14454

Oh-Neh-Da and Eagle Crest Vineyards

7107 Vineyard Road
Conesus, NY 14435

No BS Brew Company*

3474 Bronson Hill Road
Livonia, NY 14487

Original Stump Blower Ciderworks*

5901 Big Tree Road
Lakeville, NY 14480

These producers are also on the Livingston Libation Loop - Livingston County's own craft beverage trail - along with four others: Mortalis Brewing Company in Avon, Rising Storm Brewing Company in Livonia, Dublin Corners Farm Brewery in Linwood and Geneseo, and Battle Street Brewery in Dansville.

According to its website, "the 2020 ROC/FLX Craft Beverage Trail Passport is a small book that gets you free drinks and special deals at 22 of the best craft beverage producers in Rochester and the Finger Lakes. It's formatted like a passport, with a spot for each participating producer that you get stamped after receiving your free beer. You have all of 2020 to use it so you can travel to breweries, cideries, wineries, and distilleries at your own pace." Of the 22 producers participating in the passport program, three are from Livingston County (as indicated with asterisks above). The 2020 passport costs \$20.00 and can be purchased online or at the Livingston County Chamber of Commerce & Tourism at 4635 Millennium Drive in Geneseo.

The ROC/FLX Craft Beverage Trail is a non-profit organization. Its mission is to create visitation to educate consumers about the diverse craft beverage producers in a four-county area of Ontario, Monroe, Wayne, and Livingston. The trail is comprised of craft beverage producers, Finger Lakes Visitors Connection, Visit Rochester, Livingston County Tourism, and Wayne County Tourism.

For information on the ROC/FLX Craft Beverage Trail, visit its website at <https://www.rocflxcraft-bevtrail.com> or contact the Livingston County Chamber of Commerce & Tourism at 585.243.2222.

In Loving Memory of
Dennis G. Bzduch

When someone passes away unexpectedly the shock and pain is almost insurmountable. As a family we knew Dennis was special, but we never knew how special. The support and outreach is something that cannot be explained. We are so very blessed to have so many kind-hearted people in our lives. We cannot thank everyone enough for the food, gift cards, pictures, plants, flowers and other countless acts of kindness our family has received during this most difficult time.

Family, friends and acquaintances **THANK YOU** for everything and most importantly thank you for being a part of Dennis's life.

With love,
Wendy, Dj, Cortney, Sophia, Chelsea and Ryan

Livingston County Department of Health Receives Grant

MEDICAL RESERVE CORPS OPERATIONAL READINESS AWARD

Mount Morris, NY, January 22, 2020 – The Livingston County Department of Health received a Medical Reserve Corps (MRC) Operational Readiness Award from the National Association of County and City Health Officials (NACCHO). The goal of this award is to retain and recruit Livingston County MRC volunteers to meet the emergency preparedness and response needs in our community. This funding will build MRC capabilities, strengthen stakeholder awareness of MRC capabilities, and identify or sustain integration of the MRC into local, state, and/or regional emergency response plans.

"The benefits of enhancing our MRC program will increase Livingston County's ability to respond to emergencies in Livingston County, which will improve the overall health of our community members and will enhance the ability for us to support our partners in times of need", stated June Webster, MRC Coordinator of the Livingston County Department of Health.

The Livingston County Medical Reserve Corps (MRC) allows residents to help the County prepare for and assist with disasters and other public health related events. Following many disasters, large numbers of people often come forward to help. Many of those well-meaning volunteers are turned away because without special training, or a management structure to guide them, their presence at an emergency scene can be unsafe for volunteers and for public health and safety personnel responding to the incident.

The Livingston County MRC, a program coordinated by the Livingston County Department of Health, is designed to leverage the good will and desire to help that many people display in the wake of a disaster. It offers both medical and non-medical volunteers a chance to be part of a network of people who are trained and ready to respond to various incidents in Livingston County.

The Livingston County MRC is part of a national program developed to help local communities organize for an emergency. Large-scale natural or man-made disasters have the potential to overwhelm a community. These emergencies are often too large for local government agencies to handle alone, and often require assistance from state and federal agencies -- assistance which can be delayed in the first hours of a disaster.

Joining the program is quick and easy, and volunteers receive free training -- including an on-line course developed in partnership with the Harvard's Center for Public Health Preparedness. Please call the Department of Health at (585) 243-7299 for more information.

1 in 15 Homes in the U.S. Have High Radon Levels Help Protect Your Community this January

Mount Morris, NY, January 2020 – The U.S. Environmental Protection Agency (EPA) has designated January as National Radon Action Month. This January, raise awareness about the risks of radon in your community — and teach others how to test their homes.

An estimated 1 in 15 homes in the U.S. have high radon levels — and high radon levels can be a risk anywhere. Living in a home with high radon levels can be dangerous for your health. Radon is the second leading cause of lung cancer and it is estimated to cause over 20,000 deaths each year in the U.S. Because of the ways that radon and tobacco smoke damage the lungs, high radon levels are especially dangerous for people who smoke. Their risk of lung cancer is 10 times higher than non-smokers.

Radon, a radioactive gas, builds up in homes over time and can't be seen, tasted, or smelled — so it's easy for radon problems to go unnoticed. The only way to know if you have a radon problem is to test your home. The Surgeon General recommends that all homes get tested for radon. Home radon tests are simple and inexpensive — and can help save lives.

Homeowners can test their homes with a simple kit — and if their home has high radon levels, they can fix it. Radon reduction repairs can be done with the help of a licensed radon mitigation contractor.

You can raise radon awareness in your community during National Radon Action Month by:

- Contacting local school systems to encourage radon education at school
- Holding an informal talk in your local library or other community space
- Writing a letter to your local newspaper about the risks of radon and the importance of testing your home
- Organizing a time for everyone in your neighborhood to test their homes together

For more information about National Radon Action Month, visit: <https://www.epa.gov/radon/national-radon-action-month-consumer-information>

If you are a Livingston County resident and want to know how to test your home or want to receive your free radon test kit, please call the Livingston County Department of Health Center for Environmental Health at 243-7280.

To learn more about radon, visit: <http://www.cdc.gov/radon>

Is your sickness chronic and the doctors can only treat symptoms? Do you have to live with pain and illness for the rest of your life?

Reach out right now to the One Who can save and heal. Gen 18:14 asks you a question: "Is anything too hard for the Lord?" And of course, the answer is NO! Matt 19:26 says ". . .but with God, all things are possible." It does not matter how bad a situation may seem, or what the doctor's diagnosis is. All things mean all things, including the healing of your body.

At Healing Rooms on the Genesee, our desire is to bring this healing power of God into the lives of those who are sick. We obey the commandment of Jesus for His followers, in Mar 16:18, ". . .they will lay their hands on the sick and the sick will recover."

Give us a call. We will come & pray for you.
