Iowa Lakes Community College Announces 2020 Musical

The wait is over. Iowa Lakes Community College announces the 2020 Spring Musical "Mamma Mia!" to be on stage in April 2020.

Over 60 million people worldwide have fallen in love with the characters, the story, and the music that make "Mamma Mia!" the ultimate feel-good show. ABBA's music tells the uplifting tale of a young woman seeking the identity of her father for her wedding and brings the three potential men from her mother's past back to the Grecian island they visited 20 years ago. The story-telling magic of ABBA's timeless songs drives this enchanting tale of love, laughter, friendship, and sisterhood, creating an unforgettable show. Hit songs include "Mamma Mia," "Money, Money, Money," "Dancing Queen," and "Voulez-Vous," among others.

Iowa Lakes Community College's production of "Mamma Mia!" will be directed by Carol Ayres Stueven and Brett Fuelberth with auditions held on February 3 and 4, 2020, on the Estherville campus of Iowa Lakes Community College.

Auditions for children will begin at 6:00pm with adult auditions scheduled to follow at 7:00pm. More information about audition requirements will be posted on the Iowa Lakes Music Facebook page.

"Mamma Mia!" is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are supplied by MTI. 421 West 54th Street, New York, NY 10019 Phone: 212-541-4684 Fax: 212-397-4684 www.MTIShows.com.

Lakes Regional Healthcare Among Top 10% Of Hospitals For Value

Lakes Regional Healthcare has scored among the top 10% in Centers for Medicare & Medicaid Services' (CMS) Hospital Value-Based Purchasing reimbursement program. In 2019, Lakes Regional Healthcare ranked 111th out of nearly 3,000 participating Medicare-certified hospitals.

The CMS Value-Based Purchasing program rewards hospitals that provide high quality, safe care. Scores are based on a select set of quality and cost measures. Hospitals with a total performance score in the top quartile receive incentives.

"We have a strong commitment to quality and patient safety while being good stewards of the healthcare dollar," said Jason Harrington, President and CEO. "Our performance is an example of our commitment to being innovative and forward-thinking in our approach to improving quality."

Lakes Regional Healthcare was an early adopter of the Value-Based Purchasing program. Quality teams collaborated closely with physicians to develop processes to support Value-Based Purchasing and ensure that patients receive the right care at the right time. Doing so leads to higher quality care, at a lower cost.

"Our quality team works closely with our care teams to ensure we're following national quality standards," said Harrington. "To rank 111th out of nearly 3,000 hospitals across the country is a huge achievement. It reflects how we approach care - keeping the patient as our focus and delivering the highest quality care that we'd want for our own families. I'm very proud of our performance and it speaks to the quality of our physicians, staff, and support of our Board in demanding transparency and a commitment to quality."

The CMS Value-Based Purchasing program aims to transition the delivery of care to value-based medicine in an effort to improve the quality and safety of care. The program ties incentives to hospitals who provide better clinical outcomes, adhere to evidence-based care standards, and have high patient satisfaction scores.

Car Drop Tickets Now on Sale

The success of the annual Rotary car drop into West Lake Okoboji continues to grow each year raising funds for community needs.

The car will be placed on Smith's Bay on February 1, 2020. In the meanwhile, the car is on a trailer just waiting for the big day. Tickets are \$10.00 and can be purchased from any Iowa Great Lakes Rotarian, at The Hutt and Dry Dock in Arnolds Park, or by going on-line at <https://iowagreatlakesrotary.org/>.

If the car drops through at the time printed on your ticket, you will win \$1,000. Proceeds from the event are used for local Rotary outreach projects. Only 720 tickets with a random time of day (good for that specific minute both AM and PM) are sold giving each ticket two chances to win. A special clock is installed in the car and is engineered to stop once the car falls through the ice and hits the water. The winning ticket will be determined once the car is retrieved and the time on the clock is verified by two Rotary board officials. If a winning ticket holder is not identified for that time slot, the next closest ticket holder time will be chosen as the winner.

The 2020 University of Okoboji Winter Games Cheerleaders joined the Clean Plate Club, Saturday morning, at the Okoboji Summer Theatre Association's omelet breakfast, before heading out to spread their enthusiasm for the 40th anniversary University of Okoboji Winter Games. The cheerleaders are (l-r) Jeff Vierkant, John M. Sandy, Andrew Fisher, Deb Heidebrink, Jodi Lange, Paul Plumb, Andy Lux, and Megan Vierkant.

2020: Four fun musicals at OST

If you remember *The Marvelous Wonderettes* at the Okoboji Summer Theatre, you must have been in the audience for the opening show of the 55th season, in 2012. As follow up, *The ... Wonderettes* will continue with *Dream On* as the opening show of this year's 63rd season, on June 16th. When we say "continue," the show picks up where it left off with more musical fun with the sounds of the late 1960s and early '70s -- and an all female cast.

If we had been more awake in passing along Stagerat Stan's missive a couple weeks back we might have understood the coded message he sent with the songs from *Grease*, which will open on June 30th, through the 4th of July weekend -- sans John Travolta, who had the lead role on Broadway and in the movie. Even without Travolta, executive director Ruthann Burke said, "Grease was a fan favorite, on the OST stage years ago -- for sure!"

The OST will turn the clock back several decades with *Overnight Strut*, with its music from the 1930s and '40s, which will open on July 28th...

Speaking again of "fan favorites," Burke said the OST will be pulling out all the stops with *The Music Man*, as the season finale, beginning on August 11th. She also noted that the OST will be working with the staff of The Music Man Square (museum) in Mason City, the boyhood home of Meredith Willson, the American flautist, composer, conductor, music arranger, bandleader, playwright and author, who is best known for writing the book, music, and lyrics for the hit Broadway musical that later became a popular movie...

Burke also made special note, Saturday, "Phyllis Rohlin, who has been a long-term great friend and longtime patron of the OST," will be honored as Woman of the Year during a recognition party in mid-season. In addition to helping construct the final tiny home in phase 2, Rohlin has aided several smaller projects, including the concrete walkway and driveway on the north side of the theatre. The strip is used for loading in and out, and also provides a level entrance on the north side, which is especially good for those who have trouble walking on uneven ground. "It's something we had wanted to do for a long time, but it's hard to raise funds for something like cement," Burke added...

The season's five nonmusical productions will include: *Clue: On Stage*, Ken Ludwig's *A Comedy of Tenors*, *Noises Off*, and *The Outsider*. And the Boji Bantam Children's Theatre starts its season on June 24th, with *Sideways Stories from Wayside School*, *The Pied Piper*, *The True Story of the 3 Little Pigs*, and *The Velveteen Rabbit*...

Spirit Lake High School alum Corbet Butler led the Storm Lake High School Jazz Band to a first place finish in the Iowa Lakes Community College jazz competition last week. Class 2A competition saw West Lyon Jazz 1, directed by Drew Balta, take first place; followed by Central Lyon, directed by Sherwin Langholdt; and Sibley-Ocheyedan, directed by Peter Carlson, third.

Spirit Lake's Jazz Band, directed by Tyler Pederson, finished second in 3A, behind Sioux City's Bishop Heelan High School, directed by James Kunz; but ahead of Estherville - Lincoln Central, directed by Laura Giebler.

This week should see *Adam and Jacob* on the stage in the barn at the Little Swan Lake Winery, Sunday afternoon, from 4 - 6:00. *Lil Red and the Medicated Moose Band* is set for the following Sunday at the same time; and Joey Gulizia and Michael Pujado are to be the featured entertainers for a Valentine's Day Dinner, on Friday, the 14th...

This week's effort from research director RD came with a note attached about a visit to her hairdresser that left her "more blonde than ever before." Still, all her work seems to be in order...

Today marks the 91st anniversary of Bernard Stanley 'Acker' Bilk's birth in 1929. The English clarinetist and vocalist's hit instrumental, *Stranger on the Shore* is a clarinet piece he wrote in 1961 for his young daughter Jenny. By late 1962, the song achieved number one status and remained on the charts for 21 weeks. Since then it has been covered by a wide variety of artists including Booker T. & the MGs, and Percy Faith and his Orchestra...

Playwright Neil Simon's *Sweet Charity* opened for 608 performances on Broadway, on January 29, 1966. The song, *If My Friends Could See Me Now*, which was written by Cy Coleman and Dorothy Fields and originally recorded by Gwen Verdon, was released by *Sketch Henderson and his Orchestra* later that year, followed by Sammy Davis, Jr., in 1968 -- the same year Marilyn Maye included the song on her RCA album, *The Happiest Sound in Town*...

It was January 30, 1925, that engineer Douglas Engelbart was born in Portland, Oregon. If you use a Windows or Apple computer you owe a lot to him, as he was the inventor of the computer mouse, which he patented in 1970. There are probably more mouse songs than you realize, including *A Mouse in the House*, from Chet Atkins' 1985 album, *Stay Tuned*, and *The Mickey Mouse March*, which was the theme song for the Mickey Mouse Club TV series in the late 1950s. It was also featured more recently on the *Mannheim Steamroller Meets the Mouse CD*...

Frank Sinatra began recording *The World We Knew*, with Duke Ellington, on February 1, 1967. In addition to the title track, which was written by Bert Kaempfert, Herbert Rehbein, and Carl Sigman, the LP also featured the much more famous *Somethin' Stupid*. The duet with his daughter Nancy peaked at number one and graced the charts for many weeks. It received a Grammy nomination for record of the year, and was certified gold by the Recording Industry Association of America...

Isaac Donald 'Don' Everly turns 83 on Saturday. Phil Everly's Kentucky-born older sibling worked with his brother to form *The Everly Brothers* duo. Their February 1961 release, *Walk Right Back*, climbed into the top ten and stayed on the charts for 13 weeks. Interestingly, songwriter Sonny Curtis has explained that it took him only a couple hours to come up with the hit that became the Everlys' 24th successful single...

Sunday is not only February 2nd, but Groundhog Day, for which RD has picked *The Shadow of Your Smile*, penned by Johnny Mandel and Paul Francis Webster, and introduced in the 1965 motion picture, *The Sandpiper*. The theme won both a Grammy and an Oscar. One website lists 507 recorded versions of the song, including those by Astrud Gilberto, Clark Terry, Toots Thielemans, and Nancy Lamott. One of the most well-known versions is found on Tony Bennett's 1966 LP, *The Movie Song Album*...

One of the Greats is Gone

We often talk about living each day as if it's your last, and never taking anything for granted, but sadly it often takes a tragedy to make us realize this and to live that way. On Sunday one of the NBA's All-Time Greats, Kobe Bryant, his 13 year-old daughter Gianna, and seven others were killed when their helicopter crashed into a mountain outside of Los Angeles. The group was on their way to a youth basketball game that day at Kobe's Mamba Sports Academy.

This tragedy hits close to home as Kobe was on his way to coach his daughter's travel team that day, something that I myself and many of our readers have done countless times. While Kobe's greatness as an NBA player with the Los Angeles Lakers is widely known; he is the fourth all-time leading scorer in NBA history, just being passed by LeBron James on Friday, he won five NBA Championships, two Olympic Gold Medals, two NBA Finals MVP awards and was the NBA MVP in 2008; what Kobe was doing after his NBA career was even more impressive. Kobe poured his heart and soul into his family of four daughters and wife Vanessa. Kobe's daughter, Gianna shared his passion for the game of basketball and had a dream of playing in the WNBA. By all reports, Kobe absolutely loved coaching his daughter's team, and there are countless photos and videos of Kobe and Gianna enjoying NBA and WNBA games together. The look on both Kobe's and Gianna's face as the two shared memories at these games is something that parents can relate to and love. I have been blessed to share my passion for the game of basketball with Shaelyn and Tyler, and cherish the many memories of time spent in the gym, at tournaments, at games and watching countless games on television with them as well as Michelle. While basketball is just a sport, it can teach us so many life-lessons, and provide an opportunity to share time with our kids, which is absolutely priceless. This is something that Kobe was obviously enjoying during his post-NBA life, and that fact makes him seem even more human to us than that of the NBA superstar that he was for 20 years.

Kobe had so much to give to this world besides the game of basketball, and it is sad to see him taken at such a young age, as well as the other eight victims in this tragedy. Two words that you often hear while describing Bryant are relentless and competitor. One of my favorite Kobe quotes was after his last NBA game when famous sportscaster Jim Gray asked Kobe how he would like to be remembered; Kobe responded that he made a promise to himself at age 15 "At the end of my career I want people to think of me as a talented overachiever. I was blessed with talent, but I worked as if I had none." One would be hard pressed to find anyone who worked harder than Kobe, and while he was definitely blessed with a ton of God-given talent, he got the most out of that talent and gave everything he had to the game of basketball and his family. At the end of our lives, if we can hear the words "well done", we will have lived a successful and purposeful life; well done, Kobe, well done!

City of Spirit Lake Acceptable Item Recycling Reminders

With some recent recycling changes a few more residents are now taking advantage of curbside pickup and Shamrock Recycling thought for the benefit of all some reminders about the materials that can be picked up would be helpful. Shamrock accepts the following materials: *clean* plastic containers numbered for recycling as 1, 2, 3, 4, 5 and 7 (plastics numbered 6 – styrofoam type products – are not accepted), *clean* cans made of tin, *clean* glass bottles and *clean* empty jars, as well as paper and cardboard.

The following are examples of products that are not accepted: motor oil or antifreeze containers, toys, siding, laundry baskets, plastic grocery bags or other plastic bags, aluminum foil, ceramics, paint containers, "Pringles" type cans, windows, mirrors, vases and other household items.

Glass, tin, plastic and paper products need to be separated into individual containers and cardboard boxes need to be flattened. Cardboard only may still be taken to the containers at the City street garage and the Kiwanis Trailer is always available for paper.

Marketing Featured At Iowa Lakes Trustees Meeting

The Iowa Lakes Marketing Department was featured at the Board of Trustees Meeting late Tuesday afternoon.

Beth Elman, Executive Director of Marketing, presented.

Elman, hired as the Executive Director of Marketing for Iowa Lakes Community College in July 2018, has more than 14 years of marketing and communications experience and earned her Bachelor of Arts Degree in Communication Studies from Iowa State University and an Associate in Arts Degree in Liberal Arts and Sciences from Iowa Lakes Community College.

Over the past 18 months, many new marketing initiatives have been implemented at Iowa Lakes. One main focus has been a brand refresh.

"Iowa Lakes has undergone a brand refresh to modernize and lift our brand. We strive for consistency in our tone, messaging, and overall presentation. Additionally, our brand refresh has allowed us to reposition ourselves in our market and to provide a new look and feel to better appeal to target demographics," said Elman.

Other topics discussed during Tuesday's presentation included advertising, the student journey to enrollment at Iowa Lakes, and lead generation of prospective students for the admissions team.

"Research has shown that 60% of high school students are discovering colleges and universities via an online search. Keeping these statistics in mind, we know that our digital presence is essential, but that we also need to maintain traditional methods to reach that other 40% of prospective students," said Elman.

Elman also stated, "As marketing has evaluated the student journey through the admission process, it is essential to continue to deliver the right messages to prospective students at the right time. Proper messaging and communication are key to enrollment decisions for students."

Delaine Hiney, Executive Director of Facilities Management, reported progress continues on the performing arts facility on the Estherville Campus. By the end of January, the installation of sound and lighting will be complete.

Hiney reported that the Chava wind turbine continues to operate at the Iowa Lakes College Farm. New signage was installed on the Emmetsburg and Estherville campuses last week.

"New, exterior, lighted, directional

signage was installed, and these signs look great! The signage is designed with our new branding and with updated directional information. Prospective students and visitors will now have a better understanding of what services are available at each entrance," said Hiney.

Jolene Rogers, Executive Director of Community and Business Relations, reported that the Emergency Medical Services (EMS) program received notification of accreditation for five years. She also stated that Iowa Lakes will now offer professional dog grooming courses on the Emmetsburg Campus starting in March 2020.

"I'm looking forward to launching the professional dog grooming classes. We've been working on getting resources in place for a while and are hosting an information meeting Wednesday on the Emmetsburg Campus," said Rogers.

Rogers shared that Iowa Lakes is now accepting scholarship applications. Early-bird awarding will begin on February 1, 2020.

Students are encouraged to complete their scholarship applications online at www.iowalakes.edu, or for assistance, contact Alison Mason at 712-362-0491 or via email at scholarships@iowalakes.edu.

The next meeting of the Iowa Lakes Board of Trustees will be on Tuesday, February 18, 2020, in Estherville.

CONGRATULATIONS TO ALL LARGE GROUP SPEECH STUDENTS on a fantastic district contest in Spencer. Eleven out of thirteen events earned a I rating and three events earned a II rating. Those eleven groups receiving a I rating (One Act, Group Mime, Solo Mime, Choral Reading, Readers Theatre, Musical Theatre, 2 Ensemble Actings, and 3 Group Improvs) will be traveling to State Contest in Lemars on Saturday, February 8. There will be a free public performance of these groups Monday, February 3, at 7:00pm.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To the Editor:
 Thankfully, it has been a relatively quiet 2020 as far as letters go. What a joy to see a lack of vitriolic punditry masquerading as "support" for this or that candidate for the presidency. The cold snap of the past week or so should be helpful in providing solid ice for the Winter Games. Looking forward to pictures from the Polar Plunge.

Here's wishing for a safe and sane celebration in the Iowa Great Lakes. What a treasure. Thanks to all who are working hard to make this region of Iowa the "Beautiful Land" that it is. May the Caucus process and all that goes with it be fair minded and something we can be proud of. The world is watching.

Martin County Veteran's Memorial Site Receives Famous Helicopter

Martin County's Veterans Memorial Site will permanently display an actual Bell Cobra-Fixed Wing Attack Helicopter, AH-1-66-F-15327.

U.S. Army records show this very helicopter is internationally famous for serving the US Army in both Vietnam and Laos from 1968 to 1971. Even though five states were vying for the acquisition of this Cobra, due to the hard work of Minnesota State and Local Veterans and Volunteers the Cobra was awarded to Martin County.

Many Veterans remember how the Cobras saved their lives when they were outnumbered by the enemy. Our local Veterans have lived the story. In Vietnam on various dates, Cobra-327 was hit by enemy fire at least twelve times. Bell's armor plating saved the flight crew from mortal inflictions. Missions included: Armed Escort, Recon Missions & Battle Support.

In 1971, Cobra 327 saw service in Laos at the Battle of Lam Son 719, one of the deadliest battles of the war <https://www.businessinsider.com/uncovering-the-story-of-one-of-the-vietnam-wars-bloodiest-battles-2015-1>. Flying this helicopter were Members of the US Army, 7th Squad, 17th Cavalry, C Troop. Cobra 327 was mortally shot, and it was a ride the pilot will never forget. Yes, the pilot made it back alive to this day. The Gunner unfortunately died from Agent Orange at age 37.

When the US Army received new helicopters; the Cobra 327 was retired to public service for the Kern County Fire Department in California to fight night fires because it could see through the smoke with its military infrared scanners and locate people. The Cobra has the nickname THE SNAKE, because of its maneuverability. Burn marks are still visible from the fires where it landed, which shows how close to the fires the Cobra could maneuver.

Martin County's Veteran Memorial Committee is currently restoring this Cobra in Fairmont MN., returning it to the likeness of 1971. This detailed restoration work has been in progress since the fall of 2019. We invite you to visit the restoration process, in all the various stages by contacting any MCVM Committee Members.

The Dedication Ceremony is set for August 1, 2020 featuring a parade, many VIPs, Military Personnel (both active and retired), and family members of those serving on this very helicopter.

For more information, please visit www.MCVM.org or contact any of the following members of the committee: Steve Chase (Dedication Chairman) 612-799-3367 or sdchase234@gmail.com; Terry Anderson (MCVM Chairman) 507-236-4653 or tdanderson.net; Scott Higgins (MC Coordinator) 507-236-1497 or scott.higgins@co.martin.mn.us.

Kiwanis Soup & Pie Event a Success

The Milford Kiwanis Club hosted another successful "Soup and Pie Event" on Sunday, January 26th. Proceeds from the annual event will be presented to the "Okoboji Friends of the Arts". Held at the Okoboji High School, the audience is delighted with Middle School and High School Jazz Band members playing selections which highlight their talents. These gifted young musicians, their instructors and the Kiwanis Club all look forward to this occasion every year. While the bands are performing, a delicious soup and pie meal is served to the crowd.

This donation to our local school system is just one of the ways your hometown Kiwanis Club supports youth in this community. Please feel free to come and join us for a delicious breakfast some Tuesday morning, 7:00am, west side of the Milford Community Center, no reservations required. You will be amazed to discover the depth of our support for area children and families!

Kiwanians Erin Frerichs and Jan Bottolfsen cut and served pies for the annual event. Below, kitchen helpers included Kiwanians Jim Rohlfesen, Joe Simington and Bob Moore.

SWCD Foundation Scholarship

Applications for the Dickinson SWCD Foundation scholarship will be accepted until Friday, February 14, 2020. The scholarship, for a graduating Dickinson County High School Senior, is to be used for the first year of education at the college or vocational school level. The District Scholarship, in the amount of \$500, is offered for any field of conservation or agricultural studies and in addition, the winning application will be forwarded to compete in the Conservation Districts of Iowa's (CDI) Auxiliary Annual Scholarships.

Applications can be obtained from the High School Counselors at Harris-Lake Park, Okoboji, Spirit Lake or Graettinger/Terril High Schools, or by contacting the Dickinson Soil & Water Conservation District by calling 712-336-3782, ext. 3 or by e-mail to maxine.butler@ia.nacdn.net.

Need Help With Heating Bill?

The 2019-2020 Low-Income Home Energy Assistance Program (LIHEAP) has been established to help qualifying low-income Iowa homeowners and renters pay for a portion of their primary heating costs for the winter heating season. Applications will be taken October 1, 2019, to April 30, 2020, for elderly (60 & over) and/or disabled households. All other households can apply November 1, 2019, to April 30, 2020.

This program is not designed to pay a household's total energy costs. The program will provide supplemental assistance based on several factors. Those factors include total household income, household size, dwelling type, and type of heating fuel, among others. If you have already applied and have been approved this winter season, you cannot re-apply.

For guidelines and an appointment in Dickinson County, call Upper Des Moines Outreach office at 712-336-1112, located at 1575 18th Street, Spirit Lake.

Electronic Technology Discussion

The Morning Users Group (MUG) meets Fridays at 9:30am in the Black Box Theater of the Sami Center at the Spirit Lake High School (28th street entrance). This small group of enthusiasts discusses the latest hot topics in computers and smartphones, but often ranges to streaming videos, social media, organizing digital photos, escaping ransomware, flying drones, and genealogy.

Check-out these stimulating discussions to understand the new technology that you would like to know more about - but didn't know who to ask. There are no dumb questions. Your experiences can add to our knowledge. Discussion lasts about one hour. The group does not meet if Spirit Lake Schools are delayed or cancelled that day due to weather.

Back To Basics Social Media Class

Every business owner needs to understand and use basic social media to connect with customers online. A Back to Basics Social Media class is being offered that will help business owners understand why social media matters and learn strategies that can be implemented right away.

The Back to Basics Social Media class will be available on February 12, 2020, on the Algona campus of Iowa Lakes Community College in room 16 from 12:00 to 1:00pm. The cost is \$29. When users take the time to Plan, Produce, Publish, Promote and Prove, social media makes sense.

To register, visit www.iowalakes.edu/ce or call 800-252-5664.

TRAILS TALK

Erin Reed, Executive Director, DCTB

Grant Secured For Another Segment Of Rail Trail - In January, DCTB was awarded a Federal Recreational Trails grant for the next phase of Tatonka Ska Trace. The grant for \$221,750 will help provide funding for a 1.15-mile segment of the trail starting at Highway 86 and heading west to the town of Montgomery. The Trails Board looks forward to continuing the development of the rail trail as we work towards connecting to Lake Park in the near future. The link between Spirit Lake and Montgomery is expected to be completed in the 2021 construction season.

Cross Country Skiing Trails - The cold and snow can limit opportunities to get on our bikes and enjoy the trails, however, we have great cross country skiing trails in the Iowa Great Lakes to enjoy over the winter. Groomed trails are available at Brooks Golf Course up to the Dickinson County Nature Center and at Kettleton Hogsback Wildlife Management Area on the west side of Big Spirit Lake. "The best way to deal with our long winters is to find something to do outside and this is a great option," says Bob Waters who volunteers to groom the trails each year along with Eric Hoiem, Finley Hoiem and Skip Perkins. If you are interested in trying out this fun sport there is rental equipment available at Okoboji Expedition Company and Drew Mills is an excellent resource for information on getting started. DCTB will provide updates on snow and trail conditions on our Facebook site as well. Thank you to the volunteers that provide us with superior cross country trails to enjoy over the winter.

Winter Snowmobile & ATV Use On Trails - Most of the Iowa Great Lakes Trails do not allow for snowmobile and ATV/UTV use, however, during the winter there are

portions of the Spine Trail that are open to these vehicles. The trail is NOT open to these vehicles in key areas along Highway 71 where the trail is kept clear of snow for pedestrian use and access to businesses. The Spine Trail is also closed to these vehicles in Spirit Lake between 15th Street and Hill Avenue but there is a snowmobile route adjacent to the trail on the old railroad bed. The Dickinson County SnowHawks have a detailed map that shows where use is allowed on the trail on their website at www.dickinsoncountysnowhawks.com/trails. As a reminder, ATVs and UTVs are allowed on all public streets in the Iowa Great Lakes except for the state highways so their use should be very limited on the trail. Knights of Columbus Awards Spelling Bee Champions

Courageous Spirit Lake elementary and middle school boys and girls were honored as Council Champions of the 2020 Knights of Columbus Spelling Bee. The Iowa Great Lakes Council 5043 sponsored the competition Jan. 16 in the Spirit Lake Middle School music room.

As usual, the competition was heated, with the first and second place finishers battling for nearly 30 minutes per grade. All participants followed the rules impeccably, showing strong confidence and great sportsmanship.

Kaysen Adams took the honors in the 5th Grade Bracket, and Jennifer Resch placed second. Aarya Lolap won for the 6th Graders, and Scarletta Ussery took home second place. All of this year's participants were from the Spirit Lake School District. The other spellers were Rayvena Ussery, Andrew Marhula and Kierstin Clark.

Each participant could study a list of words beforehand. First and second place winners may compete in the regional competition in February in Sheldon. First and second place winners there can then advance to the state competition in Ames in March.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past year contributing more than \$18,000 to local community needs, including Hope Haven, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, Guatemala Mission, Women of the Well Project, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Children's Coat Drive.
