PUPPY PALACE

15292 East Kent Rd., Kent, NY

Anita Platt, the owner of Puppy Palace, has been in business since 1994. She has tried to provide unique services to pet owners that will accommodate each pet's individual needs. These services include mobile pet grooming, a pet resort, and a new full- and self-service pet spa and boutique. The mobile pet grooming is available to residents of Orleans and surrounding counties, including Batavia.

Anita Platt is an animal lover who graduated from the Rochester Institute of Dog Grooming. She and professional groomers Amy Dalcin, Sara Pollock, Alyssa DiMarco, and Jessie Buchanan provide a unique service in which they come to your home in a fully equipped grooming van. A complete grooming service is provided. This includes baths, ears, nails, clips, and flea treatment. This service provides one-on-one personalized care for your pet, with no cages, and no drop-off/pick-up.

The pet resort is nestled in a quiet country setting away from busy roads. You will be greeted by Missy or Sara, both of whom will treat your pet with the utmost care as they would treat their own. This ultra-clean boarding facility can accommodate up to 25 dogs and cats with both regular and extra-large indoor/outdoor kennels. In addition, a newly renovated "cozy/quiet" area is perfect for any special-needs pet. It is heated and air-conditioned, has a large fenced-in play area, and is staffed by animal lovers, so your pet only gets the best of care. You can now check on your pet via the Internet while you're away by going to www.anitaspuppypalace.com. It also showcases all other services.

There is a full- and self-service grooming salon inside the kennel facility. You can have one of our professional groomers do a complete groom on your pet, or choose to do it yourself. Our in-house professional groomer is Sara Pollock. The self-service pet spa offers enormous walk-in bathing facilities for even the largest pet. Everything you need to wash and dry your pet is provided except for the dirty pet, and our staff cleans up the mess! No appointment is necessary and self-serve is open seven days a week, 8-10 a.m. and 3-5 p.m. Full-service appointments are available Wed. - Sat. by appointment.

We offer unique gifts as well as treats, toys, grooming supplies & premium pet food.
Gift Certificates Available • 585-682-3219 • Find us on Facebook at Anita's Puppy Palace.

mobile homes!*

A MOBILE-HOME COMMUNITY

LAKEWOOD VILLAGE Mobile Home Park is set on 38 acres of land in Medina, N.Y., midway between Buffalo and Rochester, surrounded by beautifully wooded areas and centered by a two-acre lake. The latest concepts in park construction have been incorporated to create a comfortable mode of country living away from the hustle and bustle of crowds, traffic jams and noise.

Secluded but within walking distance of a complete shopping complex, it is only minutes away from a golf course, restaurants, Oak Orchard Wildlife Preserve and Lake Ontario.

Our recreation building includes a party room and a fully equipped kitchen.

Each LAKEWOOD VILLAGE site is spacious enough to accommodate maximum-length mobile homes, a screened patio and carport. We offer the better quality available to the mobile-home industry, where you will find comfort, convenience, more room and better dollar-for-dollar value than ever before.

You Must Be Born Again: Salvation Is In Jesus Christ

Jesus said: "Most assuredly, I say to you, unless one is born again, he cannot see the kingdom of God...."

"And as Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up,

"That whoever believes in Him should not perish but have eternal life.

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.

"For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.

"He who believes in Him is not condemned; but he who does not believe is condemned already, because he has not believed in the name of the only begotten Son of God....

"Most assuredly, I say to you, he who hears My word and believes in Him who sent Me has everlasting life, and shall not come into judgment, but has passed from death into life."

Physical Therapy specializes in treating medical problems relating to pain and diminished mobility. Massage, electrical muscle stimulation, exercise, stretching, heat, cold and water are all part of its approach to helping people work and live healthier and more productive lives. Treatment in New York State requires a physician's referral. Most insurances cover treatment rendered by a licensed physical therapist. For

over 20 years, Thomas Wenhold PT has had a mission to provide personal, hands-on treatments using various approaches to maximize patient performance.

The office includes an aquatic area for rehabilitation and expanded treatment areas. Aquatic exercise is rapidly becoming the method of choice for reconditioning and fitness programs in both North America and Europe. This pool facility is believed to be the only one of its kind in the Lake Plains area.
