"THINK PINK" FOR PRESIDENT!

With the upcoming Presidents Day and elections, I got thinking about My Pinky Tuscadero for President T-Shirt. If you don't know who she is then you are in serious need of a history lesson. Pinky Tuscadero came into our homes in 1976 as the object of Fonzie's affection on Happy Days. For you doubters stay with me on this one.. She was a red headed stunner with her pink scarf, little pale pink boots, white shorty shorts, cone bra and front tie crop shirt... working her signature finger snaps. She knew how to use her good looks for a 1950's character. Her beauty, charm and boldness were no match for Fonzie. There were many reasons her potential Presidency was a missed opportunity. When Fonzie lost his demolition derby partner no one was brave enough to step in. Pinky suggested herself. Fonzie called her "Silly". He argued that a woman would not be appropriate, using the Presidency and Vice Presidency as examples of how power teams consisted of two men. She held steadfast in her pursuit of being his partner and Fonzie eventually conceded. Pinky would be the first woman driver in the derby. She proved to be as she put it "born ready" for tough challenges. In her pursuit she was loyal, determined, and thrived in a team environment. She purposely took a hit meant for Fonzie to advance the team. When her car was broad sided by the competitors, the Malachi brothers, she was fearless as she crawled out onto the hood of the car during the demolition in a last ditch effort to fix her car. Yes, she fixed cars in that pink scarf! Pinky was cool under pressure. She ended up getting hurt on the roof of that car, but excepted defeat graciously and offered Fonzie her pink scarf for good luck to bring the win home for the team. And he did. At the hospital the Malachi brothers extended an olive branch because they revered her, respected her, and admired her not just for her beauty but for her ability to be a "Boss Lady". You have to respect someone who will seize an opportunity like Pinky did to prove herself. It was her beauty that opened the door for her, but her confidence, brains and toughness that earned her the trust of her peers. As exhibited, Pinky embodied many noble Presidential traits. In the end, Pinky rode off on her pink motorcycle with her crew the "Pinkettes" because she was a Businesswoman. I really appreciate the way she looked after her "Pinkettes" paying them in pink checks :). Google Season 4 episodes 1-3 of Happy Days to see Pinky pop wheelies and signs off with the phrase "Think Pink". As the Malachi brothers said to Fonzie "May the sun never set upon you and your thumbs ride high". Click on the link below to see Pinky's photo in My Post.

Holley village accepts \$2.6 million bid for sidewalks, waterlines

By Tom Rivers, Editor Posted 12 February 2020 on www.OrleansHub.com

HOLLEY – The Holley Village Board accepted a \$2,556,000 construction bid from a contractor on Tuesday to replace sidewalks and water lines in the village. Most of the project is along Route 237 and the northeast section of the village.

Mark Cerrone, Inc. of Niagara Falls submitted the lowest bid for the project. Grants will cover the majority of the costs. Holley is responsible for 20 percent of the sidewalk work and 40 percent of the waterlines. The village will put in some sidewalks and waterlines as part of its share for the project, which has a total cost of about \$4.5 million, said Mayor Brian Sorochty.

The village has been approved for a \$1,780,000 federal TAP grant (Transportation Alternatives Program) to construct curbs and sidewalks that are compliant with the Americans with Disabilities Act. The grant will allow the village to replace about one-third of the sidewalks in the village.

That includes sidewalk along Rt. 237 – both north and south of Rt. 31 to the village limits (from the water tower to the elementary school), as well as both sides of Geddes Street from Van Buren to Route 31, both sides of Perry Street, both sides of Morgan Street and the west side of East Avenue.

Holley also was awarded nearly \$1.3 million from the state for upgrades to the water system through the Water Infrastructure Improvement Act, as well as the Intermunicipal Water Infrastructure Grants Program.

The waterline project includes 5,800 linear feet, just over a mile, and involves replacing 4- to 8-inch water mains with 8- to 12-inch water mains.

That project includes portions of South Main (from the water tower to Batavia Street), South Main from Jackson Street to West Albion Street, water service transfers only along North Main from West Albion Street to the high school, the northerly side of Geddes Street from Van Buren Street to Public Square, along with connections to existing waterlines at ends and side streets.

Cerrone is expected to get started on the project soon and be complete in about a year before the state starts a milling and paving project on Route 237.

New laser adds services to Medina Memorial Hospital OR

Press Release, Orleans Community Health

Posted 10 February 2020 on www.OrleansHub.com

MEDINA – Orleans Community Health recently added a new Olympus Holmium laser to its Surgical Department at Medina Memorial Hospital to help treat patients with kidney, bladder and ureteral stones.

Dr. Anees Fazili is the urologist on staff at the hospital that performs this latest procedure. He agrees that the Holmium laser lithotripsy provides many benefits to patients, including immediate relief of symptoms and a quick recovery in which most patients go home the same day following surgery.

It is typically performed when a patient is unable to pass a stone on their own and experiences pain or discomfort. When activated, the laser beam breaks up the stone into smaller sizes making them capable of being passed. The procedure requires general anesthesia to keep the patient comfortable and there is no need for incisions.

The purchase was made possible due to the generosity of donors to the Orleans Community Health Foundation. Kimberly Gray, director of Surgical Services at Orleans Community Health, stated, "On behalf of Dr. Fazili, myself, and the entire Surgical Department, we are truly thankful for the support of our Foundation and the entire community. By adding the availability of Holmium laser treatments to our services, we're able to save most patients a long commute to Buffalo or Rochester while using the same technology right in our community hospital."

If you are interested in donating to Orleans Community Health and supporting one of our many programs, please contact Heather Smith at (585) 798-8426 or visit www.supportOCH.org and click donate button. To schedule a consultation appointment with Dr. Fazili, please contact (585) 201-7793. Please note that your insurance may require a referral from your primary physician.

Lavern Owen "Bud" Fuller, 90, of Medina, NY, went to be with the Lord on Mon., Feb. 10, 2020, at United Memorial Medical Center, with his loving children by his side. Born on Aug. 4, 1929 in Buffalo, NY, he was the son of the late E. Laverne and Dorothy (Puff) Fuller. Bud graduated from Medina High School in 1947. He received a commercial private pilot's license at age sixteen, and he was part owner of a Piper Cub Plane. Bud was drafted into the U.S. Army in December of 1952 and was stationed at Fort Hood Army Base in Texas.

It was here he met the love of his life, Doris

McMahan. They were married on July 12, 1953 and returned to Medina, where Bud took a job as a welder at Harrison Radiator in Lockport, NY. He retired in 1993 after 40 years. Bud also worked part-time repairing radiators at Walt's Garage, building pole barns for AGWAY, and harvesting cabbage with Smith Farms in West Shelby. In addition, he was a dedicated boy scout leader of Troop 33, in Shelby Center, and enjoyed trips to Camp Dittmer each summer. Bud was a life-long member of Holy Trinity Parish and attended

mass regularly each Sunday. He loved golfing, gardening, birdwatching, and spending time with his grandchildren and great-grandchildren. Survivors include his six children: Michael (Susan) Fuller, Gregory (Diane) Fuller, Steven (Linda) Fuller, Cheryl (Russell) Cree, Marguerite (Jonathan) Sherman, all of Medina, and Christopher (Melissa) Fuller of Columbus, Ohio; a brother Paul Fuller, and sisters: Elizabeth "Betty" Menz, and Dorothy "Dottie" (Edward) Hellwig. He was blessed with 15 grandchildren: Amy Herman, Katie Crooks, Matthew Fuller, Timothy Fuller, Andrew Fuller, Mark Fuller, Meghan Fuller, Kayla Rosenbeck, Tyler Evans, Lucas Evans, Nathan Sherman, Nicole Guild, Tiffany Cree, Hailey Fuller, Brooke Fuller, and eight great-grandchildren, all of whom will miss him dearly. Bud is also survived by several nieces and nephews. He will be sadly missed by his aides: Felicia, Stacey, Jackie and Steph. He is predeceased by his loving wife, Doris; sister, E. Barbara Draper; brother, Robert Fuller, brother-in-laws Merle T. Draper and William Menz; and sister-in-law, Patricia Fuller. Relatives and friends may be called on Fri., Feb. 14, 2020 at the Bogan & Tuttle Funeral Home, 226 Pearl St., Medina, NY 14103. A Mass of Christian Burial was celebrated on Sat., Feb. 15, at the Holy Trinity Parish/St. Mary's Church, 211 Eagle St., Medina NY, 14103 with the Rev. Daniel J. Fawls celebrating. Military Honors were accorded at the end of Mass by members of Lincoln Post #1483 Veterans of Foreign Wars, Butts-Clark Post#204 American Legion. Bud was laid to eternal rest next to his wife Doris at the Mount Pleasant Cemetery, Shelby, NY. Donations may be made in his memory to East Shelby Volunteer Fire Company, 5021 E. Shelby Rd., Medina, NY 14103 or to a charity of one's choice. Please light a candle or share a memory of Bud at: www.bogantuttlefunerals.com

Susan M. Green, 70, of Medina entered into rest peacefully on Feb. 10, 2020 following a lengthy illness. Born Nov. 16, 1949 in Rochester, Sue was a daughter of the late William T. and Katherine C. (Smith) McKenna. She was a graduate of John Marshall High School class of 1967. On June 24, 1967 she married Douglas

R. Green and together made their home in Medina. Sue worked as a secretary for the Clifford Wise Middle School, then for Fisher Price Toys and lastly in human resources for Lockport Memorial Hospital. She was a member of Holy Trinity Catholic Parish, St. Mary's Church in Medina. Sue enjoyed quilting and also enjoyed baking. Sue was preceded in death by her husband, Douglas R. Green on Dec. 22, 2010. She is survived by her two sons: Ronald (Melissa) Green of Medina and Randy (Jennifer Childs) Green of Churchville; daughter-in-law, Diane Green; four grandchildren: Tiffany, Dillon, Melanie and Mya; three great-grandchildren: Marla, Lilly and Sera; and two brothers: Michael (Barbara) McKenna and Phil McKenna; several nieces and nephews. In addition to her husband she was predeceased by her brother, Edward McKenna; sister, Mary McKenna; and niece, Christy McKenna. Family and friends called on Sat., Feb. 15 at Cooper Funeral Home, 215 W. Center St., Medina, where her funeral service will immediately followed. The Rev. Bernard Nowak, pastor of Holy Trinity Parish officiated. Please share condolences and memories at: www.cooperfuneralhome.com

Arrangements have been entrusted to Sherrie Bream Funeral Home, Gasport. To share a special memory of Claudia, please visit: www.mitchellfamilyfuneralhomes.com

Ted Allyn Hill [1965-2020] loved the Navy, sports and his animals. Joining the Navy right out of high school allowed him to travel the world and visit all but nine states in the United States — a lifetime goal of his. On Jan. 23, 2020, Hill died peacefully while watching the sports channel at the age of 54. Hill was born

in Medina, New York on April 27, 1965 where he remained

his entire childhood, graduating from Medina High School in 1983. After enlisting in the Navy in 1983 he traveled and lived around the world, including three deployments — one in Subic Bay, Philippines, one in Yokosuka, Japan and one in United Kingdom, London. He traveled and lived in several countries and states both during and after his Navy career. During his time in the Navy, his ships, locations and years were as follows:

USS O'Brien (DD-975) | San Diego | 1984 - 1987
Naval Surface Group Western Pacific | Subic Bay, RP | 1988 - 1990
USS McCluskey (FFG-41) | Yokosuka, JA | 1990 - 1993
USS Chancellorsville (CG-62) | San Diego | 1993 - 1994
Fleet Industrial Supply Center | Pearl Harbor | 1994 - 1997
USS Oldendorf (DD-972) | San Diego | 1997 - 2001
Naval Activities United Kingdom | London | 2001 - 2003
Naval Recruiting District | Phoenix | 2003 - 2005
Hill retired in 2005 after 20 years of service in the Navy. After his retirement, he worked at the Veterans Administration in Phoenix, Ariz.; Prescott Valley, Ariz.; and finally in Helena, Mo. In 2009, he received his Bachelor of Science degree in Business Information Systems at the University of Phoenix. Ted enjoyed spending time watching sports — some of his favorites being Buffalo Bills Football, Pittsburgh Pirates Baseball and Arizona State University Basketball. He also loved spending time with his cat, Cali, often roaming around with her outside finding critters and beautiful places together. Ted truly was one of a kind. His love for all living creatures was a noble attribute and his quick witted humor will never be forgotten. Friends described him as a wonderful person with a heart of gold who will truly be missed. Preceded in death by his grandfather, Raymond Hill. Survived by his mother, Nellie Hill and step father, Jim Breitkopf; grandmother, Aeda Hill; uncle and aunt, Roger and Mary Hill; cousins: Amanda Hill (Nick Elms), Sarah and Tim Douglass; great aunts and uncle: Nellie Culbertson, Jeanne Shepherd, Bobby and Pat Loring; and many Hill and Loring cousins. Fair winds and following seas, Ted. We will miss you!

Sandra Michele Kintz, 66, of Waterport passed away peacefully after a courageous fight with lung cancer at her home on Feb. 10, 2020. She was born Aug. 22, 1953 in Ontario, Canada to the late Leslie and Mona (Pickering) Kaufman. Throughout Sandy's life she accomplished many things. She was a nurse for 20 years, flipped

homes, owned several businesses including the latest being her marina. She enjoyed spending her time on the beach in Florida, fishing, boating, and cooking. She had a great love for animals and was a very kind hearted person. She was predeceased by her parents, Mona and Leslie Kaufman, and her husband Steven P. Kintz. Sandy is survived by her partner in life for over 20 years, John Jackowiec; her dogs; her daughter, Stephanie (Steve) Zalyski; grandchildren: Kourtnee, Justin; along with 4 great-grandchildren and sister, Cathy Lewis. The family received friends at the Christopher Mitchell Funeral Homes, Inc., 21 West Ave., Albion, NY 14411 on Sun., Feb. 16 where her Celebration of Life Service was also held. To share a special memory of Sandy, please visit: www.mitchellfamilyfuneralhomes.com

Frances E. "Granny" Stafford, 68, of Lyndonville passed away after a long illness at Strong Memorial Hospital on Feb. 8, 2020 with her loving family by her side. She was born May 4, 1951 to the late Robert and Patricia (McGurn) Conley. Granny enjoyed making jewelry, antiquing and her greatest joy was being a Granny.

Granny is survived by her loving husband of 38 years, Lynn; children: Rebecca (Christian) Reynolds, Brandon Stafford, Jenna (Justin) Davis; grandchildren: Renee, Rachael, Tessa, Justin, Adara, siblings, Mary (late Thomas) Samsel, Robert Conley; as well as several nieces, nephews and cousins. The family received friends at the Christopher Mitchell Funeral Homes, Inc., 21 West Ave., Albion, NY 14411 on Mon., Feb. 17 where her Celebration of Life Service was also held. Heritage Wind Project Orleans County, New York NOTICE OF SUBMISSION OF APPLICATION

Heritage Wind, LLC ("Heritage" or "Applicant") is proposing to construct a major wind electric generating facility up to 184.8 megawatts (MW) in size in the Town of Barre, Orleans County, New York ("Heritage Wind Project" or "Facility"). Under Article 10 of the Public Service Law, the Applicant must obtain a Certificate of Environmental Compatibility and Public Need from the New York State Board on Electric Generating Siting and the Environment ("Siting Board") pursuant to Article 10 of the Public Service Law and the Siting Board's rules (16 NYCRR Part 1000). This notice announces that on or about February 26, 2020, the Applicant will file an Application pursuant to 16 NYCRR 1000.6 seeking a Certificate from the Siting Board authorizing the construction and operation of the Facility under Article 10.

The Facility is a proposed wind-powered electric generation project consisting of up to 33 wind turbines generating up to 184.8 megawatts (MW) of electricity to be located in the Town of Barre, Orleans County. The Facility will include wind turbines, access roads, electrical collection lines, substations, permanent meteorological towers, an operations and maintenance (O&M) building, and staging/laydown areas to be used during construction, which may include a potential temporary concrete batch plant. A point of interconnection substation will be placed in the Town of Barre, along the existing National Grid Lockport-Mortimer 115 kV power line, to deliver electricity generated by the Facility to the New York State electric grid.

The Facility is a zero-emission wind energy facility that will assist the State in meeting the goals of the State Energy Plan, which include obtaining 70% of energy generation from renewable sources by 2030 and significantly reducing greenhouse gas emissions. Other positive impacts of the Facility include diversification of energy supplies, new employment opportunities (both temporary construction employment and full-time jobs), and increased revenues to County and local tax bases, and purchase of local supplies, goods and services. In addition, the Applicant has attempted to minimize impacts to land associated with the Facility by limiting the disturbance to forested lands and wetlands to the maximum extent practicable. However, the construction and operation of the Facility may result in minor environmental impacts as more fully described in the Application, including, but not limited to: impacts on terrestrial ecology, including avian and bat species; minor impacts to forested land, wetlands and agricultural lands; and impacts to people, including noise, traffic and visual impacts.

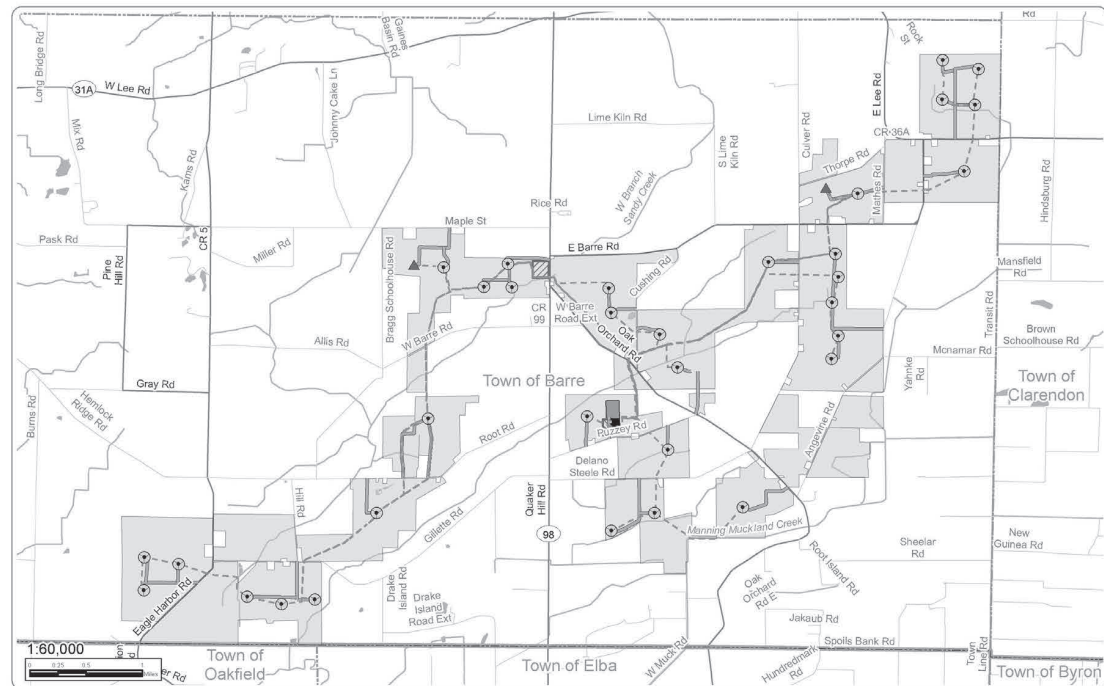

Pursuant to the Article 10 process, the Applicant filed a Preliminary Scoping Statement (PSS) on March 16, 2018 with the Siting Board. After the public comment period on the PSS, the Applicant prepared a reply to material comments that was submitted on June 8, 2018. On May 10, 2018, a pre-application conference to consider intervenor funding requests was held and the stipulation process was ordered to commence. Stipulations were then released for public comment on August 20, 2019. The Applicant is now ready to file an Application.

The Article 10 regulations outlining the required contents of the Application can be found at 16 NYCRR 1001.1 et seq. The Application includes, among other things: an analysis of the environmental setting of the Facility, a description of the Facility, including preliminary design drawings and related information; copies of reports, studies and plans submitted in support of the Application; and an assessment of impacts of construction and/or operation of the Facility relating to land use; consistency with State energy planning objectives, including climate change and renewable energy goals; public health and safety; terrestrial ecology, water resources and aquatic ecology, including avian and bat species and wetlands; communications, transportation and utilities; cultural, historical and recreational resources; visual, including shadow flicker; sound; electric magnetic fields; and impacts on the statewide electrical system.

Once an Application is filed and determined by the Siting Board to be complete, the Siting Board will schedule a public statement hearing on the Application, to be held in the Facility Area. The Siting Board will also issue a notice of availability of application intervenor funds that are available to be used by local parties to participate in formal review of the Application. The Hearing Examiners will identify parties to the proceeding, award intervenor funds, identify issues for the hearing, and assist parties in establishing a case schedule. Hearings regarding the Application and project impact assessments will be scheduled by the Hearing Examiner as needed. After hearings, the stakeholders may brief their positions, and the Hearing Examiner will issue a recommended decision upon which the Siting Board will base its decision. Article 10 requires that all proceedings on the Application, including a final decision by the Siting Board, must be completed within 12 months of when the Application is determined to be complete.

Upon filing the Application, the Applicant will provide funding in the amount of \$184,800 to be disbursed by the Siting Board to municipalities and other local parties to help pay expenses, including attorneys and consultants, associated with participating in the Article 10 process during the application review phase. By law, at least fifty percent (50%) of these intervenor funds are reserved for municipalities. Following the filing of an Application, the Hearing Examiner or the Secretary will issue a notice of availability of Application-phase intervenor funds that provides a schedule and related information describing how interested local parties may apply for this funding. Requests for intervenor funds must be submitted to the Hearing Examiner within thirty (30) days after the issuance of the notice of the availability of application intervenor funds. Following the submittal of any intervenor funding requests, the Hearing Examiner may schedule a pre-hearing conference to consider funding requests.

The record of this proceeding, including the Application, may be examined during normal business hours at the Offices of the New York State Department of Public Service (DPS) at 3 Empire State Plaza, Albany, NY 12223, and may also be viewed at the local project office, 49 North Main Street, Albion, New York 14411, or at the following public repositories: Barre Town Hall, 14317 West Barre Road, Albion, NY 14411; Hoag Library, 134 South Main Street, Albion, NY 14411; Haxton Memorial Library, 3 N. Pearl Street, Oakfield, NY 14125; Holley Community Free Library, 86 Public Square, Holley, NY 14470; and Lee-Whedon Memorial Library, 620 West Ave., Medina, NY 14103. Libraries often have free internet access.

St. Mary's Catholic Church in Holley celebrates completion of renovations

Photos and article by Tom Rivers, Editor Posted 10 February 2020 on www.OrleansHub.com

HOLLEY – St. Mary's Roman Catholic Church in Holley celebrated a rededication Mass on Feb. 9 after about five years of renovations and capital projects at the church.

The interior used to be an ivory white color and now includes stenciling and more colors, which church leaders say better highlights the craftsmanship in the building's interior, and also adds to the worship experience.

The sanctuary was off limits for Mass after Oct. 13 through Jan. 16. During that time, many of the Holley parishioners went to St. Mark's Church in Kendall, which is included in the same parish.

The wooden pews were taken out of the church during the project, which added a new floor and carpeting, as well as lighting and audio improvements.

Lorraine Pera, a long-time member of the parish, cut the ribbon near the altar to celebrate the conclusion of the project.

Tom Widzinski, project chairman and business administrator for the parish, welcomes the parishioners to the Mass on Sunday. He thanked the parish for supported the project with their donations and for their patience during the work.

The color palette and stylization was heavily influenced by the Leo Frohe-stained glass windows. The windows were made in 1904, when the Medina sandstone church opened. The church is in the Medina Sandstone Hall of Fame in Medina.

"You can see that the stencil pattern that runs horizontally between the capitals is quite similar in design to the amber patterns in the upper portion of the windows," Widzinski said. "If you look up and see the barrel vaulted ceiling ribs adorned with beautiful doily like lace over the subtle color gradations, you will gain a better appreciation of these architectural features."

Contemplating antiques? Here's how to buy

Antique furnishings, decor, coins, and toys remain popular among consumers. Unlike the mass-produced merchandise of today, antiques have history, and their endurance through decades, if not centuries, is a testament to the quality craftsmanship and materials used to create these often timeless pieces.

Antiques also might be more affordable than many shoppers think. Savvy shoppers may find mid-range "brown furniture," which constitutes some antique wood pieces, more affordable than reproductions. Homeowners and apartment dwellers who want their rooms to stand apart often rely on antiques to

provide a unique ambiance.

Antique shopping also is a "green" endeavor. Antiquing is an eco-friendly practice, putting to use items that have been recycled and reused.

Antiques also can be a good investment, as they generally retain their value while adding texture, contrast and personality to any room of the house.

Understanding antiques can take time, but even the novice can develop an eye for pieces that strike their fancy. And thanks to the wealth of information about collectibles and antiques available online, shoppers have constant access to information about antiques at their fingertips. Shoppers may even be able to comparison shop on their mobile phones.

Mid-range antiques can be particularly easy to buy thanks to the available inventory. Novices may want to begin by exploring mid-range antiques. As they gain more knowledge and expertise, shoppers who covet antiques can move on to high-end pieces that are more expensive. Some antiques are put in the same category as fine artwork and are considered just as valuable.

Another reason to browse and shop antiques is to learn about the value of similar items homeowners may already own. For those looking to downsize a collection or simply liquidate an estate, antiquing is a great way to get hands-on experience.

Rummaging through antique stores or markets can be a relaxing experience as well. And many antique enthusiasts find shopping for antiques is like a treasure hunt to find that coveted piece and unearth a bit of history in the process. ■

Kendall Woman Loses 200 lbs

With the beginning of 2020, TOPS NY 9242 Kendall would like to congratulate Truda Slocum for losing 200 pounds. Truda was awarded her second Century Award for this honor. Along with that, her TOPS Group donated 100 pounds of food to the Kendall Community Food Cupboard in her name. Truda is our Chapter Queen, and also New York State Queen. Our group is very proud of her. She is a great influence for all of us. Our group meets Monday nights at the Morton Baptist Church.

What does Solar Energy mean for your community?

Using your land for hunting and more

ATTENTION ALL HUNTERS!

The land for solar renewable energy projects is used exclusively for generating solar energy. All the land adjacent to the solar array is available and safe to use as you always have.

In the event that a panel is accidentally damaged from a shot, it won't shut the systems down. The damaged solar panel will be diagnosed and replaced by our operations personnel.

Solar energy means continued hunting on your land – and a whole lot more.
