Your vote will help generate **\$10 MILLION** in new school funding. This funding will go directly to the school systems here in Cullman County.

How will Cullman County Schools use these funds?

<p>Facility & Classroom Investments Funds will be spent on new facilities, needed repairs to existing facilities, and classroom tools to enable our students to become College and Career Ready.</p>	<p>School Safety Securing our school campuses was not a concern just a decade ago. However, schools all over are now in need of more Resource Officers and additional security measures.</p>	<p>Job Training A new state-of-the-art Career Tech Academy will focus on workforce development, onsite job training, and ensuring students are highly skilled and employable.</p>

Frequently Asked Questions & Answers

Q: Why do we not sell the Section 16 Land?
A: The law stipulates that any proceeds from the sell of Section 16 Land must be distributed between our two existing public school systems. Upon the sell of the land, only 10% of the proceeds can go to the schools. The other remaining 90% must go in a trust to accrue interest. If the land is sold for \$4 million dollars, our part would be \$308,000 and the city system would receive \$92,000. The interest would then be distributed between the two school systems.

Q: What will happen to the existing older buildings?
A: Before any buildings are torn down or removed, communities will have an opportunity to provide input.

Q: Will any of these funds be used for salaries?
A: No

Q: Will any of these funds be used for a Sports Complex?
A: No

Q: How can the public know how and where the funds from the tax are being used?
A: These funds will be kept in a separate account that will be available to the public.

Saving You MONEY

SHOP TODAY'S LOW PRICE TAGS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
