Okoboji Foundation's YIP

The Okoboji Foundation's Youth in Philanthropy (YIP) program has 27 area high school students participating this year to learn about philanthropy and what makes the Iowa Great Lakes area so special. The students have toured local non-profit organizations and learned from representatives of the Okoboji Sailing Center, Lakeside Labs, Bedell Family YMCA and the Lakes Ice Arena (formerly Boji Bay Ice Arena) so far this school year. They set an ambitious fundraising goal of \$53,600 with \$40,848 raised to date. The students will decide which non-profit organizations receive grants based on the grant applications received.

Said Paul Conover, freshman at Okoboji High School, "I am dedicated to giving back because I have participated in many activities in the local area."

To learn more about past YIP grants or see a list of all 2019-2020 student participants, visit www.okobojifoundation.org and click on Youth tab. Visit www.GiveOkoboji.com to make a secure online gift to YIP or mail your tax-deductible donation to Okoboji Foundation, PO Box 593, Okoboji IA 51355.

The Okoboji Foundation is the community foundation for the Iowa Great Lakes Region. Started in 1988, it serves as the center point of community giving for capital projects. The annual grant application form is available online from January 1st through March 1st at www.okobojifoundation.org under the Grants tab. For additional information call 712-332-7177.

Iowa Lakes Spring Softball Camps Open for Registration

Registration is still open for the Youth and Advanced Softball Camps being offered by the Iowa Lakes Community College Softball team on February 29 and March 1 at the Christensen building. These camps are an excellent opportunity for young ladies to learn the fundamentals of softball from college-level athletes.

The Youth Softball camp, on February 29, 2020, will be for grades K-6 and the Advanced Softball Camp on Sunday, March 1, 2020, will be for girls in grades 7-12. Both camps will be at the Christensen building, located on the corner of South 18th St and 7th Ave South, across the street from the Estherville Campus of Iowa Lakes Community College.

The Youth Camp will focus on the fundamentals of softball, including sessions on throwing, hitting, fielding, and base running. Grades K-3 will run from 1:00 - 3:00pm and grades 4-6 will run from 3:30 - 5:30pm. The cost will be twenty-five dollars.

The Advanced Camp will consist of four sessions. The first session will focus on outfield defensive skills, including a variety of throwing and fielding techniques and drills, and will take place from 12:00 - 1:30pm.

The second session, from 1:30 - 3:00pm, will consist of offensive skills, including hitting techniques and drills. The third session will run from 3:00 - 4:30pm and will focus on Infield defensive technique drills. The fourth session's focus will include the mechanics for pitching and catching and will run from 5:00 - 6:00pm. The cost for the Advanced Camp is \$35 for one session, \$60 for two sessions, \$90 for three sessions, or \$120 for all four sessions.

Each participant in either the Youth or Advanced Softball Camps will receive an Iowa Lakes Softball drawstring bag, along with invaluable softball training.

For more information or to register for this year's camp, contact Assistant Softball Coach Rachel Shumaker at rshumaker@iowalakes.edu or 712-362-8398.

Property Tax Assistance

The State of Iowa offers property tax assistance to elderly and disabled people and also to mobile home owners if they have a total household income of less than \$23,810. If you think you might qualify, contact the county treasurer's office for a claim form. This is for next September 2020 and March 2021's property tax assistance up to \$1000.00, based on 2019 calendar-year incomes," says Dickinson County Treasurer Kris Rowley.

"Stop in or give us a call and we can help you with the application process."

Property tax credits were established by the state legislature to help low income elderly or disabled property owners pay their property tax bills. To qualify for this assistance a citizen must have turned 65 years of age or older by December 31, 2019, and have a total household income less than \$23,810, or have been totally disabled and 18 years of age or older by December 31, 2019.

The State also provides assistance for mobile/manufactured/modular home owners with their tax payments if they have a total household income of less than \$23,810 and were 23 years of age or older as of December 31, 2019.

"These forms are also available online at the Iowa Department of Revenue's website at <https://www.tax.iowa.gov/forms>; Frequently Used Forms-change "Year" to 2020-hit search-click on Iowa Property Tax Credit Claim 54-001 or Iowa Mobile/Manufactured/Modular Home Owner Application for Reduced Tax Rate 54-014.

We're glad to help citizens who meet the criteria for these Iowa tax assistance programs," says County Treasurer Kris Rowley. "If you received these credits for the current year's property taxes, we'll automatically mail you the form for this coming September 2020/March 2021 tax year. If you have questions regarding property taxes or tax credit claim forms, contact the Treasurer's Office at 712-336-1205."

Performers Lined up for Okoboji Blue Water Festival

by Steve Weisman

Tired of the snow, ice and wind? Well, let's take a little peek into the future-like about the first Saturday in August. Yes, Saturday, August 8, is the date for the 2020 Okoboji Blue Water Festival. So much has already been accomplished in preparation for the premier clean water event in the state of Iowa.

According to Festival founder Greg Drees, everything is going as planned. The early morning Chalkstock is already being planned, along with special clean water activities and watershed activities for youngsters and families. At the same time, exhibitors are already signing up to share their message about clean water and protecting our natural resources, a fishing seminar is scheduled for midday, while a panel of conservation experts is being organized to share their message under the Big Tent that afternoon.

Most exciting, the Saturday evening's musical talent is already set to go. In a recent interview, Drees shared his excitement about the performers. "We're very excited to have two musical acts back that have played at the festival in the past. Our inaugural event in 2016, we had the great Boz Skaggs as our concert headliner, and he will be back this summer to take the stage on Saturday night, while the opening act is JD McPherson. He opened three years ago for Chris Isaak and just blew everybody away. So, here we go...JD McPherson to open at 7:30pm; Boz Skaggs to headline at 9:00pm"

As it has been every year, the Festival is *all free, all day*. Drees adds, "None of this could happen without the donations from so many donors and the effort of our loyal volunteers. A big thanks to all who work so hard to make this Festival so very special. We will share more exciting news as the day draws closer."

The Okoboji Blue Water Festival is a partnership with the Okoboji Protective Association and Historic Arnolds Park, Inc.

They will also have coffee and snacks available if you would like to come and visit and relax. Proceeds from this sale will go to support the Respite Angels group respite program at Calvary. Pancake Supper

Immanuel Lutheran Church of Spirit Lake is hosting a Shrove Tuesday Pancake Supper at the church (2700 27th street), Tuesday, February 25, from 5:00-7:00p.m. All you can eat pancakes, sausage and beverages for a free will donation. Proceeds will go to Joyful Journeys Childcare Center's Scholarship Fund.

A tradition that started in 1978 will celebrate its 42nd season this year when five lakes region churches highlight the 2020 Lenten season with nondenominational Lenten ecumenical services on Friday mornings in March and April.

A different church in the Milford and Arnolds Park area will be hosting the service each week. Open to all women and men, the services will begin at 9:30am followed by coffee and refreshments. No baby-sitting service will be available. Men are also welcome to attend.

The following churches will be hosting the services:
Friday, March 6: Harbor Of Joy Lutheran Church, in Milford, will host ththe annual World Day of Prayer. The program will center on the women of Zimbabwe with the theme of "Rise! Take Your Mat and Walk."

Friday, March 13: Light of the Lakes, Arnolds Park.

Friday, March 20: Calvary United Methodist, Arnolds Park

Friday, March 27: Faith Community, in Milford, and Excel-sior United Methodist, rural Milford. The service will be held at Faith Community.

Friday, April 3: St. Joseph Catholic Church, Milford
"We are excited that the long standing tradition of ecumenical services in the lakes area will continue. It's amazing that a community event that started in 1978 is still strong today. Committee members find a special bond working with other churches in the community in the planning of the services. Those that attend often get reacquainted with community members they haven't seen for awhile," said Committee Member Susan Reiser of St. Joseph Catholic Church. The local churches have been sponsoring nondenominational ecumenical services since 1978. In case of inclement weather, a cancellation notice will be aired on local radio stations. Residents are urged to clip and save this schedule for future reference.

Life Sunday Service at Trinity

by Vicki Place, Trinity LWML President
As baptized Christians, we are called to love our neighbor. That calling certainly includes doing whatever we can to help protect and defend his/her physical life. These days our neighbor's life is threatened in many ways, including both abortion and doctor-assisted suicide. On Sunday March 8, Rev. Fredric Hinz of the Minnesota South District staff will be at Trinity Lutheran Church in Sioux Valley, Minnesota, to give an overview of these and other life issues and to inform us about concrete steps we can take to better love our neighbor and guard her life. We hope you will join us for this informative presentation.
This is our Life Sunday Service and our church service begins at 10:00am. There will be a lunch following.

Need Help With Heating Bill?

The 2019-2020 Low-Income Home Energy Assistance Program (LIHEAP) has been established to help qualifying low-income Iowa homeowners and renters pay for a portion of their primary heating costs for the winter heating season. Applications will be taken October 1, 2019, to April 30, 2020, for elderly (60 & over) and/or disabled households. All other households can apply November 1, 2019, to April 30, 2020.
This program is not designed to pay a household's total energy costs. The program will provide supplemental assistance based on several factors. Those factors include total household income, household size, dwelling type, and type of heating fuel, among others. If you have already applied and have been approved this winter season, you cannot re-apply.
For guidelines and an appointment in Dickinson County, call Upper Des Moines Outreach office at 712-336-1112, located at 1575 18th Street, Spirit Lake.

Last Dollar Scholarship Program Fills \$515,000 In Tuition Gaps For ILCC Students

The Last Dollar Scholarship program fills financial gaps for Iowa Lakes Community College students enrolled in high-employment demand programs to the tune of over \$515,000 for the 2019-2020 school year.

The Iowa Last-Dollar Scholarship covers any tuition gaps not covered by other federal and state grants/scholarships for eligible Iowa residents enrolled in targeted, high-demand career and technical programs at Iowa Lakes Community College.

The Last Dollar Scholarship program is available to recent high school graduates and employed or unemployed adults who are seeking to improve their skills and have been a resident of Iowa for at least five years. Additional qualifications include enrolling in an eligible field of study and completing a FAFSA on time.

"The Last Dollar Scholarship has benefited many Iowa residents and helped reduce the cost of college for many students. I recommend that any Iowa resident considering enrolling in one of the eligible programs focus on completing a

FAFSA by the July 1st deadline," said Stephen Pelzer, Financial Aid Director at Iowa Lakes Community College.

The following programs offered at Iowa Lakes Community College qualify for the Last Dollar Scholarship: Agriculture Production Technology, Aviation & Airport Management, Business Administration & Management, Computer Programming, Construction Technology, Digital, Social, & Broadcast Productions, Electrical Technology, Environmental Studies, Farm Equipment & Diesel Technology, Heating, Ventilation & Air Conditioning, Hotel & Restaurant Management, Nursing, Surgical Technology, Veterinary Technician, Web Development & Design, Welding, and Wind Energy & Turbine Technology.

For full details regarding eligibility for the Last Dollar Scholarship, visit iowalakes.edu/last-dollar-scholarship-program, or you may contact the Financial Aid Office on the Emmetsburg Campus at 712-852-5267 or the Estherville Campus at 712-362-7917.

Applicants Sought For Healthcare Scholarship & Loan Programs

Applications are now being accepted for the Bennie B. and Ernestine F. Shine Scholarship, Adam J. Anderson Scholarship, as well as the Cornwall Loan Program. All programs are designed to help area students pursue healthcare careers.

The application deadline for both the Shine & Anderson Scholarship and Cornwall Loan is March 31, 2020. Recipients will be notified of their award in April. Students interested in applying for the scholarship or loan program should contact Danelle Stumbo, Human Resource Development Director at Spencer Hospital, 712-264-6623.

Bill of Sale Required for Title Transfers

Starting March 1, 2020, the Dickinson County Treasurer's Office will require a bill of sale from customers when transferring titles for motor vehicles between private parties. "Dealerships have already provided this information to my office," says Dickinson County Treasurer Kris Rowley. "This now expands to people buying and selling motor vehicles in private party transactions."

- A bill of sale should include the following information:
- Vehicle Identification Number (VIN)
- Year, Make and Model of the vehicle
- Seller's name and mailing address
- Buyer's name and mailing address
- Date of sale
- Purchase price
- Signatures of both the buyer and the seller.

"This lets us know which car was sold, who it came from and who it went to as well as when the sale took place and what the price of the vehicle was. It ensures a smooth transfer of a vehicle and verifies the purchase price which is critical to Iowa's road fund," says Rowley. "Dickinson County will accept handwritten bills of sale, bills of sale from other counties as well as some other forms of proof of purchase price."

Dickinson County's bill of sale form is available online and at the office. It can be found on the Dickinson County website on the Treasurer's Motor Vehicle page at <https://dickinsoncountyiowa.org/motor-vehicle/>.

Making a false statement of the purchase price is a fraudulent practice. Anyone doing so can be assessed a penalty of 75% of the amount of the One-Time Registration Fee that was not paid. This fee, previously known as Use Tax, is 5% of the sales or lease price of the motor vehicle.

For more information, contact the Dickinson County Treasurer's Office at 712-336-1205.

ART 2020: Last Call to Artists!

October may seem far away, but now is the time to apply to be a part of the seventeenth annual Artisans Road Trip. Applications need to be postmarked by March 1, 2020, in order to be accepted. Why so early in the year? Quite simply, it takes a lot of time and behind the scenes work to make a great event like A.R.T. happen. Once we have our membership finalized, then we get to work on designing the brochure, updating the website, and beginning to get the word out about all of our artists.

Why should you be a part of A.R.T.? For the artisans involved, the Road Trip is a powerful networking and marketing opportunity. In addition to the October event, participating artists also benefit from year-round advertising with thousands of brochures distributed; a regularly updated blog; 24/7 website; plus group gallery exhibitions (including one this year at the Pearson Lakes Art Center in Okoboji).

All artists in the region are encouraged to apply for the upcoming 2020 season. A.R.T. is organized and run by artists for artists. Together we work to increase art exposure, introducing new art styles to the community and new customers to local artists. And we want YOU to join us. A.R.T. is always looking for new and returning artists.

For more information, links to the official A.R.T. blog and current artist biographies, as well as a downloadable .PDF of the 2020 Artist Application & Prospectus, go to www.artisansroadtrip.com. If you have any questions, please contact President Haley McAndrews at ArtisansRoadTrip@gmail.com.

Electronic Technology Discussion

The Morning Users Group (MUG) meets Fridays at 9:30am in the Black Box Theater of the Sami Center at the Spirit Lake High School (28th street entrance). This small group of enthusiasts discusses the latest hot topics in computers and smartphones, but often ranges to streaming videos, social media, organizing digital photos, escaping ransomware, flying drones, and genealogy. Check-out these stimulating discussions to understand the new technology that you would like to know more about - but didn't know who to ask. There are no dumb questions. Your experiences can add to our knowledge. Discussion lasts about one hour. The group does not meet if Spirit Lake Schools are delayed or cancelled that day due to weather.

Lorelei Lee (Mary Narsi) tries to sweet talk her Daddy (Steve Deutsch) into letting her go to Europe with a friend to complete their education. While he obviously objects, Daddy loses the battle in *Gentlemen Prefer Blondes*, on stage this weekend at the Spencer Community Theatre.

Gentlemen... continues at SCT

Picture if you can, a dazzling young blonde and an allegedly more sensible friend asking the blonde's Daddy for his permission and his checkbook to "complete their education" in Europe through the summer months. Convincing Daddy, who didn't think a trip would improve their minds, was the order of the night. And a day later the two sweet talkers were making Trans-Atlantic travel plans...

That's just what happens in *Gentlemen Prefer Blondes*, when a cast of 22 and a production team of 13 more bring this 1953 classic to life on the Spencer Community Theatre stage. Lorelei (Mary Narsi), the blonde, and Dorothy (Sheila Kulow), her allegedly sensible brunette friend, connive to complete their educations in Europe, not only to improve their minds by day, with partying in the evenings...

The SCT production is directed by Jane Jans, with 7:30 curtain times Friday and Saturday night, and a 2:00 Sunday matinee...

Elsewhere on campus, *The DayBreak Band* will be on another stage, at the VFW in Spirit Lake, Wednesday night, from 6-8:00, for dancing and listening...

And, *The Little Swan Lake Winery* will see *Storm Rising* on the stage in the barn, Sunday afternoon, from 4-6:00. *The Ridottos*, featuring Al Kline, Shane Von Holdt and others, will take the same stage on Sunday, March 1st...

Research director RD is asking both ladies and gentlemen to wear something pink on Wednesday, as it will be Pink Day. The holiday, she suggests, could have been created in honor of Blake Edwards for his comedy spy film *The Pink Panther*, that introduced the famous feline cartoon character! One song from the show, *It Had Better Be Tonight (Meglio Stasera in Italian)* was written by Henry Mancini, with English lyrics provided by Johnny Mercer. The silky-voiced Fran Jeffries performed the show-stopping samba in the 1963 film. In addition to covers by others, Michael Bubl  used the song on his 2007 CD, *Call Me Irresponsible*...

Wednesday is also **Fairy Tale Day!** One of those, *Little Red Riding Hood*, is a European fairy tale that can be traced back to the 10th century. *Li'l Red Riding Hood* is a 1966 novelty pop song recorded by Sam The Sham and the Pharaohs on the MGM label. It was their second top-ten hit. *Woolly Bully* was their first — and it rose all the way to Number 2 on the charts. The leader of the group, Domingo 'Sam' Samudio, turns 83 on Friday...

Not far from Wednesday's celebration comes *No Brainer Day*, on Thursday. You no doubt remember Ray Bolger singing *If I Only Had a Brain*, as the Scarecrow in *The Wizard of Oz*. Harold Arlen and 'Yip' Harburg wrote the song with interchangeable requests from the Wizard for the Tin Man ("a heart") and the Cowardly Lion ("the nerve.")...

February 29th is always **Leap Year Day**. And if you're thinking Leapy Lee and his *Little Arrows*, think again. RD's musical selection is found in the soundtrack of the 2010 movie *Leap Year*, which was an updated version of the 1934 Academy Award winning film, *It Happened One Night*, starring Clark Gable and Claudette Colbert. The music in the *Leap Year* soundtrack includes a rare Latin-flavored Nat 'King' Cole song, *More and More of Your Amor*, written by George David Weiss and Joe Sherman, and recorded by Nat in 1965; and *Dream a Little Dream of Me*, written in 1931, by Gus Kahn, Wilber Schwandt, and Fabian Andre; and recorded 37 years later by *The Mamas and The Papas*, featuring Cass Elliot. (Just for the record: of all the years mentioned above, only 1968 was a Leap Year)...

And, with many records, clarinetist, saxophonist, composer, and big band leader James Francis 'Jimmy' Dorsey was born in Shenandoah, Pennsylvania, on February 29, 1904. The Leap Year baby's most famous jazz compositions include *It's the Dreamer in Me*, which he co-wrote with Jimmy Van Heusen; and *I'm Glad There Is You (In This World of Ordinary People)*, which was co-written by Paul Madeira. Through the decades *I'm Glad*... has been recorded by a wide variety of artists including Ella Fitzgerald, Sarah Vaughan, and most recently by Seth MacFarlane, on his 2017 CD, *In Full Swing*...

While few realize that Jimmy Dorsey was the first to record *Georgia On My Mind* — in 1927! — one of his band's top hits came just before his passing, in June of 1957. *So Rare* was recorded without Dorsey, who was hospitalized in November 11, 1956, when the session was scheduled. When it was released in January 1957, *So Rare* immediately shot up to the second position on the charts. — and charted for six months — until Dorsey died on June 12th. A little repeated note is that Jimmy Dorsey's band holds the distinction of having the highest charting big band recording during the first decade of the Rock 'n' Roll Era...

March 1st is understandably the first Sunday of the month, calling for Benny Carter's *March Wind*, written and recorded for his 1959 calendar album, *Aspects*. Besides being a clarinetist and trumpeter, Carter was a pioneer with the alto sax. Throughout his successful career he released 41 albums, and was nominated for eight Grammy Awards...

March 1st is also the day in 1904 that Alton Glenn Miller was born in Clarinda, Iowa. The first instruments Glenn played as a youth were the trombone, cornet, and mandolin, before he settled on the trombone at the age of 12, and continued with it for the rest of his sadly too-short career. Listing Miller's hits would take a good-sized book; but you will find quite a few listed by searching his name — and/or you can find the recordings for an afternoon of good listening to songs like *American Patrol*, *In The Mood*, and *Moonlight Serenade*, on *You Tube*.

While you're on the Internet, be sure to check-out the details of the annual *Glenn Miller Festival* in Clarinda — the second weekend of June each year...

Friday Night is Family Night

Spend Friday evenings as a family at the Dickinson County Nature Center's monthly Family Nature Night.

Environmental educators have plenty of fun planned for the next two Family Nature Nights 7:00pm Friday, February 28 and March 27.

The February program's theme is Leap Into Nature --- in honor of Leap Day the following day --- and will feature a night hike through Kenue Park.

"We'll Leap Into Nature and enjoy the crisp, winter air and the stars," said Bryanna Kuhlman, environmental education coordinator. "We're going to encourage no flashlights to encourage people to use their night vision."

Dickinson County environmental educators always say, "There's no bad weather, just bad clothing," so they request everyone to bundle up and be prepared for an evening outdoors. "I've been wanting to do a night hike, but in summer, it's not dark at 7:00pm," Kuhlman said. "So in order to do a night hike, we need to do it this time of year. It's also fun to do two things you don't usually do --- go outside in winter and go out at night."

Kuhlman and naturalist Ashley Hansen are excited to get people to head outside, even in winter's chill. "Nature is alive and thriving at all times and in all weather," Hansen said.

In case of below -0 temperatures, a back-up program will be held inside the nature center, but registrants should still come ready to head outside.

Kuhlman and Hansen have both been excited for the Rock Kitchen theme for Family Nature Night March 27. Kuhlman will portray a geologist and Hansen a chef as they talk about different rock types, show examples and then make an edible recipe that exemplifies each type of rock.

Families will get to try some edible samples, participate in hands-on demonstrations and will take home recipes to make other "rocks" on their own.

"We thought it would be a lot of fun for Family Nature Night, because it's a clever way to show different types of rocks and help people remember the different types of rocks and how they're formed," Hansen said.

"It's going to rock," Kuhlman said.

Family Nature Night is a free monthly program held 7:00pm the fourth Friday of each month. Each program lasts approximately one hour.

The programs are limited to the first 60 registrants, so please call 712-336-6352 to pre-register your family for the February and March programs.

You can find out more about Family Nature Night themes for the year and about other Dickinson County Nature Center programs at www.dickinsoncountynaturecenter.com. Keep up on the latest happenings on Facebook, Instagram and Twitter.

Spirit Lake Library News

The Spirit Lake Public Library will feature "Remembering the Apron" on Friday, February 28, at 9:30am.

Presenter, Sheila Craig is a grandmother with a collection of aprons. Her program, "Remembering the Apron," takes a nostalgic look at the apron in an interactive, hands-on program. (Yes, you can touch and feel.) The program will look at the fabrics and trims, the styles and uses of aprons. Don't leave out the men – she has examples for them too.

You will have the opportunity to see about 100 of her 400+ collection of aprons. What member of your family wore an apron? Was it for a special job, or around the kitchen? Come and reminisce about your families' connection to an apron.

Sheila is a retired University of Minnesota Extension Educator from Preston, Minnesota, originally from Decorah, Iowa. She has been doing 'apron programs' for almost 15 years for libraries, church groups, and care facilities as well as the Iowa State 'Women Around Ag Conference' in Clear Lake, Iowa. She is married; has two grown sons and their wives, and two grandsons.

ILCC Receives "Top 10 Gold" Military Friendly® Designation

Iowa Lakes Community College receives "Top 10 Gold" Military Friendly® designation on the 2020-21 Military Friendly® Schools list out of more than 1,000 participating schools. The "Top 10 Gold" designation is the highest honor possible through the prestigious Military Friendly® program created by VIQTOR, a service-disabled, veteran-owned small business founded in 2001.

To earn the award, Iowa Lakes Community College was rated by survey scores and an institutional assessment including student retention, graduation rates, job placement, loan repayment, persistence (degree advancement or transfer) and loan default rates for all students and, specifically for student veterans.

The 2020-2021 Military Friendly® Schools list will be published in the May issue of G.I. Jobs magazine. The list can also be found at www.militaryfriendly.com.

Iowa Lakes Community College strives to meet the unique needs of military veterans and is continually looking for ways to improve the experiences of our military and veteran students and faculty. Currently, Iowa Lakes boasts two Veteran Centers on the main campuses, a Peer/Staff mentorship program, and multiple Military and American Legion scholarship opportunities.

Iowa Lakes Community College has garnered many awards and established several programs recognizing our military and veteran-friendly program including two high-level ESGR awards, the state-level Above & Beyond, the SecDef's Freedom Award nomination, "Top Veteran Friendly" Award, and the Governor's "Certified Higher Education Military Partner" Status.

It is the final week for Blind Date with a Book. You still have time to find the one by having a blind date with a book. Books from an assortment of genres, departments, fiction and non-fiction will be wrapped in brown paper. Sure, it might turn out to be a dud, or it could be the diamond in the rough you wouldn't have given a chance otherwise. Submit the bookmark included with your book for a chance to win a prize. Last day is Saturday, February 29, 2020, at 1:30pm.

Volunteer Appreciation Day at Dickinson County Nature Center

The Dickinson County Nature Center, together with Dickinson County RSVP, will be hosting a Volunteer Appreciation Day for current nature center volunteers and prospective new volunteers at 10:00am, Monday, March 2.

The Volunteer Appreciation Day will be held at the Dickinson County Nature Center located at 22785 Nature Center Road, in Okoboji. Coffee and refreshments will be available.

The nature center currently has more than 50 active volunteers who donated more than 1,600 hours in 2019, including RSVP volunteers 55 and older. Volunteers greet visitors to the nature center year-round, answer phones, give tours, and assist with other activities as needed. During June through August, volunteers also welcome visitors, offer tours, and answer questions about the Westport Schoolhouse.

With the recent Pollinator Paradise addition, the Dickinson County Nature Center is looking to add more volunteers at the front desk and as docents. Volunteer Appreciation Day is a great time for those potentially interested in volunteering to learn more about the volunteer opportunities available at the Nature Center while meeting staff and talking with current volunteers. Volunteer training sessions will take place at 9:00am March 26, 27, 30, and 31 at the nature center.

DeNeitt VanDenBroeke, RSVP Coordinator in Dickinson County, will be available at the Volunteer Appreciation Day to thank RSVP Nature Center volunteers and to share additional volunteer opportunities throughout the county for anyone 55+. Volunteer placements with area food pantries, Meals on Wheels, in elementary schools, providing medical transportation and a host of community activities and events are available through RSVP.

For more information about Volunteer Appreciation Day or volunteering at the nature center, please contact Dickinson County Conservation Community Relations Coordinator Kiley Roth at 712-336-6352 or Dickinson County RSVP Coordinator DeNeitt VanDenBroeke at 712-336-6577.

New Exhibits on Display at the Nature Center

The Dickinson County Nature Center has two new exhibits on display.

“We always say we’re growing and changing at the Dickinson County Nature Center, and it’s true,” said community relations coordinator Kiley Roth. “We never want people to say, ‘Been there, done that.’ We always want people to come back and experience something new.”

The new What’s Your Wingspan? exhibit on the main level of the nature center features life-size paintings of birds that visitors can see in Kenue Park in different seasons --- a trumpeter swan, osprey, great horned owl, mallard, robin and hummingbird --- with wingspans ranging from 79 inches to 3 inches.

“Stand in front of the display and see how long your wingspan is compared to these Iowa birds,” Roth said. “Plus, you can also see how large your hand is compared to some of their tracks as well. It’s fun to be able to experience the size of these birds, because sometimes when you’re looking at them from a distance it’s hard to comprehend.”

Visitors can also see artifacts and information from the Abbie Gardner Sharp Cabin & Museum as the Dickinson County Nature Center partners with the State Historical Society of Iowa to celebrate Iowa’s history.

See arrowheads, beaded moccasins, pioneer artifacts and photos of Abbie Gardner, plus read all about the Spirit Lake Massacre of 1857, what led up to the tragedy and Abbie’s story of capture and her time with Inkpaduta’s band of Native Americans.

“The Abbie Gardner Cabin & Museum in Arnolds Park is closed during the winter, but we were happy to have the opportunity to display some of the artifacts from there so the public can learn about this important piece of Iowa history even in the off-season,” Roth said.

The Dickinson County Conservation Board partners with the State Historical Society of Iowa each year to staff the Abbie Gardner Cabin & Museum, which is open Memorial Day-Labor Day.

The Spirit Lake Massacre artifacts and information will be on display at the Dickinson County Nature Center through April, at which point the temporary exhibit area will be available for local nature collectors to display in. If you have a nature-related collection that you would like to put on display for the public, please contact Roth at 712-336-6352 or e-mail kroth@co.dickinson.iowa.us to set up a six-month display period.

The Dickinson County Nature Center is open to the public 10:00am-4:00pm Tuesday-Saturday, year-round. For more information on the interactive exhibits and public programs, visit www.dickinsoncountynaturecenter.com. You can also keep up on the latest happenings on Facebook, Instagram and Twitter.
