AFTER - Crawl Space

BEFORE - Basement

AFTER - Basement

Keep Your Basement & Crawl Space Dry

Living with a wet basement or crawl space can be miserable, leaving nearly half of your home's square footage totally unusable - just because it gets wet when it rains. Cleaning up water and dealing with the results such as mold, mildew and damage to your furnishings and stored items is tiring and expensive.

SYMPTOMS:

- Damp and musty smells
- Wet and nasty basement walls
- Water stains on walls and concrete slab floors
- Standing water
- Damage to building materials, stored items and home furnishings

NO EXPERIENCE PREFERRED

The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can't help but smile every time.

“ - Lance Carter

Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.

“ - Sissy Smith

When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.

Meet... **Nellie**

After being on the streets for several days, not being able to trust a single soul due to being thrown out like he was nothing by his first home...he finally warmed up and was able to trust humans again. Nellie is a 2 year old Cattle dog/Lab mix, an amazing boy that just wants some love. It's been a roller coaster for him but things can only get better from here. Nellie is good with other dogs and loves people. How could you say no to that smile, come by and visit Nellie today.

The \$35.00 adoption fee is minimal when compared to the years of joy a pet can offer your family. Please visit the shelter to choose your pet. The shelter has an ongoing need for donations of dog food, collars, leashes, treats, stainless steel food bowls and monetary donations to provide medical care. We greatly appreciate all donations made to the shelter.
