At The Corral Gate

This is National FFA Week! If you are an FFA Alumnus, your special day is February 27! All this week, Hopkins and surrounding counties are celebrating in fine style, showing off their students and chapter officers at luncheons, stews and in shows and contests of livestock and ag mechanics. We are proud of our Youth in Agriculture, as well as the successful people in all walks of life who were influenced in a positive way by agricultural endeavors early in their lives. Let's meet one 4H student and Chapter officers from some area school districts.

John Holland is FFA Advisor and an Ag teacher at Sulphur Springs High School.

Jeff Gatlin is FFA Advisor and one of the Ag teachers at Miller Grove ISD.

Dena Neal heads up the Ag Department at Saltillo High School.

Steve Frederick teaches Ag and is FFA Advisor at Yantis ISD.

Aspen Mayhew, of Hopkins County 4H Club

Brittany Bettes is FFA Advisor and an Ag teacher at North Hopkins ISD.

FFA Chapters and 4H Clubs will be represented by students showing livestock projects and Ag mechanics projects during the Hopkins County Junior Market Livestock Show inside the Civic Center arena February 27 and 28. Those whose projects rank highest according to the judges will advance to the Sale of Champions on Saturday February 29, sponsored by the Northeast Texas Livestock Association. The sale of their animals to the highest bidder will result in scholarship funding for the hard-working students. Person who wish to help increase the funds can place "added money" for the students they select, and that will be added to their earnings at the sale. This event is a win! win! win! for everyone in the community who participates! And it's a signature of the giving hearts and hands that make up our community!

Til next week, I will watch for you and signs of Spring at the Corral Gate!

Jackie Sapaugh McGlamery

Jackie Sapaugh was born in Sulphur Springs, TX on May 9, 1933 the daughter of T.T. (Cowboy) Sapaugh and Jesse Clyde Kennedy Sapaugh. On February 22, 2020, one of the brightest lights in Hopkins County passed from this life into her heavenly home. After marrying Joe Mac McGlamery on January 15, 1958 she made her home in Pickton, TX for most of her adult life becoming an active part of the community and her church. She was an inspiration to all she met. She rarely had a bad day and somehow always accepted the challenges of this life with a smile and a faith like no other. Though her stature was small, she proved over and over her resolve, toughness, and strength. Death didn't stop her light from shining as she stands in heaven today serving the Lord brighter than ever. Her life on earth was filled with serving others through her 40+ year career as a teller at Sulphur Springs State Bank (Alliance) and chances are she has cashed your check, given you a sucker, or made you chuckle at least once in your life. She also dedicated herself to decades of service as the song leader and choir director at Tabernacle Baptist Church in Pickton, TX. Her life fulfilled the highest call of any person; she loved God and she loved others.

She was preceded in death by her husband, her parents, her brother Wendell Sapaugh, her in-laws Warner and Eunice McGlamery, her brother in law Jerry Tom (J.T.) McGlamery, and a sister in law Betty McGlamery Hatfield. She is survived by her sister in laws Helen Sapaugh and Bonnie McGlamery Moore (who both sacrificially assisted Jackie in her later years). She is also survived by a host of nieces and nephews who she loved dearly and made each feel special in her own way.

A service celebrating her life will be held at 2:00 pm Wednesday February 26, 2020 at the Tabernacle Baptist Church in Pickton, TX with Pastor Mike Haun and Bro Tommy Neal officiating. Visitation will be held the hour before the service at the church. Interment will follow the service at the Old Pickton Cemetery in Pickton, TX. Pallbearers will be Chris McGlamery, Craig Hatfield, Michael Hatfield, Don Sapaugh, Tommy Neal and Weldon Watkins. Honorary pallbearers will be Julie Sapaugh, Tammy McGlamery Wallis, Tracy and Brenda Coker, Phyllis Watkins, Gene and Elizabeth Troutz, Mike Briggs, Linda Neal, Billy and Patsy Powell, Sue and Rick Russell

A special thanks to all of her caregivers at Hopkins House where she resided the past 16 years as well as a special thanks to Heritage Hospice and Rock Creek Health and Rehab for taking care of her during her last days this side of heaven. And a special thanks to all those friends that made sure she always had a ride to church (and bingo). Arrangements are under the direction of West Oaks Funeral Home.

James "Doug" Douglas Williams

Funeral services for James "Doug" Douglas Williams, age 76, of Sulphur Springs, will be held at 11:00 a.m., Saturday, February 29, 2020 at West Oaks Funeral Home Chapel with Rev. Doug passed away on Sunday, February 23, 2020 at his residence. He was born on March 31, 1943 in Quinlan, TX, the son of Ray and Evah Butler Williams. He married Peggy Lou Friddle Williams on December 2, 1982 in Sulphur Springs, TX. She preceded him in death on October 21, 2019. THE BATTLESHIP TEXAS IS MOVING

Tumbleweed Smith

Tumbleweed Smith

The battleship USS Texas was launched May 18, 1912 and commissioned on March 12, 1914. Just after her commission she saw action in Mexican waters and the North Sea during World War One. During World War Two she escorted convoys across the Atlantic and was active in battles in North Africa and Normandy. In 1944 she was transferred to the Pacific and provided naval gunfire during the battles of Iwo Jima and Okinawa. After earning five battle stars for active service the battleship

Texas was decommissioned in 1948 and was put into service as a museum near Houston.

The USS Texas was the first US battleship to mount anti-aircraft guns, the first ship to control gunfire with directions, the first battleship to launch an aircraft and the first to use sophisticated radar. It is the first US battleship to become a museum ship and the first battleship declared a National Historic Landmark. It is only one of seven remaining ships that served in both World Wars.

The ship is moving. "It will no longer be in the La Porte-Deer Park area by the San Jacinto Monument," says Russell Hamman of Baytown, one of the cities that want the ship. "The state had a 99 year lease on the ship and just washed their hands with it. It became a liability instead of an asset. It's over a hundred years old and time, rust, wind, all those things have taken a toll on the old girl." Other cities along the Texas coast have expressed interest in permanently berthing the ship, among them Corpus Christi and Galveston. The ship is owned by the Battleship Texas Foundation, which has sent out RFPs (Request for Proposals) to cities that have indicated they would like to have the ship. A decision will be made soon.

"We think Baytown is a preferred location. We are proposing to put her on Bayland Island off the ship channel. It's a lot more protected than sitting on the edge of the Gulf of Mexico. I've just started a Facebook site called Bring the Battleship to Baytown, the BBB Foundation. We signed up 1,800 members in four days.

"The Battleship Texas Foundation is looking for the town and the spirit of the people who show the most interest, residents who say 'yes, we love her and she needs to be here. Here's my pledge.' We're in a pledge drive mode. We have the heavy hitters, of course, the ones who are donating big money. But we're also starting a program asking the kids to donate a dollar or two so that when the battleship gets here little Johnny and Susie can say, 'you know what, I gave my lunch money and that ship is part mine and I'm so proud to be from Baytown.'"

Before the ship gets to its final destination, it is due for extensive repairs. The Foundation will choose a home before she leaves for repairs. Russell has a history site called Baytown History with a Twist. He started it 3 years ago and it already has 16,000 members, some of them living in foreign countries. Many of them have Baytown connections.

RE-ELECT Phillip A. MARTIN

for Hunt County Commissioner, Pct. 3
Republican Candidate
Serving THE PEOPLE, as your Commissioner.

KEEP VOTE
PHILLIP MARTIN!
Primary March 3
Early Voting Feb. 18-28

I am dedicated as a person and as a public servant to properly represent the voters of Precinct 3. I recognize that it is my responsibility to ensure that my actions will promote trustworthiness, morality, autonomy, honesty and, above all, integrity, as I interact with my constituents.

As Commissioner, my agenda has never been self serving, nor will it be in the future. Rather, my main objective will be to serve the citizens of Hunt County, and represent the people of Precinct 3. I work as a

team with other elected officials, as I have in the past.

As your Commissioner, I work closely with the Mayors and City Councils to improve the roads, and have worked with the school districts.

In 2008, I told the Herald-Banner that I would be proactive in trying to resurface the 99 miles of rock road in Precinct 3. Later, I presented agenda items regarding County Roads, and they were passed. The motion to approve mixing RAP & oil, desired as improvement, has been passed and

since gone into effect. I have improved and continue to improve the county roads of Hunt County in Precinct 3.

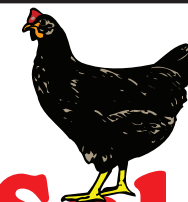

As your commissioner, I have worked with local government to bring new businesses to Hunt County, while never forgetting the importance of existing businesses. I am an advocate for purchasing goods from locally-owned businesses, and I was an Executive Board Member of the Hunt County Economics Alliance.

I am asking you for your vote & support.
Thank You! - Phillip A. Martin
