Positively Mount Morris

Garden Club of Mount Morris

The new Garden Club of Mount Morris has been creating inspired beauty since the club formed about a year ago. You've certainly seen their contributions throughout the village all year long, come sun, rain or snow.

Listed below are some of the many projects the group administers every year.

- Participate in the Livingston County-wide Cleanup Day Event at all Mount Morris Village Parks, Mills Mansion, and Municipal Parking Lots.
- Clean and paint Main Street flower boxes.

- Plant/maintain the Industrial Park as well as four 'Welcome to Mount Morris' entrance signs.
- Annual May Plant Sale Fundraiser.
- Plant and maintain 35 planters on downtown sidewalks and Patriots' Park.
- Patriots' and Veterans' Parks cleanup and beautification.
- Mills Mansion planting and beautification.
- 20 pumpkin carvings displayed in the business district, fresh pumpkins and mums at the Patriots' Park.
- Flowers for Mary Seymour Howell's gravesite.
- Started Facebook Garden Club Group.

The work of these wonderful volunteers benefits the community in many ways. Beautiful streets attract and welcome customers and visitors. They create a sense of place. They increase the natural beauty of downtown Mount Morris while enhancing the quality of life for Mount Morris residents. Lastly, they contribute to a safe community and improve the perception of safety.

Merritt F. Patrick, age 84, of Mount Morris, NY passed away on Thursday, February 20, 2020 at Eastside Nursing Home in Warsaw where he had been residing.

He was born in Leicester, NY on August 27, 1935, a son to the late Leon and Delora (Arnold) Partick.

RADON is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home. If you would like more information on radon or to request a radon test kit, please call 243-7280.

Main Streets Go Blue Kickoff Event in Lima

The Livingston County Department of Health will join together with the Town of Lima, Lima Public Library, University of Rochester Division of Gastroenterology and Hepatology and the Center for Community Health & Prevention at the University of Rochester Medical Center on Monday, March 2nd at 6:00 PM at the Lima Public Library to kick off the **9th Annual "Main Streets Go Blue"** initiative in Livingston County. Jennifer Rodriguez, Public Health Director; Michele Tufano, Manager of Cancer Services Program of the Finger Lakes; Hannah Dolan, Physician's Assistant of UR Medicine I Noyes Health; and Mr. Michael Falk, Town of Lima Supervisor, will discuss colon cancer screening options and local resources. The event is free and is open to the public.

This annual campaign marks the beginning of Colorectal Cancer Awareness Month and the importance of cancer screening and early detection. Colorectal cancer is the second leading cause of cancer death in New York State. "Colorectal cancer may not cause symptoms, especially at first, which is why regular screening is needed to catch the disease in its earliest stages," stated Jennifer Rodriguez, Public Health Director. There is more than one screening test for colorectal cancer and screening is easier than ever. The important thing to remember is to talk to your doctor, decide which screening test is right for you, and get screened.

To learn more about screening options, visit:

<http://www.health.ny.gov/diseases/cancer/colorectal/screening.htm>

Towns across New York State will be raising awareness about this preventable disease by turning their "Main Streets Blue," and hosting colorectal screening events throughout March.

For more information on free colon, cervical and breast cancer screenings for eligible men and women, please call the Cancer Services Program of the Finger Lakes Region at 1-877-803-8070.

How to Prepare Before Heading to the DMV for an Enhanced Driver's License or REAL ID Card

The Livingston County Department of Motor Vehicles (DMV) is noticing a significant uptick in the number of applications for enhanced driver's licenses and REAL ID cards. This is most likely due to implementation of the REAL ID Act, a federal mandate enhancing national safety and security measures. Under this mandate, a standard license will no longer be accepted alone as proper identification to board domestic flights. A person will need to have federally-compliant identification by October 1, 2020 in order to fly within the United States. Federally-compliant identification includes enhanced driver's licenses, REAL ID cards, or other forms of acceptable identification – such as passports, federal government identification, or military ID.

Applicants for an enhanced driver's license or a REAL ID card will need to visit a DMV office with the appropriate documentation. Here is what you should plan on bringing to the DMV in order to complete an application for an enhanced license or a REAL ID card:

- Proof of identity, including full, legal name
- Your Social Security card or other acceptable proof of your Social Security number
- Proof of your date of birth
- Proof of U.S citizenship, lawful permanent residency or temporary lawful status in the United States
- Two different proofs of your New York State residency
- Current driver's license, if you have one

As part of the application process at the DMV, an applicant will need to have a new photograph taken. The DMV cannot accept photocopies of documents presented for proof. If your name is not the same on all documents, you must bring proof of the name change (marriage certificate, divorce decree, or court issued document). If your name has changed multiple times you must bring multiple documents that link all names.

The Livingston County DMV strongly encourages customers to use the New York State's online document guide [here](#), where you can learn more about the types of licenses available in New York and determine which one might be right for you. The document guide also provides a checklist of needed documents as customers prepare for a visit to the local DMV.

Mary Strickland, Livingston County Clerk, said, "For those who would like an enhanced driver's license or REAL ID card, we highly recommend you begin the application process sooner rather than later. It can take up to several weeks for a customer to receive their new identification."

The fee to get a REAL ID card is the same as a standard license, and all normal transaction fees apply. An enhanced driver's license costs an extra \$30 in addition to normal transaction fees. New York State will continue to offer standard licenses.

Enhanced driver's licenses are issued between the hours of 8:00-3:00 with the exception of Thursdays in the Geneseo office where they are issued from 10:00-3:00.

For more information on enhanced driver's licenses or REAL ID cards, please visit the Livingston County DMV at 6 Court Street, Geneseo or 14 Clara Barton Street, Dansville. Or visit the New York State DMV website at dmv.ny.gov.

Geneseo Central School

In June 2020, the fifth grade class at Geneseo Central School is planning an exciting educational 3 day trip to Massachusetts. The class will experience a great deal on the trip, including the New England Aquarium, Quincy Market, Plymouth Plantation, walk the Freedom Trail, and more.

In an effort to make this trip affordable for all the students, the students and their families are raising money to help defray the costs. This auction has proven to be a great fundraiser and a wonderful time for all who attend.

On March 27th
we will be holding the annual
