Regenerative Medicine - I had tennis elbow and had cortisone injections to help the pain - wrong - it burned half the elbow tissue and I went to the orthopedic surgeons and was told that it was inoperable and was prescribed an anti inflammatory - I thought all hope was lost - been over a month since I had the stem cell injection and Cold K laser therapy and my elbow is like new no pain and I can actually lift things with my arm now - so happy would do it again if something else breaks down! The best!

## The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

*I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can’t help but smile every time.*

“ - Lance Carter

*Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.*

“ - Sissy Smith

*When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.*

**Meet... Oscar**

Senior pups need forever homes too!! Meet Oscar, the calmest, quietest, sweetest little old man. Evidently, someone loved him enough at one time to train him to sit and give his paw for a shake. This sweet boy is about 9-10 years old and does not deserve to live out his days in a shelter with all of the noise, the cold environment with no regular love and interaction! Honestly, all he loves to do is just have you pet him, And he doesn't mind giving you a nudge to let you know he wants more! He has a WONDERFUL temperament and gets along great with other dogs. Don't let his age discourage you, he loves brisk walks on the leash and enjoys making new friends! There is still a lot of life left in this boy! He is neutered and housebroken. Can YOU please be his special person and give him the life he deserves??

The \$35.00 adoption fee is minimal when compared to the years of joy a pet can offer your family. Please visit the shelter to choose your pet. The shelter has an ongoing need for donations of dog food, collars, leashes, treats, stainless steel food bowls and monetary donations to provide medical care. We greatly appreciate all donations made to the shelter.
