Regenerative Medicine - I had tennis elbow and had cortisone injections to help the pain - wrong - it burned half the elbow tissue and I went to the orthopedic surgeons and was told that it was inoperable and was prescribed an anti inflammatory - I thought all hope was lost - been over a month since I had the stem cell injection and Cold K laser therapy and my elbow is like new no pain and I can actually lift things with my arm now - so happy would do it again if something else breaks down! The best!

Mildred was a devoted wife, mother, grandmother, friend, and community member. She was a member of Grace Baptist Church and she was a third-generation co-owner and operator of C. F. Smith Food Town with her husband, Rayburn. Her friendly face and gentle manner helped develop Smith Food Town into one of the busiest locally owned businesses in Shelbyville. Family was a priority for Mildred, who enjoyed nothing more than filling her kitchen table with her loved ones for one of her famous home cooked

meals, such as fried chicken, turkey and dressing, or spaghetti. She also considered her many customers at the store family, often going out of her way to help them. Along with her parents, she was preceded in death by eight brothers and sisters. Survivors include her husband of 62 years, Charles Rayburn Smith of Shelbyville; children, Betty Ann (Wayne) Osborne, Sissy Smith (Joe Bush), and Todd Smith, all of Shelbyville; granddaughters, Jessica Osborne of Shelbyville, Chelsea (Brad) Clark of Chattanooga, and Emma Smith of Shelbyville; and sisters, Wilma (Jackie) Reynolds of Murfreesboro, Bobbie June (Barry) Johnson of Lewisburg, and Jeanie (Larry) Barlar of Lewisburg. NO EXPERIENCE PREFERRED

The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can’t help but smile every time.

“ - Lance Carter

Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.

“ - Sissy Smith

When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.
