A PRAYER TO THE BLESSED VIRGIN MARY

Never Known to Fail. O most beautiful Flower of Mount Carmel, fruitful vine, splendor of heaven, Blessed Mother of the Son of God. Immaculate Virgin assist me in my necessity. O star of the sea, help me and show me here You are my Mother. O holy Mary Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart, to succor me into my necessity (make request here). There are none that can withstand your power. O Mary, conceived without sin, pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in your hands. (3 times). Sweet Mother, I place this cause in your hands (3 times). Say this prayer for three (3) consecutive days, then you must publish it and it will be granted to you. Thank you Blessed Mother for hearing my prayers and answering them. I am forever your humble servant Blessed Mother, although my prayer has not yet been granted, I have complete trust in you and the Holy Spirit, I love you, Mother and I thank you for all you do for me. **R.C.**

CB #10 SHRED-IT EVENT

On Saturday, March 28, Bronx Community Board #10 is having our annual "Shred-it Event." It will be held at the Greek American Institute parking lot at 3573 Bruckner Blvd. from 10 A.M. to 12 P.M. At this event, you may shred up to 3 thirteen-gallon bags of paper. It must only be paper. Please remove any and all binders or clips. For more information, please contact my office at (718) 892-1161.

ORCHARD BEACH PAVILION

I cannot emphasize enough how proud our community is of having Orchard Beach. It is one of the many jewels of our borough. As many of you know, many elected officials have allocated funding to restore the famous Orchard Beach Pavilion. The Department of Parks and Recreation is providing an update on the project at our Full Board meeting on Thursday, March 19, 2020 at 7 P.M. at the Grace Episcopal Church at 116 City Island Avenue. We hope you join us.

PUBLIC LIBRARIES

Many of our area's public libraries hold computer and literacy classes, play movies, have games for children, and most importantly, many books and periodicals for us to read at our leisure. Please visit one and visit as often as possible. Supporting our local libraries proves to the City of New York that it needs more resources and that it should be opened to the public for additional hours. Please take the time out of your day to visit your nearest library and thank its staff members for their dedication to public service. For events, please visit <https://www.nypl.org/events>.

MORRIS PARK LIBRARY: Book Discussion **Tuesdays & Saturdays at 11AM**. The Silent Patient Alex Michaelides March 17 & 21 Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Pachinko Min Jin Lee **April 21 & 25** In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant-- and that her lover is married-- she refuses to be bought. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Educated Tara Westover **May 12 & 16** Tara Westover was 17 the first time she set foot in a classroom. Born to survivalists in the mountains of Idaho, she prepared for the end of the world by stockpiling homecanned peaches and sleeping with her "headfor-the-hills bag". Educated is an account of the struggle for selfinvention. It is a tale of fierce family loyalty and of the grief that comes with severing the closest of ties. With the acute insight that distinguishes all great writers, Westover has crafted a universal coming-of-age story that gets to the heart of what an education is and what it offers: the perspective to see one's life through new eyes and the will to change it. Spark of Light Jodi Picoult **June 9 & 13** The warm fall day starts like any other at the Center—a women's reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. Jodi Picoult—one of the most fearless writers of our time—tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? This book will inspire debate, conversation and, hopefully, understanding. Morris Park Library 985 Morris Park Avenue Bronx, NY 10462 718-931-0636. nypl.org/events
