A photograph of a lighthouse situated on a long wooden pier extending into the ocean. The scene is captured at sunset, with a warm, golden-orange sky and water. A large, dynamic splash of water is visible in the foreground on the right side, partially obscuring the pier. The lighthouse is a dark, multi-tiered structure with a small lantern room at the top.

Michigan House of
Representatives

YOUR NEW PRESIDENT

Welcome to the 2020 edition of The Faces of Your Southwest Michigan Regional Chamber! While I am no stranger to the area, I recognize I am a new face to this role. As such, I would like to take this opportunity to introduce myself to those I have not yet met and share part of my story that mirrors many others in our community.

Originally from Chicago, my family fell in love with Southwest Michigan dating back to as early as the 1950s. My grandfather owned a small cottage in Union Pier where my father spent his childhood summers. In 1989, my parents purchased property of their own in Bridgman and spent every moment they could in this area. A decade later, they decided to move us to Michigan full-time because they knew it would be a better place to *live, work, and raise a family*.

I've always been grateful that I spent my formative years growing up in Michigan. So much so, I've spent my career working to ensure future generations had the same opportunity. Over the last ten years, I dedicated myself to working behind the scenes with elected officials, business leaders, and community organizations to affect positive change across the state. Five of these years were as staff in the Michigan House of Representatives where I helped residents navigate government regulation, helped draft legislation, and eventually served as the Speaker of the House's advisor to eleven West Michigan legislators.

As the new President & CEO of the Southwest Michigan Regional Chamber, I now have the incredible opportunity to bring these invaluable experiences home to benefit the area I love. Thanks to our wonderful members, volunteers, staff, and board, this Chamber is poised to expand our regional footprint and have more of an impact than ever before. I plan to harness that momentum by launching new programs, benefits, advocacy efforts, and networking opportunities designed to provide more value and support to our members in a 21st Century economy. If there is something you think the Chamber can do for you, please ask! I have an open-door policy and would welcome the opportunity to meet at your place of business. Call us at 269-932-4042 or email me at ahavlicek@smrchamber.com.

In the meantime, I invite you to flip through these pages to explore some of our current programs and see highlights from the many activities and events we are already engaged in throughout the community. I am excited to lead this organization into the future and I look forward to working with you to ensure Southwest Michigan remains a beautiful place to *live, work, and raise a family* for years to come.

Comfort
Keepers®

24 Hour Care • Daytime • Evenings • Weekends

Trust. Clients choose Comfort Keepers because they trust us to hire caregivers that are qualified to attend to the specific needs of their loved one.

Accountability. We are accountable to our clients, because it is they whom we serve.

Honesty. We do not promise what we cannot deliver. We apprise clients of likely outcomes and advise them of service limitations.

Resolution of problems. The Comfort Keepers approach is that there is always a solution to problems, and it is our job to find that solution to keep our clients happy.

SOUTHWEST MICHIGAN | *Busy Year-Round*

Southwest Michigan is a fun destination. It's why we can attract hundreds of thousands of visitors each year. That's good for all of our area businesses. But we also can help you when you bring people in for meetings, trade shows, new jobs and more. Just ask us.

{ NICE TRY }

Our area's highly popular Makers Trail showcases our award-winning craft wineries, breweries and distilleries. To encourage more tourism in the fall through spring, we entice visits to more locations with our Makers Trail Passport prizes.

{ LIGHTEN UP }

Touring the historic St. Joseph Pier lighthouses is an enthralling experience for your employees and visitors. But we also can direct them to golf courses, fascinating museums, family and team-building activities and you-pick-fresh farms.

{ SHOW OFF }

Here you can make Creative Connections with some of the finest artists, performers and history-makers. But to add to the fun, we offer a Creative Pursuit game from fall through spring. The more sites you visit, the more artsy prizes you get!

{ GIVE ME A BREAK }

Are you tasked with planning your company's next off-site retreat? Annual sales meeting? Trade association's conference? We can make your job easier by helping you find the best local hotel rates and meeting space. Even create itineraries.

Southwest Michigan Regional Chamber & the Cornerstone Alliance combined BUSINESS RECOGNITION BREAKFAST

A celebration of local businesses and business professionals with over 450 in attendance happened Thursday, February 13th at the 2020 Business Recognition Breakfast. A total of 12 combined businesses and individuals were recognized by their colleagues and the Southwest Michigan Regional Chamber and the Cornerstone Alliance at the newly remodeled Lake Michigan College Mendel Center's Grand Upton Hall. The event was sponsored by Chamber member's Blue Cross Blue Shield of Michigan, Kruggel Lawton CPA's, Silver Beach Pizza, Mid-West Family, MoodyontheMarket.com, Lake Michigan College and United Federal Credit Union.

Southwest Michigan Regional Chamber President and CEO Arthur Havlicek said, "It was a pleasure to spend the morning celebrating the business community with our members and the Cornerstone Alliance. The joint meeting and award ceremony is a long standing event that we look forward to every year." Cornerstone Alliance President Rob Cleveland added, "This is a great opportunity for both organizations to bring businesses from all over Berrien County into one room to celebrate success from the prior year and share our respective plans for the upcoming one." The keynote was given by Jeff Donofrio, Director, Michigan Department of Labor and Economic Opportunity and provided an idea of where Michigan is heading in terms of the overall talent pool in our community and what the state has planned to train and recruit new talent to our respective communities.

Congratulations to our 2020 Business Recognition Award Nominees and Recipients

Winners for each category are highlighted.

Creating a Better
Community Together

Whirlpool
CORPORATION

from tee

When the best senior golfers in the world step to the tees at the Jack Nicklaus Signature Golf Course at Harbor Shores Resort this spring for the KitchenAid Senior PGA Championship they will find the 5th such championship in the past ten years here to be the best it has ever been.

The KitchenAid Senior PGA Championship

Tue, May 19– Sun, May 24, 2020

The team that works year-round to make this the most prestigious event on the Champions Tour is in perpetual pursuit of perfection. That will be readily evident on the Memorial Day weekend when the 2020 Championship occurs.

Championship Director Ryan Ogle says the players “have really begun to understand the story of the community transformation fostered by the course and they’re really embracing it by enjoying their visit.”

When the best 156 players in the world show up, their audience numbering in the tens of thousands will find newly-enhanced interactive experiences at the KitchenAid Fairway Club, where celebrity and local chefs hold court Thursday, Friday and Saturday. Fans will enjoy more hands-on experiences with innovative KitchenAid products, with an opportunity to ask questions to improve and inspire their own culinary skills. Ogle says research shows that 90-percent of past ticket buyers consider themselves “foodies,” making the partnership with KitchenAid even more impactful.

Back by popular demand, the Makers Trail 19th Hole, the upgraded spectator experience in a covered pavilion, is now overlooking the 17th Green at Harbor Shores, the last par three on the course and the scene of 2016 Champion Rocco Mediate’s thrilling chip-in, sealing his win that year. The Makers Trail 19th Hole features craft breweries, wineries and distilleries from the region showcasing their talents in a fun atmosphere for everyone. Each ticket holder will receive \$25 worth of vouchers to use for food and drinks inside the pavilion. It was a sell-out on Friday and Saturday in 2018, a feat likely to be replicated.

The KitchenAid Senior PGA Championship is a very affordable affair in the realm of major sporting events. Juniors 17 and under are admitted free with a paid adult, and there’s something for everyone when you head for the YMCA Kids Zone in the Jean Klock Park portion of Harbor Shores. After being told to be quiet all day, kids can let loose in YMCA bounce houses and inflatable hitting bays where PGA Professionals will offer swing tips and other golf fun. There will be special programs for Kids Day, Saturday, May 23rd that will be exciting for all ages.

Local businesses have the opportunity to host clients and entertain staff in corporate hospitality suites. Also, some local firms join the army of volunteers working together as a team of ambassadors for the community welcoming the swarm of spectators.

On average over 300 credentialed media turn out to cover the championship, with NBC and Golf Channel broadcasting to more than 100 countries and over 250-million households. Newly eligible golfers to the field this year include Ernie Els, Steve Stricker, Jim Furyk and Retief Goosen. Get your tickets soon at srpga.com. It’ll be a spectacular year at Harbor Shores Resort with their 10th Anniversary celebration.

Spectators from far and wide who make the journey to the 2020 KitchenAid Senior PGA Championship at Harbor Shores Resort this spring will enjoy a multi-dimensional preview of all of Michigan's Great Southwest just steps beyond the front gate and ticket booth, thanks to the team of the Community Showcase Committee.

That committee, which includes your Southwest Michigan Regional Chamber, will present eye-popping imagery, virtual reality, performing artists, and even a taste of the talents found along the renowned Makers Trail of craft breweries and wineries.

The Community Showcase, alongside the PGA of America merchandise center, again will highlight and promote the broad range of amenities, destination attractions and family fun opportunities that await visitors either at the end of their day at Harbor Shores Resort or when they return to the community for the full tourist experience.

CrazeVR of St. Joe will tee up a virtual reality experience to either play a hole of golf without even picking up a club or soar above the community in an aerial fly-by. Tastings of Makers Trail offerings will welcome spectators, and eight talented artists will be in the house at varying times, creating artwork right before your eyes, accompanied by live performing musicians.

Visitors can also step aboard a shuttle bus that makes stops in both the Benton Harbor Arts District and downtown St. Joe. New this year is a shuttle stop connecting the new water taxi from Cornerstone Alliance, the Harbor Cycleboat and the KitchenAid Senior PGA Championship which will share a unique view from the community's waterfront.

The tradition of a major musical concert at City Center Park returns again as Benton Harbor welcomes the entire community to celebrate the transformation over the years since the Jack Nicklaus Signature Golf Course burst onto the scene. Especially noteworthy is that this year marks the 10th Anniversary of Harbor Shores Resort and the fifth time the Championship has been played here in that ten-year span.

Champions for Change

Every year that the Championship has been played at Harbor Shores, the actual economic impact to the community tops an estimated \$8 million, and the worldwide showcase of the community on NBC and Golf Channel is valued at the equivalent of another \$8 million in global exposure.

As golfers and spectators arrive in town, every hotel in the region sports colorful lobby banners welcoming them, and those hotels themselves have seen revenues spike by an additional \$1-million a year as compared to the off years when the Championship is played elsewhere.

Visitors arriving by car are greeted in both St. Joseph and Benton Harbor by colorful banners erected on light poles, showcasing the event each year as well.

The PGA of America creates approximately 600 temporary jobs during each Championship event, resulting in more than \$500,000 in payroll wages, and has now to date donated nearly \$1 million to local youth organizations in Michigan's Great Southwest over the past decade.

Clearly, the vision of the Champions for Change in our community lives on.

Your Regional Chamber multiplies the effectiveness of its professional staff with the help of its volunteer-based committees. This organizational structure allows our Chamber to go above and beyond in meeting the needs of our growing community and helps our volunteers to learn more about the community to which they belong. Reach out if you are interested in joining one! We are always looking for fresh ideas and talented individuals to join our team.

Government Affairs Committee

As a registered 501(c)(6) organization, our Chamber possesses the ability to engage in political lobbying on behalf of our members. To aid in this effort, we have a dedicated government affairs committee that helps set the advocacy priorities for the Chamber. This committee helps identify important regulatory and legislative issues affecting our business community; holds Eye Opener sessions to keep our members informed about emerging policy issues; and conducts monthly Chief Elected Official (CEO) Roundtables to facilitate regional collaboration among community leaders. If you are interested in or passionate about the legislative process, this is the committee for you!

Events Committee

Our events committee assists in planning our biggest Chamber events, including the Annual Business Recognition Breakfast, Golf Outing & Steak Fry, and the Fall Trade Fair. They also brainstorm and implement innovative activities designed to engage attendees and improve value to Chamber members. Their work is crucial because we believe a successful event is one where everyone has a great time and a positive experience. Join this committee if you have experience planning events and would like to contribute!

Marketing Committee

The marketing committee helps provide the Chamber with its strategic focus and framework for marketing, advertising, and public relations. The committee's communications support helps further the mission of the Chamber by increasing the visibility of our members, our benefits, and our events. If you have an eye for messaging and want to help us build our brand and grow our reach, contact the Chamber today!

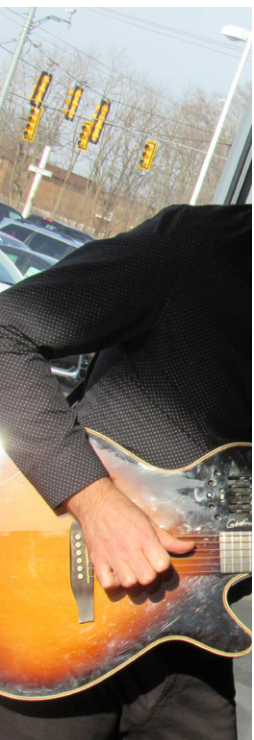

Committees

Business After Hours

The Southwest Michigan Regional Chamber's Business After Hours events are the region's premier monthly opportunities to mix, mingle, and meet other business professionals. As a result, these member-sponsored, member-only networking mixers have become increasingly popular and book almost two years in advance. From the owners of large corporations to the employees of local small businesses, these events bring everyone together in an accessible and enjoyable atmosphere. If you are looking to make connections in the business community, join us at our next event. Our Chamber Ambassadors are eager to help you connect!

Breaking New Ground

Did you know the historical beginnings of groundbreaking ceremonies predate writing? It's true! Ancient civilizations all over the world celebrated the important milestone of breaking ground and the significance of good things to come. Last year, our Chamber was honored to take part in two such ceremonies right here in Southwest Michigan.

Ribbon Cutting Ceremonies

CELEBRATE YOUR BUSINESS WITH A REGIONAL CHAMBER RIBBON-CUTTING CEREMONY!

A Ribbon-Cutting Ceremony is an important part of your overall marketing and advertising plan and is a great way to kick off the grand opening of a business. It offers an opportunity to meet key leaders in the community, get acquainted with your neighbors, fellow Chamber members, and potential customers.

The Southwest Michigan Regional Chamber is here to assist you in ensuring this important event is successful for your company. Having participated in hundreds of Ribbon-Cutting Ceremonies, we know how to get optimum exposure!

We would be delighted to help your business with a Ribbon-Cutting if your company has:

- Opened its doors in the last 12 months;
- Changed ownership or is under new management;
- Moved to a new location; or
- Has been remodeled or expanded at its present location.

Don't wait to celebrate your success; contact us today!

WORK FASTER. AND SMARTER. NOT HARDER.

Golf Outing & Steak Fry

60TH ANNUAL CHAMBER GOLF OUTING & STEAK FRY

Help us celebrate a huge milestone by joining us for our 60th Annual Chamber Golf Outing & Steak Fry Event at the Harbor Shores Golf Club! The Southwest Michigan Regional Chamber is proud to continue this rich tradition and excited to give our members the opportunity to “play like a pro” on the world-class Jack Nicholas 18-hole course in Benton Harbor, Michigan. This annual outing is a great chance to market your business or organization to the men and women of the local community who will be teeing it up for a shotgun start, best-ball event.

If golf isn't for you, then join us for the Annual Chamber Steak Fry for games, prizes, music, and networking over a steak dinner immediately following the golf outing.

This year's event will be on July 7th, 2020. We hope you can join us!

Young Professionals

THE NEXT GENERATION

An added benefit of being part of the Southwest Michigan Regional Chamber is access to the Chamber Young Professionals program that targets an important segment of our population: 21 – 40-year-olds. The YP group has been designed to provide a civic-minded approach to a positive impact and meaningful difference in other people's lives while maximizing talents, learning new skills, improving your resume, and meeting new people.

YP's across all industries, backgrounds, and with different levels of experience can gain from participating simply by sharing common interests and living in Southwest Michigan.

Events include monthly mixers, community service projects, and adventures such as white-water rafting, kayaking, trap shooting, and more.

YP MISSION

To attract and retain talented young professionals by creating business opportunities, supporting community involvement, and fostering an overall investment in the future of Berrien County. Lunch & Learn, government issues, and social functions are held throughout the year.

Connect the area's youth in social settings to help them build relationships and connections via networking outside of the workplace.

Provide the YP with volunteer and or community engagement opportunities; including the tools, information, and mentoring to foster the area's next generation of leadership, both in business and in the community.

Bridgman

ARTHUR HAVLICEK
President & CEO

Southwest Michigan Regional
Chamber of Commerce

Years ago, my family chose to locate in Bridgman because it offered an unparalleled quality of life. Today, Bridgman is stronger than ever and perfectly poised for growth thanks to the momentum built in recent years. I'm thrilled to now be in a position to promote my hometown, and I want to start by sharing just a few of the many reasons I believe this hidden jewel on Lake Michigan won't stay hidden for much longer.

TOP NOTCH ATTRACTION

The biggest natural attraction Bridgman has to offer is none other than beautiful Weko Beach! With 40-acres of wooded dunes and 960 feet of Lake Michigan Shoreline, Weko Beach is a gorgeous destination with something to offer for everyone. Imagine yourself visiting for one of the free summer concert series or watching the sunset while Taps is played on the beach house deck. Or maybe you'd like to utilize the charming Weko Beach House, located right on the sandy shores of Lake Michigan, for your wedding, graduation party, or business meeting. Perhaps you are an avid fisherman or kayaker and want to take advantage of Weko's "direct access" boat launch - one of only three in the state. Or, if camping is more your speed, you can rent a cabin, tent site, or RV campsite at the Weko Campground, just a short walk from the water's edge. Weko Beach truly has it all. When asked where I bring friends and family on a Southwest Michigan summer day, I say: "We go to Weko!"

TOP NOTCH SCHOOLS

Bridgman Public Schools proudly serve the area and is one of the state's highest-rated school districts. It is also the number one "School of Choice" in Berrien County, meaning numerous students from neighboring districts vie for the opportunity to attend. Currently, over 300 students from 11 neighboring districts are enrolled. This high demand is driven by a well-rounded, quality education comprised of robust academic programs, competitive athletic programs, strong fine arts programs, and outstanding facilities. One of these facilities is on the very forefront of technological innovation and that is the middle school STEM (science, technology, engineering, and math) Lab. This lab features state-of-the-art equipment and an immersive, hands-on learning experience for every single student in Bridgman's middle school. This novel approach is just one of the many ways Bridgman Public Schools is helping our students gain the technical skills and collaborative critical thinking needed to be successful in the workforce of tomorrow.

TOP NOTCH AMENITIES

Bridgman is the closest coastline community to Chicagoland that boasts a majority full-time population. While many neighboring communities' businesses scale back hours in the winter, Bridgman is open year-round with a strong and stable full-time population that enthusiastically supports local businesses. Start your morning with delicious coffee from Small Town Grounds. Shop for locally crafted artisan gifts like at The Sandpiper or exotic Tibetan rugs, gifts, jewelry, and clothing like at Accents. Explore the resources and beautiful community space available at Bridgman Public Library while you wait for your pet to be groomed at Paws to Wash. Or support the community by buying second-hand items from Harbor Country Mission. If you want a fun night out, you can't go wrong with checking out breweries like Haymarket, Tapestry, or Transient Artisan Ales. Or visit Southwest Michigan's only women-owned winery at Lazy Ballerina Winery before enjoying a savory meal at Lake Street Eats. No matter where you go, you'll be greeted with a friendly smile and people proud of their hometown.

TOP NOTCH LEADERSHIP

The City of Bridgman and Lake Charter Township work together diligently to maintain the amazing quality of life residents and visitors expect when they visit this community. The municipal councils, boards, and committees are comprised of hard-working and enthusiastic community members. Bridgman and Lake Township also partner with the Bridgman Area Chamber and Growth Alliance (CGA), Southwest Michigan Regional Chamber, and Cornerstone Alliance in a public-private partnership dedicated to growing and supporting the vibrant business community Bridgman has to offer. The collaboration between these communities, and their partner entities, has not only contributed to the momentum Bridgman has seen in recent years, but it has laid the groundwork for a decade of investment, growth, and vitality.

TOP NOTCH LOCATION

Located just 20 miles north of the Indiana state line, tourists seeking the good life along shore Lake Michigan are drawn to Bridgman. It is easily accessible from I-94 and is perfectly nestled between other tourism hubs like New Buffalo and St. Joseph, conveniently close to shopping in South Bend or Michigan City, and just a short drive to even bigger cities like Grand Rapids or Chicago. As if that weren't enough, Bridgman is also proud to be the "pivot point" to wine country, boasting more than a dozen wineries within just a few minutes of their downtown. Recognizing their strategic location, the CGA launched a tourism wayfinding effort that utilizes informational signage to point the way to key communities, destinations, and attractions across the area. This effort helps pull visitors north, south, and east, encouraging them to explore not just Bridgman, but all of what Berrien County has to offer.

As President of the Southwest Michigan Regional Chamber, I am committed to helping Bridgman continue on its positive trajectory. Not just because it is my hometown, but because I truly believe a better Bridgman will mean a stronger Southwest Michigan.

2019 Accomplishments

2019 was a banner year for our Chamber. It reflected a year of change and growth, and our organization is now better positioned to support our members and encourage economic vitality throughout our region. Some of the highlights from last year included:

- Formalizing our name change from Cornerstone Chamber to the Southwest Michigan Regional Chamber.
- Expanding our vibrant Chamber network by adding 33 new members;
- Partnering with the Ritz-Carlton Leadership Center to offer training programs;
- Hosting Keynote Speaker Dave Lorenz from Travel Michigan at the Business Recognition Breakfast.
- Facilitating introductions by holding a "Meet your Legislators" Breakfast;
- Celebrating growth and expansion by hosting two Ground Breaking Ceremonies; and
- Conducting a dozen Ribbon Cuttings, Chief Elected Official Luncheons, Young Professional Events, Business After Hours, and more throughout the year.

We'd be remiss if we didn't take this moment to thank our wonderful Chamber members. After all, their support makes it possible to carry out the fantastic programming we offer to the community. We look forward to building upon this success in 2020 and beyond!

here's to the future

2020 Vision

Thanks to our wonderful members, volunteers, staff, and Board of Directors, the Southwest Michigan Regional Chamber is poised to expand our regional footprint and have more of an impact than ever before.

We plan to capitalize on this momentum and help our region win the war for new business and talent by:

1. Growing our new Regional brand through deliberate communication strategies;
2. Improving the quality and delivery of existing programs and member benefits;
3. Launching new offerings designed to attract talent and advance business in a 21st Century economy;
4. Increasing advocacy efforts, both locally and at the state Capitol; and
5. Strengthening our communities by increasing collaboration amongst regional partners.

We look forward to building the "Chamber of Tomorrow" and are thrilled to have the opportunity to support your business and serve the community in 2020 and the years beyond.

Member Benefits

Looking ahead to the remainder of 2020, it's an exciting time to the part of the Southwest Michigan Regional Chamber! As an active and growing Chamber, we are always looking to the future to help advance the growth of our members and provide value and opportunity to our membership.

As a 501(c)6 organization, we are able to provide a multitude of member benefits include advocacy with our policy-makers in Lansing on your behalf. As a reminder some of your member benefits include:

- Business insurance discounts
- Ribbon Cutting assistance
- FREE job & event postings
- Discounted Celebration Cinema movie tickets & Mendel Center Mainstage Show tickets
- FREE Certificates of Origin
- Networking opportunities: Monthly Business After Hours, Young Professionals, etc.
- Website mini-page
- Weekly Friday email updates
- FREE office space/meeting room use
- Legislative Advocacy in Lansing

If you are not already a member of the Chamber, we invite you to view all of your member benefits and join us by going to www.smrchamber.com/join or call 269-932-4042. If you are already a member, we invite you to take full advantage of your membership investment and get involved. Contact the Chamber and we will help you customize your membership to properly represent what you want to get out of it. If you don't have time to attend meetings and events, know that we are here for you and your business, and will continue to be your resource for information and assistance. Feel free to contact us if there is anything you need, have questions about upcoming opportunities, or would like to better understand your membership. Your Chamber is where Business & Community connect! We look forward to seeing you at one of our many events or out in the community!

Whirlpool Corporation

Whirlpool Corporation is the leading major appliance manufacturer in the world, with approximately \$20 billion in annual sales, 77,000 employees and 59 manufacturing and technology research centers in 2019. The company markets Whirlpool, KitchenAid, Maytag, Consul, Brastemp, Amana, Bauknecht, JennAir, Indesit and other major brand names in nearly every country throughout the world.

Whirlpool Corporation designs and manufactures products that meet the needs of consumers throughout the world. We are in constant pursuit to make life better at home, offering quality products through a diverse brand portfolio based on consumer needs. We focus on our consumers so our products deliver innovation that matters - great products people want and need. Many of those products are designed and engineered at our headquarters in Southwest Michigan.

At Whirlpool Corporation we also believe great communities are the foundation of great business. Whirlpool is committed to maintaining strong, lasting connections in the communities in which we do business. We utilize a global collective impact model that centers around improving lives at home. Our giving focuses in the areas of house and home to create thriving communities. Housing focuses on shelter & security for individuals and families as the first step in the journey toward a better life in the home. Home focuses on developing resilient, able communities through education & community development. This approach allows us to prioritize partnerships where we can track results and create maximum impact. These include United Way®, Habitat for Humanity International®, the Boys & Girls Clubs of America® and others. For additional information about the company visit WhirlpoolCorp.com or follow us on Facebook, Twitter, LinkedIn, Instagram and YouTube.

Chemical Bank

Chemical Bank has been serving individuals, families, and businesses for over a century, and throughout their history, they've remained steadfast to their approach to community banking, highlighted by local leadership and rapid decision-making. With a mission that drives them to enhance the lives of the communities they serve by consistently exceeding your expectations, their team members take pride in providing quality financial solutions to their communities, delivered with the personalized service they deserve.

They are committed to delivering the guidance and support their customers need to plan for the future and fulfill their financial dreams. Using a cross-functional team approach, they serve their communities an array of expertise in business, personal, and wealth management solutions. Their experienced professionals spend much of their time working directly with their customers to learn and understand customer goals, which allows the staff to develop personalized financial solutions that can be used to succeed.

Chemical Bank actively invests in their communities, because they understand the success of their neighbors is paramount to their own success. This philosophy is constantly put into action, from the financial support provided to local organizations and community development initiatives, to resources like financial education seminars that help their customers reach their full potential.

Entering their eighth year as presenting sponsor of the Race for YMCA 5K & 10K, Chemical Bank has been instrumental, in collaboration with a multitude of community members and organizations, in raising almost \$95,000 for the Benton Harbor/St. Joseph branch of the YMCA of Southwest Michigan. Several Chemical Bank team members actively serve on the planning committee and over 50 team members volunteer on race day.

Their sixth annual Cares Day on Columbus Day 2018 allowed their team members to spend a day immersed in volunteering in the St. Joseph and Benton Harbor communities. These volunteers completed projects that included completing necessary cleaning and landscaping tasks for Benton Harbor Street Ministries and the Krasl Art Center and facilitating with a home build for Habitat for Humanity.

Their team members strive to constantly provide a banking experience that goes above and beyond the expectations of their customers from the moment they pick up the phone or step into one of our offices. They are inspired by the dreams of each customer and business alike, focusing on the potential of every one of their neighbors and are proud to be a catalyst for economic growth in the markets they operate in across the Midwest.

To learn more, visit ChemicalBank.com.

Mid-West Family - Southwest Michigan

Mid-West Family is a local employee-owned radio, interactive media, digital services, and events company. Our mission is simple, but important: serve our local communities with information, entertainment, and companionship, produced by people who live and work here. We're 'more than just radio,' taking an agency-level approach to your advertising by strategizing all levels of the customer journey effectively and focusing on your growth.

Our Michigan brands include News/Talk 94.9 WSJM, 106.1 & 1400 WSJM Sports, ROCK 107 WIRX, 98.3 The Coast, SuperHits 103.7 COSY-FM, 97.5 Y-Country, 95.7 The Lake, DASH Digital Services, MoodyOnTheMarket.com, Town Crier Wire, Music Express Mobile DJ Service, Radio Super Saver & Dining Deals, #RadiObsessed, Smooth Jazz at Sunset, Summer Jam, Wedding World, Kids Christmas Carnival, and more.

We are proud to call Michigan's Great Southwest home since 1958, when the Wisconsin partners of WSJM Inc. purchased WSJM-AM 1400. Now, Mid-West Family has grown to serve our communities in 8 markets across Michigan, Indiana, Illinois, Wisconsin and Missouri. Our founder, William E. Walker, never sought to own control of any station like a traditional corporate conglomerate model. Instead, he insisted that we "associate with capable, ambitious people who have been encouraged to acquire a stock interest, so we are always working together for a station's welfare, knowing that when a station serves its' community well, it is bound to profit accordingly."

In addition to serving Southwest Michigan, Mid-West Family also works regionally with our South Bend operation to bring our clients the power of reach and effectiveness with their advertising across even more brands, including Sunny 101.5, Live 99.9, Z94.3, 96.1/960 WSBT Radio, Sportsbeat The App, and DASH Digital Services.

Mid-West Family is proud and honored to work with the Southwest Michigan Regional Chamber, as well as Cornerstone Alliance and other community partners to continue to build and grow quality of life and opportunity here in Michigan's Great Southwest!

Entergy

As a proud member of the community, the Palisades Power Plant in Covert Township provides more than 800 megawatts of safe, clean, and reliable energy to the people of Southwest Michigan. That is enough carbon-free electricity to power 800,000 homes. Palisades is a world-class nuclear power plant operated by a team of 600 highly trained and dedicated nuclear professionals.

"The plant is ranked in the U.S. Nuclear Regulatory Commission's highest safety category, is recognized as a top performer in the industry, and adheres to the most-rigorous oversight. Palisades had its most recent refueling and maintenance outage in late 2018, an investment of more than \$85 million to ensure continued safety and reliability."

Indiana Michigan Power

Indiana Michigan Power (I&M) an American Electric Power (AEP) Company and its 2,450 employees work 24/7 to provide you and your community with safe and reliable electric service. Approximately two-thirds of the electricity I&M generates is emission free.

I&M is proud to be the hometown energy provider for Southwest Michigan, home to the Cook Nuclear Plant as well as the Benton Harbor Service Center. From storm restoration to the construction of new facilities to serve you better, we are committed to deliver the exceptional service you expect.

Customers can learn more about I&M at www.IndianaMichiganPower.com and download the I&M mobile app; search for Indiana Michigan Power in the App Store or Google Play.

Spectrum Health Lakeland

Spectrum Health Lakeland is a not-for-profit, community-owned health system serving Southwest Michigan and northern Indiana with a full continuum of care and wellness services including three hospitals, an outpatient surgery center, a cancer center, and 48 physician practices. Lakeland is a division of Spectrum Health with 31,000 compassionate professionals, 4,300 medical staff experts, 3,300 committed volunteers, and a health plan serving one million members.

The history of Lakeland dates back more than a century, when our hospitals first began meeting the needs of Southwest Michigan residents. Today, as a 15 Top Health System®, we are proud to continue that tradition of service to our neighbors with excellent, compassionate care.

Andrews University

World Changers Made Here.

At Andrews University, this is more than a tagline. These four words help tell the story of their long-standing mission to "Seek Knowledge and Affirm Faith in order to Change the World." With their #1 ranking* nationally for campus ethnic diversity, Andrews University is uniquely positioned to attract, keep and prepare students to be World Changers.

While they have a global impact, their "World" begins right here – the communities they touch and serve locally and regionally. Recently they debuted Change Day, their way of giving back to their neighbors through acts of service. More than 1,600 students, faculty and staff spent time at one of 63 sites in southwest Michigan cleaning, painting, gardening and doing whatever else was needed.

It's just one example of how Andrews University will change the world one person, one neighbor, one community at a time.

*According to US News & World Report's 2018 edition of "America's Best Colleges"

Lake Charter Township

Lake Township was chartered in 1846 by the State of Michigan. Lake Township became a Charter Township in 1984. Lake Charter Township is the home of both the Cook Nuclear Plant and Warren Dunes State Park.

Cook Nuclear is one of Berrien Counties largest employers with around 1200 employees and is the largest taxpayer in Berrien County. Cook is located on 650 acres along Lake Michigan and generates enough electricity to service more the 1.5 million homes. Warren Dunes State park has 1952 acres also on the shores of Lake Michigan. Many improvements have been made and will continue to be made at the park. An estimated 1.5 million people visit the park each year.

Lake Charter Township has a resident population of about 3000 people. The Township is primarily agricultural and blessed to have many blueberry and other agricultural operations in the Township. Bridgman Public Schools are ranked among the top schools in Berrien County and the State. Lake Township Park is a favorite for many people with soccer, baseball and softball facilities, three pavilions to rent, and an 18-hole disc golf course. Lake Township is a great place to live, work, and play.

City of Bridgman

The City of Bridgman (pop. 2,238) rests on the shore of Lake Michigan just 20 miles north of the Indiana state line. It covers three square miles and is easily accessible from I-94. Bridgman is a prosperous community that enjoys a diverse economic base for a community of its size. Visitors seeking a slower pace and the tranquility of the lakeshore are drawn to Bridgman, especially during the summer. Those who live and work there enjoy the area's beauty, its rich farmland, history, culture and tourist attractions.

The community has an excellent educational system, offering small classes, updated facilities and its own indoor Olympic-size pool. With its wide variety of appealing homes, highly rated schools, scenic dunes and beaches, and proximity to larger cities, this family-oriented community is a wonderful place to live.

To envision the Bridgman lifestyle, imagine relaxing on the beach while listening to a summer concert, then sharing a solemn moment to pay your respects during Taps at sunset. As you and those around you are soaking in the small town atmosphere, you exchange smiles and sense a feeling of hometown pride. These are just a few things you'll experience when you come to Bridgman.

Government Affairs

The Southwest Michigan Regional Chamber of Commerce, as a registered 501(c)(6) non-profit organization, possesses the ability to engage in political lobbying on behalf of our members. We are proud to be the Voice for Business in our area and we work diligently to promote the common economic interests of all commercial enterprises in our community.

To do this, we have a dedicated Government Affairs Committee that helps set the advocacy priorities for the chamber by identifying important regulatory and legislative issues affecting our community. We hold monthly Chief Elected Official (CEO) Meetings where local, state, and federal officials from across Berrien County convene to discuss policies and practices that strengthen our area's economy. We also hold regular Eye Opener Breakfasts to keep our members informed about emerging policy issues that may affect the outlook of their companies or the community-at-large.

If you would like more information on how your business or organization can benefit from the Chamber's advocacy efforts, please call 269-932-4042. It would be an honor to advocate on your behalf.
