"Dear Hearts and Gentle People" is the title of a song recorded by Bing Crosby as well as his brother Bob Crosby. Bob was ten years younger than Bing, and had a very successful career in recordings, live shows and television programs. His orchestra was called The Bobcats. Also his daughter Cathy Crosby has had an active career in television and movies. And wasn't she the girl who shot JR? Anyway, 'the dear hearts and gentle people who live in my home town' sort of defines the way I feel about you who read this article!

Here's a new face to Sulphur Springs! He's Mike Allen, who has recently started up a new business called 'Silver Moon Carriage Rides'. You will soon see him in top hat around the downtown area, taking people on short tours through select parts of our historic downtown. The new venture is a family business, one which he gained experience in from working in the entertainment/night spot areas of Dallas. Welcome to town, Mike!

Mike Allen of Silver Moon Carriage Rides

Here's a very recognizable face to most Hopkins Countians! He has worn many hats over the years, from elected office to public service to volunteer service. Most recently, Jim Thompson was representing the Kiwanis Club when I ran into him. He was inviting everyone to the annual Pancake Day fundraiser which helps fund many Kiwanian causes for the community. One is the Kids Fishing Day held in the early Spring at Peavine Pinion Pool, located behind the Civic Center. Also, if you see the American flags placed along major roadways in town on flag-waving holidays, it's the Kiwanis Club who is responsible for that generous volunteer community service. Thanks Jim and the Kiwanis Club!

Jim Thompson

And, here's a young face you'll be seeing in the future. Jimmy Reardon is not only a young man with a goal, to become a professional fisherman with a heart for helping youth connect with the outdoors, he also has a volunteer's heart. Jimmy was raised in a family of volunteers. For example, his mom Tammy Reardon is the Director of Terrific Tuesdays, a local non-profit which provides respite one day each week (Tuesdays!) for caretakers of persons with Alzheimer's disease and other forms of Dementia, so that the caretaker can have a few hours of time on their own. It is a precious gift to the many family members who are full-time caregivers for their parent of loved one. Thanks Tammy for filling that niche in our community. And thanks, Jimmy, as we follow you toward your career goal. We'll be looking for you in colorful sponsor gear as you compete in the big bass and catfish tournaments on area lakes!

Jimmy Reardon with some kids on Kids Fishing Day 2020

Here's a tip of my hat to the "Dear Hearts and Gentle People" who make Hopkins County the unparalleled wonderful place it is! Til next week, I will look for signs of Spring as I watch for you at the Corral gate!

CHRISTUS Trinity Mother Frances Sulphur Springs Statement on COVID-19 Preparedness - March 16, 2020

We continue to work in solidarity with our partners in the health care community, city and county leaders, and local health authorities to ensure our community is well prepared. Together, we stand united in our commitment to keep the people of East Texas safe.

At CHRISTUS Trinity Mother Frances Sulphur Springs, we remain vigilant in responding to this evolving situation. We continue to follow Centers for Disease Control guidelines for health care facilities and are meeting throughout the day to ensure we are ready to respond to present and potential future needs of our communities.

We do have emergency preparedness plans in place and are fully prepared to execute as appropriate for our community circumstances. Those preparations include monitoring and evaluation of our capacity and requirements across our hospitals, including Emergency Departments, ICUs, laboratories, imaging centers and other treatment and testing areas. Our hospitals will continue to balance the needs of caring for patients with COVID-19 while providing vital services to others in the community who need care.

Though there have been no confirmed cases in the community, we suggest that everyone follow the CDC guidelines regarding prevention and treatment of respiratory diseases such as COVID-19 and the flu. The best things anyone can do to prevent the spread of illness are:

- (1) wash your hands well before eating, drinking or touching your face
- (2) get your annual flu shot and
- (3) get a pneumonia shot if you have not already and are above the age of 65 or have diabetes or other illnesses that affect your heart or lungs.

In addition, we advise anyone who may be ill with fever and cough or shortness of breath and have had travel to any region that has known community spread of COVID-19 or if you have any of the above symptoms and exposure to a person with confirmed or suspected COVID-19, call 1-800-458-4559 to be connected to our CHRISTUS COVID Hotline. For more information on COVID-19 and preventive measures, please visit www.CDC.gov.
