## JESUS Cares For You

In praying for people for physical healing over the last several years, we have found that most people are anxious, worried and concerned about their illness and the effects it has been having or will have on their loved ones.

The Apostle Peter wrote in 1 Peter 5:7, "Cast the whole of your care [all your anxieties, all your worries, all your concerns, once and for all] on Him (Jesus), for He cares for you affectionately and cares about you watchfully."

What a great promise! Not only does Jesus care for your physical health, He cares for your whole person - spirit, soul and body - every part of you. At Healing Rooms on the Genesee, we endeavor to see people touched by the love and power of God, so that the whole person is ministered to. Give us a call and we will pray for you so that your cares are taken care of.

**James E. O'Connor III**, age 66, passed away on March 11, 2020 in Knoxville, TN after a battle with cancer. Known as "Jimbo" by family and childhood friends, he grew up in Fountain City and graduated from Central High School in 1971. He received a Bachelor of Arts degree from the University of Tennessee. Jim attended UT College of Law and was admitted to the bar in May 1980.

Jim was a lifelong member and Elder of Shannondale Presbyterian Church. He was devoted to his church and all that it is. He maintained a multi-faceted career using his

background in law to acquire and manage rental housing. His great love, however, was music and sharing that gift with others. Jim was a well-known accomplished pianist. He played many and varied venues spanning five decades. From the original Corner Lounge to his last performance at Club LeConte, the staff and patrons became like family. Jim took particular delight in playing for special family occasions.

He was preceded in death by his father, James E. O'Connor Jr. and his mother, Charlotte Tipton O'Connor. He is survived by his wife, Lisa; daughter, Shannon, daughter, Sarah and her mother, Janet (Lyle) Gervin; sister, Helen (Sterchi) Morton and their children, Sterchi Jr., Camlin (Kelly), Christa (Taylor) Ross and Carrie. He also leaves his father and mother-in-law, James and Gail Cochrane; brother-in-law, Jamie Cochrane of Rochester, NY and special cousins whose love he has treasured throughout his life. His family extends many thanks to the staff of UT Oncology and inpatient hospice.

There will be a Celebration of Life at Shannondale Presbyterian Church, 4600 Tazewell Pk., Knoxville, TN 37918 on Saturday, March 14, 2020 at 1:00 p.m. with Rev. Stephen Meador officiating. Visitation will immediately follow in the church fellowship hall.

In lieu of flowers, donations may be made to Shannondale Presbyterian Church. Gentry Griffey Funeral Chapel is honored to serve the O'Connor family and invites you to view and sign the online registry at [www.gentrygriffey.com](http://www.gentrygriffey.com).

# COVID-19 Community Update

**Information is changing rapidly.** Governor Cuomo has been speaking daily. Watch the press conferences for up-to-date details or visit:

- Livingston County DOH Website  
[www.livingstoncounty.us/1207/COVID-19](http://www.livingstoncounty.us/1207/COVID-19)
- NYSDOH website [www.health.ny.gov](http://www.health.ny.gov)
- CDC website [www.cdc.gov](http://www.cdc.gov)

## Situational Update:

- A State of Emergency has been declared nationwide, statewide, and countywide as COVID-19 continues to spread.
- The LCDOH has activated a toll-free number (1-877-280-6775) and will be providing this information in various ways to the community.
- There will be a radio interview on March 23<sup>rd</sup> at 3:00 pm with WYSL 1040 AM/92.1 FM to answer questions from the public. To be sure your question is answered, submit them in advance to [dept\\_of\\_health@co.livingston.ny.us](mailto:dept_of_health@co.livingston.ny.us)

## Prevention Tips:

There is currently no vaccine to prevent COVID-19 infection. The best way to prevent infection is to follow these tips:

- Wash your hands often with soap and water for at least 20 seconds, especially after you have been in a public place or after blowing your nose, coughing, or sneezing. If soap and water is not available, use a hand sanitizer that contains at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick.
- Put distance between yourself and other people. This is especially important the elderly and people who have serious chronic medical conditions.
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Clean and disinfect frequently touched objects and surfaces daily.
- Avoid crowds.
- Avoid all non-essential travel.

### U.S. Senate Passes Emergency Bill to Combat COVID-19. Delivers Nearly \$2 Million Annually to Livingston County

On March 18, 2020, the U.S. Senate passed an emergency legislative package in response to the COVID-19 crisis. This measure sends billions of dollars to New York State on an annual basis - with Livingston County slated to receive \$1.84 million each year.

Senator Charles Schumer (D-NY) pushed to include a cost-sharing provision in the emergency bill so New York State counties – which pay a portion of Medicaid costs – directly benefit from an increase in federal Medicaid support. Schumer's efforts increased the federal share of New York State's Medicaid program from 50% to 56.2%, thus reducing the state's share and delivering more federal dollars to the state and counties.

"I would like to thank Senator Schumer for playing a pivotal role in securing these critical healthcare funds for our statewide battle against COVID-19," said David LeFeber, Chairman of the Livingston County Board of Supervisors. "This funding will help our county as we continue our efforts to protect the health and safety of our residents during this pandemic."

## One-of-a-Kind Art Trail in Livingston County Planned for May

### ~ Business Locations Needed ~

Livingston County will roll out its first ever **Inspirations Trail** from May 1-24, 2020. This is the first time an art trail of this scope will be launched in the county!

The Inspirations Trail will take visitors through Livingston County's nine historic villages while weaving in and out of the scenic countryside. Along the trail will be over 100 pieces of uplifting artwork in a variety of mediums, with each incorporating an inspirational quote or phrase. The artwork will be temporarily displayed in business storefront windows along the Main Streets of each village.

This initiative is being led by Livingston County Economic Development (LCED), which aims to collaborate with community partners to bring public art to downtowns. Current partners include seven local high school art programs that are creating panels for display, SUNY Geneseo college students, and many local artists.

Eventually, the trail will include permanent pieces of artwork, such as murals and sculptures. The Villages of Mount Morris and Nunda have already completed murals that will be part of this inaugural trail, while the Villages of Avon and Livonia are in the planning stages for future murals.

Louise Wadsworth, Downtown Coordinator at LCED, stated, "We truly appreciate all of the artists and business owners who have made this unique Inspirations Trail possible. What better way to promote our local artists, our vibrant Main Streets, and positivity all at the same time."

Registration is still open for any downtown business that would like to be a designated location along the Inspirations Trail. By sponsoring the art trail for \$25, your business will be listed on the trail map and may be asked to host a panel in your downtown storefront window during the 3-week event.

Visit <https://inspirationstrail.com/> to register, or call Louise Wadsworth at 585-243-7124 for information.

## LOCALITIES MUST HAVE A SAY IN NEW ENERGY PROJECTS

Legislative Column from Assembly Minority Leader Will Barclay  
(R,C,I,Ref-Pulaski)

Local governments are already under enormous stress in New York, between the crushing weight of unfunded mandates driving up property taxes, counties being forced to pay for a portion of Aid and Incentives for Municipalities funding and the Governor's plan to shift increasing Medicaid costs upon them, there seems to be little respite for local taxpayers. Now, in his latest salvo, Gov. Cuomo is angling to reduce local governments' ability to regulate where new energy projects will be constructed. His constant push to consolidate control over every facet of the state is unwarranted and alarming.

Gov. Cuomo's plan calls for the creation of an Office of Renewable Energy Permitting that would oversee the permit process for new solar and wind projects. He is also calling for the New York State Energy Research and Development Authority to work with the Department of Public Service and the Department of Environmental Conservation to develop potential locations for the new power generators. None of those entities have local representation; they are all state agencies under total control of the governor's office.

The governor and his administration are all too eager to dictate what is best for local governments and communities. Some of the provisions he is advocating for include: Exempting major renewable energy projects from the standard Article X siting process; there is no provision for local representation on siting boards (in fact, there doesn't appear to be any provision for siting boards at all);

The only substantive input local communities retain is to submit a statement of whether a renewable project is in compliance with local laws/ordinances; Municipalities would be prohibited from requiring any sort of permit or approval at the municipal level for renewable energy projects; and Providing for a 60-day comment period for local communities to express concerns, but these concerns are restricted only to include possible legal issues, environmental issues, concerns about the possible reduction of land value and similar matters.

By virtually eliminating local government officials and community participation from the siting process, Gov. Cuomo is silencing the voices of those directly impacted by the projects. These complex decisions will have a substantial impact on businesses and homeowners and the overall well-being of communities. It is extremely disingenuous to act as if shutting out stakeholders is "streamlining" projects.

It is incumbent on the Legislature to take action now, and protect the interests of those we represent. Our local governments have more expertise and an ear to the ground in the communities they serve. They understand the landscape and the needs of residents better than anyone else. Their voices must be loudest as we move forward with these new projects.

If you have any questions or comments on this or any other state issue, or if you would like to be added to my mailing list or receive my newsletter, please contact my office. ## Family Fun Nights A Huge Hit!

**Family Fun Nights**, hosted by the Mount Morris PTSA, have been a huge hit for the last six years. Whether people come for an evening of family swimming, games, gym time or crafts, people are coming together and having fun!

The MMPTSA began hosting the Family Fun Nights about six years ago as a way of providing community access to the MMCS facilities during the cooler fall and winter months.

MMPTSA pays for lifeguards to monitor the pool for family swim while other volunteers fan out to monitor open gym space, game, Lego and craft tables – and even paint faces and hands. Thanks to a generous food donation from Barilla foods of Avon, the PTSA has been able to provide a delicious pasta dinner free of charge at each of the five Family Fun Nights that are hosted annually.

This year, Wegmans donated \$100 to provide healthy sides to the Family Fun Nights, which allowed the PTSA to add a variety of fruits to the free dinner menu. With dinner, snacks, drinks, swimming and games available, Family Fun Nights have become an important part of the MMCS community.

At the last Family Fun Night of the year on March 6th, a generous PTSA donor paid for kids to get airbrushed temporary tattoos. The event was attended by 90 children plus extra family members. MMCS elementary teachers were in charge of the final event and even added a pool filled with fake snow to the evening's festivities.

“Any time we can host an event that benefits our kids, we are grateful for that opportunity,” said Amanda Lonsberry, PTSA President. “Family Fun Nights have become a great way to give parents and kids a free, fun evening where they can enjoy each other in the hub of their community. Seeing families have fun and grow together makes all our work worthwhile.”

MMPTSA meets on the first Monday of each month with start times rotating between a 3:30 pm and 6 pm. The next meeting is Monday, March 30 at 3:15 pm.

New members are always welcome! Follow the PTSA on [Facebook/mountmorrisptsa](#) for updates on events, activities, fund raisers and volunteer opportunities!
