## COVID-19 CORONAVIRUS ALERT

As of Monday, March 23, 2020, the Dutch Mill Pharmacy and HomeTown Pharmacies will conduct all business through our drive-up window

To streamline the prescription filling process, reduce your wait time at the pharmacy, and to help protect other patients and staff during the global COVID-19 Coronavirus pandemic, the Dutch Mill Pharmacy & HomeTown Pharmacy encourage you to use the following suggestions:

1. Visit one of our websites to download our app or to enter your prescription numbers online. Your prescription information will automatically transmit to our computer system where we will begin the refill process.
2. Call the pharmacy to request prescription refills. We will be happy to take your order over the phone so it can be ready when you arrive to pick it up.
3. If you bring in your old prescription vial for refill, we will ask you for the Rx# on each bottle. We do not need your old prescription vial to fill your prescription, just the Rx# in the upper left highlighted area on the label.
4. If you are not feeling well, please pick up your prescriptions at our drive-up window. Please call ahead so your order can be filled and ready, as we request that the window be used for pick-up only. We will be happy to include any OTC items if you call them in ahead of time with your prescriptions.
5. For express payment service, you can give us your credit card information over the phone so all you have to do is stop in to pick up your order.
