Thomas Fence In Business For More than 40 Years

We are a family owned and operated company, in business for more than 40 years. Our commitment is to provide homeowners and business owners superior quality products.

At Thomas Fence, we design, build and install a full line of fencing products for residential, commercial and industrial applications. We are fully insured and bonded, and our employees perform every aspect of work for our company. We do not use subcontractors, so you know you are getting the quality of workmanship that comes with years of hands-on experience and training.

Call us for wood, vinyl, aluminum, and chain link fencing. We handle all details and have a variety of material, color, style and accessory choices. We also operate our own welding and fabrication shop for manufacture of swing gates, cantilever gates, overhead slide gates, as well as custom dog kennels.

From contractor to DIYer, we can supply quality materials and our professionals are available to provide expert advice for any project. We serve Lake, Geauga, Ashtabula, Trumbull, Mahoning, Portage, Stark and Cuyahoga counties in Ohio, as well as clients across northern Pennsylvania. Call today so we can help keep your county beautiful!

Affordable Roll-Off

At Affordable Roll-Off, we take pride in providing the easiest dumpster rental process the Northeast, Ohio market has to offer. Our free consultation will allow

us to sort through our massive selection of dumpsters and find the perfect one for you. Of course, you can also expect us to appear in a

prompt fashion as anything less is inexcusable. Even though we offer such a high degree of customer care in Cuyahoga, Geauga, Lake and Ashtabula counties, we are still able to offer the most competitive pricing and the fastest delivery times. Get in touch with us today if you are ready for us to have a dumpster sent to your home or business in Northeast Ohio.

Whether you are a contractor, a roofer, a construction company or homeowner with a project, we can provide the highest quality service to you and your project.

8 garden tools for beginners

The right tool for the job is essential to working safely and efficiently. This is as true in the workplace as it is in the garden.

Novice gardeners may not know where to begin in regards to which tools they need. The following are eight items that can serve as a solid foundation for beginning gardeners.

1. Gloves: Your hands will be working hard, so it pays to protect them from calluses, blisters, splinters, insects, and dirt. Look for water-resistant gloves that are also breathable.

2. Hand pruners: Hand pruners are essential for cutting branches, cleaning up shrubs, dead-heading flowers, and various other tasks. Choose ergonomic, no-slip handles that will make work easier. Rust-resistant, nonstick blades also are handy.

3. Wheelbarrow: A wheelbarrow can transport gear to garden beds or tote dirt, leaves, rocks, and other materials around the landscape. A good wheelbarrow is strong but light enough to maneuver when full.

4. Loppers: Long-handled loppers will fit the bill for thick branches. The long handles provide leverage to cut through branches an inch or more in diameter.

5. Hand trowel: A hand trowel is a handy

tool that lets you dig holes or unearth weeds. While shopping for a trowel, consider getting a hand-held garden fork, which can aerate soil and cut through roots.

6. Hose/watering can: Keeping gardens hydrated is part of ensuring their health. That makes a hose and a watering can two invaluable tools to have around. Invest in a lightweight, expandable hose if storage space is at a premium. An adjustable nozzle will enable you to customize the water flow as needed. A watering can is an easy way to tote water to hard-to-reach pots and containers.

7. Garden kneeler: Gardeners often bend and kneel while working in the soil. That puts pressure on the back and knees. A comfortable garden kneeler with memory foam or one made from shock-absorbing material can reduce aches and pains.

8. Garden hoe: Garden hoes till soil, remove weeds and perform many other tasks. A garden hoe can be used along with a full-sized shovel, trowel and garden rake.

This list is just the tip of the garden tool iceberg. Visit a garden center and speak with a professional about other tools that can be added to the mix.

When it is flooring or furniture you're looking for, Fuller Flooring and Design is your one stop shop!

While we are all dealing with this unusual time right now, we are still your local floor covering and furniture specialist!

Knowing that you cannot visit our showroom for the next couple of weeks, take some time to visit our website to get some ideas for that flooring and furniture remodels you've been looking to do. We can work with you over the phone to get your project started and will be here when this is all over to execute your plan to make it a reality!

We are located in historic Downtown Willoughby and continue to provide fine quality flooring and furnishings as we have since 1929. Our family owned and operated business treats all of customers as if they are a member of our family. As always, we will continue to go above and beyond in every aspect of the flooring and furniture buying process.

We want to thank each past, present and future customer for your patronage. Without you, our family owned business would not be here!

Stay safe and we will see or hear from you soon!

We value all our customers so if you have any questions feel free to call us at (440) 969-1211.

Decor ideas to give homes a fresh look this spring

Spring is a season of rejuvenation, and that spirit of renewal can take hold inside a home.

Warm weather and longer hours of daylight make spring a perfect time to

imagine a home's interior design in a new light. The following are a handful of decor ideas that may inspire homeowners to give their homes an entirely new look this spring.

- **Wallpaper:** Wallpaper fell out of favor years ago, but new styles that aren't so heavily patterned can make for wonderful additions to any room. Large-scale prints can give a room a whole new feel without giving homeowners or their guests the impression that they have stepped back in time. A simple, mural-style floral wallpaper on the walls surrounding a table in a breakfast nook can bring nature inside.

- **Pastel colors:** Nothing embodies the spring quite like pastel colors. If colorful, bright flowers dot the garden in the backyard, homeowners can bring those uplifting pastels inside by painting an accent wall or even adding some brightly colored accent furniture to rooms that could use a lift.

- **Declutter:** Clutter is often conquered during spring cleaning sessions, but homeowners who want to create more free-flowing interior spaces can downsize their furniture and/or look

for multipurpose features that make it hard for clutter to take over a room. Create more open space in entertaining areas by mounting the television and getting rid of a bulky entertainment center. Create even more space by replacing rarely used end tables with a storage ottoman where books and magazines can be stored to give a room a fresh, clean look.

- **Accent features:** Sometimes the smallest changes to an interior space make the biggest impression. Replace dated accents like vases and table lamps with newer items that reflect the latest styles and trends. Such adjustments won't break the bank, and they can give rooms a whole new feel.

Spring is a great time to reconsider home interiors. This spring homeowners can embrace various strategies, both big and small, to give their homes a whole new feel.

Get Your Home Ready For Warmer Weather

By: Better Business Bureau
Serving Greater Cleveland

gloves for protection if you have sensitive skin.

Finally, clean your window screens, inspect them, repair any damage, and reinstall them in your windows. You can repair damaged screens with a kit you can purchase at most home improvement or hardware stores.

3. Inspect Outdoor Plumbing

Spring is the time to check that your outdoor spigots and irrigation system made it through the winter intact. Remove insulators (also called freeze caps) from outdoor faucets and turn on the water. A tune-up will ensure your system is operating efficiently.

4. Inspect Your Roof

Even if you can't go up on your roof because it's too high, you can inspect your shingles, flashings, and chimneys using a pair of binoculars. If you have a flat roof or a single-story home and are able to climb up, do so with caution.

5. Clean Gutters and Downspouts

Cleaning gutters can be a tough job, so consider hiring a pro, especially if your house is more than one story tall. If you're comfortable tackling it yourself, be safe and work with a partner.

Be sure water from the downspouts flows away from your house to keep it from collecting around the foundation. As dirty as this job can be, it's one that can save a lot of headaches and bigger problems down the road.

With these important maintenance chores out of the way, you're ready to enjoy the warm weather - and relax on your summer vacation.

Raymond Builders Supply

If you're building a new home or garage, remodeling, landscaping, building landscape walls or installing a new patio, please visit Raymond Builders Supply.

HISTORY - Raymond Builders Supply has been serving Northeast Ohio for almost seven decades. Since its modest beginnings as a cut stone dealer in 1947, Raymonds soon expanded to include brick, block and other masonry specialty items.

Now, many decades later, Raymonds has the largest brick selection in Northeast Ohio. We also stock hundreds of other items including block, cultured stone, landscape stone, pavers, retaining walls, steel products, pipe, cement, mortar, flue liners, fire brick, gas and wood burning fireplaces, gravel, sand, tools, and many more.

Thank you to our loyal customers for

enabling us to be so successful over the years. Please visit our beautiful brick and stone showroom as well as our outdoor paver and retaining wall display.

SUPERIOR SERVICE - We have built our business over the years based on our outstanding reputation of customer service. We employ a very knowledgeable and professional sales staff as well as expert delivery personnel. Our office staff is here to assist you with any questions regarding your new home or project. Our skilled delivery personnel have the ability to place your material in the most convenient place possible at your job site. With the contractor and homeowners needs in mind, Raymond Builders Supply is constantly changing and growing in order to provide the highest quality of customer service to you, our most valuable asset.

Tips For Choosing Carpet!

Since carpet is such an important decision and permanent choice to make, here are a few tips to help you in your decision:

Consider the way you live - if you have an active family and pets then look for a hardwearing carpet in a forgiving color. If you're a couple looking for a touch of luxury, you might opt for a plush pile in a flat color.

Familiarize yourself with how color effects a room - darker colors help make a room appear homier. Lighter colors make a room appear larger. One popular option is to choose a carpet that combines two colors in a subtle blend.

Padding is important - don't try to save a few dollars by going with less expensive padding. Carpeting relies on a layer of padding for support, strength and some extra cushioning. You might not be able to see the padding, but you'll definitely spot the extra wear and tear on your new carpet if you pick an inadequate padding material. It's also important to match the padding to the type of carpet you plan to use.

Consider your preferred fiber type - carpets are available in a wide variety of fibers and mixes. No one fiber is perfect for all situations, but try to think about factors such as fade resistance, traffic, moisture exposure, lifetime, feel, and budget.

Or - just ask us! Carpet & Flooring Mill Outlet in Willoughby is one of the largest stocking carpet & flooring stores in Ohio and our knowledgeable staff is ready to assist you with all of your flooring needs! We are proud to bring wholesale flooring buying power to the public! Serving all of Northeast Ohio, including Lake, Geauga, Ashtabula & Cuyahoga counties, we pass giant flooring savings on to YOU! We have a HUGE INVENTORY OF CARPET & FLOORING IN STOCK! Residential & commercial customers can choose from in-stock carpet, laminate flooring, hardwood flooring, vinyl tile, vinyl plank, & sheet lino. And remember -- SAME DAY INSTALL is not only possible, but a breeze with our professional flooring & carpet installers. We are experienced & friendly and you can rest assured that your flooring will be installed right the first time! Call us at 440-953-3567!
