Barino's Market Updated Hours

To our valued customers:

As the COVID-19 outbreak continues to develop, we want to communicate that our staff & customers' health and safety is our #1 task. We are taking this situation very seriously and we are proactive in maintaining a safe environment. We are up to date with the recommendations of the CDC and the NYS Department of Health.

We are working with our vendors to keep a steady supply of products. Some shortages are unavoidable and we appreciate your patience.

- We are splitting our staff into two teams and this is why we must adjust our hours.
- One team will be working Monday - Saturday from 7am-3pm (Starting 3.23.20)
- We are closing early for thorough cleaning each afternoon.
- We will be closed on Sundays for deep cleaning. (Starting 3.29.20)
- The other team comes in on Monday while the first team takes a week-long break.
- The two teams will stay separated including Moe & Mike.

ITEMS THAT WE HAVE

Milk & Bread Meat & Produce
Cold Cuts & Salads Toilet Paper & Paper Towels
Groceries & Canned Goods

Our Kitchen & Deli are opened for hot and cold food options.

Although our doors are open, we encourage you to call for delivery or call ahead and we will bring to your car. If any seniors are reading this, **PLEASE call us for delivery and stay sheltered in.**

No matter who you call for food or other necessities, please remember the small businesses in our area. Call around to see who else is opened. We need to support local business if you want them to be here when this is all over.

This virus forces businesses to make quick decisions and things change on a day to day and sometimes hour to hour basis. Please be patient while we adjust to this temporary situation. We feel this is the best scenario to keep our doors open for the community that we have been serving for 15 years.

Stay Safe and God Bless!

STILL HERE FOR YOU

Though we are not present in our office at this time, our phone lines and email remain open for you. Whether you are a senior citizen, homeowner, tenant, newly unemployed, you can call us so that we can help you figure out what you need in the interim. If you just need someone to talk to, I am here. Times are tough and became tough for all of us in a really short time. I do not think anyone will forget this period of time for as long as they live. Like every other time in history, we will get through it. We will get it through stronger. For now, we have to practice social distancing and staying home. Taking a walk means only for a few blocks and that you return home as soon as possible. Many young people are still gathering around our parks. Please discourage them from doing so as it only puts more people in harm's way. Be sure to listen to Governor Cuomo and Mayor de Blasio. Though we may not always agree with them, they are our leaders at this time. If our elected leaders fail, we fail. We must do as they say to end this crisis and slow the rate of people becoming infected.

MEETINGS

All of our Community Board committee and General Board meetings are postponed for the indefinite future. While we still may have conference calls where we will allow for the public to join us, at the earliest, it will not happen until April. Many are still shocked, sad, and most importantly, trying to get better, but I can assure you we will get back to our daily program as soon as humanly possible. Community Boards are nothing without the public. It is because of the public that we have a semblance of influence.

RESOURCES

Our state and federal government have announced many programs for tenants, homeowners, the newly unemployed and senior citizens during this time. I ask that you call us at (718) 892-1161 so we can figure out what is right for you at this time. I know bills are piling up, but help is on the way. Please continue to contact our federal leaders in our nation's capitol so that they are aware that we will need government's assistance for the foreseeable future.

IMPORTANT PARKS DEPARTMENT SERVICE CHANGES DUE TO THE CORONAVIRUS (COVID-19) UPDATED:

The World Health Organization has declared the COVID-19 disease, known as the coronavirus, a pandemic. During this time, we ask that all park goers use additional precautions to protect their health and safety and that of those around them. At this time, City parks and playgrounds are open. We ask that all park goers take extra precautions to stay healthy and safe. While solo exercise is okay, team sports (such as basketball, football, softball, and soccer) are not permitted in our parks at this time. A NOTE FROM THE BRONX PENNY PINCHER: Hour by hour our world is changing. These are trying and scary days for us all. However, no matter the circumstances, our community has proven that adversity can bring out the very best in each of us. We have weathered many storms together and this time will be no different. Here at the Bronx Penny Pincher our primary focus has always been to support our residents and businesses and we will carry on doing so. To that end we have plans in place to continue publishing our weekly Throggs Neck edition. The frequency of our other editions will be reduced over the next two months until everyone is up and running again. Over the next 8 weeks our office will remain open Tuesday-Thursday if possible and we will work from home the remaining days. As we venture into uncharted territory, we do it together. We remain resolute in our mission to provide you with our weekly paper and of course the best deals in the Bronx! All Our Best, The Penny Pincher
