Prayer for the Times

One Sunday morning at a small southern church the new pastor called on one of the older deacons to lead in the opening prayer. The deacon stood up, bowed his head and said, "Lord, I hate buttermilk."

The pastor opened one eye and wondered where this was going. The deacon continued, "Lord, I hate lard." Now the pastor was totally perplexed.

The deacon continued, "Lord, I ain't too crazy about plain flour either. But after you mix 'em all together and bake 'em in a hot oven.... I just love biscuits!"

The deacon didn't stop there. "Lord," he said, help us realize when things come up that we don't like, whenever we don't understand what You are doing, that we need to wait and see what You are making. After you get through mixing and baking, it'll probably be something even better than biscuits. Amen."

They said a Mask and Gloves were enough to go to the grocery store...

They lied, everybody else had clothes on.

There once was a man and a woman who had been married for more than 60 years. They talked about everything. They kept no secrets from each other... except that the old woman had a shoe box in the top of her closet that she cautioned her husband never to open it or ask her about it.

For all these years he had never thought about the box, but one day the little old woman got very sick and the doctor said she would never recover.

In trying to sort out their affairs the little old man took down the shoe box and took it to his wife's bedside. She agreed it was time that he should know what was in the box.

When he opened it he found 2 beautifully crocheted doilies and a stack of money totaling over \$25,000. He asked her about the unusual contents.

"When we were married," she said, "my grandmother told me the secret of a happy marriage was to never argue. She told me that if I ever got angry with you, I should just keep quiet and crochet a doily."

The little old man was so moved, he had to fight back tears. Only two precious doilies were in the box. She had only been angry with him two times in all those years of living and loving. He almost burst with joy and happiness.

"Sweetheart," he said... "that explains the doilies, but what about all this money? Where did it all come from?"

Oh," she said, "that's the money I made from selling the doilies."

LAFF - A - DAY

"I can see part of the trouble already."

Salome's Stars

ARIES (March 21 to April 19) An unexpected problem should be handled as quickly as possible so that it doesn't cause too much of a delay. Someone who knows what you're facing could provide needed advice.

TAURUS (April 20 to May 20) An unsettling situation seems to be taking forever to be resolved. Fortunately, your Bovine aptitude for patience is strong this week, so you'll be more than able to wait it out.

GEMINI (May 21 to June 20) Taking a stand against an uncalled-for situation involving a friend or co-worker isn't easy, but somehow you'll rise to the challenge and do it. Rely on advice from someone you trust.

CANCER (June 21 to July 22) There are still some questions on all sides that need to be dealt with in order to allow hurt feelings to heal. Get your workplace tasks done early so that you can devote more time to loved ones.

LEO (July 23 to August 22) Consider a new spring makeover that will show all you Leos and Leonas in your best light. A new hairdo and some fashionable new clothes can help put a fresh glow on your image.

VIRGO (August 23 to September 22) Some stormy, emotional weather can blow up in the workplace when an irate co-worker has strong words for you. But if you believe right is on your side, you'll be able to ride it out.

LIBRA (September 23 to October 22) Creating more balance in your life is especially important now so that you're not distracted when you get into projects that will make demands on both your physical and mental energies.

SCORPIO (October 23 to November 21) As much as you enjoy being right when others are not, show your generous side by offering to use what you know to everyone's benefit. This way, you gain admirers and avoid resentment.

SAGITTARIUS (November 22 to December 21) This is a good week for the Archer to aim at healing relationships. Whether it's at home, at work or among your friends, get everyone to set things straight and make a fresh start.

CAPRICORN (December 22 to January 19) Although you like things done your way, this is a good time to listen to ideas from others. You might even find yourself agreeing with one or more of their suggestions.

AQUARIUS (January 20 to February 18) Aspects favor positive action to reclaim your ideas from someone who might want the glory without doing any of the work. Expect to find many people rallying to support you.

PISCES (February 19 to March 20) You might feel uneasy about taking that step forward at work or in your private life. But who knows better than you that while treading water keeps you afloat, it doesn't get you anywhere.

BORN THIS WEEK: You have a way of creating positive attitudes and making people feel good about themselves.

How to support local businesses during mandatory restrictions

The outbreak of the novel coronavirus COVID-19 throughout the United States in March 2020 transformed American lives in ways many might never have imagined possible. Social distancing recommendations and restrictions on gatherings of more than a handful of people had a ripple effect on the economy that adversely affected many small businesses.

Small businesses are the backbones of local communities. According to the U.S. Small Business Administration, small businesses make up 99.9 percent of all businesses in the United States and employ 59.9 million employees. The SBA notes that the accommodation and food services sector is the second largest small business industry. Many of these businesses have been hit especially hard as more and more of their regular customers stay at home in the wake of government advisories promoting social distancing.

But small businesses are vital to local communities, and there are ways to support them and help them stay afloat as they confront the challenges posed by the COVID-19 outbreak.

- Order delivery. It's still possible to enjoy foods from your favorite local restaurants. Many restaurants that had not previously done so have begun to offer delivery services, be it curbside or at-home, and this can provide a great respite for families who have had to cook three meals a day at home for their entire families for extended periods of time. Curbside delivery has made it possible to get takeout meals without compromising social distancing recommendations.

- Recognize that more than food is available for takeout. In response to the COVID-19 outbreak, Governor Andrew Cuomo of New York announced relaxations on laws governing what can and cannot be obtained via takeout, allowing takeout on goods that were previously restricted in regard to takeout. For example, Cuomo announced that the New York State Liquor Authority intended to temporarily relax regulations regarding the takeout and delivery of alcohol. Utilizing such services can be a great way to support local businesses while still adhering to recommendations designed to slow the spread of COVID-19.

- Purchase a gift card. Gift cards can help small businesses generate revenue at a time when their doors are largely closed to the public. This can be vital to these businesses' survival, and it gives consumers something to look forward when life returns to normal.

- Help market local businesses. Spread the word when local businesses deliver in the wake of the restrictions put on them due to COVID-19. Share these experiences via social media or online reviews, and urge your neighbors to patronize these businesses.

Local businesses are suffering during the COVID-19 outbreak. But communities can come together to support business owners and their employees to help these vital businesses stem the tide. TF205946

Knock You Naked Bars

INGREDIENTS

- 2 1/4 c. all-purpose flour
- 1 tsp baking soda
- 1 tsp salt
- 1 c. butter softened
- 3/4 c. sugar
- 3/4 c. packed brown sugar
- 1 tsp vanilla extract
- 2 eggs
- 2 c. semi-sweet chocolate chips

Caramel Sauce

- 5 oz evaporated milk
- 1 bag 14 oz caramels
- 1/2 c. peanut butter

INSTRUCTIONS

Preheat oven to 375 degrees. Grease a 9 x 13 in pan.

Combine flour, baking soda and salt in small bowl. Beat butter, sugar, brown sugar and vanilla in a large mixing bowl until creamy. Add eggs, one at a time, beating well after each addition. Gradually mix in flour mixture. Stir in chocolate chips.

Spread half of cookie dough into the prepared pan. Bake for 8-10 minutes. Remove from oven.

While the cookie dough is baking melt caramels and evaporated milk in a double boiler. Add peanut butter after caramels are melted. Melt thoroughly. Spread over baked cookie dough base.

With the remaining cookie dough, drop by spoonfuls on top of the caramel mixture.
