NO EXPERIENCE PREFERRED

The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can’t help but smile every time.

“ - Lance Carter

Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.

“ - Sissy Smith

When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.

Ask about easy bill pay!

A message from our publisher.

Dear Reader,

From time to time, we must face things outside of our control. The current situation with the coronavirus (COVID-19) is causing fear, anxiety, and uncertainty. In times like these, we find this prayer to help ease our minds and set our perspective on the positive things: the things we can control.

*God grant me the serenity
to accept the things I cannot change,
Courage to change the things I can,
and Wisdom to know the difference.*

Under advice from the CDC to prevent the spread of the virus, we are practicing “social distancing” while we remain open to serve you, our Reader. Our sales, creative, and digital teams are working primarily from home. We want to be part of “flattening the curve.” Our front office team, who many of you talk

to, is working in the office and practicing guidelines from the CDC. We encourage you to take the recommended steps the CDC has issued to protect yourself and our community. Please continue to “shop local” but in a smart manner. Order your food to go or pick up your orders, but don’t stop supporting local businesses. They need your support.

We know this will pass, just like other horrible situations we have battled and overcame. We will emerge stronger as a community and country.

Sincerely,

PUBLISHER

*Our company was founded to help you “buy, sell and trade”.
We continue to carry forward that founding idea.*
