Bijou Gallery Custom Bridal Jewelry A Specialty for Local Gallery Owner

"It all started about 20 years ago, when my stepdaughter asked me to take a jewelry-making class with her at a Kansas City bead shop," says Kathryn Buckley, owner of

Bijou Gallery. "We had a fun day. She got a necklace and I got hooked!'

What started out as a lunchtime lark, turned into a passion and a serious business venture for Buckley. After a few years of learning the many aspects; haunting gem shows and bead shops; investing in supplies and tools; and practice-practice-practice, Kathryn launched "Knotty Girl Jewelry" and began to sell through various shows, a local Kansas City gift gallery, and the Nelson-Atkins Museum gift shop. "The

quirky brand name was inspired by my pearl-knotting capabilities, she explains, "and I often provided restringing and re-styling services to local jewelry retailers as well as personal customers."

It wasn't long before Kathryn received her first request for a bridal piece. The bride-to-be wanted something super-special for her Maid of Honor, and provided a fabric swatch and a photo of the dress she would be wearing - asking that the design be a necklace she could wear after the wedding, too. "I made a delightful confection of a choker necklace with pearls and garnets. It made her very happy, stayed within her budget, and put me into a new facet of the art jewelry business," she laughs.

Since then, Knotty Girl has provided exquisite pieces for several bridal parties large and small, including her stepdaughter's in 2014. "That one was a challenge," says Buckley. "She wanted something different for each bridesmaid and wanted the pieces to be their bridesmaids' gifts, but I wouldn't be able to meet with them until the rehearsal. I wound up making many, many pieces of many styles, took them all to the rehearsal, and let the ladies "shop" and choose what they wanted on the spot. It was a big hit.'

Now a resident of Spirit Lake, Kathryn creates trendy, imaginative, one-of-a-kind pieces in her home studio. "I use a variety of materials and techniques," she continues, "precious gems, real and imitation pearls, glass, crystal, ceramics, wood, shell, silver, gold, brass, leather, knotting, linking, wire-wrapping - whatever seems right for what I have in mind. I pay great attention to detail and quality, and each piece comes with a limited warranty on components and workmanship. Right now, my work is sold only at Bijou Gallery, but I'm hoping to find some other outlets in our area.'

For bridal or personal custom jewelry consultations, visit or call Bijou Gallery, 712-332-8204 or call Kathryn Buckley, 816-225-5401. Bijou is located in the old Stone Cottage just off Highway 71, next to the soon-to-be-opening Okoboji Commons Hotel. The gallery features fine crafts, decorative arts, jewelry and gifts - all made by hand in the United States and Canada. Regular gallery hours are Thursday through Monday, 10:00am - 4:00pm.

LETTERS TO THE EDITOR

Dear Editor,

Thanks to the 175 men, women and children who flocked together in the shape of a giant American Goldfinch during the 9th Annual Peoples Environmental Art Project!

Organized by Iowa Lakeside Laboratory, this event would not be possible without all of the participants, volunteers and sponsors, including the Friends

of Lakeside Lab - Lakeside's non-profit community support group-Beck Engineering, First Lutheran Church, Heritage Landing and Genie Reed.

The Okoboji High School After Prom group provided

And the second s delicious, nutritious warm soup and treats. Sales proceeds will support the after prom activities. Participants also had the chance to win a multitude of door prizes donated by Bank Midwest, Bomgaars, Central Bank, Friends of Lakeside Lab, KUOO, Northwest Bank, Pizza Ranch, Three Sons and United Community Bank. Thanks to the Okoboji Yacht Club for loaning their speaker system so the birds of the feather stayed together!

Our artistic team made it possible for everyone to be "Part of the Art." Thanks to our photographer-in the-sky, Judy Hemphill, and her pilot, Phil Smith, from Leading Edge Aviation. Kudos to Sara Lynn Dunkerson of Ankeny, Iowa, this year's contest winner. Art Director Chad Branham rendered Sara Lynn's design and did the math to figure how giant to make the goldfinch without knowing how many people would show up or what colors they would wear! Chad and his wife, Marta Barnard, were also responsible for guiding volunteers into the design.

Sincerely,

Jane Shuttleworth Iowa Lakeside Laboratory Education Coordinator Lisa Roti **Executive Director, Friends of Lakeside Lab**

MILFORD DOWNTOWN STOREFRONT **RENOVATION NEAR COMPLETION**

It had become clear that downtown Milford storefronts required major improvements in order to serve the Milford of today, as well as future generations. With that concern, in December 2011, Milford Downtown revitalization became a top priority as a result of the collaborative efforts of United Community Bank, Milford Municipal Utilities and Milford Development, Inc. (a nonprofit community development corporation). With United Community Bank and Milford Utilities each providing \$260,000 to the downtown Milford revitalization project, a pool of \$520,000 for significant building improvements in the form of no-interest forgivable loans was created to help facilitate and encourage businesses in the downtown area to renovate their storefronts. As a result, 13 Milford storefronts have been renovated with the final 2 to be completed in 2016.

"The importance of the Downtown Milford Renovation Project to the economy of downtown Milford, the entire city and the Lakes Region is not underestimated, and it's exactly because of the importance that we worked diligently with all of our local partners on a plan to move forward," explained Mark C. Fisher, President of United Community Bank and member of Milford Development, Inc. "We are confident that the renovation of the downtown mirrors the values that underpin Milford's development. It has strengthened the city's position and provides the foundation for a dynamic downtown area," said Fisher.

Todd Johnson, Vice President and CFO of United Community Bank and member of Milford Development, Inc. explained, "Our top priority was to renovate as many storefronts as possible, while managing the costs of those renovations.

As important, the process has included a cursory evaluation of the building's structural and historic integrity, with conceptual designs for improvements to the facade while bringing in new energy-efficient aspects. It's amazing the transformation that the town is seeing with these renovations. It's bringing our downtown back to life."

The building designs and drawings were a collaboration of ideas from Mick Noteboom and Nolan Van Berkum. Nolan was instrumental in preparing the drawings and Mick was the liaison between the contractors and the building owners. Their goal to have a cohesive look yet offer unique building attributes has been well received by the public. "We have made sure no cookie cutter approach has been used for any storefront project," said Mick Noteboom.

Milford Utilities has been working alongside the businesses to ensure the most energy efficient materials are used on the projects. "By consuming less energy, our local businesses are more competitive, more efficient and can pass those savings on to their customers," said Eric Stoll, General Manager of Milford Municipal Utilities and member of Milford Development, Inc. "People really see an improvement when they come through downtown Milford," Stoll said.

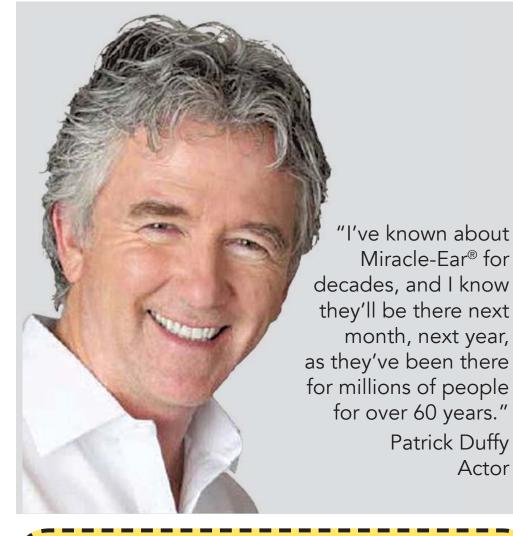

BRC Land Development LLC

The positive long-term economic impact of a stable commercial business district is the anticipated return to all involved in the project. The downtown renovation project has provided significant improvements that will have a visible and meaningful impact to Milford for years to come.

Photos featured are the 13 Milford storefronts completed, located on the four main blocks at the center of downtown Milford. East side of Okoboji Avenue, starting south (top row, left to right): Mill Creek Restaurant, Milford Communications, Pampered Pet Salon, Stan's Barber Shop, 3 Little Birds and True Value Hardware. West side of Okoboji Avenue, starting south: Steffes General Contractor, Twisted Tattoos, Okoboji Wireless, PFT. MHR Insurance, Iowa Lakes Realty and Classic Comb share building. The Coffee Shop, Zen Salon and Sunset Travel share building. Former JoWaCo Depot and John's Tire Service building. The Scoreboard Lounge and Walters Real Estate will soon be completed.

Community Bands to begin rehearsals

We had forgotten that both the Northwest Iowa Concert Band and Northwest Iowa Jazz Band take a winter break from rehearsals between November's winter concert and real winter – winter like we've been experiencing these last few weeks. But Monday night the two bands will begin rehearsals in the Estherville High School music room, for their spring concert.

The jazz band will kick things off at 6:30 each Monday night between next week and the April 18 concert date, while the concert band starts an hour later. The good news is that both bands are looking to increase the number of volunteer members ranging in age from senior high school students to 'senior' students.

Dust off your old horn and get more information by calling or emailing band director Rich Nicklay at 712-330-5452, or nwiaconcertband@gmail.com ; Scott Benjamin at 712-858-4592, or Islwinery@Islwinery.com ; or CEO (Chief Everything Officer) Steve Danielson at 712-362-4667, or danie@longlines.com

And be sure to ask how to find the music room - It's not behind the Green Door. It's a gray door ...

For the record: The snow date for the April 18 concert is Tuesday, April 19. Here's hoping the snow is long gone before the first week of spring!

While Durante will be long remembered for his decades of work on stage, one of his most memorable efforts, the song *Make Someone Happy*, came from the 1960 stage musical *Do-Re-Mi*, with music by Jule Styne, and lyrics by Betty Comden and Adolph Green.

Your County Park: Horseshoe Bend Wildlife Area

It has been 47 years since the Dickinson County Conservation Board began, and the organization quickly got to work.

By 1971, conservation board leaders had entered an agreement to purchase a piece of property along 240th Street just south of the city of Milford. The area, dubbed Horseshoe Bend, was purchased from Richard and Rhoda Kaiser and Vern and Alvina Hankins. It quickly became one of the

most popular recreation spots in the county, and the conservation board proposed acquiring additional acres within two years. The State Conservation Com-

mission has previously approved the acquisition of 100 acres of land in this area that has already been partially developed with picnicking facilities and a winter sports area that is heavily used,'

an interdepartmental communication in the State Conservation Commission read. "On one Sunday count during the early part of 1973, a total of over 300 cars were counted using the winter sports area. This heavy use has necessitated the expansion of the area at a faster pace than was originally planned.'

A warming house for the winter sports area was constructed. Picnic shelters were built. A maintenance facility was added. Trails and bridges were mapped out. Rustic campsites appeared.

Today, the Horseshoe Bend Wildlife Area is the Dickinson County Conservation Board's second-largest and most well-used park.

The 180-acre wildlife preserve offers a 2.5-mile trail that winds through the Little Sioux River valley as well as upland forests, meadows, marshes and oxbow ponds. These diverse habitats play host to a number of creatures including deer, beavers, fox, turtles, salamanders and many avian species.

Facilities at Horseshoe Bend include a warming shelter with indoor fire pit and a spectacular river valley outlook, a playground, modern bathroom facilities, rustic campsites and a picnic area and shelter house available to rent.

The park has limited deer hunting with a lottery held each fall and is also open to fishermen as well as canoers and kayakers, with an easy access point on the Little Sioux River. Four Ranger Rick geocaches are housed throughout the park, and anyone with a GPS-enabled smartphone can search for the hidden treasures.

In the winter, the Horseshoe Bend Winter Sports Area offers a snow tubing hill. Regular hours are 11 a.m.-6 p.m. Saturday-Sunday, when snow conditions are favorable. Special parties can also be booked at the tubing hill for a minimum of 25 people.

With eight parks and even more public areas, the Dickinson County Conservation Board has a variety of gems for the public to explore to help foster an appreciation of the natural world. Learn about each of these parks at www.dickinsoncountynaturecenter.com and see a new series of Youtube videos on each park, coming out periodically in 2016. LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

By the tone of the writer of the piece titled "Classroom Theory vs. Apprenticeship" (LNS, 2/2/2016), one is led to believe that only manual labor has any worth, and that college courses have no relationship to well paying jobs. In the writer's words, "Instant gratification comes from the classroom, reality comes from the work place!" Personally, I know of nothing that is "instant" about a college education. What I do know is that the benefits of college training pay off in real world salaries, and in the case of a community college education, the added benefit to Iowa of students who are more likely to remain here to work and help grow the economy. Iowa Lakes Community College is 50 years old and thriving. The courses and fields of study offered result in a workforce that benefits not only the student (affordable tuition), but also this region of Iowa. The folks who learn a skilled trade and go into the world of work ready to produce and perform with proficiency are certainly worth the \$11+ that will be raised through the passage of the referendum. A "Yes" vote on Tuesday is a vote for working people of every age. Please vote to keep ILCC alive and well for many years to come!

Healthcare is a very personal and important experience. Lakes Regional Healthcare Foundation (LRHF), organized in 2012, has been focused on making this experience as positive as possible by helping Lakes Regional Healthcare provide needed and comfortable care to its patients.

"We couldn't do this without gifts from our donors. From developing a wig bank for patients in our cancer program to providing at-risk, underinsured women in Dickinson County with screening mammograms, they're invaluable. It's a wonderful thing to see how one person's gift can impact the lives of others. We so appreciate the many items that have brought comfort to cancer patients as they undergo their chemotherapy treatments, such as massaging recliners, audio books, computerized entertainment technology, and inspiring artwork," said LRHF Executive Director Sonja Hamm. "Recently the entire community gave to LRH Foundation that resulted in Lakes Regional Healthcare purchasing three LUCAS Chest Compression Systems; these systems make it twice as likely to have a patient's pulse regained and have them walk out of the hospital and return home.³

LRHF Board Member Debbie Johnson is proud of the work LRHF does. She said, "We have a great healthcare facility here in Dickinson County – Lakes Regional Healthcare does great things to make our lives better every day. I'm proud to be a part of an organization that helps people in such important, personal ways.

Each year LRHF holds an annual fundraiser called the Grape Escape to celebrate the advancements in healthcare in the Iowa Great Lakes. The event is a five course dinner, each course paired with a select wine. Johnson's business, Secure Benefits Systems, proudly sponsors the event each year along with many others. "There are many causes to give to in our area, and they are all wonderful and make the Iowa Great Lakes a wonderful place to live. However, healthcare is something we can't live without and we at Secure Benefits Systems want to do our part to ensure we always have great care here - for ourselves, our children, and our grandchildren."

The next Grape Escape fundraiser will be held on Saturday, February 20 at Arrowwood Resort and Conference Center. The event will consist of a wine and bourbon tasting upon arrival and a five course dinner prepared by Chef Brendan Waltz, each paired with a select wine. Some of the entrees include seared sea scallops and root beer braised pork belly. Tickets are \$100 each, \$25 of which is tax deductible, and can be purchased by calling 712-336-8791.

Those interested in giving to LRHF can contact Sonja Hamm at 712-336-8791 or sonja.hamm@lakeshealth.org.

Visiting with your patient may involve simply talking or reading to your patient, or participating in activities with them. Volunteers do not have any medical responsibilities. Visiting times are flexible and are individualized to the patient and the volunteer's schedule. If you would like to join our team of amazing volunteers please call or email. Harbor Of Joy Announces Worship Services During Lent

Harbor pastor, Tim Nappe, has released the worship theme and schedule for the Lenten services. Nappe said the services will focus on the several prayers spoken by Jesus during his ministry. The series will be called, "Lord teach us how to pray."

This year Harbor will be participating in a round robin preaching rotation with several area pastors. Pulpits will be exchanged so each pastor can share their wisdom and insights with each congregation. Participating pastors include, in addition to Pastor Tim, Roger Godfredsen, Dan Taylor (Everly), Dan Hart (Boyden) and Kyle Fever (Okoboji Lutheran Bible Camp).

Harbor's first Lenten Worship service will be Ash Wednesday, February 10 at 7:00pm. Imposition of Ashes and Holy Communion will be celebrated during the service.

Preceding the service will be a benefit supper hosted by Harbor and the Harbor youth groups, JOYKids and JOY US. The community is invited to come join us for the event.

Harbor of Joy Lutheran Church is affiliated with LCMC (Lutheran Congregations in Missions for Christ). Worship, fellowship and education begin at 9:00am each Sunday morning. Harbor is located at 1204 L Avenue in Milford. Visitors are always welcome.

Milford Library News

Wednesday, February 10, at 3:30 pm, all 5th – 12th grade students are invited to come to the Milford Memorial Library to decorate sugar cookies. All supplies are provided by the library at no cost to the students.

If you are in preschool through 4th grade and need something to do after school on Thursday, February 11, stop by the library. Join Betty Naab, our children's librarian, as she hosts the after school craft party. The theme for this month is "Valentine Bingo."

Thursday, February 11, at 10:00am, we will be looking for our Shelf Elves. Volunteers take on the task of organizing and cleaning a section of shelves. This helps our librarians and it will make sure you can find the book you are looking for that might have otherwise been misplaced.

Hey, I just met you, and this is crazy. I have no cover, so read me maybe? There will be no awkward questions, no forced conversation, no judgmental looks, no need to call. Just have a blind date with a book! All of February you can have a blind date with a book. Books from an assortment of genres, departments, fiction and non-fiction will be wrapped in brown paper. Sure, it might turn out to be a dud, or it could be the diamond in the rough you wouldn't have given a chance otherwise.

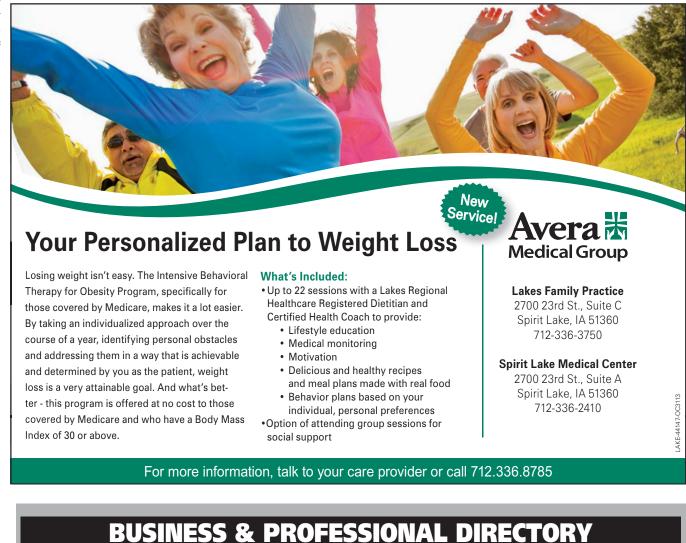

Join us for great stories and much more every Friday morning at 10:00! Betty, our children's librarian, looks forward to sharing stories with you! No pre-registration is necessary. The theme this week is "Valentine Stories."

Milford Memorial Library will be closed Monday, February 15, in observance of Presidents' Day.

Charming 3 bedroom, 2.5 bathroom, ranch-style house with attached double garage and also, a detached 24' x 24' garage for all your big toys or turn into a shop. Vaulted ceilings, main floor laundry, big walk-in closet in master bedroom. Great Home! Price reduced to \$178,900. Come take a look!!

LETTERS TO THE EDITOR

To the Editor:

Thank you again, Spirit Lake, for coming out and giving the blood of life on February 1, 2015. We did not make our goal of 64 units but came close. We had 51 presenting, 9 units of double reds and 39 whole blood donors making a total 57 units.

A big thank you to all that donated and mark your calendar for May 16. Let's make our goal this time.

A big thank you to all the volunteers for their help in calling people, in the canteen, reception area and to Walmart for providing such wonderful cookies. Your generosity is most appreciated by those needing transfusions in trauma situations and for on-going treatment of chronic life-threatening illnesses.
