Your deep respect for the Billy Corgan philosophy of those of us who want to be free. You loved nature walks, as we had so often. I'm sure you fed the birds today. They will sing your song for you. My cats will purr next to you because they love you there. Today's sun will shine in a thousand rays coming together over your name. The moon will keep changing while we look at it together. The canopy of stars will light up a path for you to walk along the sweet flowing river.

All My Love,
Mom

You are a diamond. Shine On.

Livingston County Reminds Residents of Resource Line for Older Adults NY Connects: 1-888-443-7520

Livingston County's Office for the Aging (OFA) urges older adults to follow NYS guidance for vulnerable populations to remain at home during this crisis, and to call upon family, friends, and neighbors to assist them to obtain groceries, prescriptions, and other needed items.

Older adults who do not have anyone to assist them and those who are experiencing food emergencies can call the OFA's NY Connects resource line at 1-888-443-7520 to learn about resources available to them.

County Administrator Ian M. Coyle stated, "Older adults represent one of the most vulnerable populations during this difficult time. We encourage them to continue preventative measures – such as social distancing and staying home – to minimize their risk of exposure to COVID-19."

"We want to make sure that older adults who are staying home as recommended and have urgent needs for food or basic items – because they do not have the support or means to get these items – have a place to call to learn about resources to assist them. The OFA appreciates all of the community members who are reaching out to their older family members and neighbors to make sure they are okay and do not have to go out to public places," said OFA Director Sue Carlock.

The resource line is staffed Monday-Friday, 8AM to 4PM. Voice messages left outside of normal business hours will be returned. Callers are asked to be patient as there may be a high volume of calls.

The NY Connects resource line is not for medical information. If you need information about symptoms of COVID-19 and its prevention, identification, and medical care, please call the Livingston County Health Department at 1-877-280-6775.

JESUS Cares For You

In praying for people for physical healing over the last several years, we have found that most people are anxious, worried and concerned about their illness and the effects it has been having or will have on their loved ones.

The Apostle Peter wrote in 1 Peter 5:7, "Cast the whole of your care [all your anxieties, all your worries, all your concerns, once and for all] on Him (Jesus), for He cares for you affectionately and cares about you watchfully."

What a great promise! Not only does Jesus care for your physical health, He cares for your whole person - spirit, soul and body - every part of you. At Healing Rooms on the Genesee, we endeavor to see people touched by the love and power of God, so that the whole person is ministered to. Give us a call and we will pray for you so that your cares are taken care of.

Livingston County Recognizes National County Government Month

As one of the nation's 3,069 counties, Livingston County is joining its peers from across the country to recognize April as National County Government Month (NCGM). The theme of this year's NCGM celebration is "Counties Matter," showcasing how counties help to improve people's lives every day and achieve healthy, safe, and vibrant communities. Look for social media posts this month with the #Counties-Matter hashtag as county governments nationwide highlight their operations and programs.

County Administrator Ian M. Coyle said, "We take pride in our responsibility to protect and enhance the health, well-being and safety of our residents in efficient and cost-effective ways. Now more than ever, county governments are displaying to the public their scope and breadth of programs and services."

"Livingston County is a full-service county with a vast array of innovative programs and services for our residents," said Coyle. "We have a workforce of over 1,200 dedicated staff members here to provide health services, administer justice, keep communities safe, foster economic opportunities, and much more."

"A special focus of our County is supporting older adults, their families, and caregivers," commented David L. LeFerber, Chairman of the Livingston County Board of Supervisors. "Especially in this time of need and pandemic-level crisis - we are here for you. We are here to assist, help, protect and serve."

National County Government Month is an initiative of the National Association of Counties (NACo). Since 1991, NACo has encouraged counties across the country to raise public awareness and understanding about the roles and responsibilities of counties.

REAL ID Deadline Extended to October 2021 due to COVID-19 Crisis

The Department of Homeland Security recently announced that President Donald Trump ordered the deadline for the REAL ID program to be extended by a year due to the COVID-19 crisis. The program requires U.S. travelers to obtain REAL ID-complaint driver's licenses in order to board domestic and international flights. According to a statement from Chad Wolf, Acting Secretary of Homeland Security,

"Due to circumstances resulting from the COVID-19 pandemic and the national emergency declaration, the Department of Homeland Security, as directed by President Donald J. Trump, is extending the REAL ID enforcement deadline beyond the current October 1, 2020 deadline. I have determined that states require a twelve-month delay and that the new deadline for REAL ID enforcement is October 1, 2021. DHS will publish a notice of the new deadline in the Federal Register in the coming days."

~ Phyllis R. Ludwig Bogardus ~

Geneseo --- Phyllis R. Ludwig Bogardus of 202 Clayton Heights and a former resident of Nunda died Monday, March 30, 2020 in her home. She was born on February 29, 1936 in the Town of Grove, a daughter of the late Philip and Norma Maynard Isaman.

In loving memory of our mother, grandmother, sister, aunt and friend. Phyllis was an extraordinary woman who loved fiercely. She dedicated her life to caring for her family, especially her grandchildren.

Her kitchen was always open and you never left empty handed. Though her bold (maybe a little bossy) personality and sassy wit often took precedence she never hesitated to tell you how much she loved you. She remembered all of your accomplishments and forgot your mistakes. She left us with peaceful memories, her love as our guide; and though we can not see her, she is always by our side. Maybe one day we'll find that place where we can be together. So smile for us one last time and believe we'll meet again. Until then we'll carry you in our hearts, forever loving you, from all of us.

Surviving are her children, Donna Grekalski of Frewsburg, Dale (Annie) Ludwig of Pittsford, Todd (Sis) Ludwig of LeRoy, her grandchildren, Joseph, Amber, Tara, Amanda, Amy, Emily, Stephen, Kimberly and Alicia, her great-grandchildren, Drew, Landyn, Riley, Bailey and baby Nothnagle, a sister, Shirley (Archie) Covert, a brother, Bradley (Pam) Isaman and several nieces and nephews.

In addition to her parents she was predeceased by a grandson, Paul John Grekalski, a brother, Arland Isaman and a son-in-law, Paul Grekalski.

A memorial gathering will be held at the convenience of the family and will be announced.

Funeral arrangements are under the direction of the Kopler-Williams Funeral Home, 21 N. Genesee Street, Fillmore.

Memorials if desired to the Garden Club of Nunda on behalf of Gram: Garden Club of Nunda, PO Box 259, Nunda, NY 14517

Access VA Care from Home to Protect Yourself from COVID-19 Livingston County Encourages Buddy Checks to Support Mental Health

Mount Morris, NY, April 2, 2020 — Michael J. Swartz, Executive Director of VA Western New York Healthcare System, said in a recent statement, “Due to COVID-19 precautionary measures and out of concern for our Veterans, we are honoring current social isolation and distancing guidelines.” He continued, “Through VA’s virtual care tools, we are able to leverage available technology to make sure that our patients and staff are as safe as possible during this time.”

In order to help VA Western New York Healthcare System address its most urgent needs first, Veterans are asked to use its online tools for routine or non-urgent questions. Some examples include:

- Telephone or Video Appointments – Veterans can receive care at home — either over the phone or via video using VA Video Connect on their computers, smartphones, or tablets. To set up telephone or video appointments, Veterans can send their provider a secure message on My HealthVet by visiting myhealth.va.gov. Veterans may also call, but VA is requesting that Veterans only call with urgent needs at this time. To learn more about VA Video Connect, visit mobile.va.gov/app/va-video-connect.

- Prescription Refills – Veterans can request prescription refills and order and ship medications to their homes using My HealthVet or the Rx Refill mobile app. Download the app at mobile.va.gov/app/rx-refill.

- Text Message Reminders – Veterans can use Annie’s Coronavirus Precautions protocol to send automated text messages with information about COVID-19. This application helps Veterans monitor for symptoms and can assist if they need to contact their VA facility for care. Enroll at mobile.va.gov/annie.

- Secure Messaging – With My HealthVet, VA’s online patient portal, Veterans can send online secure messages to your VA health care team to ask them non-urgent health questions. Register at www.myhealth.va.gov.

Jason Skinner, Director of Livingston County Veteran Services, stated, “We encourage our Veterans to use ‘buddy checks’ with each other to ensure that no one feels alone as we adjust to the realities of social distancing. The term ‘buddy check’ is commonly used in the military for a simple checkup or a friendly ‘how are you’. I would urge Veterans and others to call people they haven’t seen in a while or normally wouldn’t call.”

Skinner also reminds Veterans who are alone or feeling down that New York State Office of Mental Health has set up an Emotional Support Line of mental health professionals who are there to help us through this trying time. All calls to the Emotional Support Line at 1-844-863-9314 are free and confidential.

For more information about VA’s Connected Care technologies, visit connectedcare.va.gov or buffalo.va.gov.

RADON is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home. If you would like more information on radon or to request a radon test kit, please call 243-7280.
