## We Will Stand By You...

At Grant Funeral Services, the health of our customers and staff are a top priority. We have been monitoring the Coronavirus (COVID-19) situation and want our friends in the community to know we are taking every precaution to make our Funeral Home a safe place. In this time of uncertainty, We want to reassure our families we are here to serve you, and we are still holding small family services as we understand the human need to celebrate the life of your loved one. However, we are not holding any public funerals or visitations. The CDC has issued a statement to funeral homes through the National Funeral Directors Association. In Summary:

- You can still have a small family (10 People) gathering.
- Live-webcasting of services is available with a public gathering to be held at a later date.
- Bodies can be embalmed using proper industry practices.
- Decedents can be buried or cremated.

As always we are practicing high health standards by disinfecting all chapels, visitation rooms and arrangement rooms after each use and we have added additional hand sanitizing stations throughout our facilities. Additionally, we have a very dedicated team, but we have encouraged them to stay home if they begin running a fever or having flu like symptoms.

Thank you for trusting us to serve you,

Pam and Glen Grant and Staff

NO EXPERIENCE PREFERRED

# The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

*I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can't help but smile every time.*

“ - Lance Carter

*Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.*

“ - Sissy Smith

*When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.*

# A message from our publisher.

## Dear Reader,

From time to time, we must face things outside of our control. The current situation with the coronavirus (COVID-19) is causing fear, anxiety, and uncertainty. In times like these, we find this prayer to help ease our minds and set our perspective on the positive things: the things we can control.

*God grant me the serenity  
to accept the things I cannot change,  
Courage to change the things I can,  
and Wisdom to know the difference.*

Under advice from the CDC to prevent the spread of the virus, we are practicing “social distancing” while we remain open to serve you, our Reader. Our sales, creative, and digital teams are working primarily from home. We want to be part of “flattening the curve.” Our front office team, who many of you talk

to, is working in the office and practicing guidelines from the CDC. We encourage you to take the recommended steps the CDC has issued to protect yourself and our community. Please continue to “shop local” but in a smart manner. Order your food to go or pick up your orders, but don’t stop supporting local businesses. They need your support.

We know this will pass, just like other horrible situations we have battled and overcame. We will emerge stronger as a community and country.

*Sincerely,*

PUBLISHER

*Our company was founded to help you “buy, sell and trade”.  
We continue to carry forward that founding idea.*
