NYS Attorney General’s Price Gouging Hotline: 1-800-697-1220

As part of Governor Andrew Cuomo’s emergency disaster declaration on Saturday, March 7, 2020, the state is allowed to investigate and penalize those who are excessively pricing consumer goods and services that are used primarily for personal, family, or household purposes to prevent or respond to the COVID-19 virus.

If you see sudden and unexpected price increases in consumer goods such as hand sanitizer, cleaning supplies, or other health and sanitation related products, we encourage you to report these incidents of price gouging to the New York State Attorney General’s office at 1-800-697-1220. The line is available seven days a week from 8:30AM-8:30PM for consumers.

A Weapon Against Fear and Sickness

The current worldwide epidemic of coronavirus has created much fear and anxiety in the hearts of people everywhere. This is not how our heavenly Father wants us to live. Psalm 91 deals with just such an outbreak of disease. Pray these scriptures from Psalm 91 over yourself and your family every day.

Verses 2 and 3 "I will say of the Lord, He is my Refuge and my Fortress, my God; on Him I lean and rely, and in Him I confidently trust! For then He will deliver me from the snare of the trapper and from the deadly pestilence (disease)."

If you need to talk, want some encouragement, or desire more prayer, give us a call at 585-319-6471. We want to help.

SPEAK OUT

Dear "Speak Out,"

As usual I wish to be positive in my comments both in respect to the Mount Morris Shopper and those who read my comments.

I wish to thank our governor and the other officials who are working tirelessly to help protect New Yorkers from the Coronavirus. We should cooperate with our officials and our fellow New Yorkers to prevent the further spread of this deadly disease.

On the other hand, I wish to express my disgust with the pay raises which the Governor, Lieutenant Governor, members of the New York State Senate and the New York State Assembly have received in the past couple of years and will continue to receive in 2021.

The following information is from an article in the "Rochester Democrat and Chronicle".

The New York State Compensation Committee suggested an increase in the governor's salary in 2019 from \$179,000 to \$200,000 with another increase to \$225,000 in 2020 and another to \$250,000 in 2021. The Lieutenant Governor will receive a pay increase from \$151,000 to \$220,000 in 2021.

This same state committee also suggested an increase in the salaries of members of the New York State Senate and New York State Assembly from \$79,500 to \$110,000 in 2020 and again another increase to \$130,000 in 2021 with similar increases for New York State Commissioners.

Our governor is now the highest paid governor in the United States.

These pay raises amount to about 40% while the rest of New Yorkers struggle to maintain the same standard of living.

At this time in our country's history with the Coronavirus pandemic, many New Yorkers are struggling financially. Thousands have been laid off from their jobs and many companies have closed and even gone out of business.

Many retired citizens are living on fixed incomes with possibly a one or two percent increase in Social Security each year.

Many workers are paid the minimum wage which has only increased about eight times in the past sixty years while wages has increased about fifteen times in the same period of time.

Why New Yorkers wish to be first in America in progressive policies is beyond me. We should desire to be first in fiscal restraint.

Washington is not the only place which has a gigantic swamp. Albany also has a large one as well which needs to be drained and filled with the fresh water of newly elected officials.

I encourage any response to my comments.

Ronald Powell
Nunda

Town Board Meeting

The Town Board's Regular Monthly Meeting will be held 6:30 pm, Thursday, April 16, 2020. Due to the COVID-19 Emergency, and State and Federal bans on large meetings or gatherings and pursuant to Governor Cuomo's Executive Order 220.1 issued on March 12, 2020 suspending the Open Meetings Law, the meeting will not be open to the public. Citizens with any issues to be addressed by the Board, may submit a written request for discussion of said topic by Wednesday, April 15th via U.S. mail, the Town Hall's 24-hour drop box, or the Town Clerk's email address: mmtc@frontiernet.net. Meeting Minutes may be obtained by contacting the Town Clerk at 658-2730.

Thank You

Stephen Szopinski, we Thank You for your service to our community as a member of the Joint Town and Village Planning Board. We appreciate your time, efforts, and the knowledgeable insight you shared in this capacity. We're sorry to see you go, and wish you all the best in your new home.

Indoor Track & Field Program

For the first time since 1991, Mount Morris Central School District's **Indoor Track and Field Program** has returned, with the support of the School Board and hard work of Coach Amanda Johnson. "It was an amazing season and I feel lucky to have been a part of it," said Coach Johnson. In addition to teaching and coaching Indoor Track and Field, she also coaches Outdoor Track, JV Girls Soccer, and is the Sophomore Class Advisor.

The school had 20 participants on their Indoor Track and Field Team this year. Some impressive school records were set this season, including Peyton Marton in shot put at 38' 5", Emily Mike in race walk at 9:47.36, Ryan Morgan in long jump at 19' 11" and triple jump at 42' 3", and Calogero Scott in weight throw at 35' 9.5".

The team advanced to Counties and then Sectionals. Individual scores are listed to the right. During Qualifiers, which is where all of section V competes, Ryan Morgan placed 9th in Triple Jump and Robbie Hartigan placed 17th in the 300. The school also publishes records on their website as they happen: www.mtmorriscsd.org.

"As a coach, I am so proud of everything the athletes achieved this season! They put forth a lot of time and effort to make the first indoor season in many years an incredible one. There are many seniors who will be missed next year, but I am looking forward to seeing the younger athletes grow even more in the future seasons," said Coach Johnson.

For many of the students on the MMCS D's Indoor Track and Field Team, this was their first school sport. With the season now behind us, the Mount Morris Community is surely looking forward to following the team again next year! **Way to go Blue Devils!**

Counties: Peyton Martin, Calogero Scott, Ryan Morgan, Robbie Hartigan, Destiny Gross, Emily Mike, Jesse Bacon, Danny McCart, Lance Warren, Jacob Callaro, Jose Coyote Medina.

LETTER TO THE EDITOR

The United States Postal Service is committed to delivering your mail and packages throughout the current pandemic. We are proud of our role in providing an essential service to every community. The one constant throughout this crisis has been our commitment to fulfilling the vital mission of the Postal Service.

We would like to share the following information and requests:

- 1.) USPS wants to keep you - and our employees - safe. We ask for you to maintain a safe distance at all times. The Centers for Disease Control recommends keeping a distance of six feet or more between other individuals. Please allow a safe distance between you and your letter carrier or post office clerk while they are performing their duties.
- 2.) We know it is a challenge to find ways to connect with family and friends at this time. Please remember anything without postage and not related to USPS business should not be placed in mailboxes.
- 3.) It is important to note the CDC, the World Health Organization, and the U.S. Surgeon General have all said there is very low risk that this virus is being spread through mail.

Our mission to bind the nation together is achieved through the tireless efforts and sacrifices of our dedicated employees. The outpouring of support you have shown has had a great impact on everyone at the Postal Service. Knowing how much you care means everything to us. On behalf of all employees at the Mount Morris Post Office - Thank you.

Sincerely,

Rebecca Kemp

Livingston County Encourages Residents to Take 5 for New York

Livingston County residents are encouraged to participate in a new campaign called **Take 5 for New York**. The campaign highlights the importance of taking five minutes out of each day to call a friend, loved one, or acquaintance who may be alone and feeling isolated during this period of social distancing.

It is part of a state-wide effort promoted by the New York State Association of Counties (NYSAC).

“Participating county officials are calling on their residents to take just five minutes of everyday to call on a loved one, friend, neighbor, acquaintance to say hi, check on them, see if they need anything, lift their spirits, and tell them they are not alone,” said NYSAC Executive Director, Stephen Acquario. “It doesn’t matter what you talk about. You can talk about this crisis or the latest show you are watching. The point is connecting with people in our community who could use it the most.”

This statewide campaign is being launched with the hashtag #Take5ForNY. About NYSAC:

The New York State Association of Counties is a bipartisan municipal association serving all the counties of New York State, including the City of New York. Organized in 1925, NYSAC’s mission is to represent, educate, serve and advocate for member counties and the elected and appointed county officials who serve the public.

Now is Not the Time to Let our Guard Down, Says Livingston County Administrator amid COVID-19 Pandemic

As we continue to closely track the rise and fall of numbers associated with COVID-19, County Administrator Ian M. Coyle would like to send a message to the residents of Livingston County. He states, “We must not let our guard down as this public health emergency continues to evolve.”

“At this point, we should assume that the virus is present everywhere. It is imperative that each of us takes full responsibility for our actions, as they directly impact the health and safety of those in our households and in our communities,” Coyle continues. He reminds us that social distancing requirements and the ban on gatherings of any size are not just recommendations – they are rules. “These rules will be enforced, and New York State has increased the maximum fine to \$1,000 for certain violations.”

Coyle urges Livingston County residents to be extra vigilant over the next few weeks to slow the spread, flatten the curve, and prevent a massive surge in hospital bed utilization that could potentially overwhelm and cripple the region’s public health system.

“Our health care workers and first responders need your help,” says Coyle. “If you ignore the rules in place, you are impacting their work, safety, and welfare directly.”

How can you continue to do your part amid this COVID-19 crisis:

- Significantly curtail your outside-the-home activity.
- Limit travel to just the necessities – grocery and pharmacy trips, solo physical activity, and work.
- Consider the CDC guidance for cloth face coverings while out and about.
- Do not gather. Period.
- Practice social distancing.
- Wash your hands all the time.
- Wash your hands again.

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer. Livingston County Mental Health has created a help line for community members who need someone to talk to during these stressful times. This is a free and confidential service.

Please call 585-243-7251, Monday-Friday from 9:00AM-5:00PM. For COVID-19 information, please visit Livingston County’s dedicated COVID-19 webpage and join us on Facebook, Twitter, and YouTube.

Livingston County Officials Remind Residents and Businesses to Practice Social Distancing, Adhere to New Regulations, and Comply with State Executive Orders

The Livingston County Board of Supervisors, Sheriff's Office and Department of Health would like to remind residents and businesses to heed the advice of public health experts who encourage us to practice social distancing whenever possible as we face these uncertain times together. We must take responsibility for our actions and adhere to federal, state, and local calls to slow the spread of COVID-19.

Governor Cuomo recently signed Executive Orders that prohibit gatherings of any size and allow "essential" businesses to remain open while all others must be closed. For example, bars and restaurants are considered essential, but only for take-out and delivery services.

We are urging all residents and businesses to be mindful of and compliant with regulations associated with the COVID-19 crisis. If need be, non-compliance will be addressed appropriately by local law enforcement.

"COVID-19 does not spread on its own," said Jennifer Rodriguez, Livingston County Public Health Director. "Residents of all ages are susceptible to this virus, and we must stress compliance with these new regulations and guidelines. Only by practicing these ourselves, and adhering together as a community, will we flatten the curve and stop the spread from reaching exponential levels."

Here are some ways in which residents and businesses can help slow the spread of COVID-19:

Residents

- Call your doctor if you are feeling sick or showing symptoms
- Regularly wash and thoroughly dry your hands
- Avoid touching your eyes, nose, and mouth
- Stay six feet or more away from others
- Limit travel outside of your home to only essential services
- Solo outdoor activities are encouraged
- Do not gather in groups of any size

Essential Businesses

- Any workers who are ill or showing symptoms should not be working
- Regularly clean and sanitize all surfaces and equipment
- Limit the number of people inside your business at one time
- Emphasize social distancing among visitors by discouraging crowds and long lines
- Do not offer seating at take-out operations
- Offer drive-thru, curbside pickup and delivery services
- Take payment over the phone to limit contact with money and credit cards

**Thank you for your continued
patience during these trying times.
Working together will enable
us to get through this
COVID-19 crisis.
Stay home.
Stop the spread.
Save lives.**
