COVID-19 Curbside Testing Available in Livingston County

The Livingston County Department of Health (LCDOH), in partnership with Noyes Health, would like to inform residents that curbside testing for COVID-19 is available at two sites in Dansville and Geneseo.

Curbside testing allows individuals to stay in their vehicles while getting tested and is meant to help slow the spread of COVID-19.

If you have COVID-19 symptoms – fever, cough, or trouble breathing – you will need to first call your primary care physician to get a requisition. **If you do not have a healthcare provider, please call LCDOH at 585-243-7270 to see if you meet the COVID-19 testing criteria**

The requisition should be faxed to 585-335-4282 for the Dansville site and 585-991-6020 for the Geneseo site. You will then need to call Noyes Memorial Hospital at 585-335-6001 to set up an appointment for curbside testing at one of its two locations:

A Weapon Against Fear and Sickness

The current worldwide epidemic of coronavirus has created much fear and anxiety in the hearts of people everywhere. This is not how our heavenly Father wants us to live.

Psalm 91 deals with just such an outbreak of disease. Pray these scriptures from Psalm 91 over yourself and your family every day.

Verses 2 and 3 "I will say of the Lord, He is my Refuge and my Fortress, my God; on Him I lean and rely, and in Him I confidently trust! For then He will deliver me from the snare of the trapper and from the deadly pestilence (disease)."

If you need to talk, want some encouragement, or desire more prayer, give us a call at 585-319-6471. We want to help.

SPEAK OUT

Dear "Speak Out,"

As usual I plan to keep the content of this article in a positive manner in respect to the Mount Morris Shopper and to those who read my message.

I believe that most Americans would agree with me that America is not the same country that it was a few generations ago.

I have an original World War II leather bound ration book which includes rationing stamps for highway gas, non-highway gas, fuel oil, sugar, and many grocery items.

Those who we refer to as the "Greatest Generation" sacrificed very much for the war effort to help provide munitions and food for our troops to fight and die in that terrible war.

There is another booklet entitled "500 War-Time Saving Secrets" for "How to Save in the Home", "How to Save Clothes", "How to Save Food" and "Ways to Save Food Values".

We are a disposable society of great wastefulness and see no need to save clothes and food but throw away usable items.

As I witness the selfishness in our society today during this pandemic, I am appalled at the difference between our ancestors and ourselves.

Instead of sacrificing, I see Americans hoarding toilet paper, paper towels, paper napkins, rubber gloves, face masks, disinfectants and many other items which we all need. We are thinking only of ourselves and not of others.

Many are reselling items on the internet for exorbitant amounts in the hope of making a profit on those who do not wish to hoard these supplies.

I recently saw a 24 count package of toilet paper on sale on E-Bay for \$ 249.95 which is an absolute crime and sinful. I have heard many residents of our area complaining of not being able to go into our community and eat at restaurants, shop at stores and visit others.

I can see their point to some extent as it is an inconvenience to have our lives placed on hold during this time of national emergency.

I look back on the lives of our ancestors when they were shut in for the winter months and unable to have any visitation with others. Are we as strong as they were or are we so spoiled that we have to have what we want when we want it?

As a boy during World War II, I know that my parents and others sacrificed for nearly four years of death and hardship. Instead we complain for an inconvenience of a few months.

We should be ashamed of ourselves as I know our ancestors would also be ashamed of us for this selfishness.

We do not have the character of our ancestors who viewed the welfare of others as just as important as the welfare of themselves.

We are a spoiled society with thoughts only of ourselves. I would hate to think of how we would respond in the event of a more serious national emergency such as a world war or some other major calamity.

Returning from a negative view back to a positive view, I would respectfully suggest that we begin thinking of others as important as ourselves.

Please give my words some thoughts so we might return to the wonderful godly society that we once were.

I would encourage anyone who would like to respond to me.

Ronald Powell

AMERICA:

God's Judgement is upon This Nation! Upon This Whole World!

We have turned against Him doing our "own" thing.

Chronicles 7:13 speaks of locusts and pestilence being sent. We are a sinful country.

These locusts are in this world!

Pestilence... it's here! Disease...it's here!

We need to turn back to God.

Repent, be humble, pray and turn back to GOD.

HE will heal our land!

Christians...are you prepared? Famine is coming.

II Timothy says troubled times are coming.

Get prepared. Ask Jesus into your heart. It's time!

40th Annual Seniorama Canceled due to COVID-19 Pandemic

The Livingston County Board of Supervisors and the Office for the Aging (OFA) regretfully announce that the 40th Annual Seniorama celebration will not be held as scheduled on May 9, 2020 due to the COVID-19 pandemic.

The event will be rescheduled to a later date when public gatherings can be safely held.

"We look so forward to this inspiring annual event during Older Americans Month," said OFA Director Sue Carlock. "But this year, the health and safety of our honorees, their families and friends, and Livingston County residents are our top priorities."

Livingston County Chairman, David LeFeber, stated, "We intend to reschedule Seniorama and, as we do each year, to honor the contributions of seniors from each of our 17 towns. For now, we – as a community – need put all of our energy into staying home, stopping the spread, and saving lives amid this COVID-19 crisis."

For more information on the Livingston County OFA, please call 585-243-7520.

REAL ID Deadline Extended to October 2021 due to COVID-19 Crisis

The Department of Homeland Security recently announced that President Donald Trump ordered the deadline for the REAL ID program to be extended by a year due to the COVID-19 crisis. The program requires U.S. travelers to obtain REAL ID-complaint driver's licenses in order to board domestic and international flights.

According to a statement from Chad Wolf, Acting Secretary of Homeland Security, "Due to circumstances resulting from the COVID-19 pandemic and the national emergency declaration, the Department of Homeland Security, as directed by President Donald J. Trump, is extending the REAL ID enforcement deadline beyond the current October 1, 2020 deadline. I have determined that states require a twelve-month delay and that the new deadline for REAL ID enforcement is October 1, 2021. DHS will publish a notice of the new deadline in the Federal Register in the coming days."

Governor Directs All People to Wear Face Coverings if Unable to Maintain Social Distance

On Wednesday, April 15, 2020, Governor Cuomo released Executive Order 202.17, which requires all people in New York State to wear face coverings when they are in a situation where they cannot maintain "social distancing." This state directive will take effect on **Friday, April 17, 2020 at 8:00PM.**

Any individual who is over the age of two and able to medically tolerate a face covering must be required to cover their nose and mouth with a mask or cloth face covering when in a public place and unable to maintain, or when not maintaining, social distance.

This state directive is applicable through May 15, 2020 and does not include any civil penalty at this time. Questions on this order can be directed to the Governor's general inquiry phone line at 518-474-8390.

The Centers for Disease Control and Prevention (CDC) offers guidelines on how to properly make, wear, and wash face coverings.

RADON is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home. If you would like more information on radon or to request a radon test kit, please call 243-7280.
