Mr. Daniel, a native of Coffee County, was the son of the late Larry Daniel and Bettie Jo Bean. Mr. Daniel was a veteran of the United States Navy. Tim's passions were making model cars, floating the river, fishing, and believe it or not, he loved to cook. He was outdoors every chance he got. Last, but certainly not least, he loved NASCAR. He wore that Dale Earnhardt jacket everywhere he went. He was the proudest father and grandfather around. Anyone that knew him, knew that he was truly a kid at heart. He would sit and listen to someone that had plenty to say and was a teacher to anyone that would listen. He loved deeply and you couldn't help but smile when you were around him. Slow to anger and quick to forgive, Tim found his happiness in helping others. We all wish you fair winds and following seas. He graduated from Tullahoma High School in 1996. Daniel attended Highland Baptist Church in Tullahoma and enjoyed the farm life, fun trips visiting his Riddle and Darden families, all holiday occasions and Tennessee football. # The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

*I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can’t help but smile every time.*

“ - Lance Carter

*Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.*

“ - Sissy Smith

*When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.*
