We're Coming Back!

We will resume printing the
East Penn Valley and Northern Berks
Merchandisers
 with the May 20th editions!

Due to the economic conditions, we have made the very difficult decision to change the distribution of the Merchandisers to Drop Locations only.

You can view the list of drop locations in our online editions at
www.windsorpress.com

In the mean time the **East Penn Valley and Northern Berks Merchandisers** will be published **ONLINE ONLY FOR THE ISSUES OF MAY 6 & MAY 13**
 You can view these issues 24/7 at www.windsorpress.com

While the office is closed, you can contact us with your Display advertisement by way of phone, fax, or email at display@windsorpress.com. You can place your Classified advertisement by mail, email, fax or through our website at www.windsorpress.com and clicking on the "Place Classified Ad" button. You can make payment with a credit card by phone or fax and through our website for your Classified.

The health and safety of our loyal staff, customers and the communities we serve is first and foremost in our minds. THANK YOU to all the doctors, nurses, everyone in health care, first responders, firefighters, grocery store employees, gas stations, delivery drivers, truck drivers and essential people on the front lines to continue providing essential goods and services as we fight Coronavirus. We all much appreciate all you have done, are doing and will be doing.

PLEASE SHOP LOCAL, ESPECIALLY DURING THESE DIFFICULT TIMES.

We appreciate your cooperation while the Coronavirus pandemic exists. We are all in this together! We will all get through this together!

Please stay safe! Thank you!

READER'S **Recipe**

MOM'S OATMEAL COOKIES

- 1-1/2 cup sugar
- 3/4 cup shortening
- 2 eggs
- 3 cup oatmeal
- 1 tsp. salt
- 1 T. cocoa
- 1 T. cinnamon
- 1/2 c. walnuts
- 1/2 c. coconut
- 1/2 c. raisins (floured)
- 2 c. milk
- 2 c. flour
- 4 tsp. baking powder

Shift flour, salt, baking powder and spices together. Cream shortening and sugar until fluffy. Add beaten eggs and mix well. Add shifted ingredients alternating with milk. Add oatmeal, raisins, walnuts and coconut. Drop by teaspoon on a greased cookie sheet and bake in a 350 degree oven for 10 minutes. Makes about 80 cookies.

What is A Town?

A town is a group of people.

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs.

Without their store, you have no town.

GIVE THE LOCAL MERCHANT A FAIR SHAKE.

When To Use Soap And Water And When To Use Hand Sanitizer

In the wake of the global COVID-19 outbreak in early 2020, millions of people across the globe found themselves scrambling for hand sanitizer. While the Centers for Disease Control and Prevention note that cleaning hands at key times is one of the most important steps people can take to avoid getting sick and spreading germs, there are differences between washing with soap and water and washing with alcohol-based hand sanitizers.

The CDC notes that preventing the spread of sickness through hand-washing is most effective when people know which method to use when cleaning their hands.

WHEN TO USE SOAP AND WATER

The following are common situations when the CDC advises using soap and water to clean hands.

- Before, during and after preparing food
- Before eating food
- Before and after caring for someone who is sick
- Before and after treating a cut or wound
- After using the bathroom, changing diapers or cleaning a child who has used the bathroom
- After blowing your nose, coughing or sneezing
- After touching an animal, animal food or treats, animal cages, or animal waste
- After touching garbage
- If your hands are visibly dirty or greasy

When washing with soap and water, the CDC advises people to wet their hands with clean running water (warm or cold) and applying soap. Lather the hands by rubbing them together with the soap, making sure to scrub all surfaces of the hands, including palms, backs, fingers, between fingers, and under the nails. Scrub for 20 seconds before rinsing hands clean under running water and drying your hands, be it with a clean towel or air drying.

WHEN TO USE ALCOHOL-BASED HAND SANITIZER

Hand sanitizer should not be applied to hands that are dirty or greasy. Hands that become dirty or greasy after activities such as gardening or fishing should be cleaned with soap and water. The CDC advises using alcohol-based hand sanitizer:

- Before and after visiting a friend or a loved one in a hospital or nursing home, unless the person is sick with Clostridium difficile (if so, use soap and water to wash hands).
- If soap and water are not available, use an alcohol-based hand sanitizer that contains at least 60 percent alcohol, and wash with soap and water as soon as you can. Children should always be supervised when applying alcohol-based hand sanitizer. When using alcohol-based hand sanitizers, the CDC recommends covering all surfaces of the hands with the product before rubbing hands together until they feel dry, which should happen after roughly 20 seconds.

Clean hands can prevent the spread of disease. Knowing which hand cleaner to use in certain situations can be an especially important preventative measure.
