~ CELEBRATES ~ Educator Appreciation Week

Thank you to all our teachers and staff!

EDUCATOR Appreciation WEEK

Unity Christian School Teachers

Special thanks to all of our teachers and staff now more than ever in this difficult time.

Unity Christian HIGH SCHOOL

EDUCATOR APPRECIATION WEEK

Thank you to all our Teachers, Staff, & Educators for the support this year. I hope you realize how much of a difference you're making in your students' lives. It takes all of us working together to make educating our kids go smoothly.

FACE behind the CARD

Insulation is the "not-so-glamorous" side of a building or remodel project...definitely not as much fun as new granite counter tops or a tile shower! In fact, the best insulation will go un-noticed if it is done right- it keeps you comfortable and extra money in your pocket from lower energy bills.

BUT "cheap" or poorly installed insulation will constantly remind you that something is wrong, usually with drafts and cold spots and can lead to high heat and cooling bills. Bad insulation can also lower the life expectancy of your home or other building!

Insulate your building right the first time! Four Way Insulation offers affordable, technologically advanced insulation options for your home, shop, ag building, or commercial project that will protect your investment and keep you comfortable. Our staff has the knowlege to take care of all the details and get the job done right. Give Pat a call for a free estimate!
