My Brother's Keeper Burial Package

These prices are effective as of March 23, 2020, but are subject to change without notice.

Due to CDC recommendations regarding COVID-19, and with our community's safety in mind, we have developed a CDC compliant service package. Until further notice, public viewings and services have been suspended for their own safety. We feel responsible for not only the wellbeing of our staff, but every family we're honored to serve. Therefore, our funeral home has carefully crafted a safe alternative that still provides the family (up to 10 individuals) an opportunity to view their loved one and participate in a private committal. We understand that a public visitation and celebration of life service are a part of your family's healing process. Therefore, a representative from our funeral home will contact you regarding service arrangements at which time the CDC deems public gatherings to be safe.
