"THE ALTERNATIVE TO A NURSING HOME"

A Weapon Against Fear and Sickness

The current worldwide epidemic of coronavirus has created much fear and anxiety in the hearts of people everywhere. This is not how our heavenly Father wants us to live.

Psalm 91 deals with just such an outbreak of disease. Pray these scriptures from Psalm 91 over yourself and your family every day.

Verses 2 and 3 "I will say of the Lord, He is my Refuge and my Fortress, my God; on Him I lean and rely, and in Him I confidently trust! For then He will deliver me from the snare of the trapper and from the deadly pestilence (disease)."

If you need to talk, want some encouragement, or desire more prayer, give us a call at 585-319-6471. We want to help.

May is Asthma and Allergy Awareness Month. Asthma causes wheezing, breathlessness, chest tightness, and coughing at night or early in the morning. Spring is peak season for many asthma and allergy sufferers. Eliminate your exposure to tobacco smoke and limit your exposure to dust mites, animal furs, certain molds, strong odors from cleaning supplies in school and home environments and/or your own irritants that may make your allergies and asthma worse. For more information call the Livingston County Department of Health at 243-7299.

FYI: The *67th Annual York-Leicester Field Day & Fireworks* scheduled for July 5, 2020 has been **CANCELLED** due to concerns about the corona virus. The York-Leicester Field Day Assoc. reached this decision and felt that the safety of the area visitors and residents should be our primary concern. The event will be held next July, in 2021.

FYI: All 2020 Special Events, Tours of the Dam, and other Visitor Services at Mount Morris Dam and Recreation Area are **CANCELLED UNTIL FURTHER NOTICE**. In an effort to reduce the risk of COVID-19 (novel coronavirus) infection and spread, and in concurrence with recommendations from the Centers for Disease Control and Prevention, the United States Army Corps of Engineers at Mount Morris Dam and Recreation Area has closed playgrounds and picnic areas at the Mount Morris Dam and Recreation Area until further notice. The William B. Hoyt II Visitor Center will remain closed, and all public programs, including special events and tours of the dam are cancelled until further notice. The Finger Lakes Trail remains open from other access points along the trail. We appreciate your support and patience as we navigate this public crisis together.

This page is donated as a public service by the Mount Morris Shopper for use by various organizations and groups to announce at no charge, non-profit coming events in the Mount Morris area.

SPEAK OUT

Dear "Speak Out,"

As usual I plan to keep the content of this article in a positive manner in respect to the Mount Morris Shopper and to those who read my message.

Sunday, May 10th is "Mother's Day" in 2020. I would like to wish all mothers a wonderful Mother's Day on this your special day.

Anna Jarvis is most often credited with founding Mother's Day in the United States. Designated as the second Sunday in May by President Woodrow Wilson in 1914, aspects of this holiday have since spread overseas, sometimes mingling with local traditions.

I would encourage everyone who still has a mother to take time to honor her this year. If you are living in your mother's home, spend time with her. If you are on your own and are concerned about spreading the virus to your mother, that is understandable.

We have lost so many of our older adults during this virus so we should be endeavoring to limit as many deaths as possible of our senior citizens. Because many of our mothers and grandmothers are older and more susceptible to the virus, we need to be careful not to expose them.

Tell your mother that you are sending a hug and kiss over the miles and that you wish you could be there to give her that hug and kiss in person.

This message is to little children, teenagers, young adults, older people and everyone who still has a mother or grandmother.

The Book of Proverbs in the Bible describes a godly mother better than I ever could: "House and wealth are an inheritance from fathers, but a prudent wife is from the Lord. He who finds a wife finds a good thing and obtains favor from the Lord. She gets up while it is still dark; she provides food for her family and portions for her servant girls. When it snows, she has no fear for her household; for all of them are clothed in scarlet. She is clothed with strength and dignity; she can laugh at the days to come. She speaks with wisdom, and faithful instruction is on her tongue. She watches over the affairs of her household and does not eat the bread of idleness. Her children arise and call her blessed; her husband also, and he praises her: Many women do noble things, but you surpass them all. Charm is deceptive, and beauty is fleeting; but a woman who fears the LORD is to be praised. Give her the reward she has earned, and let her works bring her praise at the city gate."

The Ten Commandments says that we should give honor to our mothers: "Honor your father and your mother, so that you may live long in the land the LORD your God is giving you."

So please tell your mother that she is a wonderful mother and that you appreciate and love her very much at this special time of year.

If my mother and wife were still alive, I would shower praises and love on them both. You don't know how many Mother's Days you still have with your mother or wife, so make the most of the years you have.

I would like to honor my mother, Lettie Jane Ward Powell, who died in 2013. She was a stay at home mother during the entire time that my three sisters and I were growing up.

I would also like to honor my wife, Catherine Nan Carlile Powell, who died in 2018 as she was also a stay at home Mom.

Regardless of whether your mother was a stay at home Mom or a working Mom, she deserves love and respect from you. I welcome any comments on my article which you may provide.

~ RESIDENTS OF MOUNT MORRIS ~

The Mount Morris VFW along with the Mount Morris Town and Village have made the decision to cancel the Memorial Day Parade & Ceremony due to COVID-19.

Memorial Day is Monday, May 25th this year.

It is a day for Americans to solemnly remember and celebrate those who died while serving in the Armed Forces.

We ask that you take time on Memorial Day to show your appreciation and gratitude in some way to the heroes who truly gave all for their country.

Thank you,
Commander Chelsey Woodworth, VFW Commander

Please be advised that, based on the Governor's most recent Executive Order, the Mount Morris Fire District vote has been postponed. The new date for the vote is September 15, 2020.

The next **BRUSH PICK** up is May 15, 2020.

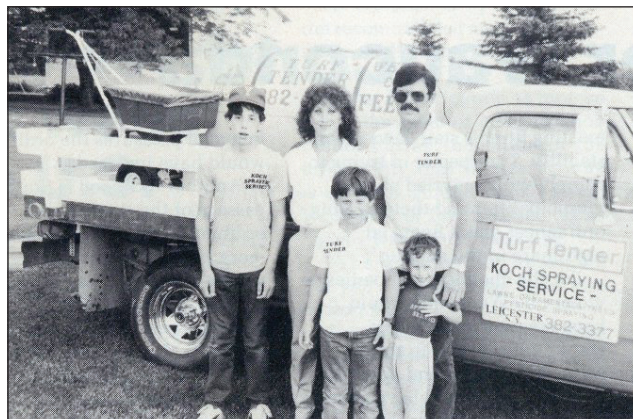

Mayor: Frank Provo

Positively Mount Morris

A Family Legacy Continues...

Koch Spraying Service, Inc. is celebrating its 39th year in business, proudly providing quality pest and insect control for fourteen counties in Western New York. What began as a small lawn care company quickly grew into an expanding enterprise and became a household name.

Then owner Josephine Koch (formerly Josephine Palermo from Mount Morris) was the labor force caring for 350 local lawns and trees for more than fifteen years.

Eventually, Koch Spraying Service AKA Jo's Tree and Turf, offered full service lawn, landscape and pest control. The talents of Josephine's three sons contributed to the company's growth and success.

Educating local children about the "Green Industry" has led Josephine Koch to speak about possible careers to hundreds of students in New York State and Pennsylvania. She also instructed classes at York Central School on landscape planting in the enclosed courtyard and the playground pavilion. Josephine made it possible for adolescents who were interested in agriculture to attend Livingston County's Annual Farmer/Neighbor Dinner. She continually employed local youth during the busy summer months.

Presently, Josephine is in the process of transferring ownership of the family company to her nephew Daniel Koch. Dan will bring new energy, dedication and enthusiasm to Koch's Spraying Service. Dan has been an owner/operator of a small independent business for the past 26 years. With his strong work ethic and growing family, Dan will continue to serve the needs of local communities for years to come.

Some memorable times in the businesses have included:

- 1.) Being contracted to chip all roadside brush from the Ice Storm of 1991 for the towns of York, Mount Morris, Leicester and Nunda.
- 2.) Trimming the famous Boyd and Parker Torture Tree in Cuylerville, New York.
- 3.) Installing the only mass planting of Dogwood Trees in Dansville, New York - home of the Annual Dogwood Festival.
- 4.) Planting memorial trees for the Veterans Park in Mount Morris.
- 5.) Planting a Remembrance Tree at York Central School for the miners lost in the mine collapse of 1994.

Sherry, Dan's wife, partners with the administrative responsibility. Jacob, 16, is soaking up knowledge of the business so he is prepared to be his father's right-hand man and part of his valued labor force. Daughter Sierra, currently enrolled at St. John Fisher for nursing, is talented in various aspects of technology and will be a great support for her Dad.

The Koch Family would like to thank the faithful customers who have continued to support their growing enterprise. Dan and Josephine Koch plan on being a cornerstone of local entrepreneurship for many years to come. They take pride in being as available as possible on a 24/7 status. Personal service is their top priority!

RESIDENTS OF MOUNT MORRIS

The Mount Morris VFW along with the Mount Morris Town and Village have made the decision to cancel the Memorial Day Parade and Ceremony due to COVID-19. Memorial Day is Monday, May 25th this year. It is a day for Americans to solemnly remember and celebrate those who died while serving in the Armed Forces. We ask that you take time on Memorial Day to show your appreciation and gratitude in some way to the heroes that truly gave all for their country.

Thank you,
VFW Commander Chelsey Woodworth

MEMORIAL DAY

We walked among the crosses
Where our fallen soldiers lay.
And listened to the bugle
As TAPS began to play.
The Chaplain led a prayer
We stood with heads bowed low.
And I thought of fallen comrades
I had known so long ago.
They came from every city
Across this fertile land.
That we might live in freedom.
They lie here 'neath the sand.
I felt a little guilty
My sacrifice was small.
I only lost a little time
But these men lost their all.
Now the services are over
For this Memorial Day.
To the names upon these crosses
I just want to say,
Thanks for what you've given
No one could ask for more.
May you rest with God in heaven
From now through evermore.

9 1 1 It is Safe to Call 911

Together, the Livingston County Departments of EMS and Health want to remind citizens that heart attacks, strokes, and other emergencies do not stop for COVID-19. Seeking medical attention at the first sign of a heart attack, stroke, or any other serious medical emergency is critical to effective treatment and restoring good health.

Know the symptoms of a heart attack:

- Chest pain or discomfort
- Neck, shoulder, or jaw discomfort
- Shortness of breath
- Nausea, vomiting, cold sweats, or lightheadedness

Know the symptoms of a stroke:

- Facial droop
- Arm or leg weakness or numbness
- Speech difficulty
- Confusion
- Difficulty walking or loss of balance

While many are undoubtedly scared to call 911 or go to a hospital in these uncertain times, Livingston County EMS and the Department of Health want you to know that area hospitals and ambulance services are not only ready to care for any medical emergency, but have enacted many infection control measures to keep all patients safe.

If you or a loved one may be having a heart attack, stroke, or other medical emergency, call 911 at the first warning sign. Even during a pandemic, do not ignore warning signs. And lastly, don't forget to call your doctor if you have any questions about your health.

RADON is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home. If you would like more information on radon or to request a radon test kit, please call 243-7280.

“Senior Spotlight”

To honor the class of 2020, Mount Morris Central School District will be featuring eight different seniors each week in the Mount Morris Shopper

Ryan Morgan is ranked first in his graduating class. He made the Democrat and Chronicle All-Greater Rochester Winter 2020 Honorable Mention List for Indoor Track. He has played on the Soccer Team and Track Team.

Ryan is proud to have won a sectional patch in soccer and for Triple Jump in Indoor Track.

This year, Ryan set three new school records for our Indoor Track and Field Team, including Long Jump, Triple Jump and 4x200. His favorite subject in school is History. “I will miss the great teachers and staff who guided us throughout high school. Senior year will definitely be unforgettable,” he said.

Since the closure of school, Ryan has been staying busy working. In the fall, Ryan will attend SUNY Cortland to major in Sports Management and is looking into Track programs as well.

“When I think about our community, I remember winning sectionals and on the bus ride home through town, it seemed as if everyone was participating in the celebration. Our community is small but together and it really shows,” said Ryan.

Conner Markel has played on the Basketball Team, Baseball Team, Track Team and has participated in Swimming, Weight Lifting, Golf and Jazz Band. He is proud to have had an undefeated season during Modified Basketball and received a Weight Lifter of the Year Award.

Two of Conner’s most memorable moments during his school career are when he broke his leg and was able to ride a scooter around school and being an unofficial part-time DJ. His favorite subject is Economics. “I am going to miss my friends and teachers,” said Conner.

Since the school closure, he has been teaching himself advanced cooking, working on home renovations and making plans for his business structure. Conner is the CEO of his own company called White Wolf Events and will begin his business project following graduation.

In the fall, he will attend college to Major in Business.

“I enjoy our community because it is a small town where everyone knows each other,” he said.

Jordan Davis has participated in the Bowling Club and Varsity Golf. He is proud of the progress he has made over the past few years in golf.

Jordan’s favorite subjects are Conversation and Economics.

“All of my teachers really made class time enjoyable. I will miss the camaraderie between my relationships with my teachers and classmates,” he said. Since the closure of school, Jordan has been working at Walmart and spending extra time helping his parents around the house.

Following graduation, he will be entering the workforce for a career in Logging, working toward building his own business in logging and heavy equipment.

“What comes to mind when I think about our Mount Morris community is that everyone is very welcoming, polite, friendly and outgoing,” said Jordan.

Benjamin Jenkins has enjoyed participating on a home-school Bowling League and in a Lego Builders Club. Since the school closure, he has been working to improve his gaming skills and tackling large Lego building projects.

“I was able to attend Guardian Con in Florida two years ago and am proud that our gaming community was able to raise money for St. Jude’s live streaming tournaments,” he said.

Benjamin’s favorite classes have been the ones he has taken in Computer Graphics and Game Development. He is interested in a career designing game characters, creating fan art and streaming videos. He also enjoys reading Fantasy Literature and Historical Novels and studying Ancient History.

“I will miss the teachers and other staff that have worked with me through Mount Morris School. They have supported me through very hard times. It’s hard to believe I’ve lived here since first grade,” said Benjamin.

“Senior Spotlight”

To honor the class of 2020, Mount Morris Central School District will be featuring eight different seniors each week in the Mount Morris Shopper

Robert Hartigan has played on the Soccer Team, Basketball Team, Baseball Team, Outdoor Track Team and Indoor Track Team. “My favorite moments from school are all the memories I’ve made while practicing and competing during track seasons.

I will miss the family-like atmosphere of both Indoor and Outdoor Track,” he said. Robert is proud to have won sectionals in the 300m while on our Indoor Track Team for the first time in 21 years. Since the school closure he has been staying busy working at his family’s restaurant.

Robert is ranked eighth in his graduating class. His favorite subjects in school are English and Chemistry.

He will be attending St. John Fisher in the fall to pursue a masters in Aerospace Engineering and plans on being a part of the Track Team.

“When I think of our community, I think of the connection I have made with peers through playing sports,” said Robert.

Alexis Mock has played on the Basketball Team and Soccer Team and has participated on the Cheerleading Squad as well.

She is proud of going to sectionals last year for soccer where she played goalie and for getting a first-round win. Alexis has recently undergone hip surgery and has been spending her time away from school recovering. Her favorite subject is Algebra.

“I will miss the Teachers at Mount Morris School,” said Alexis. She will be attending MCC for Criminal Justice in the fall and plans to pursue a career as a Criminal Investigator.

“I would describe Mount Morris as a small loving community,” she said.

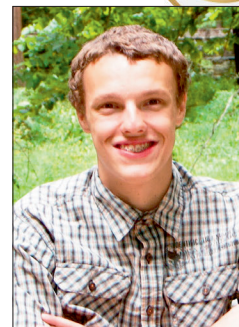

Peyton Martin is ranked fifth in his graduating class. During his time at Mount Morris Central School, Peyton has participated in Soccer, Indoor and Outdoor Track, Swim Club, Jazz Band, Jazz Lab and the National Honor Society. Peyton is especially proud of his achievements in Jazz Lab. Among his many successful performances, he played the Star-Spangled Banner at the Blue Cross Arena.

Since the closure of school, Peyton has been doing his best to maintain a routine including waking up early to get his school work done, lifting weights and playing guitar. Peyton’s favorite class in school is Band. “I’m going to miss all the little moments from school. Just hanging out and goofing around with friends. I’m going to miss band with Gabe, and chorus with him, Brandon, JoAnna, and Destiny.

The day to day life I had in Mount Morris with these friends was really special to me,” he said. Peyton has been in band since the fourth grade and has had a passion for music ever since. He has learned many instruments and music theory, participated in a digital media festival and performed for our community. “When I think about our Community, the first thing to pop into my head are Track Meets, Soccer Games and Basketball Games. Whether you’re on the field and can hear your friends and family cheering you on, or are in the stands cheering on your peers and classmates these events are to me, what makes the Mount Morris community a fun and loving one,” he said.

Peyton’s most memorable moment during his school career was when the Boys Varsity Basketball team made it to the final round of sectionals his Junior year, where he was asked to play the national anthem on his guitar.

Peyton will attend RIT in the Fall with a major in Computer Engineering Technology and a minor in Music.

John Yost has played on the Soccer Team, Basketball Team and Track Team. He was a member of the LCAA champion Boys Soccer team as a junior.

His most memorable moments from his high school career are winning a sectional patch for basketball and passing the English Regents exam.

John’s favorite subject in school is English. “I will miss playing sports, the friends I have made and the support of my teachers,” he said. Since the closure of school, John has hunkered down at home with an occasional outing to a store.

He has been focusing on school work, finding extra time to play the video games he enjoys and exploring his options for after graduation.

Mount Morris Central School District

NOTICE OF ANNUAL MEETING, BUDGET VOTE AND ELECTION

NOTICE IS HEREBY GIVEN, that a public hearing of the qualified voters of the Mount Morris Central School District, Livingston County, New York, has been adjourned by Executive Order of the Governor of the State of New York and will be held virtually on Wednesday, May 27, 2020 at 6:00 p.m. prevailing time for the presentation of the 2020-2021 budget of said School District. Information regarding virtual attendance will be posted on the School District's website at www.mtmorriscsd.org. The proposed budget will be available for review on Wednesday, May 20, 2020 on the District website at www.mtmorriscsd.org. If you are unable to access the budget from the District website, please contact the District Clerk at 585-658-5010.

AND FURTHER NOTICE IS HEREBY GIVEN that the annual vote of the qualified voters of the Mount Morris Central School District (the "School District"), Livingston County, New York, has been adjourned by Executive Order of the Governor of the State of New York and will be held on Tuesday, June 9, 2020 to vote upon the following items:

1. To adopt the annual budget of the School District for the fiscal year 2020-2021 and to authorize the requisite portion thereof to be raised by taxation on the taxable property of the School District.
2. To authorize the School District to raise \$103,950.00 for the Mount Morris Library for the 2020-2021 school year and thereafter, unless changed by approval of a subsequent proposition, and said amount to be raised via levy of school taxes providing said proposition is passed.
3. To elect two (2) members of the Board of Education for three (3) year terms commencing July 1, 2020 and expiring on June 30, 2023 to succeed Pamela Martin and Thomas Young, whose terms expire on June 30, 2020.

AND FURTHER NOTICE IS HEREBY GIVEN that a copy of the statement of the amount of money which will be required to fund the School District's budget for the 2020-2021 fiscal year, exclusive of public monies, and the tax exemption report may be obtained by any resident of the District during business hours beginning Wednesday, May 20, 2020 (except Saturday, Sunday or holidays) at the Mount Morris Central School Business Office. A copy will also be available on the District's website at www.mtmorriscsd.org. If you are unable to access the statement from the District website, please contact the District Clerk at 585-658-5010.

AND FURTHER NOTICE IS HEREBY GIVEN that petitions nominating candidates for the office of member of the Board of Education shall be filed with the District Clerk of said School District between the hours of 9:00 a.m. and 5:00 p.m. at her office in the Mount Morris Central School, not later than Monday, May 11, 2020. To constitute as filing, each petition shall be directed to the District Clerk, and must state the name, age and residence of the candidate, and left outside the District's Office; alternatively, candidates can complete and submit forms on the District website at www.mtmorriscsd.org.

AND FURTHER NOTICE IS HEREBY GIVEN that any vacancies on the Board of Education are not to be separate offices in the nominating petition and are to be arranged alphabetically and direction given that as many candidates be voted as there are vacancies to be filled. Take further notice that pursuant to Section 2034 of the Education Law, the candidates who receive a plurality of votes cast respectively for several offices are to be declared elected. The two (2) candidates with the highest plurality will receive three (3) year terms.

AND FURTHER NOTICE IS HEREBY GIVEN that applications for absentee ballots will be obtainable by request from the District Clerk at 585-658-5010 and on the District website at www.mtmorriscsd.org. Completed applications must be received by the District Clerk at least seven (7) days before the election if the ballot is to be mailed to the voter, or the day before the election, if the ballot is to be delivered personally. Absentee ballots must be received by the District Clerk no later than 5:00 p.m., prevailing time, on Tuesday, June 9, 2020. A list of persons to whom absentee ballots are issued will be available for inspection to qualified voters of the District in the office of the District Clerk on and after Thursday, June 4, 2020 and said list will be posted at the polling place at the election. To view the list, please contact the District Clerk at 585-658-5010 to make an appointment.

AND FURTHER NOTICE IS HEREBY GIVEN that military voters who are not currently registered may apply to register as a qualified voter of the School District, if they meet the criteria for same. Military voters, as defined by Education Law 2018-d, may request an application to register as a qualified voter from the District Clerk. Military voter registration application forms must be received in the office of the District Clerk no later than 5:00 p.m. on the twenty-sixth (26th) day before the election. A military voter may designate a preference to receive a military voter registration, military ballot application or military ballot by mail, facsimile transmission or electronic mail in their request for such registration, ballot application, or ballot. Such designation shall remain in effect until revoked or changed by the military voter.

AND FURTHER NOTICE IS HEREBY GIVEN that the qualified voters of the School District shall be entitled to vote at said annual vote and election. A qualified voter is one who is (1) a citizen of the United States of America, (2) eighteen years of age or older, and (3) resident within the School District for a period of thirty (30) days next preceding the annual vote and election. Pursuant to Executive Order of the Governor of the State of New York, the District will send absentee ballots to all qualified voters who reside in the District whose names appeared on the District's registration rolls for the 2018-2019 budget vote. If you are a qualified voter of the School District and do not receive an absentee ballot, please contact the District Clerk.

••• Legal Notice •••

NOTICE IS HEREBY GIVEN, that the budget hearing of the qualified voters of the Keshequa Central School District, Livingston, Allegany, and Wyoming Counties, New York has been adjourned by Executive Order of the Governor of the State of New York and will be available to view on our website June 2, 2020.

TAKE FURTHER NOTICE, that the annual vote of the District has been adjourned by Executive Order of the Governor of the State of New York and will be held on Tuesday, June 9, 2020, **BY ABSENTEE BALLOTS ONLY**, which vote will be taken on the appropriation of the necessary funds to meet the estimated expenditures in the budget for the fiscal year 2020-2021. In addition, a vote shall be taken on the following:

■ The election of one board member to the Board of Education. This is for the term currently held by Jill Burley. This seat will be a four-year term.

■ Resolved that the Board of Education of the Dalton-Nunda Central School District is hereby authorized to undertake the acquisition of one 64-passenger school bus with luggage compartment at an estimated maximum cost of \$118,000, one 64-passenger school bus at an estimated maximum cost of \$115,000 and one 24-passenger wheelchair accessible school bus at an estimated maximum cost of \$72,000, all at an estimated maximum aggregate cost of \$305,000, less trade-in value, if any, and to appropriate and expend from the existing bus purchase reserve fund \$70,000 for such costs, and that the balance of such costs, or so much thereof as may be necessary, shall be raised by the levy of a tax to be collected in annual installments; and, in anticipation of such tax, debt obligations of the school district as may be necessary not to exceed \$235,000 shall be issued, or the school district may enter into an installment purchase contract if the Board of Education determines that it is in the best interest of the school district to finance the purchase in that method.

■ Resolved, that the Board of Education of the Dalton-Nunda Central School District is hereby authorized to establish a student ex-officio school board member.

TAKE FURTHER NOTICE: that all candidates for office of member of the Board of Education shall be nominated by petition. Each petition shall be directed to the Clerk of the District and shall state their name and residence of the candidate. Each petition shall be filed in the office of the Clerk of the District between the hours of 7:30 a.m. and 3:30 p.m., eastern daylight savings time, no later than May 11, 2020. Candidates for the Board of Education are required to file by law, sworn statements of campaign expenses on the tenth day preceding the election and within twenty days following the election. Information on the procedure may be obtained from the District Clerk.

TAKE FURTHER NOTICE: that the Board of Education of this District will have prepared and completed a statement in writing of the amount of money that will be required of the ensuing fiscal year, 2020-2021, and the tax exemption report, for school purposes. Such statement and tax exemption report will be available, upon request, to taxpayers within the District between the hours of 8:00 a.m. and 4:00 p.m., eastern daylight savings time from May 26, 2020 to June 9, 2020 (exclusive of weekends and holidays), in the District Office and on the District website.

Envision the Future of New York's Greenway Trails

· WHERE WILL THEY TAKE YOU? ·

#TrailsAcrossNY GreenwaysPlan.org

Did you know that New York State is in the first phase of planning for the future of our statewide greenways trail network?

With the Empire State Trail slated to be complete by the end of this year, now's the time to think about what's next for our greenway trails network. And the answer to that can be, in large part, up to you.

FILL OUT THE SURVEY

Parks & Trails New York and NYS Parks, Recreation and Historic Preservation are creating the state's first dedicated Statewide Greenways Plan. Your input is critical to help the plan address a wide range of questions, such as:

- Where should the State prioritize future development of greenway trails?
- How do we increase connectivity between existing greenway trails and communities?
- How do we make greenway trails more accessible to all?
- How can greenway trails help mitigate and respond to the effects of climate change?

Take a few minutes today to fill out the survey and let us know more about you and what makes you love your favorite greenway trail. To Take The Survey, visit: <https://www.greenwaysplan.org>. You will be redirected to: ptny.org/our-work/support/nys-greenways-plan

Take Steps to Prevent Recreational Water Illnesses

Memorial Day is around the corner and many of us are looking forward to the beginning of the summer swimming season. Swimming is a fun physical activity with many health benefits.

However, swimmers should be reminded that when sharing the water, they also share the germs in it with every person who enters the water.

Recreational water illnesses (RWIs) are illnesses spread by swallowing, breathing in the vapors from, or having contact with contaminated water in swimming pools, hot tubs, water parks, spas, interactive fountains, ponds, lakes, rivers, or oceans. Outbreaks of recreational water illnesses continue to occur in the United States each year. Germs on and in swimmers' bodies end up in the water and can make other people sick. Although healthy swimmers can get sick from RWIs, the young, elderly, pregnant women and those with weakened immune systems are especially at risk. The following are specific actions you can take to protect yourself and others:

1. Do not swim when you have diarrhea.
2. Do not swallow pool water or get pool water in your mouth.
3. Shower before swimming (children especially).
4. Wash your hands after using the toilet or changing diapers.
5. Take children on bathroom breaks or change diapers often.
6. Change children's diapers in a bathroom, not at poolside.

For more information about Recreational Water Illness Prevention & healthy swimming, contact the Livingston County Department of Health at 243-7299 or visit our website at www.livingstoncounty.us/doh.htm.

Rabies Positive Raccoon in the Town of Geneseo, Livingston County

According to Livingston County Public Health Director, Jennifer Rodriguez, the New York State Health Department laboratory has confirmed that a raccoon in the Town of Geneseo tested positive for rabies on May 5, 2020. Rabies is a deadly virus that attacks the central nervous system in mammals. It is most often found in raccoons, skunks, and bats in Livingston County. All mammals, including unvaccinated dogs, cats, and farm animals are at risk for getting rabies. There is no way to tell if an animal is rabid just by looking at it. Wild or feral animals should always be avoided.

Signs of rabies in wildlife can include:

- inability to walk
- appearance of “drunkenness”
- unwillingness to drink water or eat
- drooling
- aggressive behavior
- any significant change in temperament

All potential rabies exposures should be reported to the Livingston County Department of Health.

Below are important steps you can follow to prevent rabies.

- Stay away from unfamiliar animals, either wild or domestic, even if they appear friendly.
- Thoroughly wash any wound from an animal with soap and water and seek immediate medical attention.
- Avoid wild and feral animals, especially if the animal is showing any sign of rabies.
- Be a responsible pet owner by keeping your pet’s vaccinations current. Getting your pet vaccinated can help stop the spread of rabies from wild animals to humans.

New York State Law requires that all dogs, cats and ferrets have current rabies vaccinations beginning at 4 months of age. An unvaccinated pet that comes into contact with a rabid animal must be kept in strict confinement for six months or be euthanized. Free rabies clinics are offered for dogs, cats, and ferrets every year in Livingston County. Please contact the Livingston County Department of Health for clinic dates. Pre-registration is available on the Environmental Health website listed below.

It is important to be aware of the facts and use caution to protect both your family and your pets. If you have any questions or would like further information on rabies or rabies vaccination clinics, please contact the Livingston County Department of Health at 243-7280 or visit www.livingstoncounty.us/eh.

Livingston County Board of Supervisors Proclaims May 6-May 12 as National Nurses Week

At its May 6, 2020 meeting, the Livingston County Board of Supervisors proclaimed the week of May 6-12 as National Nurses Week. The Board members ask that all residents of Livingston County join them to honor the registered nurses who care for all of us; celebrate registered nurses' accomplishments and efforts to improve our health care system; and show appreciation for the nation's registered nurses not just during this week but at every opportunity throughout the year.

The proclamation states:

- Registered nurses in the United States constitute our nation's largest health care profession;
- The registered nursing profession meets the different and emerging health care needs of the American population in a wide range of settings;
- A renewed emphasis on primary and preventive health care will require better utilization of all of our nation's registered nursing resources;
- The delivery of the best quality nursing care to all residents is the function of the Livingston County nursing staff;
- The nurses in "our neighborhoods" are employed in a variety of areas where their expertise in specialized skilled nursing services provides Livingston County with the ability and knowledge to coordinate services to meet individual needs;
- Professional nursing has been demonstrated to be an indispensable component of preventative health and the safety and quality of care of hospitalized patients;
- The demand for registered nursing services will be greater than ever because of the aging of the American population, the continuing expansion of life-sustaining technologies, and the explosive growth of home health care services;
- The Adult Day Health Care, Center for Nursing and Rehabilitation, Hospice, Immunization Programs, Livingston County Jail, Mental Health, Lead Program, Early Intervention, Children with Special Health Care Needs, Maternal Child Health Team, Preschool, WIC Program, Foster Care, Communicable Disease and the Reproductive Health Center are the "neighborhoods" where nurses provide care to children, adolescents, adults, seniors, the sick, and the terminally ill;
- The Livingston County Board of Supervisors salutes the LPNs, RNs, Nurse Practitioners, Nurse Midwives and Advanced Practice Nurses for their leadership and contributions to the health care of Livingston County residents.
