I've pretty much tried everything there was to relieve my pain and nothing was working. After my third decompression, I was actually so surprised because I bent over at home. We have a fireplace and I bent over to shift something and I didn't have pain. And I stood up and it was like the first time I realized that I had bent over without being afraid. I recommend everybody that has any kind of pain; back pain, neck pain you've got to come and have decompression therapy because it works.

- Georgia

I guess over the years I just got used to the pain. I had scoliosis, sciatica, and osteoarthritis in the back and a pinched nerve so I was feeling pretty bad.

How are you feeling now?

A whole lot better, not like I was when I was twenty years old but I can do things that I couldn't do before.

It doesn't hurt you at all?

No ma'am.

- Harold

Last week I felt better than I have in 6 months. I've only been coming for 4 weeks but I think it is really helping.

- Vicki

I came up to Tullahoma Chiropractic to see Dr. Kanan after a seminar that I went to because I was having really bad back pain. I couldn't sit, I couldn't stand, I couldn't do anything. Now that I've done it, I can now walk up straight. I don't lean forward anymore. I also can stand longer without moving and wiggling to ease the pain. And number three, my bowling scores have improved immensely because I can actually stand straight up on the alley and deliver the ball properly.

Meet... Mazy

Mazy is a Hound mix and a very sweet girl. Her life has not been the best because overly backyard breeding takes a toll on a mama's life. Mazy loves to be cuddled, loves tummy rubs and has lots of licks and wags to give. She loves to take long walks or just cuddle up on the couch and watch a movie. Stop by and see Mazy, she is waiting for you!!!

The \$35.00 adoption fee is minimal when compared to the years of joy a pet can offer your family. Please visit the shelter to choose your pet. The shelter has an ongoing need for donations of dog food, collars, leashes, treats, stainless steel food bowls and monetary donations to provide medical care. We greatly appreciate all donations made to the shelter.
