Mount Morris Central School District

has established four (4) food distribution points throughout town where students may pick up a prepackaged

Grab-and-Go Breakfast and Lunch

12 Noon-1 pm, Monday through Friday

We will monitor distribution points and make modifications as necessary. Parents will be notified in advance of any changes.

Thanks to generous local donors, a roll of bath tissue will be distributed with each lunch on Tuesday.

1. Look for a C&F Bus at the Letchworth Barn Antiques parking lot across from Mount Morris Furniture

2. Look for a C&F Bus at the parking lot behind the former Cornell Cooperative building on the corner of Main and Clark Streets

3. Look for a C&F Bus at the corner of Tallman Road and Hawksview Lane

4. Look for a C&F Bus at the Mount Morris Library parking lot, 121 Main Street

New Location

MMCS D has established a School Support Message Line • 585-658-5010
All calls will go to a voicemail box to be monitored by staff throughout the duration of our closure.

COVID-19 Has Not Changed Everything

So many things have changed over the past few months. Since the coronavirus showed up in the US and NY, jobs have been furloughed or totally disappeared, income has gone down for many, the medical system is struggling, schools are closed, the ability to get together with family and friends has been interrupted, freedoms have been locked-down, and life in general is just not the same.

But there is one thing that has not changed. Our God has not changed, not one bit. Mal 3:6 says "I am the Lord, I do not change." And Jam 1:17 tells us that in Him "there is no variation or shadow of turning."

At Healing Rooms on the Genesee, we endeavor to do His will by praying for the sick. Give us a call if you want prayer or need to talk. He cares and we care.

***TUESDAY, JUNE 9: Nunda Town Board Meeting** via Zoom. To join the meeting, visit: <http://town.nunda.ny.us> for the Zoom link that will be provided on a monthly basis. Steps to the Zoom meeting link: Go to town website: <http://town.nunda.ny.us> • under "Upcoming Events on the right, click on **Online Town Board Meeting** for the appropriate month. This will automatically open to a page with a link, meeting ID and the password needed to join the meeting either via your computer or phone. Town Board Meetings are the second Tuesday of every month at 7:00 PM. Questions should be emailed to: clerk@town.nunda.ny.us.

FYI: Nunda VFW Post 8961 has **Cancelled 2020 Memorial Day Parade and Public Ceremonies** due to Covid-19. The Nunda VFW will hold private services with Nunda and Dalton American Legion Posts, Nunda Village, Nunda Town and Town of Portage officials. Questions, (585) 880-9557.

FYI: The **67th Annual York-Leicester Field Day & Fireworks** scheduled for July 5, 2020 has been **CANCELLED** due to concerns about the corona virus. The York-Leicester Field Day Assoc. reached this decision and felt that the safety of the area visitors and residents should be our primary concern. The event will be held next July, in 2021.

FYI: All 2020 Special Events, Tours of the Dam, and other Visitor Services at Mount Morris Dam and Recreation Area are **CANCELLED UNTIL FURTHER NOTICE**. In an effort to reduce the risk of COVID-19 (novel coronavirus) infection and spread, and in concurrence with recommendations from the Centers for Disease Control and Prevention, the United States Army Corps of Engineers at Mount Morris Dam and Recreation Area has closed playgrounds and picnic areas at the Mount Morris Dam and Recreation Area until further notice. The William B. Hoyt II Visitor Center will remain closed, and all public programs, including special events and tours of the dam are cancelled until further notice. The Finger Lakes Trail remains open from other access points along the trail. We appreciate your support and patience as we navigate this public crisis together.

This page is donated as a public service by the Mount Morris Shopper for use by various organizations and groups to announce at no charge, non-profit coming events in the Mount Morris area.

Notes from the NUNDA VILLAGE BOARD

VILLAGE OF NUNDA PUBLIC NOTICE OF TAX COLLECTION

I, LeRoy J. Wood, Village Clerk-Treasurer of the Village of Nunda, Livingston County, New York have received the tax roll and warrant for the collection of taxes levied for the fiscal year June 1, 2020 through May 31, 2021, and I will be present at the Village Clerk's Office located in the Nunda Government Center, 4 Massachusetts Street, in said Village starting June 1, 2020 through June 30, 2020, except Saturdays, Sundays and holidays, from 9:00 a.m. until 3:00 p.m. of each day for the purpose of receiving taxes assessed upon such roll without penalty. On all taxes remaining unpaid after June 30, 2020, pursuant to Real Property Tax Law Section 1432 an interest charge will be added as follows: July 5%, August 6% and September 7%. TAKE FURTHER NOTICE that pursuant to the provisions of law the tax roll of the Village of Nunda will be returned to the County Treasurer of the County of Livingston on the 1st day of October 2020.

LeRoy J. Wood
Clerk-Treasurer

With warm weather comes an increased potential for contact with wildlife. The Livingston County Department of Health urges residents to be aware of the danger of rabies. Rabies is a virus that affects the central nervous system and is transmitted from infected animals to humans through a bite or if rabid saliva enters an open cut. Rabies has been found in skunks, woodchucks, raccoons, bats, cats, foxes, and even cows and can occur in all mammals. Rabies can be fatal. If you suspect a rabid animal or come in contact through a bite call the Livingston County Department of Health at 243-7280.

**NOTICE OF FUTURE
TOWN BOARD MEETINGS**

The Mount Morris Town Board will be conducting their monthly board meetings via Zoom. To join the meeting, please see the Town's website at townofmtmorris.com for the zoom link that will be provided on a monthly basis. On the website, look for "Online Town Board Meetings" to find the appropriate link, meeting ID and password needed to join the meeting either via your computer or phone. The town's website is currently under construction, so if you don't find this on your first attempt, please try back at a later date. Regular monthly meetings are held 6:30 pm on the 3rd Thursday of each month. Please email the Town Clerk at cmurphy@townofmtmorris.com with any questions.

TRANSFER STATION UPDATE

The Mount Morris Transfer Station can no longer accept televisions of any type. All computer equipment is still recyclable with the exception of bulky monitors that contain Cathode Ray Tubes.

Town Supervisor	~ Serving Always ~	Councilmembers
Chuck DiPasquale		Dave DiSalvo, Don Huff,

May is Asthma and Allergy Awareness Month

May is National Asthma and Allergy Awareness Month. Spring is peak season for many asthma and allergy sufferers. The link between asthma and allergies has long been recognized.

Over 22 million Americans suffer from asthma and the numbers are increasing every year. Asthma is a disease that affects the lungs and causes repeated episodes of wheezing, breathlessness, chest tightness, and nighttime or early morning coughing. Asthma is a lifelong disease and cannot be cured. However, it can be controlled by taking medicine and avoiding the triggers that can cause an attack. It is important to remove the irritants or allergens in the environment that can make asthma worse.

Millions of people also suffer from allergies caused by everyday exposures to dust mites, pollens, furred or feathered animals. Allergies and asthma can be increased by tobacco smoke and strong odors from cleaning supplies in school and home environments.

The Livingston County Department of Health asks that you eliminate any asthma or allergy irritants for you or your child. Please call 243-7299 for more information regarding allergies or asthma or visit our website at www.livingstoncounty.us/doh.htm.

“Senior Spotlight”

To honor the class of 2020, Mount Morris Central School District will be featuring eight different seniors each week in the Mount Morris Shopper

Erica Morgan is a member of Key Club and the National Honor Society. She is ranked third in her graduating class.

Since the school closure, Erica has been spending extra time hiking and catching up on her favorite shows.

“My teachers and friends have impacted me so much over the years. We have made many memories,” she said. Her favorite class is Spanish. Erica will be attending SUNY Brockport this fall, majoring in Social Work and minoring in Spanish.

“When I think about our community, I think about how close everyone is, like one big family,” said Erica.

Charles McCart

has played on the Soccer Team, Baseball Team and Track Team. One of his favorite memories is winning Soccer Sectionals. Charles’s favorite subject in school is English with Mr. Hussain.

“Mount Morris has some of the best teachers. I will miss them, and all of the friends I’ve made through the years,” said Charles. He also attended BOCES for Building Trades and is proud of being able to help build a house on Conesus Lake with his classmates.

Since the closure of school, Charles has been staying busy fishing, longboarding and cooking out on the grill.

Following graduation, Charles will work in the construction field and in the fall plans to enlist in the Army.

“Mount Morris is a small, close knit community that always encourages and supports others in time of need,” said Charles.

Devon Terry played on the Soccer Team, Outdoor Track Team and Indoor Track Team. He was in the Weightlifting Program, Swimming Program and is a certified Lifeguard.

“I am proud of my growth in weightlifting and being named weightlifter of the year,” said Devon.

He enjoyed maintaining a good schedule of waking up early before school and working out with his buddies and Coach Connolly. Since the school closure, Devon has been focusing on personal development and maintaining a good workout schedule. Two new activities Devon has been enjoying are jump roping and reading more.

Devon’s favorite subject in school is Exercise and Nutrition. Devon is enlisted in the Marines and is pursuing a career in Engineering. He has also been featured in a Future Hero’s special section in the Livingston County News.

“What a year it has been, but we are fortunate to have such a supportive community,” Devon said.

Jacob Petti participated on the Indoor and Outdoor Track Teams. He is proud of his athletic growth on both teams. His favorite subject in school is English.

“Jake is such a great young man. Respectful, hard-working and an excellent sense of humor. He has grown so much as a learner and student since he came to Mt. Morris in 8th grade, and he will be missed,” said Mr. Hussain.

Since the school closure, Jacob has been very focused on his school work. In the fall, Jacob will attend MCC for Computer Science.

“I will miss my friends and all of our helpful teachers at Mount Morris school,” he said.

“Senior Spotlight”

To honor the class of 2020, Mount Morris Central School District will be featuring eight different seniors each week in the Mount Morris Shopper

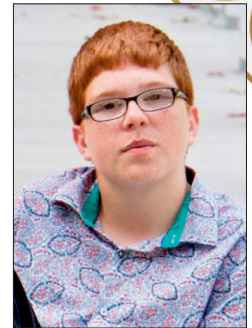

Julian Martin was on the Soccer Team, Basketball Team, Track Team and the Golf Program. One of Julian’s most memorable moments during his school career was winning Sectionals in Soccer last season.

He is also proud of the Varsity Golf Team for receiving a NYSPHSAA Team Scholar-Athlete Award. His favorite subject in school is Physical Education.

“I will miss my friends and the various activities we came up with including one giant game of tag which was a lot of fun! I will also miss the relationships I feel fortunate to have made with my classmates and teachers,” said Julian.

Following graduation, he will be enlisting in the Marine Corps.

“I am thankful to have grown up in a friendly and safe environment such as our Mount Morris community,” said Julian.

Marcos LaSalle has played on the Basketball Team, Soccer Team, Baseball Team and Track Team.

He is proud of his sports accomplishments and his most memorable moment is winning Basketball Sectionals.

His favorite subject in school is Physical Education. “I will miss having picnics with my school family,” he said. Since the closure of school, he has been working more.

In the fall, Marcos will attend Monroe Community College for Computer Science or Business.

“I will always be thankful to be a part of such a good and loving community,” said Marcos.

Nathan Callaro is proud of his achievements on the Golf Team. “Nate has been a long time member of the Varsity golf team.

He is an absolute joy to have on the team, and in the classroom.

I am appreciative of the few practices that we had this year, and all the memories from the past 4 years. Good luck Nate with all you do!” said Coach Stout.

The team received a NYSPHSAA (New York State Public High School Athletic Association) Team Scholar-Athlete Award. “I will miss making memories with my friends and our entire Mount Morris Central School family,” said Nathan. Nathan’s favorite subject in school is English. Since the school closure, he has been taking extra time to relax and enjoy his video games.

Nathan is also in the process of researching a career in the Army. “We have a good community where everyone gets along,” said Nathan.

Taylor Steen has played on the Soccer Team and Basketball Team since she was in Kindergarten, and joined the Track Team her freshman year.

Two of Taylor’s favorite memories are winning Track Sectionals in the 4x1 relay her sophomore year and scoring the game winning goal in the 2nd round Soccer Sectionals her junior year.

Taylor enjoyed most of her classes and looked to Mr. Hussain, Mr. Partridge and Mr. Schnieder as role models. “I will miss all of the crazy memories I have made with my friends throughout the years, especially the start of our senior year,” she said.

Taylor will attend MCC in the fall to pursue a degree in Psychology.

Health Screening Tool Unveiled to Help Track COVID-19 in Region

All residents in the Finger Lakes region are encouraged to sign up for ROC COVID, a health screening tool that could help prevent the further spread of COVID-19. Scientists and information technology staff from the University of Rochester Medical Center and Rochester Regional Health developed ROC COVID.

ROC COVID is an online survey tool consisting of questions that you answer daily, even if you have no symptoms. Questions include whether you have a fever, a cough, chills or other primary COVID-19 symptoms in addition to basic demographic information. As a participant, you will receive daily reminders to take the quick survey at ROC-COVID.org. A text version of the daily survey will be available in the near future.

Common Ground Health, a regional health planning organization, will securely house and analyze collected data. The data analysis will allow for an increased understanding of COVID-19, measure efforts to slow its progression, and help determine where to focus testing or adjust stay-at-home and physical distancing requirements.

Dr. Eric Bieber, President and CEO of Rochester Regional Health, said in a written statement, "One of the most important tools in the fight against any pandemic is timely access to data that allows for quick action to mitigate the spread and, ultimately, keep our communities healthy and safe. The ROC COVID health screening tool is another example of the region working together to harness the power of data to maintain vigilance in our shared response to the global COVID-19 pandemic."

If you are a University of Rochester Medical Center or Rochester Regional Health employee, you are asked not to participate in ROC COVID; however, you should continue to respond to your own internal surveys.

Immediate Opening for a Property/Leasing Manager – Western NY

Responsibilities & Qualifications:

Regional Property Manager oversees multiple affordable rental housing properties in 3-5 counties in Western New York. Properties are regulated by USDA RD and/or NYS/HCR/RRAP/HUD and the LIHC program for multi-family housing. Candidates must have extensive proven Residential Leasing and Compliance Training and demonstrated experience as a Supervisor to apartment site managers, particularly in LIHC regulated housing. Works with other internal Property and Finance staff in main office. Permanent position is with a well-established private not-for-profit regional development and management company. Reports to Finance Manager and CEO. Works with the Supported Housing staff serving Elderly/Disabled residents in company-owned housing.

Position Responsibilities/Requirements include, but not limited to:

- Knowledge of Fair Housing, ADA and other specialized governmental requirements for operation of publicly-financed Rental Housing with both NYS and Federal level guidelines.
- Ability to collaborate with support agencies and services providers for special populations (i.e., the Elderly, Disabled, Veterans, etc.).
- Ability to oversee & guide the work of multiple Rental Site Managers/Site Caretakers and property maintenance contractors.
- Work with an in-house Supported Housing Services team led by Regional Services Coordinator for certain services-enriched properties for the Elderly, Frail Elderly and Disabled.
- Prepare regular, highly accurate compliance reports for various agencies/lenders, both private and public.
- Develop and implement required Marketing Plans for target markets and ensure maximum occupancy.
- Supervise and train Site Staff; Assist with tenant relations, eligibility certifications and other landlord/tenant matters.
- Assist with preparation and tracking of Annual Budgets for properties and monitor expenses.
- Reliable transportation for regional periodic travel (day travel primarily).
- Reliable judgment, ability to meet deadlines, and problem solving skills within company and regulatory guidelines.
- Advanced understanding of and adherence to privacy guidelines and other confidentiality standards.

Education/Training Required:

A Bachelor's Degree is preferred but not required with suitable equivalent combination of advanced education/training/with several years' proven related experience in the operation of similar regulated housing. Certifications for Regulated Affordable Housing a PLUS.

Competitive Compensation and Benefits for this Salaried Position, based on qualifications. Position may be filled on an interim basis with provisional terms for suitably qualified applicants. Must have a flexible schedule.

Send cover letter, resume, & application to: cduross@gvrpc.com
or mail to: Genesee Valley Rural Preservation Council, Inc., Attention: Christine DuRoss
5861 Groveland Station Rd, Mt. Morris, N.Y. 14510

Covid-19 Testing Protocols Prioritize Front Line Workers

Livingston County Public Health Director Jennifer Rodriguez would like to remind residents of new protocols for COVID-19 testing that support statewide coordinated testing prioritization. As COVID-19 testing capacity increases across New York State, these protocols are meant to prioritize resources to meet the most urgent public health need.

COVID-19 testing will now be prioritized for individuals with or without symptoms who are employed as health care workers, first responders, or in any position within a nursing home, long-term care facility, or other congregate care setting, including but not limited to:

- Correction, Parole and Probation Officers
- Direct Care Providers
- Firefighters
- Health Care Practitioners, Professionals, Aides, & Support Staff (e.g. Physicians, Nurses, Public Health Personnel)
- Medical Specialists
- Nutritionists and Dietitians
- Occupational, Physical, Recreational and Speech Therapists
- Paramedics and Emergency Medical Technicians (EMTs)
- Police Officers
- Psychologists and Psychiatrists
- Residential Care Program Managers

The Livingston County Department of Health (LCDOH) recently teamed up with Noyes Health to administer close to 200 COVID-19 tests among the front line health workers at the Livingston County Center for Nursing and Rehabilitation (CNR), the 266-bed nursing home owned by Livingston County.

"Extensive testing among CNR front line workers is a priority because this facility houses one of our most vulnerable populations in the face of this public health crisis," stated Rodriguez. "Our goal is to prevent the spread of COVID-19 at the CNR through early identification and isolation of any positive cases that may exist."

Rodriguez continued, "Thank you to Noyes Health for collaborating with us on this large-scale effort. Together, we are working to stop the spread of COVID-19 and save lives."

This diagnostic testing will determine whether an individual is currently infected with COVID-19. This testing does not include antibody testing.

Rodriguez stated, "It is important for us to focus attention on these front line workers who may have a higher risk of exposure to COVID-19 based on the nature of their work."

If you are an individual in one of the prioritized categories listed above, you should contact your primary care physician or the Livingston County Department of Health (if you do not have a primary care physician) at 585-243-7270 to be screened for eligibility. If eligible for COVID-19 testing, an appointment will be arranged for you at a local COVID-19 testing site.

Noyes Health Nurses tested CNR Staff for COVID-19

Beth Smith and Jess Stratton

Livingston County Campgrounds Open with Some Restrictions

The Livingston County Department of Health issued conditional permits to some private campgrounds on Friday, May 8, 2020 with restrictions that extend until Monday, June 8, 2020. The use of all campsites is allowed, including tent sites. The restrictions are as follows:

Prohibited campground uses at this time:

- Swimming pools and beaches
- Recreation halls
- Playgrounds / sport courts & equipment
- Pavilions
- Social gatherings of any size (not unique to campgrounds; this is the same regulation as what applies to non-camp residences per NYS Executive Order)
- Daytime visitation from guests not intended as occupants for original overnight use

Allowable campground uses and activities at this time:

- Campground operated food service on a takeout or delivery basis only for consumption at individual campsites.
- Toilet and bathhouse facilities subject to maintaining 6-foot separation from other campground users or use of a face mask when allowable. Facilities will be cleaned and disinfected twice daily.
- Laundry facilities and camp store subject to maintaining social distancing and face mask use.

In keeping with the intent of a phased reopening of the County, Livingston County will reevaluate which activities may be allowed for use as statewide directives are made. Updated permits will be issued as warranted. Please contact the Livingston County Department of Health with questions at 243-7280 or visit www.livingstoncounty.us/eh.

Livingston County Delivers Masks to Local Fire Departments for Public Distribution

Livingston County is collaborating with 18 local fire departments to distribute cloth masks to the public on Saturday, May 23, 2020 between 10:00AM and 12:00PM. Masks will be available on a first come, first served basis for Livingston County residents only.

The Livingston County Office of Emergency Management recently received close to 11,500 cloth masks through coordination with the federal and state governments. Residents will be able to pick up masks from their local fire department, each graciously volunteering to assist in this distribution.

Livingston County Administrator Ian M. Coyle stated, "On behalf of the Livingston County Board of Supervisors, I would like to thank our fire chiefs for stepping up and offering their fire halls and volunteer firefighters as conduits for distribution of masks to our residents."

Masks can be picked up at the following Livingston County Fire Departments

Avon	74 Genesee Street, Avon, NY 14414
Caledonia	3089 Main Street, Caledonia, NY 14423
Conesus	6073 So. Livonia Road, PO Box 216, Conesus, NY 14435

Livingston County Provides Guidance to Residents and Businesses for Phase 1 Reopening

Governor Cuomo recently announced that the Finger Lakes region has met all seven metrics required to begin a Phase 1 reopening on May 15, 2020.

“Residents and businesses have done an incredible job during this pandemic in adapting to the new normal and exercising responsible citizenship. We are now prepared to enter Phase 1 of a multi-phase reopening,” stated County Administrator Ian M. Coyle. “That being said, COVID-19 has not gone away. As Phase 1 begins, we would like to urge Livingston County residents and businesses to remain vigilant in order to slow the spread of this virus. This is a gradual reopening and not carte blanche.”

Livingston County officials would like to share the following guidance for residents and businesses as Phase 1 begins.

Residents: All Livingston County residents are urged to follow these precautions on a daily basis:

- Practice social distancing
- Wear face coverings
- Properly wash hands and use sanitizer
- Clean surfaces regularly
- Stay home if sick

For more information on these health and safety guidelines, please visit Livingston County’s dedicated COVID-19 webpage [here](#) or call the Livingston County Department of Health (LCDOH) at 585-243-7270.

Businesses: Please visit the Empire State Development website [here](#) for a current list of essential businesses. For the most up-to-date list of businesses that are allowed to open in Phase 1, please visit the NY Forward website [here](#).

Throughout the phased reopening, it will be the responsibility of business owners to ensure that the safety of all remains paramount to ongoing operations. All businesses will be subject to ongoing LCDOH regulations and guidance as issued by New York State and Livingston County.

As part of the reopening process, all businesses are required to visit the website [here](#) and attest that you have read and understand the guidance required for your industry. Businesses will still be required to have:

- Face coverings for all employees and customers (where and when applicable) if in frequent contact with others.
- Social distance protocols and related actions for safety of employees, customers, and vendors.
- Proper procedures for a safe, clean and sanitized workplace. Frequent cleaning of customer touch points. Employee training to ensure employee, customer, and vendor safety.
- Changes in the physical space to limit access to areas where congregation can occur.
- Adjustments to workplace hours and shift design as necessary to reduce density in the work place.
- Policies that consider restricting non-essential travel for employees.
- A continuous health screening process for individuals to enter the workplace.
- Liability processes.

For further guidance on how to re-imagine your workplace in terms of social distancing, safety and sanitization, and messaging and communications, please visit the Livingston County Economic Development website [here](#) or call the office at 585-243-7124.

THANK YOU

We would like to take a moment to say 'thank you' for all the love and kindness shown to our family during the passing of our brother.

Special thanks to William D'Angelo with John W. Martin Funeral Home for all of your guidance during a very difficult time. Also, thank you to Baldwin Brothers Funeral Home in Port Orange, FL for their assistance in bringing Patrick home to us.

We would like to thank Pastor Lauren Turner and Lynn Heather with the Dalton United Methodist Church for the beautiful memorial service, along with TJ Photography for the video, Dansville Dogwood Floral, Vasile's Catering, and the Dalton American Legion, Arland Kelley Post No. 1569.

Our brother touched so many as was evident by the number of people who came to share their laughs, tears, and memories with us. Thank you for the cards, flowers, food, and just being there for us. It truly meant the world and helped us get through.

*Those we love don't go away,
They walk beside us every day;
Unseen and unheard, but always near,
Still loved, still missed, and very dear.*

The Family of Patrick Jon Adams
