Anchor Bay High School Class of 2020,

None of us could have imagined a scenario such as this for your final months of your senior year. I too, share in your disappointment over so many "lasts" that didn't get to take place in the traditional way or within our ABHS campus. While your senior experience has been interrupted and altered dramatically, it does not change the final chapter.

You did the work and earned your diploma. You got up early, stayed late and did what was necessary to make your mark on Anchor Bay. You made us proud with many achievements, awards and accomplishments in and outside of school. You are kind, generous and giving role models of the school, leaving a positive mark on the underclassman.

You are now entering Alumni status and opening the page to a brand new book. I am confident in your skills, perseverance and commitment to making the world a better place. On behalf of the entire Anchor Bay District, we wish you all the best in your future endeavors and can't wait to witness your future successes.

Congratulations and good luck!

My Lovely Classmates,

Grateful does not even begin to express the feelings I have toward y'all for an amazing four years at ABHS, yet it is the only word that comes to mind. We have been on quite the journey, one that truly would not have been the same without every single one of you. As I reflect back on my high school career, what sticks out is not who won the football games or what song was playing at lunch, but rather the people who were experiencing it with me. That is what I focus on when I think about our time together coming to an end, the smiling faces I saw when I looked around, the sound of everyone singing the fight song, and the laughter that engulfed the room. The Class of 2020 is one of the most stunning groups of world-changers, one that I am honored to be associated with. You all have inspired me everyday and have pushed me to be the best version of myself. I might not have had the chance to be close friends with you all, but know, I still appreciate you, and I am proud of you. Please remember that you are capable of anything you set your mind to, so dream big and never stop pursuing. Thank you, from the bottom of my heart, for the best four years I could have ever imagined. I hope to have made you as proud as you have made me.

ABHS Seniors,

On Thursday, April 2nd, my heart broke when the announcement came that Michigan schools were closed for the remainder of the year. Since that time, I have spent many hours specifically thinking of our graduating seniors.

This closure reminded me of what we have always known to be true: School is you. It is not the brick and mortar of a building; school is a relationship, a commitment to inspire each other, to discover who we are meant to be and how we will give back to our communities. While you may go down in ABHS history as the Class that graduated during a national pandemic – you must not let that define you or in any way hold you back.

You need to stay strong and be good citizens. I believe in your power to transform the world, and I need you to believe it too. You will be defined by your courage and resilience. Don't shrink. The world does not need you to make yourself small. Take care of yourself and help your community. As philosopher Angela Davis reminds us, "You have to act as if it were possible to radically transform the world and you have to do it all the time."

Seniors, you are more powerful than you ever imagined and now is your time to choose courage, to choose each other, and to create your legacy.

Stay strong. Be good citizens, and always know that you have a home at Anchor Bay High School.

*Congratulations,
Jeffrey LaPerriere, Principal
Anchor Bay High School*
