### WE ARE HERE

I am beyond glad to be able to reach so many of you again. Our friends at the Penny Pincher took a brief hiatus in order to ensure the safety and health of its employees. I hope all of you are staying well. As of this moment, things appear to be improving. However, I urge you to take the highest precautions. Wearing a face covering is vital and expect to wear one for the rest of this calendar year. So many of us have lost loved ones, colleagues and neighbors. Please know that all of you are in my thoughts. While the weather is improving, our urge to go outside only increases. We, as New Yorkers, do not get to enjoy warm weather for long periods of time. Again, please wear a face covering – even if it is just for a quick walk around the block. Wearing a face covering, washing your hands frequently and staying at least six to ten feet away from someone will continue to save lives. If you or someone needs a mask, please call us immediately at (718) 892-1161 so we can add you to our waiting list as masks become available. It can be a scarf or old t-shirt to wrap around your nose and mouth. We are here for you.

### GET COVERED NYC

Many of us know someone in need of health insurance. The City of New York offers its own health insurance program for uninsured residents. The special enrollment period was extended to June 15, 2020. To apply, please visit <https://www1.nyc.gov/nyc-resources/get-covered.page> on your mobile phone, computer or tablet. As always, you may apply by simply dialing 311. If you run into any obstacles, contact my office immediately.

### CENSUS 2020

It pains me to write that our community district has one of the worst Census 2020 participation rates. In short, many of our residents have not completed their surveys. It is three to five minutes of our time. It is crucial that we complete the Census 2020. It is the only way we get the resources we are owed from our federal government. If you have completed your Census survey, contact five people who have not. Encourage people you know to contact five additional people, and so on. To complete the survey online, visit [mycensus2020.gov](http://mycensus2020.gov). To complete by phone, please call (844) 330-2020. Everyone should have already received a paper survey.

**NYC COUNCILMAN MARK GJONAJ** Dear Friends: I hope you and your families are staying well during this time. As the pandemic stretches into yet another week, let's be reminded that May is Mental Health Awareness Month and many in our community are coping with isolation, lack of contact with friends and family, grief, and of course, the uncertainty of the COVID-19 outbreak. If you or someone you know is struggling, I encourage you to reach out for help and contact 1-800-273-8255. I am proud that by an overwhelming majority, this week the NYC Council passed my bills to cap sky-high commissions charged by food delivery apps and ban charges for non existing phone orders. These laws will help struggling restaurants more than ever as more businesses and jobs will be saved. In appreciation of Nurses National Week I visited, thanked and brought lunch to Jacobi Medical Center nurses and medical personnel. Our neighborhood Food and Face Mask Giveaways are being held throughout the district in partnership with different community organizations, stay tuned and follow us on social media to find out when we will be in your neck of the wood. We are New York Strong and as we continue to flatten the curve, my thoughts and prayers go to those who have lost family and friends during this time and those who are continuing the fight against the virus. We are forever indebted to our healthcare workers, first responders and essential employees who are weathering the frontline, serving and protecting us. As always, to ensure you receive the best assistance, contact us at (718) 931-1721 or email us at [MGjonaj@council.nyc.gov](mailto:MGjonaj@council.nyc.gov). Sincerely, NYC Councilman Mark Gjonaj District 13, Bronx NY

About the book: In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant—and that her lover is married—she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. receive a link and password to participate. Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters—strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis—survive and thrive against the indifferent arc of history.
