\*TUESDAY, JUNE 9: *Nunda Town Board Meeting* via Zoom. To join the meeting, visit: <http://town.nunda.ny.us> for the Zoom link that will be provided on a monthly basis. Steps to the Zoom meeting link: Go to town website: <http://town.nunda.ny.us> • under "Upcoming Events on the right, click on Online Town Board Meeting for the appropriate month. This will automatically open to a page with a link, meeting ID and the password needed to join the meeting either via your computer or phone. Town Board Meetings are the second Tuesday of every month at 7:00 PM. Questions should be emailed to: [clerk@town.nunda.ny.us](mailto:clerk@town.nunda.ny.us).

FYI: The *67th Annual York-Leicester Field Day & Fireworks* on July 5, 2020 has been **CANCELLED** due to concerns about the coronavirus. The York-Leicester Field Day Assoc. reached this decision and felt that the safety of the area visitors and residents should be our primary concern. The event will be held next July, in 2021.

FYI: All 2020 Special Events, Tours of the Dam, and other Visitor Services at Mount Morris Dam and Recreation Area are **CANCELLED UNTIL FURTHER NOTICE**. In an effort to reduce the risk of COVID-19 (novel coronavirus) infection and spread, and in concurrence with recommendations from the Centers for Disease Control and Prevention, the United States Army Corps of Engineers at Mount Morris Dam and Recreation Area has closed playgrounds and picnic areas at the Mount Morris Dam and Recreation Area until further notice. The William B. Hoyt II Visitor Center will remain closed, and all public programs, including special events and tours of the dam are cancelled until further notice. The Finger Lakes Trail remains open from other access points along the trail. We appreciate your support and patience as we navigate this public crisis together.

*This page is donated as a public service by the Mount Morris Shopper for use by various organizations and groups to announce at no charge, non-profit coming events in the Mount Morris area.*

## COVID-19 Has Not Changed Everything

So many things have changed over the past few months. Since the coronavirus showed up in the US and NY, jobs have been furloughed or totally disappeared, income has gone down for many, the medical system is struggling, schools are closed, the ability to get together with family and friends has been interrupted, freedoms have been locked-down, and life in general is just not the same.

But there is one thing that has not changed. Our God has not changed, not one bit. Mal 3:6 says "I am the Lord, I do not change." And Jam 1:17 tells us that in Him "there is no variation or shadow of turning."

At Healing Rooms on the Genesee, we endeavor to do His will by praying for the sick. Give us a call if you want prayer or need to talk. He cares and we care.

# SPEAK OUT

Dear "Speak Out,"

Monday, May 25th is Memorial Day in 2020. Memorial Day began as Decoration Day in 1868, following the Civil War, to honor and remember those who died while serving in the armed forces of the United States of America.

Many of we Americans see Memorial Day as only a day for picnicking and camping while we leave gravesites without decorations of any kind. We should be ashamed of ourselves as those men and women died so that WE can continue to enjoy our freedoms. When I was a boy, the cemeteries were decorated with thousands of flowers while today, only a few people see fit to decorate graves.

We have even forgotten and neglect the graves of our own family members. I think it could be summed up best with what a relative of mine told me, "that he works hard and believes that he deserves a day off to enjoy himself." Unfortunately, I think he and many others with the same views have missed the point...that without those who served in the armed forces of the United States of America, we would not be able to enjoy any of our freedoms.

This year, many of us have lost family members to this terrible virus. While their memories are still fresh in our hearts, I challenge you to honor each of them with fresh flowers at their graves this Memorial Day.

Perhaps you might call another family member and relive fond memories of your loved ones in honor of them.

I know that you probably want to be remembered when you pass on, so we should remember those who have already departed.

Most Americans today think only of today. They think not of the past from whence we came nor to where our country is headed in the future. We only look at the past and those who have come before us as mere names and dates and not actual people who have built our wonderful country...those to whom we owe so very, very much.

I think of my uncle Leslie, who died at the Battle of the Bulge in December 1944. He was a medic in Patton's Third Army and was killed when a German tank blocked his ambulance while transporting wounded soldiers to a field hospital across a bridge.

I know that many of those who read this article also have loved ones who gave their lives in defense of their country. I encourage you to share your loved one's story in the service of the United States of America in upcoming articles.

Karl Marx in his Communist Manifesto bragged that a country could conquer another country simply by separating them from their past and the memories that made them great.

One of our founding fathers, Patrick Henry, once said "I know no way of judging the future but by the past."

Another founding father, Daniel Webster, said "History is God's providence in human affairs."

Our third president, Thomas Jefferson, said "History, by appraising them of the past, will enable them to judge of the future."

I agree with all three of these founding fathers because if we don't honor and remember those of the past, we will lose our moorings and be set adrift as a country and be lost to the future.

I encourage all of you to wake up and remember those men and women who died in the service of their country as well as all our departed family and friends this Memorial Day, May 25th.

Ronald Powell  
Nunda

**Great Buys**

**BEDDING HAY FOR SALE:** 4'x 5' round bales. Wilson Dairy Farms, Canaseraga Road, Dansville. Call 607-382-3342.

## Livingston County Board of Supervisors Amends Tax Foreclosure Timeline Amid COVID-19 Crisis

At its May 6, 2020 meeting, the Livingston County Board of Supervisors approved postponing the enforcement of unpaid 2018 property tax liens until 2021.

This Board action was taken in response to Governor Cuomo's Executive Order 202.8 and an Administrative Order issued by Chief Administrative Judge Lawrence K. Marks. Both Orders specifically prohibit New York State counties from engaging in any legal activity related to the foreclosure of properties under Real Property Tax Law Article 11.

Because these Orders have drastically impacted the County's tax foreclosure process with respect to unpaid 2018 Town and County taxes, a new date of redemption and a new auction date for the 2018 tax year have been established.

The newly established last day to redeem property under the Article 11 tax foreclosure process will be the close of County business on June 15, 2021. The auction date for properties the County acquires through the tax foreclosures process relative to the unpaid 2018 Town and County taxes will be July 22, 2021 at 6:00PM.

For questions related to the tax foreclosure process, please contact the Livingston County Treasurer's Office at 585-243-7050.

### MEMORIAL DAY

Due to COVID19, the usual Memorial Day parade will  
not take place. However, Town Supervisor DiPasquale  
and Mayor Frank Provo will be placing a wreath at the  
Veterans Memorial Park in honor of this occasion. There  
will also be a small ceremony at 10 am performed by our  
local VFW which can be viewed live on their facebook  
page [VFW Boyd and Parker Post 547](#). Please take a  
moment on Memorial Day to reflect, and thank the souls  
and families who have made the ultimate sacrifice for  
our country and freedom throughout the world.

Town Supervisor  
Chuck DiPasquale

**Did you know that Lyme Disease** is spread by the bite of an infected tick? Cases peak in summer months, especially during June and July. Typical symptoms include fever, headache, fatigue, and a characteristic skin rash called erythema migrans. If left untreated, infection can spread to joints, the heart, and the nervous system. To help protect yourself, your pets, and your children from Lyme disease please make sure your lawn is well maintained and if planning to be in tall grass, or in moist or wooded areas, wear protective clothing like long sleeves and pants. Be sure to tuck your shirt into your pants and your pants into your socks, and wear insect repellent containing DEET.

For questions or concerns contact the Livingston County Department of Health at 243-7299.

## Livingston County Economic Development Launches Local Business Recovery Fund

Geneseo, NY, May 21, 2020 — Today, Livingston County Economic Development is launching a Local Business Recovery Fund to assist small businesses in Livingston County that have been impacted by the COVID-19 pandemic.

The program will provide loans of no less than \$2,000 and no more than \$10,000 to eligible applicants for reopening their business within 30 days once government orders have been lifted. Loans will have a 48 month term and a 1% interest rate. No payments will be due in months 1 – 6.

To be eligible for this program, applicants must:

- Be a for-profit business located in Livingston County
- Document injury to business as a result of COVID-19
- Have acceptable personal credit history and credit scores prior to the New York State Emergency Declaration
- Be current with all property taxes, sales taxes, and state and federal income taxes

Allowable uses of program funds include:

- Modification of the existing business to adapt to governmental orders imposing restrictions on business operations, for example:
  - o Physical changes to the location to enable take out or curbside pickup
  - o Modifications to websites to enable on-line ordering
  - o Marketing / business development expenses to attract customers or relaunch business once governmental restrictions have been lifted
- Assistance in business continuity, for example:
  - o Employee payroll
  - o Employee health care
  - o Rent
  - o Inventory
  - o Utilities
  - o Accounts Payable

“The COVID-19 crisis has had a devastating impact on small businesses, which are the backbone of our Livingston County community,” stated Bill Bacon, Director of Livingston County Economic Development. “Our goal with the recovery fund is to help our small businesses sustain their operations during this challenging time and offer assistance as they prepare to reopen their doors.”

The application packet is available here. Applications will be accepted beginning May 21, 2020 and reviewed in the order received. Livingston County Economic Development will accept applications until the earlier of the date that all program funds are committed or June 30, 2020. Completed applications should be returned via email to [info@growlivco.com](mailto:info@growlivco.com).

For more information on the Local Business Recovery Fund, visit the GrowLivCo website or call 585-243-7124.

## “Senior Spotlight”

To honor the class of 2020, Mount Morris Central School District will be featuring eight different seniors each week in the Mount Morris Shopper

**Kolby Burley** played on the Basketball, Baseball and Football Teams. He is proud of being selected as one of the Captains of the Football Team. His favorite subjects in school are Physical Education and History.

“I am most proud of myself for graduating with a regent’s diploma,” said Kolby.

He has also enjoyed his welding classes that he was able to take through the BOCES program and being able to create different pieces in a hands-on environment.

“I will miss the BOCES program because of the support from my teachers and friends. I feel this program gave me an excellent start in welding and a career for the future,” he said. Since the school closure, Kolby has been focused mainly on keeping up with school work, working at his job, building a chicken coop and gaming.

Following graduation Kolby will be entering the workforce and is deciding on applying for the laborer’s union, welder’s union or builder’s union.

“I am thankful for having the opportunity to be successful and I am excited to see what my life brings to me,” said Kolby.

**Doug Waite** enjoyed taking Science and Culinary Arts through the BOCES program. He is proud to be graduating. “I will miss the funny times with my friends and my teachers,” he said.

Doug’s most memorable moment from his school career was the Semi-Formal dance and being with his friends. Since the school closure, Doug has been focusing on school work, chores, helping with his dog and practicing culinary arts. He is also working and saving to purchase a car. Doug plans to attend a Culinary Arts school in the fall.

“I enjoy our community because everyone is welcoming and full of life, and we have great festivities,” said Doug.

**Madyson Simmons** will miss going to school every day and seeing her teachers. She looks to Mrs. Ingerick as a role model. Mrs. Ingerick has shared this poem written by Aarti Khurana for Madyson, “You. Are. Amazing.

As. You. Are. Stronger than you know. More beautiful than you think. Worthier than you believe. More loved than you can imagine. Passionate about making a difference. Fiery when protecting those you love. Learning. Growing. Warm. Giving. Smart. Funny. Kind. And so, so, so much more.”

Madyson also enjoyed the classes she was able to take at BOCES. Her most memorable moment from her school career was Junior Prom. Since the closure of school, Madyson has been working at a nursing home which she plans to continue following graduation.

“What comes to mind when I think about our community is small and friendly,” said Madyson.

**Brandon Flint** was in the Weightlifting Club and has played on both the Soccer Team and Indoor Track Team. He is proud to have been named a LCAA Exceptional Senior Athlete. Brandon has had many great soccer moments including scoring all 3 goals in a game last season with a final score of 3-0.

Brandon has set new school records for Weightlifting in Squat and Deadlift, and has also set school records for Indoor Track, including one for Shot Put that had previously been achieved in 1991. Coach Connolly commented, “Brandon’s work ethic and determination is second to none.” During school Brandon enjoyed taking the Syracuse University Project Advance course sequence with Mr. Hussain.

Since the closure of school, Brandon has been spending a great amount of time preparing for boot camp including reporting to his recruiting substation.

Brandon is enlisted in the United States Marine Corps and will be working in the engineering field. Earlier this year he was featured in a special section of the Livingston County News called Future Heroes.

## “Senior Spotlight”

To honor the class of 2020, Mount Morris Central School District will be featuring eight different seniors each week in the Mount Morris Shopper

**Savannah Nunez** has played on the Basketball Team and was the stage manager for the Drama Club. Her favorite subject is English. She will always remember the proud feeling of passing a test she had thought she failed. Savannah had Enrichment with Mr. Schneider and looks up to him as a role model.

“Savannah is a smart, tough and determined young lady who works towards her goals and accomplishes those tasks. She has a wonderful sense of humor that is far beyond her years. She is an excellent judge of character and isn’t afraid to let you know what she thinks.

Most importantly to me, Savannah was a great member of the learning environment and cares deeply about her education and the education of her classmates. Savannah will be missed in the halls of Mount Morris school by many peers and teachers,” said Mr. Schneider. Savannah will attend Elmira College in the fall for Nursing.

“I will miss my Mount Morris Central School District Family and the community that I will always think of as home,” said Savannah.

### Jose Coyote Medina

is ranked second in his graduating class.

He is a member of the National Honor Society and has played on the Indoor Track Team, Outdoor Track Team, Basketball Team, Baseball Team and Soccer Team.

He is proud of winning the soccer sectionals in 2018 and will miss playing soccer and the team. His favorite subject is Science. Since the closure of school, Jose has been working at the Leaning Tower.

Jose is currently exploring different options for college. He is interested in studying petroleum engineering or automotive engineering.

“When I think about our community I think about how close everyone is,” said Jose.

**Jansel Martinez** has played on the Soccer Team, Football Team, Basketball Team and Baseball Team. Jansel is one of only five Mount Morris School athletes to score 1,000 points during their basketball career.

He is very proud of this achievement as well as winning sectionals in basketball. “I will miss playing sports with my friends,” said Jansel.

Jansel’s favorite subject is English with Mr. Hussain. Since the closure of school, Jansel has been spending more time running and working out. “My most memorable moments from school were when we had our homecoming events and other school events because it made me feel like we were all there as a family. We always had a good time,” he said.

Jansel plans to attend Alfred State College in the fall and then SUNY Brockport for business.

**Joseph Pagano** has enjoyed being in Band since the fourth grade.

He has played on the Soccer Team, Basketball Team & Track Team. “I will miss the true feeling of family found inside the sports teams I was involved with,” said Joseph. He is proud of winning Soccer sectionals as a sophomore with his long-time team, winning the 4x1 relay in sectionals that same year and placing 5th in the heat in state qualifiers. He is also proud of winning basketball sectionals his junior year, and making the All-Tourney, All-Star, and Exceptional Senior teams and having won 3 three sectional patches. Joseph will miss all the practices and late nights. His favorite class is English with Mr. Hussain. “I would like to give a shout out to Mr. Hussain, Mr. Schneider, Mrs. Welker, Mr. Hamilton and Mr. Swede for always doing the best they can for the kids; and a special shout out to Coach Connolly for being such a great coach throughout the years and believing in me, pushing me to do my best, even in the sports that he wasn’t coaching me in,” said Joseph. Since the school closure, Joseph has been hiking at Letchworth State Park, playing basketball, playing video games and catching up on his favorite shows. Joseph will attend MCC for Liberal Arts in the fall.

He will miss all the diverse personalities and different people that make up our quaint community and the theme of family that runs from the school throughout the whole town.

## Thank You Dr. Sohail Qureshi

From all of us at Noyes Memorial Hospital, your patients, and our entire community, we extend our deepest appreciation for your 40 plus years of dedicated care and devoted service.

# Positively Keshequa

## KPTSA Window Decorating Contest

Social connection is a primal human need. It improves intelligence, productivity, physical health, and happiness. Times like these remind us of the importance of serving others before ourselves. There's satisfaction and joy in serving a cause greater than self.

Keshequa PTSA (Parent Teacher Student Association) recently held a Door/Window Decorating Contest for Keshequa Seniors from April 17-May 3, 2020. We asked our Seniors to decorate their doors/windows with their jerseys, Keshequa gear, any extracurriculars, hobbies, etc., then send pictures to the PTSA Facebook page. The results were incredible!

[https://www.facebook.com/pg/Keshequa-Central-School-PTSA-2094474044198934/posts/?ref=page\\_internal](https://www.facebook.com/pg/Keshequa-Central-School-PTSA-2094474044198934/posts/?ref=page_internal)

The Keshequa PTSA was able to award Visa gift cards for 1st (\$50), 2nd (\$30), and 3rd (\$20) place in categories of Most Likes, and PTSA Members voted on a winner for Most Creative who won a free family PTSA Membership.

The idea for the Senior Door/Window Decorating Contest started with the Keshequa PTSA discussing ways to help students and the community while being isolated due to Covid-19.

As the weeks of isolation continued, we wanted to do something to provide entertainment and encourage community connection and camaraderie. What began with the idea of sponsoring a door/window decorating contest for Keshequa students soon morphed into honoring the Seniors specifically as an opportunity to recognize their achievements.

We realized that the Seniors were missing out on some of the rites of passage that come with graduating high school. At the same time, we wanted to encourage the Seniors, and have community members look for the doors and windows while driving around the district.

With so much creativity in these projects, it was great to see the tremendous community support! Keshequa PTSA and the community are proud of the hard work the Seniors of the Class of 2020 have put into their high school careers and wish them success in their future plans.

A similar contest has begun for grades Pre-K through 11. Details can be found on the Keshequa Central School PTSA Facebook page.

## May is Lyme Disease Awareness Month

Lyme disease is a bacterial infection that can be spread to humans by the bite of an infected deer tick. Ticks can be hard to see, as they may only be about the size of a pin-head. Lyme disease cases peak in the summer months, especially during May, June, and July.

Lyme disease is very serious and can become crippling or debilitating if not properly diagnosed and treated with antibiotics. Typical symptoms include fever, headache, fatigue, and a characteristic skin rash called erythema migrans. If left untreated, infection can spread to joints, the heart, and the nervous system. Serious risks from Lyme disease can be reduced if the tick is removed within 36 hours.

Anyone who plays or works outside is at an increased risk. Ticks most commonly live in cool, moist environments, and can be found in tall grassy areas, garden areas, around shrubs and in wooded areas. The public can be at risk while mowing lawns, picking up leaves, or other outdoor activities. Deer, birds, mice, and other animals can transport ticks into your yard.

There are several things you can do to protect yourself and your family from tick bites. Below are some basic tips to follow:

- ◆ Keep your lawn mowed and cut down brushy areas.
  - ◆ Avoid areas that may be infested such as, tall, grassy, moist areas.
  - ◆ Use protective measures. If you know you will be walking in tall grass wear long sleeves and tuck your pants into your socks and shirt into your pants. Also, try to wear light color clothing so that ticks are more visible.
  - ◆ Use repellent that contains 20 percent or more DEET, picaridin, or IR3535 on exposed skin for protection that lasts several hours.
- For Immediate Release  
Media Contact: Yvonne Oliver, Public Health Educator, 585-243-7279
- ◆ Perform a tick check on yourself, your pets and your children when finished with outside work or play.
  - ◆ If a tick is found, do not apply mineral oil, petroleum jelly, or heat. Use fine-tipped tweezers to remove the tick. Contact your doctor if there are concerns about incomplete tick removal or if a rash or flu-like symptoms develop.

By following these guidelines, you can help protect yourself and your family from Lyme disease. For any other questions, or concerns please contact the Livingston County Department of Health at 243-7280 or visit our website at [www.livingstoncounty.us/doh.htm](http://www.livingstoncounty.us/doh.htm).

## Attention Nunda

**The Mount Morris Shopper will no longer be delivered by carrier. Instead, your Shopper will be delivered in the mail each week by Saturday. If you have a PO Box at the Post Office, you will find stacks of Mount Morris Shoppers there and you may take what you like when you get your mail. Thank You!**

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at <https://www.livingstoncounty.us/1207/COVID-19>.

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer. Livingston County Mental Health has created a help line for community members who need someone to talk to during these stressful times. This is a free and confidential service. Please call 585-243-7251, Monday – Friday from 9:00AM – 5:00PM. For COVID-19 information, visit Livingston County's dedicated COVID-19 Webpage and join us on Facebook, Twitter, and our YouTube Channel.

# May is Older Americans Month

Geneseo, NY, May 20, 2020 — Around the nation, older adults make their marks every day as volunteers, employees, employers, parents, grandparents, mentors, and advocates. They offer their time, talents, and experience to the benefit of our communities.

For 57 years, Older Americans Month (OAM) has been a special time to recognize these contributions. Led by the Administration for Community Living (ACL) each May, OAM also provides resources to help older Americans stay healthy and independent, and materials to help communities support and celebrate their citizens.

The theme for this year's OAM, Make Your Mark, highlights older adults' unique and lasting contributions to their communities—everything from sharing a story with grandchildren to leaving a legacy of community action.

Each year, in recognition of OAM, the New York State Office for the Aging works with area agencies on aging across the state to honor exceptional individuals who, through their actions, demonstrate the spirit of civic engagement and selflessness. This year's honorees from Livingston County are David W. Parish and Paul Maginn. Their biographies are attached.

Need OAM resources or want to learn more? Visit the official website at: [acl.gov/oam](http://acl.gov/oam), and follow ACL on Twitter and Facebook.

# Memorial Day is a Time to Honor the Fallen

Mount Morris, NY, May 21, 2020 — In May of 1865, our nation faced the end of the Civil War. Over 620,000 deaths amassed between the Union and the Confederacy. This number represents 2.5% of the United States population at that time, which would be the equivalent of 8.275 million people today.

At the end of war, a local druggist, Henry C. Welles from Waterloo, New York mentioned that – while honoring living veterans was nice and celebrating the end of the war was good – more should be done to honor the deceased patriots. He wanted to place flowers and other decorations on their graves while grief was still eminent on the home front.

The following spring, Welles revisited this idea with General John B. Murray, a Brigadier General and a public servant. As Clerk of Seneca County, Murray was influential in setting Welles' ideas into motion. On May 5, 1866, to the beat of music, a group marched to three different cemeteries to decorate the graves of soldiers. This event was repeated again in 1867, and in subsequent years, other villages, towns, and cities followed in remembering our fallen service members.

Both the House of Representatives and Congress unanimously passed House Concurrent Resolution 587 in 1966 which states in part, "...one Hundred years ago in the Village of Waterloo, NY, does hereby officially recognize Waterloo, New York as the birthplace of Memorial Day..." It is a federal holiday to honor and mourn our fallen service members who took the oath to uphold the Constitution of the United States and never came home to their families on their own accord. Some, to this day, have never made it home.

Memorial Day was once recognized with closed storefronts, residential flags at half mast, and the marking of graves to honor the fallen. Today, many consider Memorial Day as an unofficial start to the summer season with parades, grilling, picnics, and other fond activities with family. Though celebrations have evolved from one man's ideas in 1865 to remembrances across the nation today, the significance of Memorial Day has not changed.

Today, we are confronted with an unprecedented pandemic that has changed the way we interact with each other. While you may not celebrate this year's Memorial Day on May 25th in a manner you are accustomed to, may you – in your own way – honor the sacrifices of our fallen service members and celebrate the lives that once were.

To the families of our fallen service members of generations past to present day, WE SALUTE YOU with honor and gratitude of a grateful nation.

## Caregiver Opportunity

If you have been in the health care field, perhaps a Home Health Aide or Personal Care Aide and would like to help our nursing home residents at this critical time, we have a special offer for you! The Department of Health is allowing a Temporary Nurse Aide Program to be offered by the American Health Care Association that you can complete in a few hours online. We would then offer you a position at Hornell Gardens as a Temporary Nurse Aide. Hornell Gardens is a part of Hurlbut Care Communities, a group of 13 skilled nursing facilities.

Please reach out to  
Gail Brocius for details at
